(c) If the Notes are accelerated or otherwise become due prior to their maturity date, in each case, as a result of an Event of Default (including, but not limited to, an Event of Default referred to in clauses (10), (11) and (12) of Section 6.01 hereof (including the acceleration of any portion of the Indebtedness evidenced by the Notes by operation of law)), the Applicable Premium or the amount by which the applicable redemption price exceeds the principal amount of the Notes (the "Redemption Price Premium"), as applicable, with respect to an optional redemption of the Notes shall also be due and payable as though the Notes had been optionally redeemed on the date of such acceleration and shall constitute part of the Obligations with respect to the Notes in view of the impracticability and difficulty of ascertaining actual damages and by mutual agreement of the parties as to a reasonable calculation of each holder's lost profits as a result thereof. Any premium payable pursuant to this paragraph shall be presumed to be liquidated damages sustained by each holder as the result of the acceleration of the Notes and the Company agrees that it is reasonable under the circumstances currently existing. The applicable premium shall also be payable in the event the Notes or this Indenture are satisfied, released or discharged, in each case, through foreclosure, whether by judicial proceeding, deed in lieu of foreclosure or by any other means. **THE ISSUER AND EACH GUARANTOR EXPRESSLY WAIVE (TO THE FULLEST EXTENT EACH OF THEM MAY LAWFULLY DO SO) THE PROVISIONS OF ANY PRESENT OR FUTURE STATUTE OR LAW THAT PROHIBITS OR MAY PROHIBIT THE COLLECTION OF THE FOREGOING PREMIUM IN CONNECTION WITH ANY SUCH ACCELERATION.** The Issuer and each Guarantor expressly agree (to the fullest extent each of them may lawfully do so) that: (A) the applicable premium is reasonable and is the product of an arm's length transaction between sophisticated business entities ably represented by counsel; (B) the applicable premium shall be payable notwithstanding the then prevailing market rates at the time acceleration occurs; (C) there has been a course of conduct between holders and the Company and the Guarantors giving specific consideration in this transaction for such agreement to pay the applicable premium; and (D) the Issuer and each Guarantor shall be estopped hereafter from claiming differently than as agreed to in this paragraph. The Company expressly acknowledges that its agreement to pay the applicable premium to the holders as herein described is a material inducement to the holders to purchase the Notes.

Section 6.03 *Other Remedies.*

(a) If an Event of Default occurs and is continuing, (a) the Trustee may pursue any available remedy to collect the payment of principal of, premium on, if any, or interest or Additional Amounts, if any, on the Notes or to enforce the performance of any provision of the Notes or this Indenture to be observed or performed by the Issuer, the Company or any Guarantor; provided however, that, anything in this Indenture to the contrary notwithstanding, except with respect to its Liens provided for in Section 7.07(d) or as otherwise provided in the first sentence of the next succeeding paragraph of this Section 6.03, the Trustee shall have no right or obligation to take any enforcement or other action, and the Trustee shall have no remedy, with respect to the Collateral or the performance of any provision of the Security Documents, and (b) the Collateral Agent may pursue any available remedy to enforce the performance of any provision of the Security Documents and any remedy available to it to enforce the performance of any provision of this Indenture that runs to its benefit.

(b) The Trustee may direct the Collateral Agent to take enforcement action with respect to the Collateral if any amount is declared or becomes due and payable pursuant to Section 6.02 (but not otherwise). All rights of action and claims under this Indenture or the Notes may be prosecuted and enforced under this Indenture by the Trustee, and all rights of action and claims under the Security Documents may be prosecuted or enforced under the Security Documents by the Collateral Agent at the direction of the Trustee given pursuant to the first sentence of this paragraph or the Holders of a majority in aggregate principal amount of the then outstanding Notes, without the possession of any of the Notes or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee or the Collateral Agent shall be brought in its own name and as trustee or agent, as applicable, of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation,

expenses, disbursements and advances of the Trustee, the Collateral Agent and their respective agents and counsel, be for the ratable benefit of the Holders in respect of which such judgment has been recovered. A delay or omission by the Trustee, the Collateral Agent or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law. Notwithstanding the foregoing or any other provision of this Indenture or the Security Documents to the contrary, under no circumstances is the Trustee (in its individual capacity or otherwise) obligated to provide indemnity or security to the Collateral Agent (in its individual capacity or otherwise).

Section 6.04 *Waiver of Past Defaults and Rescission of Acceleration.*

(a) The Holders of not less than a majority in aggregate principal amount of the Notes outstanding by notice to the Trustee and the Collateral Agent may, on behalf of the Holders of all outstanding Notes, waive any existing Default or Event of Default and its consequences under this Indenture, except a continuing Default or Event of Default:

(1) in the payment of the principal or premium, if any, any Additional Amounts or interest on any Note held by a non-consenting Holder (which may only be waived with the consent of each Holder affected), or

(2) for any Note held by a non-consenting Holder, in respect of a covenant or provision which under this Indenture cannot be modified or amended without the consent of the Holder of each Note affected by such modification or amendment.

(b) Upon any such waiver, such Default shall cease to exist and any Event of Default arising therefrom shall be deemed to have been cured for every purpose under this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 *Control by Majority.*

Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or the Collateral Agent pursuant to this Indenture or the Security Documents, as applicable, or exercising any trust or power conferred on the Trustee or the Collateral Agent pursuant to this Indenture or the Security Documents, as applicable. However, the Trustee and the Collateral Agent may refuse to follow any direction that (a) conflicts with applicable law, this Indenture or the Security Documents, (b) the Trustee or the Collateral Agent determines may be unduly prejudicial to the rights of other Holders of the Notes (it being understood that neither the Trustee nor the Collateral Agent has an affirmative duty to ascertain whether or not any such directions are unduly prejudicial to such Holders) or (c) that may involve the Trustee or the Collateral Agent in personal liability.

Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Collateral Agent or exercising any trust or power conferred on it. However, the Collateral Agent may refuse to follow any direction that (a) conflicts with applicable law, this Indenture or any Security Document, (b) the Collateral Agent determines may be unduly prejudicial to the rights of other Holders of the Notes (it being understood that the Collateral Agent does not have an affirmative duty to ascertain whether or not any such directions are unduly prejudicial to such Holders), (c) may involve the Collateral Agent in personal liability or (d) may involve the Trustee in personal liability or would affect the Trustee's rights, duties, liabilities or immunities under this Indenture or otherwise (it being understood that the Collateral Agent does not have an affirmative duty to ascertain whether or not any such directions may involve the Trustee in personal liability or would affect the Trustee's rights, duties, liabilities or immunities under this Indenture or otherwise).

Section 6.06 *Limitation on Suits.*

No Holder may pursue any remedy with respect to this Indenture, the Notes or any Security Document unless:

(1) such Holder has previously given the Trustee and the Collateral Agent written notice that an Event of Default is continuing;

(2) Holders of at least 25% in aggregate principal amount of the then outstanding Notes make a written request to the Trustee or the Collateral Agent, as applicable, to pursue the remedy;

(3) such Holder or Holders have offered and, if requested, provided to the Trustee or the Collateral Agent, as applicable, security or indemnity reasonably satisfactory to it against any loss, liability or expense;

(4) the Trustee or the Collateral Agent, as applicable, does not comply with such request within 60 days after receipt of the request and the offer of security or indemnity; and

(5) Holders of a majority in aggregate principal amount of the then outstanding Notes have not given the Trustee or the Collateral Agent a direction inconsistent with such request within such 60-day period.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07 *Rights of Holders of Notes to Receive Payment.*

Notwithstanding any other provision of this Indenture, the contractual right expressly set forth in this Indenture and the Notes of any Holder to receive payment of principal of, premium on, if any, or interest or Additional Amounts, if any, on any Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be changed without the consent of such Holder. For the avoidance of doubt, no amendment to, or deletion of, Sections 4.02 through 4.24, inclusive, hereof, shall be deemed to change any Holder's right to receive payments of principal of, premium on, if any, or interest of Additional Amounts, if any, on the Notes.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuer for the whole amount of principal of, premium on, if any, and interest and Additional Amounts, if any, remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, the Collateral Agent and each of their respective agents and counsel.

Section 6.09 *Trustee May File Proofs of Claim.*

Each of the Trustee and the Collateral Agent is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel), the Collateral Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Collateral Agent, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Issuer (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee or the Collateral Agent, as applicable, and in the event that the Trustee or the Collateral Agent shall consent to the making of such payments directly to the Holders, to pay to each of the Trustee and the Collateral Agent any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, the Collateral Agent and each of their respective agents and counsel, and any other amounts due the Trustee and the Collateral Agent under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, the Collateral Agent and each of their respective agents and counsel, and any other amounts due the Trustee and the Collateral Agent under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee or the Collateral Agent to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee or the Collateral Agent to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 *Priorities.*

If the Trustee or the Collateral Agent collects or receives any money pursuant to this Article 6 or Section 7.01(g) or, after an Event of Default, any money or other property is distributable in respect of the Issuer's obligations under this Indenture, such money or property shall be paid in the following order:

First: to the Trustee (including any predecessor trustee), the Collateral Agent (including any predecessor collateral agent) and their respective agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee or the Collateral Agent and the costs and expenses of collection; provided, however, if such money or property is not sufficient to pay in full all such amounts due the Trustee and the Collateral Agent, then to the Trustee and the Collateral Agent pro rata based upon the respective such amounts due them;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest and Additional Amounts, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest and Additional Amounts, if any, respectively; and

Third: to the Issuer or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or any Security Document or in any suit against the Trustee or the Collateral Agent for any action taken or omitted by it as a Trustee or as a Collateral Agent, as applicable, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee or the Collateral Agent, a suit by a Holder pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

ARTICLE 7.
TRUSTEE AND COLLATERAL AGENT

Section 7.01 *Duties of Trustee and Collateral Agent.*

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee or the Collateral Agent; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee will be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts, statements, opinions or conclusions stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraphs (b) and (e) of this Section 7.01;

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer of the Trustee, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to this Section 7.01.

(e) No provision of this Indenture or the Security Documents will require the Trustee or the Collateral Agent to expend or risk its own funds or incur any liability (financial or otherwise). Neither the Trustee nor the Collateral Agent will be under any obligation to exercise any of its rights or powers under this Indenture or, in the case of the Collateral Agent, under the Security Documents, as applicable, at the request of any Holders, unless such Holder has offered to the Trustee or the Collateral Agent, as applicable, security and indemnity satisfactory to it against any loss, liability or expense. The Collateral Agent shall have no obligation to exercise any of its rights or powers under this Indenture or the Security Documents, as applicable, at the request of the Trustee given pursuant to the first sentence of the second paragraph of Section 6.03, unless the Trustee (or any Holder) has offered to the Collateral Agent security and indemnity satisfactory to it against any loss, liability or expense, subject in all events to the last sentence of Section 6.03. In the event the Collateral Agent receives conflicting directions from the Trustee and the Holders of a majority in aggregate principal amount of the then outstanding Notes, the Collateral Agent shall not be obligated to act upon any such directions unless and until it receives a joint instruction from such directing parties or an instruction from one party with the consent of the other.

(f) Neither the Trustee nor the Collateral Agent will be liable for interest on, or to invest, any money received by it except as the Trustee or the Collateral Agent may agree in writing with the Issuer. Money held in trust by the Trustee or the Collateral Agent need not be segregated from other funds except to the extent required by law.

(g) The Collateral Agent is hereby authorized and directed to execute and deliver, and act as beneficiary under, the Security Documents on behalf of the Secured Parties and is hereby authorized (without obligation) to take such other actions as may be necessary or advisable in accordance with the Security Documents. The Collateral Agent shall remit any proceeds recovered from enforcement of the Security Documents to the Trustee for application pursuant to Section 6.10; provided that all necessary approvals are obtained from each relevant jurisdiction in which the Collateral is located.

Section 7.02 *Rights of Trustee and Collateral Agent.*

(a) The Trustee and the Collateral Agent may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed, sent (including by email) or presented by the proper party or parties. Neither the Trustee nor the Collateral Agent needs to investigate any fact or matter stated in the document.

(b) Before the Trustee or the Collateral Agent acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both and the Trustee and the Collateral Agent may conclusively rely upon such Officer's Certificate and/or Opinion of Counsel. Neither the Trustee nor the Collateral Agent will be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate and/or Opinion of Counsel. Each of the Trustee and the Collateral Agent may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee and the Collateral Agent may execute any of the trusts or powers hereunder or under any of the Security Documents or perform any duties hereunder or thereunder either directly or by or through its attorneys, custodians, nominees and agents and neither the Trustee nor the Collateral Agent will be responsible for the misconduct or negligence of, or for the supervision of, any agent, custodian, nominee or attorney appointed with due care by it hereunder or thereunder.

(d) Neither the Trustee nor the Collateral Agent will be liable for any action it takes, suffers or omits to take in good faith that it believes to be authorized or within the discretion or rights or powers conferred upon it by this Indenture and the Security Documents.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuer will be sufficient if signed by an Officer of the Issuer.

(f) Neither the Trustee nor the Collateral Agent will be under any obligation to exercise any of the rights or powers vested in it by this Indenture or the Security Documents at the request or direction of any of the Holders unless such Holders have offered to the Trustee or the Collateral Agent, as applicable, indemnity and security satisfactory to the Trustee or the Collateral Agent, as applicable, against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

(g) Neither the Trustee nor the Collateral Agent shall be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, appraisal, bond, debenture, note, other evidence of indebtedness or other paper or document (including any of the foregoing delivered in electronic format), but the Trustee and the Collateral Agent, in their discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee or the Collateral Agent shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney at the sole cost of the Issuer and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(h) Neither the Trustee nor the Collateral Agent shall be deemed to have notice or be charged with knowledge of any Default or Event of Default unless written notice of such Default or Event of Default from the Issuer or any Holder is received by a Responsible Officer of the Trustee or the Collateral Agent, as applicable, at the Corporate Trust Office of the Trustee or the Collateral Agent, as applicable, and such notice references the Notes and this Indenture. In the absence of receipt of such notice, the Trustee and the Collateral Agent may each conclusively assume that there is no Default or Event of Default.

(i) The rights, privileges, protections, immunities and benefits given to each of the Trustee and the Collateral Agent, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee and the Collateral Agent, as applicable, in each of their respective capacities hereunder and, in the case of the Collateral Agent, under the Security Documents, and each agent, custodian and other Person employed to act hereunder and thereunder.

(j) Each of the Trustee and the Collateral Agent may request that the Issuer, the Company or any Guarantor deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture or, in the case of the Collateral Agent, any of the Security Documents, which certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded; provided, however, that from time to time, the Issuer, the Company or any Guarantor may, by delivering to the Trustee and the Collateral Agent a revised certificate, change the information previously provided by it pursuant to this Section 7.02(j), but the Trustee and the Collateral Agent shall be entitled to conclusively rely on the then current certificate until receipt of a superseding certificate.

(k) Anything in this Indenture or any Security Document notwithstanding, in no event shall the Trustee or the Collateral Agent be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to loss of profit), even if the Trustee or the Collateral Agent, as applicable, has been advised as to the likelihood of such loss or damage and regardless of the form of action.

(l) Neither the Trustee nor the Collateral Agent shall be responsible or liable for any failure or delay in the performance of its obligations under this Indenture or any Security Document arising out of or caused, directly or indirectly, by circumstances beyond its control, including, without limitation, any provision of any law or regulation or any act of any governmental authority, acts of God; earthquakes; fire; flood; terrorism; wars and other military disturbances; sabotage; pandemics; epidemics; riots; interruptions; loss or malfunctions of utilities, computer (hardware or software) or communication services; accidents; labor disputes; acts of civil or military authority and governmental action or any other causes beyond the Trustee's or the Collateral Agent's control whether or not of the same class or kind as specified above.

(m) The permissive right of the Trustee and the Collateral Agent to take or refrain from taking action hereunder or, in the case of the Collateral Agent, under the Security Documents shall not be construed as a duty.

(n) The Collateral Agent shall accept without investigation, requisition or objection such right and title as any Subsidiary Guarantor may have to any of the Collateral and shall not be bound or concerned to examine or enquire into or be liable for any defect or failure in the right or title of any Subsidiary Guarantor to the Collateral or any part thereof whether such defect or failure was known to the Collateral Agent or might have been discovered upon examination or enquiry and whether capable of remedy or not and shall have no responsibility for the validity, existence, genuineness, value or sufficiency of the Collateral or any agreement or assignment with respect thereto.

(o) Without prejudice to the provisions hereof or under the Security Documents, neither the Collateral Agent nor the Trustee shall be under any obligation to insure any of the Collateral or any certificate, note, bond or other evidence in respect thereof, or to require any other person to maintain any such insurance and shall not be responsible for any loss, expense or liability which may be suffered as a result of any assets comprised in the Collateral being uninsured or inadequately insured.

(p) Neither the Collateral Agent nor the Trustee shall be responsible for any tax, assessment, government charge or any loss, expense or liability occasioned to the Collateral or otherwise as to the maintenance of the Collateral, howsoever caused, by the Collateral Agent or by any act or omission on the part of any other person (including any bank, broker, depositary, warehouseman or other intermediary or by any clearing system or other operator thereof), or otherwise, unless, as to the Collateral Agent, such loss is solely caused by the willful misconduct or gross negligence of the Collateral Agent as determined by a final non-appealable judgment issued by a court of competent jurisdiction.

(q) Neither the Trustee nor the Collateral Agent shall be responsible for the preparation or filing or correctness of any financing or continuation statements or recording any documents or instruments in any public office at any time or times or otherwise perfecting or for the validity of or maintaining the perfection, priority or enforceability of any lien or security interest in the Collateral.

(r) Beyond the exercise of reasonable care in the custody thereof, the Collateral Agent shall have no duty or liability as to any Collateral in its possession or control or in the possession or control of any agent or bailee or any income thereon or as to preservation of rights against prior parties or any other rights pertaining thereto. The Collateral Agent shall be deemed to have exercised reasonable care in the custody of the Collateral in its possession if the Collateral is accorded treatment substantially equal to that which it accords similar property held for the benefit of third parties and shall not be liable or responsible for any loss or diminution in the value of any of the Collateral by reason of the act or omission of any carrier, forwarding agency or other agent or bailee selected by the Collateral Agent in good faith.

(s) At any time that the security granted pursuant to the Security Documents has become enforceable and the Holders or the Trustee have given a direction to the Collateral Agent to enforce such security, the Trustee is not responsible for:

(1) any failure of the Collateral Agent to enforce such security within a reasonable time or at all;

(2) any failure of the Collateral Agent to pay over the proceeds of enforcement of the security;

(3) any failure of the Collateral Agent to realize such security for the best price obtainable;

(4) monitoring the activities of the Collateral Agent in relation to such enforcement;

(5) taking any enforcement action itself in relation to such security;

(6) agreeing to any proposed course of action by the Collateral Agent, acting at the direction of the Holders, which could result in the Trustee incurring any liability for its own account; or

(7) providing indemnity or security to, or paying any fees, costs or expenses of, the Collateral Agent acting at the direction of the Holders; provided however that the foregoing shall not limit the Collateral Agent's rights to be paid or reimbursed for any such fees, costs or expenses pursuant to Section 6.10, Section 7.07 or otherwise under this Indenture or the other Security Documents.

Section 7.03 *Individual Rights of Trustee and Collateral Agent.*

Each of the Trustee and the Collateral Agent in its individual or any other capacities may become the owner or pledgee of Notes and may otherwise deal with the Issuer or any Affiliate of the Issuer with the same rights it would have if it were not Trustee or Collateral Agent, as applicable. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days or resign. Any Agent may do the same with like rights and duties. The Trustee and the Collateral Agent are also subject to Sections 7.10 and 7.11 hereof.

Section 7.04 *Disclaimer of Trustee and Collateral Agent.*

Neither the Trustee nor the Collateral Agent (a) will be responsible for or make any representation as to the validity, sufficiency, enforceability or adequacy of this Indenture, the Security Documents, the Collateral or the Notes, (b) shall be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture or any Security Document, (c) shall be responsible for the use or application of any money received by any Paying Agent other than to the extent the Trustee or the Collateral Agent, as applicable, acts as paying agent hereunder or (d) will be responsible for any statement or recital herein or in any Security Document or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture or any Security Document other than, with respect to the Trustee, its certificate of authentication. Neither the Trustee nor the Collateral Agent shall be responsible to make any calculation, evaluate, verify or independently determine the accuracy of any report,

certificate or other information with respect to any matter under this Indenture or any Security Document. Neither the Trustee nor the Collateral Agent shall have any duty to monitor or investigate the Company's, the Company's or any Subsidiary's compliance with or the breach of, or cause to be performed or observed, any representation, warranty or covenant made in this Indenture or any Security Document, and the Trustee and Collateral Agent may assume performance absent written notice or actual knowledge of a Responsible Officer to the contrary.

No provision of this Indenture or any Security Document shall be deemed to impose any duty or obligation on the Trustee or the Collateral Agent to perform any act or acts, receive or obtain any interest in property or exercise any interest in property, or exercise any right, power, duty or obligation conferred or imposed on it in any jurisdiction in which it shall be illegal, or in which, as a result thereof, the Trustee or the Collateral Agent, as applicable, shall become subject to taxation, being required to qualify to do business if not then so qualified or other consequence that, in the sole determination of the Trustee or the Collateral Agent, as applicable, is adverse to the Trustee or the Collateral Agent, or in which the Trustee or the Collateral Agent shall be unqualified or incompetent in accordance with applicable law, to perform any such act or acts, to receive or obtain any such interest in property or to exercise any such right, power, duty or obligation.

The Collateral Agent shall not, nor shall any receiver appointed by or any agent of the Collateral Agent, by reason of taking possession of any Collateral or any part thereof or any other reason or on any basis whatsoever, be liable to account for anything except actual receipts or be liable for any loss or damage arising from a realization of the Collateral or any part thereof or from any act, default or omission in relation to the Collateral or any part thereof or from any exercise or non-exercise by it of any power, authority or discretion conferred upon it in relation to the Collateral or any part thereof unless such loss or damage shall be caused by its own willful misconduct or gross negligence as determined by a final non-appealable judgment issued by a court of competent jurisdiction. The Collateral Agent shall not have any responsibility or liability arising from the fact that the Collateral may be held in safe custody by a custodian. The Collateral Agent assumes no responsibility for the validity, sufficiency or enforceability (which the Collateral Agent has not investigated) of the Collateral purported to be created by any Supplemental Indenture or other document. In addition, the Collateral Agent has no duty to monitor the performance by the Issuer and the Guarantors of their obligations to the Collateral Agent nor is it obliged (unless indemnified or secured (including by way of prefunding) to its satisfaction) to take any other action which may involve the Collateral Agent in any personal liability or expense.

Neither the Trustee nor the Collateral Agent, in each of their respective capacities, including without limitation, as Trustee, Paying Agent and Registrar and Collateral Agent, assumes any responsibility for the accuracy or completeness of the information concerning it or its affiliates or any other party contained in the Offering Memorandum or any of the related documents or for any failure by it or any other party to disclose events that may have occurred and may affect the significance or accuracy of such information.

The Issuer and the Guarantors, as applicable, shall cause to be delivered to the Trustee for the files of the Trustee copies of the Security Documents and other items set forth in Schedule I to this Indenture and of any other Security Documents hereafter entered into, and any and all amendments or revisions to any of the foregoing, promptly after the same have been entered into or issued. Notwithstanding anything to the contrary, in no event shall the Trustee be required to review or confirm the contents, sufficiency or receipt of any of the Security Documents described in the immediately preceding sentence or related documents, or monitor the performance or observance by the Company, the Guarantors or the Collateral Agent of any of their duties or obligations thereunder, the sole duty of the Trustee in respect of any of the foregoing being to file the same and make them available to Holders during normal business hours upon

reasonable prior written request. Receipt by the Trustee of any of the foregoing is for informational purposes only and shall not constitute actual or constructive notice or knowledge of any information contained therein or determinable from information contained therein, including the Company's or Guarantor's compliance with any of their covenants under this Indenture or the Security Documents (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

Section 7.05 *Notice of Defaults.*

If a Default or Event of Default occurs and is continuing and if it is known to the Trustee, the Trustee will mail to Holders of Notes and the Collateral Agent a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium on, if any, or interest or Additional Amounts, if any, on, any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

Section 7.06 *[Reserved].*

Section 7.07 *Compensation and Indemnity.*

(a) The Issuer will pay to each of the Trustee and the Collateral Agent from time to time reasonable compensation for their respective acceptance of this Indenture and services hereunder and under the Security Documents. The compensation of neither the Trustee nor the Collateral Agent will be limited by any law on compensation of a trustee of an express trust. The Issuer will reimburse each of the Trustee and the Collateral Agent promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of agents and counsel for each of the Trustee and the Collateral Agent.

(b) The Issuer and the Guarantors, jointly and severally, will indemnify the Trustee and the Collateral Agent and their respective officers, directors, employees, counsel and agents against any and all losses, liabilities or expenses (including taxes (other than taxes based upon, measured by or determined by the income of the Trustee or the Collateral Agent, as applicable) and attorney's fees and expenses) incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture and under the Security Documents, including the costs and expenses of enforcing this Indenture or any Security Document against the Issuer and the Guarantors (including this Section 7.07) and defending itself against any claim (whether asserted by the Issuer, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder or thereunder, except (i) with respect to the Trustee, to the extent any such loss, liability or expense may be attributable to its negligence or willful misconduct as determined by a final non-appealable judgment issued by a court of competent jurisdiction, or (ii) with respect to the Collateral Agent, to the extent any such loss, liability or expense may be attributable to its gross negligence or willful misconduct as determined by a final non-appealable judgment issued by a court of competent jurisdiction. The Trustee or the Collateral Agent, as applicable, will notify the Issuer promptly of any claim for which it may seek indemnity. Failure by the Trustee or the Collateral Agent, as applicable, to so notify the Issuer will not relieve the Issuer or any of the Guarantors of their obligations hereunder. The Issuer or such Guarantor will defend the claim with counsel approved by the Trustee or the Collateral Agent, as applicable, and the Trustee and the Collateral Agent will reasonably cooperate in the defense. The Trustee and the Collateral Agent may each have separate counsel and the Issuer will pay the reasonable fees and expenses of such counsel. Neither the Issuer nor any Guarantor need pay for any settlement made without its consent, which consent will not be unreasonably withheld. Neither the Issuer nor any Guarantor shall settle any claim that results in the admission of guilt on the part of the Trustee or the Collateral Agent without the prior written consent of the Trustee or the Collateral Agent, as applicable.

(c) The obligations of the Issuer and the Guarantors under this Section 7.07 will survive the satisfaction and discharge of this Indenture and the other Security Documents, the resignation or removal of the Trustee or the Collateral Agent and the termination for any reason of this Indenture.

(d) To secure the Issuer's and the Guarantors' payment obligations in this Section 7.07, the Trustee and the Collateral Agent will each have a Lien prior to the Notes on the Collateral and all proceeds from the sale thereof, and all money or other property held or collected by the Trustee or the Collateral Agent, except such money or other property held in trust to pay principal of, premium, if any, on or interest or Additional Amounts, if any, on, particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture and the other Security Documents, the resignation or removal of the Trustee or the Collateral Agent and the termination for any reason of this Indenture and the other Security Documents.

(e) Without prejudice to its rights hereunder, when the Trustee or the Collateral Agent incurs expenses or renders services after an Event of Default specified in clause (9) or (10) of Section 6.01 hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law or similar law.

(f) "Trustee" for purposes of this Section 7.07 shall include any predecessor Trustee; *provided, however,* that the negligence, willful misconduct or bad faith of any Trustee hereunder shall not affect the rights of any other Trustee hereunder. "Collateral Agent" for purposes of this Section 7.07 shall include any predecessor Collateral Agent; *provided, however,* that the gross negligence or willful misconduct of any Collateral Agent hereunder or under any Security Document shall not affect the rights of any other Collateral Agent hereunder.

Section 7.08 *Replacement of Trustee or Collateral Agent.*

(a) A resignation or removal of the Trustee or the Collateral Agent and appointment of a successor Trustee or successor Collateral Agent will become effective only upon the successor Trustee's or successor Collateral Agent's acceptance of appointment as provided in this Section 7.08.

(b) The Trustee and the Collateral Agent each may resign in writing at any time and be discharged from the trust hereby created by so notifying the Issuer and the non-resigning Trustee or Collateral Agent. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee, the Collateral Agent and the Issuer in writing. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Collateral Agent upon 30 days' prior written notice to the Collateral Agent, the Trustee and the Issuer. The Issuer may remove the Trustee or the Collateral Agent, as applicable, if:

(1) the Trustee or the Collateral Agent fails to comply with Section 7.10 hereof;

(2) the Trustee or the Collateral Agent is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee or the Collateral Agent under any Bankruptcy Law;

(3) a custodian or public officer takes charge of the Trustee or the Collateral Agent or their property; or

(4) the Trustee or the Collateral Agent becomes incapable of acting.

(c) If the Trustee or the Collateral Agent resigns or is removed or if a vacancy exists in the office of Trustee or the Collateral Agent for any reason, the Issuer will promptly appoint a successor Trustee or a successor Collateral Agent. Within one year after the successor Trustee or successor Collateral Agent takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee or successor Collateral Agent to replace the successor Trustee or successor Collateral Agent appointed by the Issuer.

(d) If a successor Trustee or successor Collateral Agent, as applicable, does not take office within 30 days after the retiring Trustee or retiring Collateral Agent, as applicable, resigns or is removed, the retiring Trustee or the retiring Collateral Agent, as applicable, the Issuer, or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may (at the cost of the Issuer) petition any court of competent jurisdiction for the appointment of a successor Trustee or successor Collateral Agent, as applicable.

(e) If the Trustee or the Collateral Agent, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee or the Collateral Agent, as applicable, and the appointment of a successor Trustee or successor Collateral Agent.

(f) A successor Trustee or successor Collateral Agent, as applicable, will deliver a written acceptance of its appointment to the retiring Trustee or retiring Collateral Agent, as applicable, and to the Issuer. Thereupon, the resignation or removal of the retiring Trustee or the retiring Collateral Agent, as applicable, will become effective, and the successor Trustee or successor Collateral Agent, as applicable, will have all the rights, powers and duties of the Trustee and the Collateral Agent, as applicable under this Indenture and the Security Documents. The successor Trustee or successor Collateral Agent, as applicable, will mail a notice of its succession to the Holders (and to the extent there is a successor Collateral Agent, the Trustee shall agree to post such notice of succession prepared by the Collateral Agent to the Holders). The retiring Trustee or retiring Collateral Agent, as applicable, will promptly transfer all property held by it as Trustee or Collateral Agent, as applicable, to the successor Trustee or successor Collateral Agent, as applicable; *provided* all sums owing to the Trustee or the Collateral Agent, as applicable, hereunder and under any Security Document have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee or the Collateral Agent pursuant to this Section 7.08, the Issuer's obligations under Section 7.07 hereof will continue for the benefit of the retiring Trustee or Collateral Agent.

Section 7.09 *Successor Trustee or Successor Collateral Agent by Merger, etc.*

If the Trustee or the Collateral Agent consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another Person, the successor Person without any further act will be the successor Trustee or the successor Collateral Agent, as applicable.

Section 7.10 *Trustee Eligibility; Disqualification.*

There will at all times be a Trustee hereunder that is a Person organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least $100.0 million as set forth in its most recent published annual report of condition.

If the Trustee acquires any conflicting interest, it must eliminate such conflict within 90 days or resign as Trustee. For the purposes of this Indenture, the Trustee shall be deemed to have acquired a conflicting interest within the meaning of TIA §310(b).

This Indenture will always have a Trustee who satisfies the requirements of TIA §310(a)(1), (2) and (5). The Trustee is subject to TIA §310(b).

Section 7.11 *Preferential Collection of Claims Against the Issuer*.

The Trustee is subject to TIA §311(a), excluding any creditor relationship listed in TIA §311(b). A Trustee who has resigned or been removed shall be subject to TIA §311(a) to the extent indicated therein.

Section 7.12 *Appointment of Co-Trustees and Separate Trustee.*

(a) Notwithstanding any other provisions of this Indenture, at any time for the purpose of meeting any legal requirement of any jurisdiction, or if the Trustee is unable or unwilling to execute any documents or take any other action under this Indenture in any jurisdiction, unless otherwise instructed by Holders of at least 25% in aggregate principal amount of the Notes then outstanding, the Trustee shall have the power to appoint, and may execute and deliver any and all instruments necessary for the appointment of, one or more Persons to act as a co-trustee or co-trustees with the Trustee, or separate trustee or separate trustees, and to vest in such Person or Persons, in such capacity and for the benefit of the Holders, subject to the other provisions of this Section, such powers, duties, obligations, rights and trusts as the Trustee may consider necessary or desirable and as are set forth in such instrument. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 7.10 hereof and no notice to Holders of the appointment of any co-trustee or separate trustee shall be required hereunder. Should any written instrument or instruments from the Issuer or any Guarantor be required by a co-trustee or separate trustee so appointed to more fully confirm to such co-trustee or separate trustee such powers, duties, obligations, rights and trusts, and any all instruments shall on request, be executed.

(b) Every separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(1) all rights, powers, duties and obligations conferred or imposed upon the Trustee shall be conferred or imposed upon and exercised or performed by the Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Trustee joining in such act), except to the extent that the instrument of appointment provides that under any law of any jurisdiction in which any particular act or acts are to be performed the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Trustee or as otherwise provided in the instrument of appointment;

(2) the Trustee shall not be personally liable by reason of any act or omission of any co-trustee or separate trustee hereunder. No co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee, any separate trustee or any other co-trustee hereunder. No separate trustee hereunder shall be personally liable by reason of any act or omission of the Trustee, any co-trustee or any other separate trustee hereunder;

(3) the Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

(c) Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article 7. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Trustee or separately, as may be provided therein, subject to all the provisions of this Indenture, specifically including every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection or rights (including the rights to compensation, reimbursement and indemnification hereunder) to, the Trustee. Every such instrument shall be filed with the Trustee.

(d) Any separate trustee or co-trustee may at any time constitute the Trustee its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of his, her or its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Trustee, to the extent permitted by law, without appointment of a new or successor trustee.

Section 7.13 *Appointment of Collateral Agent and Supplemental Collateral Agents*.

(a) Each Holder by accepting the benefits of the Notes hereby appoints Wilmington Trust, National Association to act as Collateral Agent hereunder and under the Security Documents, and Wilmington Trust, National Association accepts such appointment. The Trustee and the Holders acknowledge that the Collateral Agent will be acting in respect of the Security Documents and the security granted thereunder on the terms outlined therein (subject to the terms of this Indenture).

(b) The Collateral Agent may perform any of its duties and exercise any of its rights and powers through one or more sub-agents or co-trustees appointed by it. The Collateral Agent and any such sub-agent or co-trustee may perform any of its duties and exercise any of its rights and powers through its affiliates. All of the provisions of this Indenture applicable to the Collateral Agent including, without limitation, its rights to be indemnified, shall apply to and be enforceable by any such sub-agent and affiliates of a Collateral Agent and any such sub-agent or co-trustee. All references herein to a "Collateral Agent" shall include any such sub-agent or co-trustee and affiliates of a Collateral Agent or any such sub-agent or co-trustee.

(c) It is the purpose of this Indenture and the Security Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. Without limiting paragraph (a) of this Section, it is recognized that in case of litigation under, or enforcement of, this Indenture or any of the Security Documents, or in case the Collateral Agent deems that by reason of any present or future law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the Security Documents or take any other action which may be desirable or necessary in connection therewith, the Collateral Agent is hereby authorized to appoint an additional individual or institution selected by the Collateral Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrative sub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a "*Supplemental Collateral Agent*" and collectively as "*Supplemental Collateral Agents*").

(d) In the event that the Collateral Agent appoints a Supplemental Collateral Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Indenture or any of the other Security Documents to be exercised by or vested in or conveyed to such Collateral Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Collateral Agent to

the extent, and only to the extent, necessary to enable such Supplemental Collateral Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Security Documents and necessary to the exercise or performance thereof by such Supplemental Collateral Agent shall run to and be enforceable by either such Collateral Agent or such Supplemental Collateral Agent, and (ii) the provisions of this Indenture (and, in particular, this Article 7) that refer to the Collateral Agent shall inure to the benefit of such Supplemental Collateral Agent and all references therein to the Collateral Agent shall be deemed to be references to a Collateral Agent or such Supplemental Collateral Agent, as the context may require.

(e) Should any instrument in writing from the Issuer or any other obligor be required by any Supplemental Collateral Agent so appointed by the Collateral Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Company shall, or shall cause the Issuer and relevant Guarantor to execute, acknowledge and deliver any and all such instruments promptly upon request by the Collateral Agent or any Supplemental Collateral Agent. In case any Supplemental Collateral Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Collateral Agent, to the extent permitted by Law, shall vest in and be exercised by the Collateral Agent until the appointment of a new Supplemental Collateral Agent.

Section 7.14 *Duties of Collateral Agent.*

(a) Notwithstanding anything contained herein to the contrary, the Collateral Agent shall have no duties or obligations under this Indenture or any of the Security Documents related to the *Viking Venus* unless and until the Escrow Release shall have occurred.

(b) The Collateral Agent shall have no duties or obligations except those expressly set forth in the Security Documents to which it is a party, and no implied covenants, duties, obligations or liabilities shall be read into this Indenture or any other Security Documents on the part of the Collateral Agent. In no event shall the Collateral Agent be subject to any fiduciary or other implied duties, regardless of whether a Default or an Event of Default has occurred and is continuing.

(c) The Collateral Agent in its individual capacity shall not be answerable or accountable under any circumstances, except for its own willful misconduct or gross negligence as determined by a final non-appealable judgment issued by a court of competent jurisdiction, and the Collateral Agent shall not be liable for any action or inaction of the Issuer, the Company, any Guarantor or any other party to this Indenture, the Notes Guarantees, the Security Documents or any related document.

(d) The Collateral Agent will not be liable for any error of judgment made in good faith by it, unless it is proved that the Collateral Agent was grossly negligent in ascertaining the pertinent facts, and the Collateral Agent will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to the terms of this Indenture or the Security Documents.

(e) The Collateral Agent shall not be liable for failing to comply with its obligations under this Indenture or any Security Document in so far as the performance of such obligations is dependent upon the timely receipt of instructions and/or other information from any other Person which are not received or not received by the time required.

(f) In the absence of bad faith on its part, the Collateral Agent may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Collateral Agent and conforming to the requirements of this Indenture.

(g) The Collateral Agent will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(h) Notwithstanding anything to the contrary, in no event shall the Collateral Agent be required to review or confirm the contents, sufficiency or receipt of any of the deliverables set forth in Schedule I to this Indenture.

(i) The Collateral Agent shall be fully justified in failing or refusing to take any action under this Indenture or any Security Document if such action (i) would, in the reasonable opinion of the Collateral Agent, in good faith (which may be based on the advice or opinion of counsel), be contrary to applicable law, this Indenture or any Security Document, (ii) is not provided for in this Indenture or any Security Document, (iii) would subject the Collateral Agent to a tax in any jurisdiction where it is not then subject to a tax, or (iv) would require the Collateral Agent to qualify to do business in any jurisdiction where it is not then so qualified.

(j) In order to comply with laws, rules, regulations and executive orders in effect from time to time applicable to banking institutions, including those relating to the funding of terrorist activities and money laundering ("Applicable Law"), the Collateral Agent is required to obtain, verify and record certain information relating to individuals and entities which maintain a business relationship with the Collateral Agent. Accordingly, each of the parties agrees to provide to the Collateral Agent upon its request from time to time such identifying information and documentation as may be available for such party in order to enable the Collateral Agent to comply with Applicable Law.

(k) Every provision of this Indenture, any Security Document or any related document relating to the conduct or affecting the liability of or affording protection to the Collateral Agent shall be subject to this Article 7.

ARTICLE 8.
LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Issuer may at any time, at the option of its Board of Directors evidenced by a resolution set forth in an Officer's Certificate, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge.*

Upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Issuer and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed (i) to have been discharged from their obligations with respect to all outstanding Notes (including the Note Guarantees) and (ii) to have all Liens on the Collateral and obligations under the Security Documents released, in each case, on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Issuer and the Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all their other obligations under such Notes, the Note Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

(1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest (including Additional Amounts) or premium, if any, on, such Notes when such payments are due from the trust referred to below;

(2) the Issuer's obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;

(3) the rights, powers, trusts, duties and immunities of the Trustee and the Collateral Agent, and the Issuer's and the Guarantors' obligations in connection therewith; and

(4) this Article 8.

Subject to compliance with this Article 8, the Issuer may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

Section 8.03 *Covenant Defeasance.*

Upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Issuer and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under the covenants contained in Sections 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.15, 4.16, 4.17, 4.18, 4.20, 4.22, 4.23 and 4.24 hereof and clause (4) of Section 5.01 hereof with respect to the outstanding Notes (including all Liens on the Collateral and obligations under the Security Documents) on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Note Guarantees, the Issuer and the Guarantors may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof but, except as specified above, the remainder of this Indenture and such Notes and Note Guarantees will be unaffected thereby. In addition, upon the Issuer's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(a)(3), (4), (5), (6), (7), (8), (9) (other than with respect to the Issuer) and (10) (other than with respect to the Issuer) hereof will not constitute Events of Default.

Section 8.04 *Conditions to Legal or Covenant Defeasance.*

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

(a) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the Notes, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, to pay the principal of, or interest (including Additional Amounts and premium, if any) on the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Issuer must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(b) in the case of an election under Section 8.02 hereof, the Issuer must deliver to the Trustee:

(1) an opinion of United States counsel, which counsel is reasonably acceptable to the Trustee, confirming that (i) the Issuer has received from, or there has been published by, the U.S. Internal Revenue Service a ruling or (ii) since the Issue Date, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel will confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred; and

(2) an Opinion of Counsel in the jurisdiction of incorporation of the Issuer, which counsel is reasonably acceptable to the Trustee, to the effect that the Holders of the Notes will not recognize income, gain or loss for tax purposes of such jurisdiction as a result of such deposit and defeasance and will be subject to tax in such jurisdiction on the same amounts and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(c) in the case of an election under Section 8.03 hereof, the Issuer must deliver to the Trustee:

(1) an Opinion of Counsel in the United States, which counsel is reasonably acceptable to the Trustee, confirming that the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred; and

(2) an Opinion of Counsel in the jurisdiction of incorporation of the Issuer, which counsel is reasonably acceptable to the Trustee, to the effect that the Holders of the Notes will not recognize income, gain or loss for tax purposes of such jurisdiction as a result of such deposit and defeasance and will be subject to tax in such jurisdiction on the same amounts and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(d) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit (and any similar concurrent deposit relating to other Indebtedness), and the granting of Liens to secure such borrowings);

(e) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture and the agreements governing any other Indebtedness being defeased, discharged or replaced) to which the Issuer or any of the Guarantors is a party or by which the Issuer or any of the Guarantors is bound;

(f) the Issuer must deliver to the Trustee and the Collateral Agent an Officer's Certificate stating that the deposit was not made by the Issuer with the intent of preferring the Holders of Notes over the other creditors of the Issuer with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuer or others; and

(g) the Issuer must deliver to the Trustee and the Collateral Agent an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Section 8.05 *Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions.*

Subject to Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "*Trustee*") pursuant to Section 8.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest and Additional Amounts, if any, but such money need not be segregated from other funds except to the extent required by law.

The Issuer will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Issuer from time to time upon the request of the Issuer any money or non-callable Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 *Repayment to Issuer.*

Any money deposited with the Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of, premium on, if any, or interest or Additional Amounts, if any, on any Note and remaining unclaimed for two years after such principal, premium, if any, or interest or Additional Amounts, if any, has become due and payable shall be paid to the Issuer on its request or (if then held by the Issuer) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Issuer for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Issuer cause to be published once, in the New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Issuer.

Section 8.07 *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuer's and the Guarantors' obligations under this Indenture and the Notes and the Note Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Issuer makes any payment of principal of, premium on, if any, or interest or Additional Amounts, if any, on, any Note following the reinstatement of its obligations, the Issuer will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9.
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 *Without Consent of Holders of Notes.*

(a) Notwithstanding Section 9.02 of this Indenture, without the consent of any Holder, the Issuer, the Guarantors, the Trustee and the Collateral Agent may amend or supplement this Indenture, the Notes, the Note Guarantees and, in the case of the Collateral Agent, the Security Documents:

(1) to cure any ambiguity, mistake, defect or inconsistency;

(2) to provide for uncertificated Notes in addition to or in place of certificated Notes (*provided* that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code);

(3) to provide for the assumption of the Issuer's or a Guarantor's obligations to the Holders of the Notes and Note Guarantees in the case of a merger or consolidation or sale of all or substantially all of the Issuer's or such Guarantor's assets, as applicable;

(4) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under this Indenture of any such Holder in any material respect;

(5) to conform the text of this Indenture, the Notes, the Note Guarantees or the Security Documents to any provision of the "Description of Secured Notes" section of the Offering Memorandum to the extent that such provision in that "Description of Secured Notes" was intended to be a verbatim recitation of a provision of this Indenture, the Notes, the Note Guarantees or the Security Documents, which intent may be evidenced by an Officer's Certificate to that effect;

(6) to provide for any Restricted Subsidiary to provide a Note Guarantee in accordance with Section 4.09 and Section 4.17, to add security to or for the benefit of the Notes or to confirm and evidence the release, termination, discharge or retaking of any Note Guarantee or Lien (including the Collateral and the Security Documents) or any amendment in respect thereof with respect to or securing the Notes when such release, termination, discharge or retaking or amendment is permitted under this Indenture and the Security Documents;

(7) in the case of the Security Documents, to the extent necessary to grant a security interest for the benefit of any Person; provided that the granting of such security interest is not prohibited by this Indenture and Section 4.23 is complied with;

(8) to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture as of the Issue Date;

(9) to allow any Guarantor to execute a supplemental indenture and a Note Guarantee with respect to the Notes;

(10) to comply with requirements of the Commission in order to effect or maintain the qualification of this Indenture under the TIA (if this Indenture in the future is so qualified under the TIA); or

(11) to evidence and provide the acceptance of the appointment of a successor Trustee or Collateral Agent under this Indenture.

(b) Upon the request of the Issuer accompanied by a resolution of its Board of Directors authorizing the execution of any such amendment or supplement to this Indenture, the Notes, the Note Guarantees or the Security Documents, as the case may be, and upon receipt by the Trustee and the Collateral Agent of the documents described in Section 9.06 hereof, the Trustee and the Collateral Agent will join with the Company and the Guarantors, if any, required to be signatory thereto in the execution of any such amendment or supplement authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but neither the Trustee or the Collateral Agent will be obligated to enter into such amendment or supplement that affects its own rights, duties or immunities under this Indenture or otherwise.

Section 9.02 *With Consent of Holders of Notes.*

(a) Except as provided below in this Section 9.02, the Issuer, the Guarantors, the Trustee and the Collateral Agent may amend or supplement this Indenture (including, without limitation, Sections 3.09, 4.10 and 4.15 hereof), the Notes, the Note Guarantees, in the case of the Collateral Agent, the Security Documents, and in the case of the Trustee, the Escrow Agreement with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium on, if any, or interest or Additional Amounts, if any, on, the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture or the Notes or the Note Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes). Section 2.08 hereof shall determine which Notes are considered to be "outstanding" for purposes of this Section 9.02.

(b) Upon the request of the Issuer accompanied by a resolution of its Board of Directors authorizing the execution of any such amendment or supplement to this Indenture, the Notes, the Note Guarantees or the Security Documents, as the case may be, and upon the filing with the Trustee and the Collateral Agent of evidence satisfactory to the Trustee and the Collateral Agent of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee and Collateral Agent of the documents described in Section 9.06 hereof, the Trustee and Collateral Agent will join with the Issuer and the Guarantors in the execution of such amendment or supplement unless such amendment or supplement directly affects the rights, duties or immunities of the Trustee or the Collateral Agent under this Indenture or otherwise, in which case the Trustee and the Collateral Agent may in their discretion, but will not be obligated to, enter into such amendment or supplement.

The consent of the Holders under this Section 9.02 is not necessary to approve the particular form of any proposed amendment, supplement, waiver or consent. It is sufficient if such consent approves the substance of the proposed amendment, waiver or consent.

(c) After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuer will mail to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuer to mail such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amendment, supplement or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting as a single class may waive compliance in a particular instance by the Issuer with any provision of this Indenture, the Notes or the Note Guarantees. However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of or change the fixed maturity of any Note or alter the provisions with respect to the redemption of the Notes (except as provided above with respect to Sections 3.09, 4.10 and 4.15 hereof) or the notice period for a redemption;

(3) reduce the rate of or change the time for payment of interest, including default interest, on any Note;

(4) make any change to the contractual right expressly set forth in this Indenture or the Notes of any Holder to institute suit for the enforcement of any payment on or with respect to such Holder's Notes or any Note Guarantee in respect thereof on or after the due dates therefor;

(5) waive a Default or Event of Default in the payment of principal of, or interest, Additional Amounts or premium, if any, on, the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);

(6) make any Note payable in money other than that stated in the Notes;

(7) make any change in the provisions of this Indenture relating to waivers of past Defaults or to the contractual right expressly set forth in this Indenture or the Notes of any Holder of Notes to receive payments of principal of, or interest, Additional Amounts or premium, if any, on, the Notes on or after the due date therefor;

(8) waive a redemption payment with respect to any Note (other than a payment required by Sections 3.09, 4.10 or Section 4.15 hereof);

(9) release any Guarantor from any of its obligations under its Note Guarantee or this Indenture, except in accordance with the terms of this Indenture;

(10) release the security interest granted in the Collateral for the benefit of the Secured Parties, other than pursuant to the terms of the Security Documents; or

(11) make any change in the preceding amendment and waiver provisions.

Section 9.03 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder or subsequent Holder may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.04 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuer in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.05 *Trustee and Collateral Agent to Sign Amendments, etc.*

The Trustee and the Collateral Agent will sign any amendment or supplement to this Indenture, the Notes, the Note Guarantees and, in the case of the Collateral Agent, the Security Documents authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee or the Collateral Agent. The Issuer may not sign an amendment or supplement to this Indenture, the Notes, the Note Guarantees or the Security Documents until the Board of Directors of the Issuer approves it. In executing any amendment or supplement to this Indenture, the Notes, the Note Guarantees and, in the case of the Collateral Agent, the Security Documents, the Trustee and the Collateral Agent will be entitled to receive and (subject to Section 7.01 hereof) will be fully protected in relying upon, in addition to the documents required by Section 13.04 hereof, an Officer's Certificate and an Opinion of Counsel stating that (a) the execution of such amendment or supplement is authorized or permitted by this Indenture, the Notes, the Note Guarantees and the Security Documents, as applicable, and (b) that such amendment or supplement has been duly authorized, executed and delivered by, and is enforceable against, (i) in the case of an amendment or supplement pursuant to Section 9.01 (other than a supplemental indenture in the form of Exhibit F to this Indenture), the Issuer, (ii) in the case of a supplemental indenture in the form of Exhibit F to this Indenture, each of the Issuer and the Guarantors party thereto and (iii) in the case of an amendment or supplement pursuant to Section 9.02, each of the Issuer and the Guarantors party thereto, in each case, in accordance with its terms, subject to then customary exceptions.

ARTICLE 10.
NOTE GUARANTEES

Section 10.01 *Guarantee.*

(a) Subject to this Article 10, each of the Guarantors hereby, jointly and severally, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and the Collateral Agent and their respective successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Issuer hereunder or thereunder, that:

(1) the principal of, premium, if any, on, and interest and Additional Amounts, if any, on, the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of, premium, if any, on and interest and Additional Amounts, if any, on the Notes (to the extent permitted by law) and all other obligations of the Issuer to the Holders, the Trustee or the Collateral Agent hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) Each Guarantor hereby agrees that its obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuer, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest, notice and all demands whatsoever and covenant that this Note Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder, the Collateral Agent or the Trustee is required by any court or otherwise to return to or for the benefit of the Issuer, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuer or the Guarantors, any amount paid by either the Issuer or the Guarantors to the Trustee, the Collateral Agent or such Holder, this Note Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

Section 10.02 *Limitation on Guarantor Liability.*

(a) Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar national, federal, local or state law, a voidable preference, financial assistance or improper corporate benefit or violate the corporate purpose of the relevant Guarantor or any applicable capital maintenance or similar laws or regulations affecting the rights of creditors generally under any applicable law or regulation, in each case, to the extent applicable to any Note Guarantee. To

effectuate the foregoing intention, the Trustee, the Collateral Agent, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance or a voidable preference, financial assistance or improper corporate benefit, or violating the corporate purpose of the relevant Guarantor or any applicable capital maintenance or similar laws or regulations affecting the rights of creditors generally under any applicable law or regulation.

(b) *Limitations for Bermuda Guarantors.* The Note Guarantee of any Guarantor incorporated under Bermuda law shall be limited to the net assets of such Guarantor at the relevant time.

(c) For the avoidance of doubt, nothing in this Section 10.02 shall adversely affect the rights of Holders to receive Additional Amounts pursuant to Section 4.01(c) hereof.

Section 10.03 *Execution and Delivery of Note Guarantee.*

To evidence its Note Guarantee set forth in Section 10.01 hereof, each Guarantor hereby agrees that a notation of such Note Guarantee substantially in the form attached as Exhibit E hereto will be endorsed by an Officer or a Director of such Guarantor on each Note authenticated and delivered by the Trustee and that this Indenture will be executed on behalf of such Guarantor by one of its Officers or Directors.

Each Guarantor hereby agrees that its Note Guarantee set forth in Section 10.01 hereof will remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Note Guarantee. If an Officer or a Director whose signature is on this Indenture or on the Note Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Note Guarantee is endorsed, the Note Guarantee will be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, will constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors. The Issuer shall cause any Restricted Subsidiary so required by Section 4.17 to execute a supplemental indenture in the form of Exhibit F to this Indenture and a notation of Note Guarantees in the form of Exhibit E to this Indenture in accordance with Section 4.17 and this Article 10.

Section 10.04 *Guarantors May Consolidate, etc., on Certain Terms*

(a) A Subsidiary Guarantor (other than a Guarantor whose Note Guarantee is to be released in accordance with the terms of the Note Guarantee and this Indenture as described under this Article 10) will not, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not such Subsidiary Guarantor is the surviving Person), or (2) sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the properties or assets of such Subsidiary Guarantor and its Subsidiaries which are Restricted Subsidiaries taken as a whole, in one or more related transactions, to another Person, unless:

(1) immediately after giving effect to that transaction, no Default or Event of Default is continuing;

(2) either:

(A) the person acquiring the property in any such sale or disposition or the Person formed by or surviving any such consolidation or merger assumes all the obligations of that Subsidiary Guarantor under its Note Guarantee and this Indenture pursuant to a supplemental indenture; or

(B) the Net Proceeds of such sale or other disposition are applied in accordance with the applicable provisions of this Indenture; and

(3) the Company delivers to the Trustee and the Collateral Agent an Officer's Certificate and Opinion of Counsel, in each case, stating that such consolidation, merger or transfer and, in the case in which a supplemental indenture hereinafter referred to is entered into, such supplemental indenture, comply with this covenant and that all conditions precedent provided for in this Indenture and the other Security Documents relating to such transaction have been complied with.

In case of any such consolidation, merger, sale or conveyance and upon the assumption by the successor Person (if other than the Guarantor), by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of the Note Guarantee and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Guarantor, such successor Person will succeed to and be substituted for the Guarantor with the same effect as if it had been named herein as a Guarantor. Such successor Person thereupon may cause to be signed any or all of the Note Guarantees to be endorsed upon all of the Notes issuable hereunder which theretofore shall not have been signed by the Issuer and delivered to the Trustee. All the Note Guarantees so issued will in all respects have the same legal rank and benefit under this Indenture as the Note Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Note Guarantees had been issued at the date of the execution hereof.

Except as set forth in Articles 4 and 5 hereof, and notwithstanding clauses 2(a) and (b) above, nothing contained in this Indenture or in any of the Notes will prevent any consolidation or merger of a Guarantor with or into the Issuer or another Guarantor, or will prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Issuer or another Guarantor.

Section 10.05 *Note Guarantees Release.*

(a) If, in the future, there were to be a Subsidiary Guarantor of the Notes, the Note Guarantee of that Subsidiary Guarantor (if any) will automatically be released:

(1) in connection with any sale or other disposition of all or substantially all of the assets of that Subsidiary Guarantor (including by way of merger, consolidation, amalgamation or combination) to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary, if the sale or other disposition does not violate Section 4.10 of this Indenture;

(2) in connection with any sale or other disposition of Capital Stock of that Subsidiary Guarantor to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary, if the sale or other disposition does not violate Section 4.10 of this Indenture and the Subsidiary Guarantor ceases to be a Restricted Subsidiary as a result of the sale or other disposition;

(3) if the Company designates any Restricted Subsidiary that is a Subsidiary Guarantor to be an Unrestricted Subsidiary in accordance with the applicable provisions of this Indenture;

(4) upon repayment of the Notes; or

(5) upon legal defeasance, covenant defeasance or satisfaction and discharge of this Indenture as provided in Section 8.02, Section 8.03 and Section 11.01;

provided that, in each case, the Company, the Issuer or such Subsidiary Guarantor has delivered to the Trustee and the Collateral Agent an Officer's Certificate (which may be combined with any other Officer's Certificate required to be delivered pursuant to other provisions referenced in the foregoing clauses) stating that all conditions precedent provided for in this Indenture and the Security Documents relating to such release have been complied with.

(b) Any additional Note Guarantee by a Guarantor pursuant to Section 4.17 hereof shall be automatically released when the Indebtedness that caused such Guarantor to enter into the additional Note Guarantee pursuant to Section 4.17 hereof has been fully discharged or no longer Guaranteed; provided however that the Trustee or Collateral Agent shall not be required to execute any documentation related to such automatic release unless such Guarantor has delivered to the Trustee and the Collateral Agent an Officer's Certificate stating that all conditions precedent provided for in this Indenture and the Security Documents relating to such release have been complied with.

ARTICLE 11.
SATISFACTION AND DISCHARGE

Section 11.01 *Satisfaction and Discharge.*

(a) This Indenture, and the rights of the Trustee, the Collateral Agent and the Holders under the Notes, the Note Guarantees and the Security Documents, will be discharged and will cease to be of further effect as to all Notes issued thereunder (other than such terms that expressly survive satisfaction and discharge) and all Liens on the Collateral and all Note Guarantees will be automatically released and discharged, when:

(1) either:

(A) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Issuer, have been delivered to the Trustee for cancellation; or

(B) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of the mailing of a notice of redemption or otherwise or will become due and payable within one year and the Issuer or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient, in the opinion of a nationally recognized investment bank, appraisal firm or firm of independent public accountants, without consideration of any reinvestment of interest, to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium and Additional Amounts, if any, and accrued interest to but not including the date of maturity or redemption;

(2) the Issuer or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture and the Security Documents; and

(3) the Issuer has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be.

In addition, in the case of a discharge pursuant to clause 1(a) the Issuer must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee and the Collateral Agent stating that all conditions precedent to satisfaction and discharge have been complied with; *provided* that any such counsel may rely on any Officer's Certificate as to matters of fact (including as to compliance with the foregoing clauses (1), (2) and (3)).

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to subclause (b) of clause (1) of this Section 11.01, the provisions of Sections 11.02 and 8.06 hereof will and Additional Amounts, if any, survive. In addition, nothing in this Section 11.01 will be deemed to discharge those provisions of Section 7.07 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 11.02 *Application of Trust Money.*

Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 11.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium, if any, and interest and Additional Amounts, if any, for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 hereof; *provided* that if the Issuer has made any payment of principal of, premium on, if any, or interest or Additional Amounts, if any, on, any Notes because of the reinstatement of its obligations, the Issuer shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

ARTICLE 12.
SECURITY

Section 12.01 *Security; Security Documents*.

(a) The due and punctual payment of the principal of, interest on and Additional Amounts, if any, on the Notes and the Note Guarantees when and as the same shall be due and payable, whether on an Interest Payment Date, at maturity, by acceleration, repurchase, redemption or otherwise, interest on the overdue principal of and interest (to the extent permitted by law), if any, on the Notes and Note Guarantees and performance of all other obligations of the Issuer and the Guarantors to the Holders, the Trustee and the Collateral Agent under this Indenture and the Security Documents, shall be secured as provided in the Security Documents. The Trustee, the Collateral Agent, the Issuer and the Guarantors hereby agree that, subject to Permitted Collateral Liens, the Collateral Agent shall hold the Collateral for the benefit of the Secured Parties pursuant to the terms of the Security Documents, and shall act as mortgagee or security holder under all mortgages or standard securities, beneficiary under all deeds of trust and as secured party under the applicable security agreements.

(b) Each Holder of the Notes, by its acceptance thereof, consents and agrees to the terms of the Security Documents (including, without limitation, the provisions providing for foreclosure and release of Collateral) as the same may be in effect or may be amended from time to time in accordance with their terms and authorizes and directs the Collateral Agent to execute such Security Documents and perform its obligations and exercise its rights thereunder in accordance therewith.

(c) The Trustee, the Collateral Agent and each Holder, by accepting the Notes and the Note Guarantees, acknowledges that, as more fully set forth in the Security Documents, the Collateral as now or hereafter constituted shall be held for the benefit of the Secured Parties, and that the Lien of this Indenture and the Security Documents in respect of the Secured Parties is subject to and qualified and limited in all respects by the Security Documents and actions that may be taken thereunder.

(d) Notwithstanding (i) anything to the contrary contained in this Indenture, the Security Documents, the Notes, the Note Guarantees or any other instrument governing, evidencing or relating to any Indebtedness, (ii) the time, order or method of attachment of any Liens, (iii) the time or order of filing or recording of financing statements or other documents filed or recorded to perfect any Lien upon any Collateral, (iv) the time of taking possession or control over any Collateral or (v) the rules for determining priority under any law of any relevant jurisdiction governing relative priorities of secured creditors:

(1) the Liens will rank equally and ratably with all valid, enforceable and perfected Liens, whenever granted upon any present or future Collateral, but only to the extent such Liens are permitted under this Indenture to exist and to rank equally and ratably with the Notes and the Note Guarantees; and

(2) all proceeds of the Collateral collected pursuant to the Security Documents shall be allocated and distributed as set forth in Section 6.10 of this Indenture

(e) The Issuer shall, and shall cause each Subsidiary Guarantor to, (i) complete all filings and other similar actions required in connection with the creation and perfection of the security interests in the Collateral owned by it in favor of the Secured Parties, as and to the extent contemplated by the Security Documents set forth on Schedule I attached hereto within the time periods set forth therein and deliver, and cause each Guarantor to deliver, such other agreements, instruments, certificates and opinions of counsel that may be necessary or advisable or as may be reasonably requested by the Collateral Agent in connection therewith and (ii) take all actions necessary to maintain such security interests.

Section 12.02 *Authorization of Actions to Be Taken by the Collateral Agent Under the Security Documents*.

The Collateral Agent shall be the representative on behalf of the Secured Parties and shall act upon the written direction of the Trustee or the applicable threshold of Holders required by the terms of this Indenture with regard to all voting, consent and other rights granted to the Secured Parties under the Security Documents. Subject to the provisions of the Security Documents, the Collateral Agent shall have the power to institute and to maintain such suits and proceedings to prevent any impairment of the Collateral by any acts of impairment that may be unlawful or in violation of the Security Documents or this Indenture, and such suits and proceedings as the Collateral Agent (based upon receipt of direction from the Trustee or the applicable threshold of Holders required by the terms of this Indenture) may deem reasonably expedient to

preserve or protect its interest and the interests of the Secured Parties in the Collateral (including the power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of the Secured Parties). The Collateral Agent is hereby irrevocably authorized by each Holder of the Notes to effect any release of Liens or Collateral contemplated by Section 12.04 hereof or by the terms of the Security Documents.

Each Holder, by accepting a Note, shall be deemed (i) to have irrevocably appointed Wilmington Trust, National Association as Collateral Agent, (ii) to have irrevocably authorized the Collateral Agent to (i) perform the duties and exercise the rights, powers and discretions that are specifically given to it under the Security Documents or other documents to which the Collateral Agent is a party, together with any other incidental rights, power and discretion and (ii) execute each document expressed to be executed by the Collateral Agent on its behalf.

Section 12.03 *Authorization of Receipt of Funds by the Collateral Agent Under the Security Documents.*

The Collateral Agent is authorized to receive and distribute any funds for the benefit of the Secured Parties under the Security Documents, and to make further distributions of such funds according to the provisions of this Indenture.

Section 12.04 *Release of the Collateral.*

(a) Notwithstanding anything in this Indenture or any Security Document to the contrary, to the extent a release is required by a Security Document, the Collateral Agent shall release, and the Trustee (as applicable) shall release and if so requested direct the Collateral Agent to release, without the need for consent of the Holders of the Notes, Liens on the Collateral securing the Notes:

(1) upon repayment of the Notes;

If the Issuer elects to give the Trustee or the Collateral Agent e-mail or facsimile instructions (or instructions by any other similar electronic method) and the Trustee or the Collateral Agent, as applicable, in its discretion elects to act upon such instructions, the Trustee's or the Collateral Agent's understanding of such instructions shall be deemed controlling. The Issuer agrees to assume all risks arising out of the use of such electronic methods to submit notices, instructions, directions or other communications to the

Trustee and the Collateral Agent, including without limitation the risk of the Trustee and the Collateral Agent acting on unauthorized instructions, and the risk of interception and misuse by third parties. The Issuer shall use all reasonable endeavors to ensure that any such notices, instructions, directions or other communications transmitted to the Trustee pursuant to this Indenture are complete and correct. Any such notices, instructions, directions or other communications shall be conclusively deemed to be valid instructions from the Issuer to the Trustee or the Collateral Agent for the purposes of this Indenture.

Section 13.03 *Communication by Holders of Notes with Other Holders of Notes.*

Holders of the Notes may communicate pursuant to TIA §312(b) with other Holders of Notes with respect to their rights under this Indenture or the Notes. The Issuer, the Trustee, the Registrar and anyone else shall have the protection of TIA §312(c).

Section 13.04 *Certificate and Opinion as to Conditions Precedent.*

Upon any request or application by the Issuer to the Trustee or the Collateral Agent to take any action under this Indenture or any Security Document, the Issuer or the Company shall furnish to the Trustee and/or the Collateral Agent, as applicable:

(1) an Officer's Certificate (which must include the statements set forth in Section 13.05 hereof) stating that all conditions precedent and covenants, if any, provided for in this Indenture and the Security Documents relating to the proposed action have been satisfied; and

(2) an Opinion of Counsel (which must include the statements set forth in Section 13.05 hereof) stating that, in the opinion of such counsel, all such conditions precedent and covenants have been satisfied.

Section 13.05 *Statements Required in Certificate or Opinion.*

Each certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture must include:

(1) a statement that the Person making such certificate or opinion has read such covenant or condition;

(2) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(3) a statement that, in the opinion of such Person, such Person has made such examination or investigation as is necessary to enable such Person to express an informed opinion as to whether or not such covenant or condition has been satisfied; and

(4) a statement as to whether or not, in the opinion of such Person, such condition or covenant has been satisfied.

Section 13.06 *Rules by Trustee and Agents.*

The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

Section 13.07 *No Personal Liability of Directors, Officers, Employees and Stockholders.*

No director, officer, employee, incorporator or stockholder of the Issuer or any Guarantor, as such, will have any liability for any obligations of the Issuer or the Guarantors under the Notes, this Indenture, the Note Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Section 13.08 *Governing Law; Waiver of Trial by Jury.*

THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THIS INDENTURE, THE NOTES AND THE NOTE GUARANTEES.

EACH OF THE COMPANY, THE GUARANTORS, THE TRUSTEE AND THE COLLATERAL AGENT, AND EACH HOLDER BY ITS ACCEPTANCE OF A NOTE, HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT IT MAY HAVE TO TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

Section 13.09 *Consent to Jurisdiction and Service of Process.*

(a) Each party to the Indenture irrevocably consents and submits, for itself and in respect of any of its assets or property, to the nonexclusive jurisdiction of any court of the State of New York or any United States Federal court sitting, in each case, in the Borough of Manhattan, The City of New York, New York, United States of America, and any appellate court from any thereof in any suit, action or proceeding that may be brought in connection with this Indenture or the Notes, and waives any immunity from the jurisdiction of such courts. Each party to the Indenture irrevocably waives, to the fullest extent permitted by law, any objection to any such suit, action or proceeding that may be brought in such courts whether on the grounds of venue, residence or domicile or on the ground that any such suit, action or proceeding has been brought in an inconvenient forum. Each party to the Indenture agrees, to the fullest extent that it lawfully may do so, that final judgment in any such suit, action or proceeding brought in such a court shall be conclusive and binding upon each party to the Indenture, and waives, to the fullest extent permitted by law, any objection to the enforcement by any competent court in each party to the Indenture's jurisdiction of organization of judgments validly obtained in any such court in New York on the basis of such suit, action or proceeding.

(b) The Issuer and each of the Guarantors have appointed CT Corporation as their authorized agent upon whom process may be served in relation to any proceedings in a state or federal court in the Borough of Manhattan in The City of New York, New York (the "*Authorized Agent*"). Such appointment of the Authorized Agent shall be irrevocable unless and until replaced by an agent acceptable to the Trustee, or any person who controls the Trustee. The Issuer and each of the Guarantors represent and warrant that the Authorized Agent has agreed to act as said agent for service of process, and the Issuer and each of the Guarantors agree to take any and all action, including the filing of any and all documents and instruments, that may be necessary to continue such appointment in full force and effect as aforesaid. Service of process upon the Authorized Agent and written notice of such service to the Issuer and each of the Guarantors shall be deemed, in every respect, effective service of process upon this Indenture. The Issuer and each of the Guarantors agree that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction.

(c) To the extent that the Issuer or any of the Guarantors may be entitled, in any jurisdiction in which judicial proceedings may at any time be commenced with respect to or arising out of this Indenture to claim for itself or its revenues, assets or properties immunity (whether by reason of sovereign immunity or otherwise) from suit, from the jurisdiction of any court (including, but not limited to, any court of the United States of America or the State of New York) or from any legal process with respect to itself or its property, from attachment prior to judgment, from set-off, from execution of a judgment, from the grant of injunctive relief, whether prior to or after judgment, or from any other legal process (including, without limitation, in relation to enforcement of any arbitration award), and to the extent that in any such jurisdiction there may be attributed such an immunity (whether or not claimed), the Issuer or such Guarantor, as applicable, hereby irrevocably agrees not to claim and hereby irrevocably waives such immunity and consents to the grant of any such relief.

Section 13.10 *No Adverse Interpretation of Other Agreements.*

This Indenture may not be used to interpret any other indenture, loan or debt agreement of the Issuer or its Subsidiaries or of any other Person. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

Section 13.11 *Successors.*

All agreements of the Issuer in this Indenture and the Notes will bind its successors. All agreements of the Trustee in this Indenture will bind its successors. All agreements of the Collateral Agent in this Indenture will bind its successors. All agreements of each Guarantor in this Indenture will bind its successors, except as otherwise provided in Section 10.05 hereof.

Section 13.12 *Severability.*

In case any provision in this Indenture or in the Notes is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Section 13.13 *Counterpart Originals.*

The parties may sign any number of copies of this Indenture. Each signed copy will be an original, but all of them together represent the same agreement. The exchange of copies of this Indenture and of signature pages by facsimile or electronic format (*i.e.*, "pdf" or "tif" or any electronic signature complying with the U.S. federal ESIGN Act of 2000) or other electronically imaged transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or electronic format (*i.e.*, "pdf" or "tif" or any electronic signature complying with the U.S. federal ESIGN Act of 2000) or other electronically imaged transmission shall be deemed to be their original signatures for all purposes. Any certificate and any other document delivered in connection with this Indenture relating to the Notes may be signed by or on behalf of the signing party by manual, facsimile or electronic format (i.e., "pdf" or "tif" or any electronic signature complying with the U.S. federal ESIGN Act of 2000) or other electronically imaged transmission. Neither Trustee nor Collateral Agent shall have a duty to inquire into or investigate the authenticity or authorization of any such electronic signature and shall be entitled to conclusively rely on any such electronic signature without any liability with respect thereto.

Section 13.14 *Table of Contents, Headings, etc.*

The Table of Contents, Cross-Reference Table and Headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and will in no way modify or restrict any of the terms or provisions hereof.

Section 13.15 *Judgment Currency*.

Any payment on account of an amount that is payable in U.S. dollars (the "*Required Currency*") which is made to or for the account of any Holder, the Trustee or the Collateral Agent in lawful currency of any other jurisdiction (the "*Judgment Currency*"), whether as a result of any judgment or order or the enforcement thereof or the liquidation of the Issuer or any Guarantor, shall constitute a discharge of the Issuer's or the Guarantor's obligation under this Indenture, the Security Documents and the Notes or Note Guarantee, as the case may be, only to the extent of the amount of the Required Currency which the Holder, the Trustee or the Collateral Agent, as the case may be, could purchase in the London foreign exchange markets with the amount of the Judgment Currency in accordance with normal banking procedures at the rate of exchange prevailing on the first Business Day following receipt of the payment in the Judgment Currency. If the amount of the Required Currency that could be so purchased is less than the amount of the Required Currency originally due to such Holder, the Trustee or the Collateral Agent, as the case may be, the Issuer and the Guarantors shall indemnify and hold harmless the Holder, the Trustee or the Collateral Agent, as the case may be, from and against all loss or damage arising out of, or as a result of, such deficiency. This indemnity shall constitute an obligation separate and independent from the other obligations contained in this Indenture or the Notes, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Holder, the Trustee or the Collateral Agent from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due hereunder or under any judgment or order.

Section 13.16 *FATCA.*

In order to comply with applicable tax laws, rules and regulations (inclusive of directives, guidelines and interpretations promulgated by competent authorities) in effect from time to time ("*Applicable Tax Law*") that a foreign financial institution, issuer, trustee, paying agent, holder or other institution is or has agreed to be subject to related to this Indenture, the Issuer agrees (i) upon reasonable written request of The Bank of New York Mellon Trust Company, N.A. or Wilmington Trust, National Association to use commercially reasonable efforts to provide to The Bank of New York Mellon Trust Company, N.A. and Wilmington Trust, National Association, as applicable, sufficient information about holders or other applicable parties and/or transactions (including any modification to the terms of such transactions) so The Bank of New York Mellon Trust Company, N.A. and Wilmington Trust, National Association can determine whether it has tax related obligations under Applicable Tax Law, and (ii) that The Bank of New York Mellon Trust Company, N.A. and Wilmington Trust, National Association may, to the extent it is required to do so by law, deduct or withhold income or other similar taxes imposed by Applicable Tax Laws from payments hereunder without any liability therefor. The terms of this Section 13.16 shall survive the termination of this Indenture.

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) *INTEREST*. Viking Ocean Cruises Ship VII Ltd, an exempted company incorporated with limited liability organized under the laws of Bermuda (the "*Issuer*"), promises to pay or cause to be paid interest on the principal amount of this Note at 5.625% per annum from _____, ___ until maturity and Additional Amounts, if any. The Issuer will pay interest, if any, semi-annually in arrears on February 15 and August 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an "*Interest Payment Date*"). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that, if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided, further*, that the first Interest Payment Date shall be _____, _____. The Issuer will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at a rate that is 1% higher than the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Additional Amounts, if any (without regard to any applicable grace period), at the same rate to the extent lawful.

Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

(2) *METHOD OF PAYMENT*. The Issuer will pay interest on the Notes (except defaulted interest) and Additional Amounts, if any, to the Persons who are registered Holders of Notes at the close of business on the February 1 or August 1 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, interest and Additional Amounts, if any, at the office or agency of the Paying Agent and Registrar within the City and State of New York, or, at the option of the Issuer, payment of interest and Additional Amounts, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of, premium on, if any, interest and Additional Amounts, if any, on, all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Issuer or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR*. Initially, The Bank of New York Mellon Trust Company, N.A., the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuer may change the Paying Agent or Registrar without prior notice to the Holders of the Notes. The Issuer or any of its Subsidiaries may act as Paying Agent or Registrar.

(4) *INDENTURE*. The Issuer issued the Notes under an Indenture dated as of February 2, 2021 (the "*Indenture*") among the Issuer, Viking Cruises Ltd (the *"Company"*), the Trustee and the Collateral Agent. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are unsecured obligations of the Issuer. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

(5) *ADDITIONAL AMOUNTS.*

(a) All payments made by or on behalf of the Issuer or any of the Guarantors under or with respect to the Notes (whether or not in the form of Definitive Registered Notes) or any Note Guarantee will be made free and clear of and without withholding or deduction for, or on account of, any present or future Taxes unless the withholding or deduction of such Taxes is then required by law. If any deduction or withholding for, or on account of, any Taxes imposed or levied by or on behalf of (i) any jurisdiction in which the Issuer or any Guarantor (including any successor entity), is then incorporated, engaged in business, organized or resident for tax purposes or any political subdivision or governmental authority thereof or therein or (ii) any jurisdiction from or through which payment is made by or on behalf of the Issuer or any Guarantor (including, without limitation, the jurisdiction of any Paying Agent) or any political subdivision or governmental authority thereof or therein (each of (i) and (ii), a "*Tax Jurisdiction*"), will at any time be required to be made from any payments under or with respect to the Notes or any Note Guarantee, including, without limitation, payments of principal, redemption price, purchase price, interest or premium, the Issuer or the relevant Guarantor or other payor, as applicable, will pay such additional amounts (the "*Additional Amounts*") as may be necessary in order that the net amounts received and retained in respect of such payments by each Holder or beneficial owner of Notes (including Additional Amounts) after such withholding, deduction or imposition will equal the respective amounts that would have been received and retained in respect of such payments in the absence of such withholding or deduction; *provided, however,* that no Additional Amounts will be payable with respect to: (i) any Taxes, to the extent such Taxes would not have been imposed but for the Holder or the beneficial owner of the Notes (or a fiduciary, settlor, beneficiary, partner of, member or shareholder of, or possessor of a power over, the relevant Holder, if the relevant Holder is an estate, trust, nominee, partnership, limited liability company or corporation) being a citizen or resident or national of, incorporated in the relevant Tax Jurisdiction in which such Taxes are imposed or having any other present or former connection with the relevant Tax Jurisdiction other than the acquisition or holding of such Notes, the exercise or enforcement of rights under such Note or the Indenture or under a Note Guarantee or the receipt of payments in respect of such Note or a Note Guarantee; (ii) any Taxes, to the extent such Taxes were imposed as a result of the presentation of a Note for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the Holder (except to the extent that the Holder would have been entitled to Additional Amounts had the Note been presented on the last day of such 30 day period); (iii) any estate, inheritance, gift, sale, transfer, personal property or similar Taxes; (iv) any Taxes imposed as result of any Note presented for payment (where presentation is required) by or on behalf of a Holder who would have been able to avoid such withholding or deduction by presenting the relevant Note to another Paying Agent in a member state of the European Union; (v) any Taxes payable other than by deduction or withholding from payments under, or with respect to, the Notes or with respect to any Note Guarantee; (vi) any Taxes to the extent such Taxes are imposed or withheld by reason of the failure of the Holder or beneficial owner of Notes, following the Issuer's reasonable written request addressed to the Holder or beneficial owner at least 60 days before any such withholding or deduction would be payable to the Holder or beneficial owner, to comply with any certification, identification, information or other reporting requirements, whether required by statute, treaty, regulation or administrative practice of a Tax Jurisdiction, as a precondition to

exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Tax Jurisdiction (including, without limitation, a certification that the Holder or beneficial owner is not resident in the Tax Jurisdiction), but in each case, only to the extent the Holder or beneficial owner is legally entitled to provide such certification or documentation; (vii) any Taxes imposed or withheld by reason of the failure of the Holder or beneficial owner of the Notes to comply with the requirements of Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (the "*Code*"), as of the date of the Offering Memorandum (or any amended or successor version that is substantively comparable and not materially more onerous to comply with), the U.S. Treasury Regulations issued thereunder or any official interpretation thereof or any agreement entered into pursuant to Section 1471 of the Code; or (viii) any combination of clauses (i) through (vii) above.

(b) In addition to the foregoing, the Issuer and the Guarantors will also pay and indemnify the Holder for any present or future stamp, issue, registration, value added, transfer, court or documentary Taxes, or any other excise or property taxes, charges or similar levies (including penalties, interest and any other liabilities related thereto) which are levied by any Tax Jurisdiction on the execution, delivery, issuance, or registration of any of the Notes, the Indenture, any Note Guarantee or any other document referred to therein, or the receipt of any payments with respect thereto, or enforcement of, any of the Notes or any Note Guarantee.

(c) If the Issuer or any Guarantor, as the case may be, becomes aware that it will be obligated to pay Additional Amounts with respect to any payment under or with respect to the Notes or any Note Guarantee, the Issuer or the relevant Guarantor, as the case may be, will deliver to the Trustee on a date that is at least 30 days prior to the date of that payment (unless the obligation to pay Additional Amounts arises after the 30th day prior to that payment date, in which case the Issuer or the relevant Guarantor shall notify the Trustee promptly thereafter) an Officer's Certificate stating the fact that Additional Amounts will be payable and the amount estimated to be so payable. The Officer's Certificates must also set forth any other information reasonably necessary to enable the Paying Agents to pay Additional Amounts to Holders on the relevant payment date. The Issuer or the relevant Guarantor will provide the Trustee with documentation reasonably satisfactory to the Trustee evidencing the payment of Additional Amounts. The Trustee shall be entitled to rely absolutely on an Officer's Certificate as conclusive proof that such payments are necessary, and may conclusively presume that no payments are necessary unless and until it receives any such Officer's Certificate.

(d) The Issuer or the relevant Guarantor will make all withholdings and deductions (within the time period and in the minimum amount) required by law and will remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The Issuer or the relevant Guarantor will use its reasonable efforts to obtain Tax receipts from each Tax authority evidencing the payment of any Taxes so deducted or withheld. The Issuer or the relevant Guarantor will furnish to the Trustee (or to a Holder upon request), within 60 days after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Issuer or a Guarantor, as the case may be, or if, notwithstanding such entity's efforts to obtain receipts, receipts are not obtained, other evidence of payments (reasonably satisfactory to the Trustee) by such entity.

(e) Whenever in the Indenture or the Notes there is mentioned, in any context, the payment of amounts based upon the principal amount of the Notes or of principal, interest or of any other amount payable under, or with respect to, any of the Notes or any Note Guarantee, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(f) The obligations described under Sections 4.01(c), (d), (e) and (f) of the Indenture will survive any termination, defeasance or discharge of the Indenture, any transfer by a Holder or beneficial owner of its Notes, and will apply, *mutatis mutandis*, to any jurisdiction in which any successor Person to the Issuer or any Guarantor is incorporated, engaged in business for tax purposes or resident for tax purposes or any jurisdiction from or through which such Person makes any payment on the Notes (or any Note Guarantee) and any department or political subdivision or taxing authority or agency thereof or therein having the power to tax.

(6) *OPTIONAL REDEMPTION.*

(a) At any time prior to February 15, 2024, the Issuer may on any one or more occasions redeem up to 40% of the aggregate principal amount of Notes issued under the Indenture, upon giving not less than 15 nor more than 60 days' notice (except as provided in Section 3.03 hereof) at a redemption price equal to 105.625% of the principal amount of the Notes redeemed, plus accrued and unpaid interest and Additional Amounts, if any, to but not including the date of redemption (subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant Interest Payment Date), with the net cash proceeds of an Equity Offering; *provided* that:

(i) at least 60% of the aggregate principal amount of the Notes originally issued under the Indenture (excluding Notes held by the Company and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption (except to the extent that all remaining outstanding Notes are substantially concurrently repurchased or redeemed in full, or are to be repurchased or redeemed in full and for which a notice of repurchase or redemption has been issued, in accordance with another provision of the Indenture); and

(ii) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

(b) At any time prior to February 15, 2024, the Issuer may on any one or more occasions redeem all or a part of the Notes, upon giving not less than 15 nor more than 60 days' notice (except as provided in Section 3.03 hereof), at a redemption price equal to 100% of the principal amount of the Notes redeemed, plus the Applicable Premium (as calculated by the Issuer) as of, and accrued and unpaid interest and Additional Amounts, if any, to but not including the date of redemption, subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date.

(c) Except pursuant to paragraph 6(a) and 6(b) and paragraphs 10 and 11 hereof, the Notes will not be redeemable at the Issuer's option prior to February 15, 2024.

(d) On or after February 15, 2024, the Issuer may on any one or more occasions redeem all or a part of the Notes, upon not less than 15 nor more than 60 days' notice (except as provided in Section 3.03 hereof), at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest and Additional Amounts, if any, on the Notes redeemed, to the applicable date of redemption, if redeemed during the twelve-month period beginning on February 15 of the years indicated below, subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant Interest Payment Date:

Year	Redemption Price
2024	102.813%
2025	101.406%
2026 and thereafter	100.000%

(e) Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(7) *MANDATORY REDEMPTION.* Except as provided in paragraph 11 hereof, the Issuer is not required to make mandatory redemption payments or sinking fund payments with respect to the Notes.

(8) *REPURCHASE AT THE OPTION OF HOLDER.*

(a) Upon the occurrence of a Change of Control, the Issuer will be required to make an offer (a "*Change of Control Offer*") to each Holder to repurchase all or any part (equal to $2,000 or an integral multiple of $1,000 in excess thereof) of that Holder's Notes pursuant to a Change of Control Offer on the terms set forth in the Indenture. In the Change of Control Offer, the Issuer will offer a payment in cash equal to 101% of the aggregate principal amount of Notes repurchased, plus accrued and unpaid interest and Additional Amounts, if any, on the Notes repurchased to but not including the date of purchase (the "*Change of Control Payment*"), subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control, the Issuer will mail a notice to each Holder at such Holder's registered address or otherwise deliver a notice in accordance with Section 3.03 of the Indenture, stating that a Change of Control Offer is being made and offering to repurchase Notes on the date (the "*Change of Control Payment Date*") specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed or delivered, pursuant to the procedures required by the Indenture and described in such notice. The Issuer will comply with the requirements of Rule 14e-1 under the U.S. Exchange Act and any other applicable securities laws and regulations to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of the Indenture, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Indenture by virtue of such compliance.

(b) If the Company or a Restricted Subsidiary of the Company consummates any Asset Sales, within ten Business Days of each date on which the aggregate amount of Excess Proceeds exceeds $40.0 million, the Issuer will make an offer (an "*Asset Sale Offer*") to all Holders of Notes and may make an offer to all holders of other Indebtedness that is *pari passu* with the Notes or any Note Guarantees with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets to purchase, prepay or redeem the maximum principal amount of Notes and such other *pari passu* Indebtedness (plus all accrued interest on the Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. The offer price for the Notes in any Asset Sale Offer will be equal to 100% of the principal amount, plus accrued and unpaid interest and Additional Amounts, if any, to but not including the date of purchase, prepayment or redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date, and will be payable in cash. If any Excess Proceeds

remain after consummation of an Asset Sale Offer, the Issuer may use those Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes and other *pari passu* Indebtedness tendered into (or to be prepaid or redeemed in connection with) such Asset Sale Offer exceeds the amount of Excess Proceeds, or if the aggregate amount of Notes tendered pursuant to a Notes Offer exceeds the amount of the Net Proceeds so applied, the Trustee will select the Notes and such other *pari passu* Indebtedness, if applicable, to be purchased on a pro rata basis (or in the manner described in Section 3.02 of the Indenture), based on the amounts tendered or required to be prepaid or redeemed. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

(9) *NOTICE OF REDEMPTION*. At least 30 days but not more than 60 days before a redemption date, the Issuer will mail or cause to be mailed, by first class mail, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a legal or covenant defeasance of the Notes or a satisfaction and discharge of the Indenture pursuant to Articles 8 or 11 thereof. Notes and portions of Notes selected will be in amounts of $2,000 or whole multiples of $1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased.

(10) *REDEMPTION FOR CHANGES IN TAXES.*

(a) The Issuer may redeem the Notes, in whole but not in part, at its discretion at any time upon giving not less than 15 nor more than 60 days' prior notice to the Holders (which notice will be irrevocable and given in accordance with Section 3.03 of the Indenture), at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to but not including the date fixed by the Issuer for redemption (a "*Tax Redemption Date*") and all Additional Amounts (if any) then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders on the relevant record date to receive interest due on the relevant interest payment date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the Notes, the Issuer is or would be required to pay Additional Amounts, and the Issuer cannot avoid any such payment obligation by taking reasonable measures available (including, for the avoidance of doubt, the appointment of a new Paying Agent but excluding the reincorporation or reorganization of the Issuer or any Guarantor), and the requirement arises as a result of: (i) any change in, or amendment to, the laws or treaties (or any regulations, or rulings promulgated thereunder) of the relevant Tax Jurisdiction (other than Russia or any political subdivision thereof or therein and other than Switzerland with respect to change to the paying agent withholding tax regime) affecting taxation which change or amendment becomes effective on or after the Issue Date (or, in the case of Russia or any political subdivision thereof or therein, or if the relevant Tax Jurisdiction has changed since the Issue Date, which change or amendment has not been publicly announced as formally proposed before and becomes effective on or after the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under the Indenture); or (ii) any change in, or amendment to, the existing official published position or the introduction of an official position regarding the application, administration or interpretation of such laws, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction or a change in published practice), which change, amendment or official position becomes effective on or after the Issue Date (or, in the case of Russia or any political subdivision thereof or therein, or if the relevant Tax Jurisdiction has changed since the Issue Date, which change, amendment or official position has not been publicly announced as formally proposed before and becomes effective on or after the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under the Indenture).

(b) In the case of Additional Amounts required to be paid as a result of the Issuer conducting business other than in the place of its organization, such amendment or change must be announced and become effective on or after the date in which the Issuer begins to conduct business giving rise to the relevant withholding or deduction.

(c) The Issuer will not give any such notice of redemption earlier than 60 days prior to the earliest date on which the Issuer would be obligated to make such payment or withholding if a payment in respect of the Notes were then due and at the time such notice is given, the obligation to pay Additional Amounts must remain in effect. Prior to the mailing of any notice of redemption of the Notes pursuant to the foregoing, the Issuer will deliver the Trustee an opinion of independent tax counsel (which counsel shall be reasonably acceptable to the Trustee) to the effect that there has been such change or amendment which would entitle the Issuer to redeem the Notes hereunder. In addition, before the Issuer mails notice of redemption of the Notes as described above, it will deliver to the Trustee an Officer's Certificate to the effect that it cannot avoid its obligation to pay Additional Amounts by the Issuer taking reasonable measures available to it.

(d) Any redemption pursuant to this paragraph 10 shall be made pursuant to the provisions of Sections 3.01 through 3.06 of the Indenture and notice may, in the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent.

(11) *SPECIAL MANDATORY REDEMPTION EVENT.* In the event that (a) the Escrow Release has not occurred on or prior to the Outside Date or (b) the Issuer notifies the Trustee and the Escrow Agent in writing that the Issuer has determined that the Escrow Release will not occur on or prior to the Outside Date (each such event being a "*Mandatory Redemption Event*"), the Issuer will redeem all of the Notes (the "*Special Mandatory Redemption*") at a price equal to 100.0% of the principal amount of the Notes redeemed plus accrued and unpaid interest from the Issue Date to, but not including, the Special Mandatory Redemption Date (the "*Special Mandatory Redemption Price*"). Notice of the occurrence of a Mandatory Redemption Event will be given by the Issuer (a "*Special Redemption Notice*") within three Business Days following the occurrence of a Mandatory Redemption Event, to the Trustee, the Escrow Agent, the Collateral Agent and DTC. Within three Business Days after the Issuer sends such notice of a Mandatory Redemption Event or otherwise in accordance with DTC's procedures, the Escrowed Property will be released from the Escrow Account and the Issuer will perform the Special Mandatory Redemption (the date of such redemption, the "*Special Mandatory Redemption Date*"). Following the Escrow Release in accordance with Section 4(b) of the Escrow Agreement, the Notes shall no longer be subject to a Special Mandatory Redemption pursuant to this paragraph 11.

(12) *DENOMINATIONS, TRANSFER, EXCHANGE*. The Notes are in registered form in denominations of $2,000 and integral multiples of $1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuer may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuer need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuer need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the next succeeding Interest Payment Date.

(13) *PERSONS DEEMED OWNERS*. The registered Holder may be treated as the owner of it for all purposes. Only registered Holders have rights under the Indenture.

Without the consent of any Holder, the Indenture, the Notes, the Security Documents and the Note Guarantees may be amended or supplemented to cure any ambiguity, mistake, defect or inconsistency; to provide for uncertificated Notes in addition to or in place of certificated Notes (*provided* that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code); to provide for the assumption of the Issuer's or a Guarantor's obligations to Holders of the Notes and Note Guarantees by a successor to the Issuer or such Guarantor pursuant to Article 5 or Article 10 of the Indenture; to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under the Indenture of any such Holder in any material respect; to conform the text of the Indenture, the Notes, the Security Documents or the Note Guarantees to any provision of the "Description of Notes" section of the Offering Memorandum, to the extent that such provision in that "Description of Notes" was intended to be a verbatim recitation of a provision of the Indenture, the Notes, the Security Documents or the Note Guarantees, which intent may be evidenced by an Officer's Certificate to that effect; to release any Note Guarantee in accordance with the terms of the Indenture; to provide for the issuance of Additional Notes in accordance with the limitations set forth in the Indenture as of the Issue Date; to allow any Guarantor to execute a supplemental indenture and a Note Guarantee with respect to the Notes; to comply with the requirements of the Commission in order to effect or maintain the qualification of the Indenture under the TIA; or to evidence and provide the acceptance of the appointment of a successor Trustee or Collateral Agent under the Indenture.

The Issuer will pay interest, if any, semi-annually in arrears on February 15 and August 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an "*Interest Payment Date*"). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that, if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided, further*, that the first

Interest Payment Date shall be _____, _____. The Issuer will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at a rate that is 1% higher than the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Additional Amounts, if any (without regard to any applicable grace period), at the same rate to the extent lawful.

Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

Until this Regulation S Temporary Global Note is exchanged for one or more Regulation S Permanent Global Notes, the Holder hereof shall not be entitled to receive payments of interest hereon; until so exchanged in full, this Regulation S Temporary Global Note shall in all other respects be entitled to the same benefits as other Notes under the Indenture.

(2) *METHOD OF PAYMENT*. The Issuer will pay interest on the Notes (except defaulted interest) and Additional Amounts, if any, to the Persons who are registered Holders of Notes at the close of business on the February 1 or August 1 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, interest and Additional Amounts, if any, at the office or agency of the Paying Agent and Registrar within the City and State of New York, or, at the option of the Issuer, payment of interest and Additional Amounts, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of, premium on, if any, interest and Additional Amounts, if any, on, all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Issuer or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR*. Initially, The Bank of New York Mellon Trust Company, N.A., the Trustee under the Indenture, will act as Paying Agent and Registrar. The Issuer may change the Paying Agent or Registrar without prior notice to the Holders of the Notes. The Issuer or any of its Subsidiaries may act as Paying Agent or Registrar.

(4) *INDENTURE*. The Issuer issued the Notes under an Indenture dated as of February 2, 2021 (the "*Indenture*") among the Issuer, Viking Cruises Ltd (the *"Company"*), the Trustee and the Collateral Agent. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are unsecured obligations of the Issuer. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

(5) *ADDITIONAL AMOUNTS.*

(a) All payments made by or on behalf of the Issuer or any of the Guarantors under or with respect to the Notes (whether or not in the form of Definitive Registered Notes) or any Note Guarantee will be made free and clear of and without withholding or deduction for, or on account of, any present or future Taxes unless the withholding or deduction of such Taxes is then required by law. If any deduction or withholding for, or on account of, any Taxes imposed or levied by or on behalf of (i) any jurisdiction in which the Issuer or any Guarantor (including any successor

entity), is then incorporated, engaged in business, organized or resident for tax purposes or any political subdivision or governmental authority thereof or therein or (ii) any jurisdiction from or through which payment is made by or on behalf of the Issuer or any Guarantor (including, without limitation, the jurisdiction of any Paying Agent) or any political subdivision or governmental authority thereof or therein (each of (i) and (ii), a "*Tax Jurisdiction*"), will at any time be required to be made from any payments under or with respect to the Notes or any Note Guarantee, including, without limitation, payments of principal, redemption price, purchase price, interest or premium, the Issuer or the relevant Guarantor or other payor, as applicable, will pay such additional amounts (the "*Additional Amounts*") as may be necessary in order that the net amounts received and retained in respect of such payments by each Holder or beneficial owner of Notes (including Additional Amounts) after such withholding, deduction or imposition will equal the respective amounts that would have been received and retained in respect of such payments in the absence of such withholding or deduction; *provided, however,* that no Additional Amounts will be payable with respect to: (i) any Taxes, to the extent such Taxes would not have been imposed but for the Holder or the beneficial owner of the Notes (or a fiduciary, settlor, beneficiary, partner of, member or shareholder of, or possessor of a power over, the relevant Holder, if the relevant Holder is an estate, trust, nominee, partnership, limited liability company or corporation) being a citizen or resident or national of, incorporated in the relevant Tax Jurisdiction in which such Taxes are imposed or having any other present or former connection with the relevant Tax Jurisdiction other than the acquisition or holding of such Notes, the exercise or enforcement of rights under such Note or the Indenture or under a Note Guarantee or the receipt of payments in respect of such Note or a Note Guarantee; (ii) any Taxes, to the extent such Taxes were imposed as a result of the presentation of a Note for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the Holder (except to the extent that the Holder would have been entitled to Additional Amounts had the Note been presented on the last day of such 30 day period); (iii) any estate, inheritance, gift, sale, transfer, personal property or similar Taxes; (iv) any Taxes imposed as result of any Note presented for payment (where presentation is required) by or on behalf of a Holder who would have been able to avoid such withholding or deduction by presenting the relevant Note to another Paying Agent in a member state of the European Union; (v) any Taxes payable other than by deduction or withholding from payments under, or with respect to, the Notes or with respect to any Note Guarantee; (vi) any Taxes to the extent such Taxes are imposed or withheld by reason of the failure of the Holder or beneficial owner of Notes, following the Issuer's reasonable written request addressed to the Holder or beneficial owner at least 60 days before any such withholding or deduction would be payable to the Holder or beneficial owner, to comply with any certification, identification, information or other reporting requirements, whether required by statute, treaty, regulation or administrative practice of a Tax Jurisdiction, as a precondition to exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Tax Jurisdiction (including, without limitation, a certification that the Holder or beneficial owner is not resident in the Tax Jurisdiction), but in each case, only to the extent the Holder or beneficial owner is legally entitled to provide such certification or documentation; (vii) any Taxes imposed or withheld by reason of the failure of the Holder or beneficial owner of the Notes to comply with the requirements of Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (the "*Code*"), as of the date of the Offering Memorandum (or any amended or successor version that is substantively comparable and not materially more onerous to comply with), the U.S. Treasury Regulations issued thereunder or any official interpretation thereof or any agreement entered into pursuant to Section 1471 of the Code; or (viii) any combination of clauses (i) through (vii) above.

(b) In addition to the foregoing, the Issuer and the Guarantors will also pay and indemnify the Holder for any present or future stamp, issue, registration, value added, transfer, court or documentary Taxes, or any other excise or property taxes, charges or similar levies (including penalties, interest and any other liabilities related thereto) which are levied by any Tax Jurisdiction on the execution, delivery, issuance, or registration of any of the Notes, the Indenture, any Note Guarantee or any other document referred to therein, or the receipt of any payments with respect thereto, or enforcement of, any of the Notes or any Note Guarantee.

(c) If the Issuer or any Guarantor, as the case may be, becomes aware that it will be obligated to pay Additional Amounts with respect to any payment under or with respect to the Notes or any Note Guarantee, the Issuer or the relevant Guarantor, as the case may be, will deliver to the Trustee on a date that is at least 30 days prior to the date of that payment (unless the obligation to pay Additional Amounts arises after the 30th day prior to that payment date, in which case the Issuer or the relevant Guarantor shall notify the Trustee promptly thereafter) an Officer's Certificate stating the fact that Additional Amounts will be payable and the amount estimated to be so payable. The Officer's Certificates must also set forth any other information reasonably necessary to enable the Paying Agents to pay Additional Amounts to Holders on the relevant payment date. The Issuer or the relevant Guarantor will provide the Trustee with documentation reasonably satisfactory to the Trustee evidencing the payment of Additional Amounts. The Trustee shall be entitled to rely absolutely on an Officer's Certificate as conclusive proof that such payments are necessary, and may conclusively presume that no payments are necessary unless and until it receives any such Officer's Certificate.

(d) The Issuer or the relevant Guarantor will make all withholdings and deductions (within the time period and in the minimum amount) required by law and will remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The Issuer or the relevant Guarantor will use its reasonable efforts to obtain Tax receipts from each Tax authority evidencing the payment of any Taxes so deducted or withheld. The Issuer or the relevant Guarantor will furnish to the Trustee (or to a Holder upon request), within 60 days after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Issuer or a Guarantor, as the case may be, or if, notwithstanding such entity's efforts to obtain receipts, receipts are not obtained, other evidence of payments (reasonably satisfactory to the Trustee) by such entity.

(e) Whenever in the Indenture or the Notes there is mentioned, in any context, the payment of amounts based upon the principal amount of the Notes or of principal, interest or of any other amount payable under, or with respect to, any of the Notes or any Note Guarantee, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(f) The obligations described under Sections 4.01(c), (d), (e) and (f) of the Indenture will survive any termination, defeasance or discharge of the Indenture, any transfer by a Holder or beneficial owner of its Notes, and will apply, *mutatis mutandis*, to any jurisdiction in which any successor Person to the Issuer or any Guarantor is incorporated, engaged in business for tax purposes or resident for tax purposes or any jurisdiction from or through which such Person makes any payment on the Notes (or any Note Guarantee) and any department or political subdivision or taxing authority or agency thereof or therein having the power to tax.

(6) *OPTIONAL REDEMPTION.*

(a) At any time prior to February 15, 2024, the Issuer may on any one or more occasions redeem up to 40% of the aggregate principal amount of Notes issued under the Indenture, upon giving not less than 15 nor more than 60 days' notice (except as provided in Section 3.03 hereof), at a redemption price equal to 105.625% of the principal amount of the Notes redeemed, plus accrued and unpaid interest and Additional Amounts, if any, to but not including the date of redemption (subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant Interest Payment Date), with the net cash proceeds of an Equity Offering; *provided* that:

(i) at least 60% of the aggregate principal amount of the Notes originally issued under the Indenture (excluding Notes held by the Company and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption (except to the extent that all remaining outstanding Notes are substantially concurrently repurchased or redeemed in full, or are to be repurchased or redeemed in full and for which a notice of repurchase or redemption has been issued, in accordance with another provision of the Indenture); and

(ii) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

(b) At any time prior to February 15, 2024, the Issuer may on any one or more occasions redeem all or a part of the Notes, upon giving not less than 15 nor more than 60 days' notice (except as provided in Section 3.03 hereof), at a redemption price equal to 100% of the principal amount of the Notes redeemed, plus the Applicable Premium (as calculated by the Issuer) as of, and accrued and unpaid interest and Additional Amounts, if any, to but not including the date of redemption, subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date.

(c) Except pursuant to paragraph 6(a) and 6(b) and paragraphs 10 and 11 hereof, the Notes will not be redeemable at the Issuer's option prior to February 15, 2024.

(d) On or after February 15, 2024, the Issuer may on any one or more occasions redeem all or a part of the Notes, upon not less than 15 nor more than 60 days' notice (except as provided in Section 3.03 hereof), at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest and Additional Amounts, if any, on the Notes redeemed, to the applicable date of redemption, if redeemed during the twelve-month period beginning on February 15 of the years indicated below, subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant Interest Payment Date:

Year	Redemption Price
2024	102.813%
2025	101.406%
2026 and thereafter	100.000%

(e) Unless the Issuer defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(7) *MANDATORY REDEMPTION.* Except as provided in paragraph 11 hereof, the Issuer is not required to make mandatory redemption payments or sinking fund payments with respect to the Notes.

(8) *REPURCHASE AT THE OPTION OF HOLDER.*

(a) Upon the occurrence of a Change of Control, the Issuer will be required to make an offer (a "*Change of Control Offer*") to each Holder to repurchase all or any part (equal to $2,000 or an integral multiple of $1,000 in excess thereof) of that Holder's Notes pursuant to a Change of Control Offer on the terms set forth in the Indenture. In the Change of Control Offer, the Issuer will offer a payment in cash equal to 101% of the aggregate principal amount of Notes repurchased, plus accrued and unpaid interest and Additional Amounts, if any, on the Notes repurchased to but not including the date of purchase (the "*Change of Control Payment*"), subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control, the Issuer will mail a notice to each Holder at such Holder's registered address or otherwise deliver a notice in accordance with Section 3.03 of the Indenture, stating that a Change of Control Offer is being made and offering to repurchase Notes on the date (the "*Change of Control Payment Date*") specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed or delivered, pursuant to the procedures required by the Indenture and described in such notice. The Issuer will comply with the requirements of Rule 14e-1 under the U.S. Exchange Act and any other applicable securities laws and regulations to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of the Indenture, the Issuer will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Indenture by virtue of such compliance.

(b) If the Company or a Restricted Subsidiary of the Company consummates any Asset Sales, within ten Business Days of each date on which the aggregate amount of Excess Proceeds exceeds $40.0 million, the Issuer will make an offer (an "*Asset Sale Offer*") to all Holders of Notes and may make an offer to all holders of other Indebtedness that is *pari passu* with the Notes or any Note Guarantees with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets to purchase, prepay or redeem the maximum principal amount of Notes and such other *pari passu* Indebtedness (plus all accrued interest on the Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. The offer price for the Notes in any Asset Sale Offer will be equal to 100% of the principal amount, plus accrued and unpaid interest and Additional Amounts, if any, to but not including the date of purchase, prepayment or redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Issuer may use those Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes and other *pari passu* Indebtedness tendered into (or to be prepaid or redeemed in connection with) such Asset Sale Offer exceeds the amount of Excess Proceeds, or if the aggregate amount of Notes tendered pursuant to a Notes Offer exceeds the amount of the Net Proceeds so applied, the Trustee will select the Notes and such other *pari passu* Indebtedness, if applicable, to be purchased on a pro rata basis (or in the manner described in Section 3.02 of the Indenture), based on the amounts tendered or required to be prepaid or redeemed. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

(9) *NOTICE OF REDEMPTION*. At least 30 days but not more than 60 days before a redemption date, the Issuer will mail or cause to be mailed, by first class mail, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a legal or covenant defeasance of the Notes or a satisfaction and discharge of the Indenture pursuant to Articles 8 or 11 thereof. Notes and portions of Notes selected will be in amounts of $2,000 or whole multiples of $1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased.

(10) *REDEMPTION FOR CHANGES IN TAXES.*

(a) The Issuer may redeem the Notes, in whole but not in part, at its discretion at any time upon giving not less than 15 nor more than 60 days' prior notice to the Holders (which notice will be irrevocable and given in accordance with Section 3.03 of the Indenture), at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to but not including the date fixed by the Issuer for redemption (a "*Tax Redemption Date*") and all Additional Amounts (if any) then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders on the relevant record date to receive interest due on the relevant interest payment date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the Notes, the Issuer is or would be required to pay Additional Amounts, and the Issuer cannot avoid any such payment obligation by taking reasonable measures available (including, for the avoidance of doubt, the appointment of a new Paying Agent but excluding the reincorporation or reorganization of the Issuer or any Guarantor), and the requirement arises as a result of: (i) any change in, or amendment to, the laws or treaties (or any regulations, or rulings promulgated thereunder) of the relevant Tax Jurisdiction (other than Russia or any political subdivision thereof or therein and other than Switzerland with respect to change to the paying agent withholding tax regime) affecting taxation which change or amendment becomes effective on or after the Issue Date (or, in the case of Russia or any political subdivision thereof or therein, if the relevant Tax Jurisdiction has changed since the Issue Date, which change or amendment has not been publicly announced as formally proposed before and becomes effective on or after the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under the Indenture); or (ii) any change in, or amendment to, the existing official published position or the introduction of an official position regarding the application, administration or interpretation of such laws, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction or a change in published practice), which change, amendment or official position becomes effective on or after the Issue Date (or, in the case of Russia or any political subdivision thereof or therein, or if the relevant Tax Jurisdiction has changed since the Issue Date, which change, amendment or official position has not been publicly announced as formally proposed before and becomes effective on or after the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under the Indenture).

(b) In the case of Additional Amounts required to be paid as a result of the Issuer conducting business other than in the place of its organization, such amendment or change must be announced and become effective on or after the date in which the Issuer begins to conduct business giving rise to the relevant withholding or deduction.

(c) The Issuer will not give any such notice of redemption earlier than 60 days prior to the earliest date on which the Issuer would be obligated to make such payment or withholding if a payment in respect of the Notes were then due and at the time such notice is given, the obligation to pay Additional Amounts must remain in effect. Prior to the mailing of any notice of redemption of the Notes pursuant to the foregoing, the Issuer will deliver the Trustee an opinion of independent tax counsel (which counsel shall be reasonably acceptable to the Trustee) to the effect that there has been such change or amendment which would entitle the Issuer to redeem the Notes hereunder. In addition, before the Issuer mails notice of redemption of the Notes as described above, it will deliver to the Trustee an Officer's Certificate to the effect that it cannot avoid its obligation to pay Additional Amounts by the Issuer taking reasonable measures available to it.

(d) Any redemption pursuant to this paragraph 10 shall be made pursuant to the provisions of Sections 3.01 through 3.06 of the Indenture and notice may, in the Issuer's discretion, be subject to the satisfaction of one or more conditions precedent.

(11) *SPECIAL MANDATORY REDEMPTION EVENT.* In the event that (a) the Escrow Release has not occurred on or prior to the Outside Date or (b) the Issuer notifies the Trustee and the Escrow Agent in writing that the Issuer has determined that the Escrow Release will not occur on or prior to the Outside Date (each such event being a "*Mandatory Redemption Event*"), the Issuer will redeem all of the Notes (the "*Special Mandatory Redemption*") at a price equal to 100.0% of the principal amount of the Notes redeemed plus accrued and unpaid interest from the Issue Date to, but not including, the Special Mandatory Redemption Date (the "*Special Mandatory Redemption Price*"). Notice of the occurrence of a Mandatory Redemption Event will be given by the Issuer (a "*Special Redemption Notice*") within three Business Days following the occurrence of a Mandatory Redemption Event, to the Trustee, the Escrow Agent, the Collateral Agent and DTC. Within three Business Days after the Issuer sends such notice of a Mandatory Redemption Event or otherwise in accordance with DTC's procedures, the Escrowed Property will be released from the Escrow Account and the Issuer will perform the Special Mandatory Redemption (the date of such redemption, the "*Special Mandatory Redemption Date*"). Following the Escrow Release in accordance with Section 4(b) of the Escrow Agreement, the Notes shall no longer be subject to a Special Mandatory Redemption pursuant to this paragraph 11.

(12) *DENOMINATIONS, TRANSFER, EXCHANGE*. The Notes are in registered form in denominations of $2,000 and integral multiples of $1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuer may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuer need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuer need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the next succeeding Interest Payment Date.

This Regulation S Temporary Global Note is exchangeable in whole or in part for one or more Global Notes only (i) on or after the termination of the 40-day distribution compliance period (as defined in Regulation S) and (ii) upon presentation of certificates (accompanied by an Opinion of Counsel, if applicable) required by Article 2 of the Indenture. Upon exchange of this Regulation S Temporary Global Note for one or more Global Notes, the Trustee shall cancel this Regulation S Temporary Global Note.

(13) *PERSONS DEEMED OWNERS*. The registered Holder may be treated as the owner of it for all purposes. Only registered Holders have rights under the Indenture.

(14) *AMENDMENT, SUPPLEMENT AND WAIVER*. Subject to certain exceptions, the Indenture, the Notes, the Security Documents, the Escrow Agreement and the Note Guarantees may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class, and any existing Default or Event of Default or compliance with any provision of the Indenture, the Security Documents, the Notes or the Note Guarantees may be

waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class. Without the consent of any Holder, the Indenture, the Notes, the Security Documents and the Note Guarantees may be amended or supplemented to cure any ambiguity, mistake, defect or inconsistency; to provide for uncertificated Notes in addition to or in place of certificated Notes (*provided* that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code); to provide for the assumption of the Issuer's or a Guarantor's obligations to Holders of the Notes and Note Guarantees by a successor to the Issuer or such Guarantor pursuant to Article 5 or Article 10 of the Indenture; to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under the Indenture of any such Holder in any material respect; to conform the text of the Indenture, the Notes, the Security Documents or the Note Guarantees to any provision of the "Description of Notes" section of the Offering Memorandum, to the extent that such provision in that "Description of Notes" was intended to be a verbatim recitation of a provision of the Indenture, the Notes, the Security Documents or the Note Guarantees, which intent may be evidenced by an Officer's Certificate to that effect; to release any Note Guarantee in accordance with the terms of the Indenture; to provide for the issuance of Additional Notes in accordance with the limitations set forth in the Indenture as of the Issue Date; to allow any Guarantor to execute a supplemental indenture and a Note Guarantee with respect to the Notes; to comply with the requirements of the Commission in order to effect or maintain the qualification of the Indenture under the TIA; or to evidence and provide the acceptance of the appointment of a successor Trustee or Collateral Agent under the Indenture.

Each Global Note will represent such of the outstanding Notes as will be specified therein and each shall provide that it represents the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby will be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 hereof.

(c) *Euroclear and Clearstream Procedures Applicable.* The provisions of the "Operating Procedures of the Euroclear System" and "Terms and Conditions Governing Use of Euroclear" and the "General Terms and Conditions of Clearstream Banking" and "Customer Handbook" of Clearstream will be applicable to transfers of beneficial interests in the Regulation S Global Note that are held by Participants through Euroclear or Clearstream.

(d) *Terms.* The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is unlimited.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

The Notes shall be subject to repurchase by the Company pursuant to an Asset Sale Offer as provided in Section 4.10 hereof or a Change of Control Offer as provided in Section 4.15 hereof. The Notes shall not be redeemable, other than as provided in Article 3 hereof.

Additional Notes ranking *pari passu* with the Initial Notes may be created and issued from time to time by the Company without notice to or consent of the Holders and shall be consolidated with and form a single class with the Initial Notes and shall have the same terms as to status, redemption or otherwise as the Initial Notes; *provided, however*, that any Additional Notes may not have the same identification number (or be represented by the same Global Note or Global Notes) as the Notes unless either (i) the Additional Notes are treated as part of the same issue for U.S. federal income tax purposes or (ii) both the Notes and the Additional Notes are issued with no (or less than a de minimis amount of) original issue discount for U.S. federal income tax purposes. The Company's ability to issue Additional Notes shall be subject to the Company's compliance with Section 4.09 hereof. Any Additional Notes shall be issued pursuant to an indenture supplemental to this Indenture.

Section 2.02 *Execution and Authentication.*

At least one Officer must sign the Notes for the Company by manual, PDF or other electronically imaged signature.

If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note will nevertheless be valid.

A Note will not be valid until authenticated by the manual, PDF or other electronically imaged signature of the Trustee. The signature will be conclusive evidence that the Note has been authenticated under this Indenture.

The Trustee will, upon receipt of a written order of the Company signed by an Officer (an "*Authentication Order*"), authenticate Notes for original issue that may be validly issued under this Indenture, including any Additional Notes. The aggregate principal amount of Notes outstanding at any time may not exceed the aggregate principal amount of Notes authorized for issuance by the Company pursuant to one or more Authentication Orders, except as provided in Section 2.07 hereof.

The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Notes. An authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Company. The Trustee shall not be liable for any actions or non-actions of any such agents, and shall not have any obligation to monitor or supervise such agents.

Section 2.03 *Registrar and Paying Agent.*

The Company will maintain an office or agency where Notes may be presented for registration of transfer or for exchange ("*Registrar*") and an office or agency where Notes may be presented for payment ("*Paying Agent*"). The Registrar will keep a register of the Notes and of their transfer and exchange. For the avoidance of doubt, no register of the Notes will be kept in the United Kingdom. The Company may appoint one or more co-registrars and one or more additional paying agents. The term "Registrar" includes any co-registrar and the term "Paying Agent" includes any additional paying agent. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company will notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Company fails to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. If the Company changes any Paying Agent or Registrar after the Trustee has commenced acting as such, the Company shall provide the Trustee with ten (10) Business Days' notice, such notice to indicate whether the Trustee should continue acting as a Paying Agent and/or a Registrar and specifying the Trustee's duties therein. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

The Company initially appoints The Depository Trust Company (*"DTC"*) to act as Depositary with respect to the Global Notes.

The Company initially appoints the Trustee to act as the Registrar and Paying Agent and to act as Custodian with respect to the Global Notes.

Section 2.04 *Paying Agent to Hold Money in Trust.*

The Company will require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust for the benefit of Holders or the Trustee all money held by the Paying Agent for the payment of principal of, premium on, if any, or interest or Additional Amounts, if any, on, the Notes, and will notify the Trustee of any default by the Company in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Company or a Subsidiary) will have no further liability for the money. If the Company or a Subsidiary acts as Paying Agent, it will segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to the Company, the Company shall not serve as Paying Agent for the Notes.

Section 2.05 *Holder Lists.*

The Trustee will preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders. If the Trustee is not the Registrar, the Company will furnish to the Trustee at least seven Business Days before each interest payment date and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders of Notes.

Section 2.06 *Transfer and Exchange.*

(a) *Transfer and Exchange of Global Notes*. A Global Note may not be transferred except as a whole by the Depositary to a nominee of the Depositary, by a nominee of the Depositary to the Depositary or to another nominee of the Depositary, or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. All Global Notes will be exchanged by the Company for Definitive Notes if:

(1) the Company delivers to the Trustee notice from the Depositary that it is unwilling or unable to continue to act as Depositary or that it is no longer a clearing agency registered under the U.S. Exchange Act and, in either case, a successor Depositary is not appointed by the Company within 90 days after the date of such notice from the Depositary;

(2) the Company in its sole discretion determines that the Global Notes (in whole but not in part) should be exchanged for Definitive Notes and delivers a written notice to such effect to the Trustee; or

(3) there has occurred and is continuing an Event of Default with respect to the Notes and a Holder requests the issuance of Definitive Notes.

Upon the occurrence of either of the preceding events in (1), (2) or (3) above, Definitive Notes shall be issued in such names as the Depositary shall instruct the Trustee. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10 hereof. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.06 or Section 2.07 or 2.10 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a), however, beneficial interests in a Global Note may be transferred and exchanged as provided in Sections 2.06(b), (c) or (f) hereof.

(b) *Transfer and Exchange of Beneficial Interests in the Global Notes*. The transfer and exchange of beneficial interests in the Global Notes will be effected through the Depositary, in accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Restricted Global Notes will be subject to restrictions on transfer comparable to those set forth herein to the extent required by the U.S. Securities Act. Transfers of beneficial interests in the Global Notes also will require compliance with either subparagraph (1) or (2) below, as applicable, as well as one or more of the other following subparagraphs, as applicable:

(1) *Transfer of Beneficial Interests in the Same Global Note*. Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend; *provided, however*, that prior to the expiration of the Restricted Period, transfers of beneficial interests in the Regulation S Global Note may not be made to a U.S. Person or for the account or benefit of a U.S. Person (other than an Initial Purchaser). Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.06(b)(1).

(2) *All Other Transfers and Exchanges of Beneficial Interests in Global Notes.* In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.06(b)(1) above, the transferor of such beneficial interest must deliver to the Registrar either:

(i) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged; and

(ii) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase; or

(ii) instructions given by the Depositary to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in (1) above.

Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.06(g) hereof.

(3) *Transfer of Beneficial Interests to Another Restricted Global Note.* A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar receives the following:

(A) if the transferee will take delivery in the form of a beneficial interest in the 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof;

(B) if the transferee will take delivery in the form of a beneficial interest in the Regulation S Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (2) thereof; and

(4) *Transfer and Exchange of Beneficial Interests in a Restricted Global Note for Beneficial Interests in an Unrestricted Global Note*. A beneficial interest in any Restricted Global Note may be exchanged by any Holder thereof for a beneficial interest in an Unrestricted Global Note or transferred to a Person who takes delivery thereof in the form of a beneficial interest in an Unrestricted Global Note if the exchange or transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar receives the following:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a beneficial interest in an Unrestricted Global Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (1)(a) thereof; or

If any such transfer is effected pursuant to subparagraph (4) above at a time when an Unrestricted Global Note has not yet been issued, the Company shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to subparagraph (4) above.

(3) *ERISA Legend*. Each Global Note and each Definitive Note shall bear a legend in substantially the following form:

"THE ACQUIRER ALSO REPRESENTS THAT EITHER (I) NO PORTION OF THE ASSETS USED BY IT TO ACQUIRE AND HOLD THIS NOTE (OR ANY INTEREST HEREIN) CONSTITUTES ASSETS OF A PLAN (WHICH TERM INCLUDES (A) EMPLOYEE BENEFIT PLANS THAT ARE SUBJECT TO TITLE I OF THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974, AS AMENDED ("ERISA"), (B) PLANS, INDIVIDUAL RETIREMENT ACCOUNTS AND OTHER ARRANGEMENTS THAT ARE SUBJECT TO SECTION 4975 OF THE CODE OR TO PROVISIONS UNDER APPLICABLE STATE, FEDERAL, LOCAL OR NON-US LAWS OR REGULATIONS SIMILAR TO SUCH PROVISIONS OF ERISA OR THE CODE ("SIMILAR LAW") AND (C) ENTITIES WHOSE UNDERLYING ASSETS ARE CONSIDERED "PLAN ASSETS" (AS DEFINED IN SECTION 3(42) OF ERISA OR ANY APPLICABLE SIMILAR LAW)) OR (II) THE ACQUISITION AND HOLDING OF THIS NOTE (OR ANY INTEREST HEREIN) WILL NOT CONSTITUTE OR RESULT IN A NON-EXEMPT PROHIBITED TRANSACTION UNDER SECTION 406 OF ERISA OR SECTION 4975 OF THE CODE OR A VIOLATION OF ANY APPLICABLE SIMILAR LAW."

(g) *Cancellation and/or Adjustment of Global Notes*. At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note will be returned to or retained and canceled by the Trustee in accordance with Section 2.11 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note will be reduced accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note will be increased accordingly and an endorsement will be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(h) *General Provisions Relating to Transfers and Exchanges.*

(1) To permit registrations of transfers and exchanges, the Company will execute and the Trustee will authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 hereof or at the Registrar's request.

(2) No service charge will be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 3.09, 4.10, 4.15 and 9.06 hereof).

(3) The Registrar will not be required to register the transfer of or exchange of any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes will be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(5) Neither the Registrar nor the Company will be required:

(A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Sections 3.02 or 3.10 hereof and ending at the close of business on the day of selection;

(B) to register the transfer of or to exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part; or

(C) to register the transfer of or to exchange a Note between a record date and the next succeeding interest payment date.

(6) Notwithstanding anything to the contrary in this Article 2, the Company is not required to register the transfer of any Definitive Notes:

(A) for a period of 15 days prior to any date fixed for the redemption of the Notes;

(B) for a period of 15 days immediately prior to the date fixed for selection of Notes to be redeemed in part;

(C) for a period of 15 days prior to the record date with respect to any interest payment date; or

(D) which the Holder has tendered (and not withdrawn) for repurchase under Section 4.10 or Section 4.15.

(7) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(8) The Trustee will authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02 hereof.

(9) All certifications, certificates and Opinions of Counsel required to be submitted pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

(10) None of the Trustee, the Paying Agent or the Registrar shall have any responsibility or obligation to any beneficial owner in a Global Note, Depositary participant or other Person with respect to the accuracy of the records of the Depositary or its nominee or of any Depositary participant, with respect to any ownership interest in the Notes or with respect to the delivery to any Depositary participant, beneficial owner or other Person (other than the Depositary) of any notice (including any notice of redemption) or the payment of any amount, under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders under the Notes and this Indenture shall be given or made only to or upon the order of the registered holders (which shall be the Depositary or its nominee in the case of the Global Notes). The rights of beneficial owners in the Global Notes shall be exercised only through the Depositary subject to the Applicable Procedures. The Trustee, the Paying Agent and the Registrar shall be entitled to rely and shall be fully protected in relying upon information furnished by the Depositary with respect to its members, participants and any beneficial owners. The Trustee, the Paying Agent and the Registrar shall be entitled to deal with the Depositary, and any nominee thereof, that is the registered holder of any Global Note for all purposes of this Indenture relating to such Global Note (including the payment of principal, premium, if any, and interest and Additional Amounts, if any, and the giving of instructions or directions by or to the owner or holder of a beneficial ownership interest in such Global Note) as the sole holder of such Global Note and shall have no obligations to the beneficial owners thereof. None of the Trustee, the Paying Agent or the Registrar shall have any responsibility or liability for any acts or omissions of the Depositary with respect to such Global Note, for the records of any such depositary, including records in respect of beneficial ownership interests in respect of any such Global Note, for any transactions between the Depositary and any Depositary participant or between or among the Depositary, any such Depositary participant and/or any holder or owner of a beneficial interest in such Global Note, or for any transfers of beneficial interests in any such Global Note.

Notwithstanding the foregoing, with respect to any Global Note, nothing herein shall prevent the Company, the Trustee, or any agent of the Company or the Trustee from giving effect to any written certification, proxy or other authorization furnished by any Depositary (or its nominee), as a Holder, with respect to such Global Note or shall impair, as between such Depositary and owners of beneficial interests in such Global Note, the operation of customary practices governing the exercise of the rights of such Depositary (or its nominee) as Holder of such Global Note.

(11) None of the Trustee, the Paying Agent or the Registrar shall have any obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Participants, Indirect Participants or beneficial owners in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 2.07 *Replacement Notes.*

If any mutilated Note is surrendered to the Trustee or the Company and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Company will issue and the Trustee, upon receipt of an Authentication Order, will authenticate a replacement Note if the Trustee's requirements are met. If required by the Trustee or the Company, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company may charge for its expenses in replacing a Note.

Every replacement Note is an additional obligation of the Company and will be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 *Outstanding Notes.*

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note; however, Notes held by the Company or a Subsidiary of the Company shall not be deemed to be outstanding for purposes of Section 3.07(a) hereof.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes will be deemed to be no longer outstanding and will cease to accrue interest.

Section 2.09 *Treasury Notes.*

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company or any Guarantor, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any Guarantor will be disregarded and deemed not to be outstanding, except that for the purposes of determining whether the Trustee will be protected in relying on any such direction, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned will be so disregarded.

Section 2.10 *Temporary Notes.*

Until certificates representing Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, will authenticate temporary Notes. Temporary Notes will be substantially in the form of certificated Notes but may have variations that the Company considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Company will prepare and the Trustee will authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes will be entitled to all of the benefits of this Indenture.

Section 2.11 *Cancellation.*

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent will forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else will cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and will dispose of all canceled Notes in accordance with the Trustee's then customary procedures (subject to the record retention requirements of the U.S. Exchange Act). Certification of the disposal of all canceled Notes will be delivered to the Company. The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation, except as otherwise provided herein.

Section 2.12 *Defaulted Interest.*

If the Company defaults in a payment of interest on the Notes, it will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Company will notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Company will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) will send or cause to be sent to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

ARTICLE 3.
REDEMPTION AND PREPAYMENT

Section 3.01 *Notices to Trustee.*

If the Company elects to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof, it must furnish to the Trustee, at least 15 days but not more than 60 days before a redemption date, an Officer's Certificate setting forth:

(1) the clause of this Indenture pursuant to which the redemption shall occur;

(2) the redemption date;

(3) the principal amount of Notes to be redeemed; and

(4) the redemption price.

Section 3.02 *Selection of Notes to Be Redeemed or Purchased.*

If less than all of the Notes are to be redeemed or purchased in an offer to purchase at any time, the Trustee will select Notes for redemption or purchase on a *pro rata* basis or by lot, unless otherwise required by law or applicable stock exchange or Depositary requirements. In the case of Global Notes issued pursuant to Article 2 hereof, the Depositary shall select Notes based on its Applicable Procedures. The Trustee shall not be liable for selections made by it in accordance with this paragraph or for the selections made by it in accordance with this paragraph or for selections made by the Depositary.

In the event of partial redemption or purchase by lot, the particular Notes to be redeemed or purchased will be selected, unless otherwise provided herein, not less than 15 nor more than 60 days prior to the redemption or purchase date by the Trustee from the outstanding Notes not previously called for redemption or purchase.

The Trustee will promptly notify the Company in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected will be in amounts of $2,000 or whole multiples of $1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Section 3.03 *Notice of Redemption.*

Subject to the provisions of Section 3.09 hereof, at least 15 days but not more than 60 days before a redemption date, the Company will send or cause to be sent, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be sent more than 60 days prior to a redemption date if the notice is issued in connection with a legal defeasance or covenant defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles 8 or 11 hereof.

The notice will identify the Notes to be redeemed and will state:

(1) the redemption date;

(2) the redemption price;

(3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued upon cancellation of the original Note;

(4) the name and address of the Paying Agent;

(5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;

(6) that, unless the Company defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;

(7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and

(8) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At the Company's request, the Trustee will give the notice of redemption in the Company's name and at its expense; *provided, however*, that the Company has delivered to the Trustee, at least 45 days prior to the redemption date (unless a shorter period is acceptable or satisfactory to the Trustee), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 *Effect of Notice of Redemption.*

Once notice of redemption is sent in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price.

Section 3.05 *Deposit of Redemption or Purchase Price.*

One Business Day prior to the redemption or purchase date, the Company will deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of, accrued interest and Additional Amounts, if any, on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent will promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption or purchase price of, accrued interest and Additional Amounts, if any, on all Notes to be redeemed or purchased.

If the Company complies with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest will cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for redemption or purchase because of the failure of the Company to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06 *Notes Redeemed or Purchased in Part.*

Upon surrender of a Note that is redeemed or purchased in part, the Company will issue and, upon receipt of an Authentication Order, the Trustee will authenticate for the Holder at the expense of the Company a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered.

Section 3.07 *Optional Redemption.*

(a) At any time prior to July 15, 2026, the Company may on any one or more occasions redeem up to 40% of the aggregate principal amount of Notes issued under this Indenture, upon giving not less than 15 nor more than 60 days' written notice (except as provided in Section 3.03 hereof), at a redemption price equal to 9.125% of the principal amount of the Notes redeemed, plus accrued and unpaid interest and Additional Amounts, if any, to but not including the date of redemption (subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant interest payment date), with an amount equal to the net cash proceeds of an Equity Offering; *provided* that

(1) at least 60% of the aggregate principal amount of the Notes originally issued under this Indenture (excluding Notes held by the Company and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption (except to the extent that all remaining outstanding Notes are substantially concurrently repurchased or redeemed in full, or are to be repurchased or redeemed in full and for which a notice of repurchase or redemption has been issued, in accordance with another provision of the Indenture); and

(2) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

(b) At any time prior to July 15, 2026, the Company may on any one or more occasions redeem all or a part of the Notes, upon giving not less than 15 nor more than 60 days' written notice (except as provided in Section 3.03 hereof), at a redemption price equal to 100% of the principal amount of the Notes redeemed, plus the Applicable Premium (as calculated by the Company) as of, and accrued and unpaid interest and Additional Amounts, if any, to but not including the date of redemption, subject to the rights of Holders of the Notes on the relevant record date to receive interest due on the relevant interest payment date.

(c) Except pursuant to Section 3.07(a), Section 3.07(b) and Section 3.10 hereof, the Notes will not be redeemable at the Company's option prior to July 15, 2026.

(d) On or after July 15, 2026, the Company may on any one or more occasions redeem all or a part of the Notes, upon not less than 15 nor more than 60 days' written notice (except as provided in Section 3.03 hereof), at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest and Additional Amounts, if any, on the Notes redeemed, to, but not including, the applicable date of redemption, if redeemed during the twelve-month period beginning on July 15 of the years indicated below, subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant interest payment date:

Year	Redemption Price
2026	104.563%
2027	102.281%
2028 and thereafter	100.000%

(e) Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(f) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof and notice may, in the Company's discretion, be subject to the satisfaction of one or more conditions precedent.

Section 3.08 *Mandatory Redemption.*

The Company is not required to make mandatory redemption payments or sinking fund payments with respect to the Notes.

Section 3.09 *Offer to Purchase by Application of Excess Proceeds.*

In the event that, pursuant to Section 4.10 hereof, the Company is required to commence an Asset Sale Offer, it will follow the procedures specified below.

(a) The Asset Sale Offer shall be made to all Holders and all holders of other Indebtedness that is *pari passu* with the Notes containing provisions similar to those set forth in this Indenture with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets. The Asset Sale Offer will remain open for a period of at least 20 Business Days following its commencement and not more than 30 Business Days, except to the extent that a longer period is required by applicable law (the "*Offer Period*"). No later than three Business Days after the termination of the Offer Period (the "*Purchase Date*"), the Company will apply all Excess Proceeds (the *"Offer Amount"*) to the purchase of Notes and such other *pari passu* Indebtedness (on a *pro rata* basis based on the principal amount of Notes and such other *pari passu* Indebtedness surrendered, if applicable) or, if less than the Offer Amount has been tendered, all Notes and other Indebtedness tendered in response to the Asset Sale Offer. Payment for any Notes so purchased will be made in the same manner as interest payments are made.

If the Purchase Date is on or after an interest record date and on or before the related interest payment date, any accrued and unpaid interest and Additional Amounts, if any, will be paid to the Person in whose name a Note is registered at the close of business on such record date, and no additional interest will be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

(b) Upon the commencement of an Asset Sale Offer, the Company will send a notice to the Trustee and each of the Holders, with a copy to the Trustee. The notice will contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The notice, which will govern the terms of the Asset Sale Offer, will state:

(1) that the Asset Sale Offer is being made pursuant to this Section 3.09 and Section 4.10 hereof and the length of time the Asset Sale Offer will remain open;

(2) the Offer Amount, the purchase price and the Purchase Date;

(3) that any Note not tendered or accepted for payment will continue to accrue interest;

(4) that, unless the Company defaults in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer will cease to accrue interest after the Purchase Date;

(5) that Holders electing to have a Note purchased pursuant to an Asset Sale Offer may elect to have Notes purchased in denominations of $2,000 or an integral multiple of $1,000 in excess thereof;

(6) that Holders electing to have Notes purchased pursuant to any Asset Sale Offer will be required to surrender the Note, with the form entitled "Option of Holder to Elect Purchase" attached to the Notes completed, or transfer by book-entry transfer, to the Company, a Depositary, if appointed by the Company, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;

(7) that Holders will be entitled to withdraw their election if the Company, the Depositary or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a telegram, telex, facsimile transmission or letter setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;

(8) that, if the aggregate principal amount of Notes and other *pari passu* Indebtedness surrendered by holders thereof exceeds the Offer Amount, the Company will select the Notes and other *pari passu* Indebtedness to be purchased on a *pro rata* basis based on the principal amount of Notes and such other *pari passu* Indebtedness surrendered (with such adjustments as may be deemed appropriate by the Company so that only Notes in denominations of $2,000, or an integral multiple of $1,000 in excess thereof, will be purchased); and

(9) that Holders whose Notes were purchased only in part will be issued new Notes equal in principal amount to the unpurchased portion of the Notes surrendered (or transferred by book-entry transfer).

(c) On or before the Purchase Date, the Company will, to the extent lawful, accept for payment, on a *pro rata* basis to the extent necessary, the Offer Amount of Notes or portions thereof tendered pursuant to the Asset Sale Offer, or if less than the Offer Amount has been tendered, all Notes tendered, and will deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officers' Certificate stating that such Notes or portions thereof were accepted for payment by the Company in accordance with the terms of this Section 3.09. The Company, the Depositary or the Paying Agent, as the case may be, will promptly (but in any case not later than five days after the Purchase Date) mail or deliver to each tendering Holder an amount equal to the purchase price of the Notes tendered by such Holder and accepted by the Company for purchase, and the Company will promptly issue a new Note, and the Trustee, upon written request from the Company, will authenticate and mail or deliver (or cause to be transferred by book entry) such new Note to such Holder, in a principal amount equal to any unpurchased portion of the Note surrendered. Any Note not so accepted shall be promptly mailed or delivered by the Company to the Holder thereof. The Company will publicly announce the results of the Asset Sale Offer on the Purchase Date.

Other than as specifically provided in this Section 3.09, any purchase pursuant to this Section 3.09 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

Section 3.10 *Redemption for Changes in Taxes*

(a) The Company may redeem the Notes, in whole but not in part, at its discretion at any time upon giving not less than 15 nor more than 60 days' prior notice to the Holders (which notice will be irrevocable and given in accordance with Section 3.03 hereof), at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to but not including the date fixed by the Company for redemption (a "*Tax Redemption Date*") and all Additional Amounts (if any) then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders on the relevant record date to receive interest due on the relevant interest payment date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the Notes, the Company is or would be required to pay Additional Amounts, and the Company cannot avoid any such payment obligation by taking reasonable measures available (including, for the avoidance of doubt, the appointment of a new Paying Agent but excluding the reincorporation or reorganization of the Company or any Guarantor), and the requirement arises as a result of:

(1) any change in, or amendment to, the laws or treaties (or any regulations, or rulings promulgated thereunder) of the relevant Tax Jurisdiction affecting taxation which change or amendment becomes effective on or after the Issue Date (or, if the relevant Tax Jurisdiction has changed since the Issue Date, which change or amendment has not been publicly announced as formally proposed before and becomes effective on or after the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under this Indenture); or

(2) any change in, or amendment to, the existing official published position or the introduction of an official position regarding the application, administration or interpretation of such laws, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction or a change in published practice), which change, amendment or official position becomes effective on or after the Issue Date (or, if the relevant Tax Jurisdiction has changed since the Issue Date, which change, amendment or official position has not been publicly announced as formally proposed before and becomes effective on or after the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under this Indenture).

(b) In the case of Additional Amounts required to be paid as a result of the Company conducting business other than in the place of its organization, such amendment or change must be announced and become effective on or after the date in which the Company begins to conduct business giving rise to the relevant withholding or deduction.

(c) The Company will not give any such notice of redemption earlier than 60 days prior to the earliest date on which the Company would be obligated to make such payment or withholding if a payment in respect of the Notes were then due and at the time such notice is given, the obligation to pay Additional Amounts must remain in effect. Prior to sending any notice of redemption of the Notes pursuant to the foregoing, the Company will deliver the Trustee an opinion of independent tax counsel (which counsel shall be reasonably acceptable to the Trustee) to the effect that there has been such change or amendment which would entitle the Company to redeem the Notes hereunder. In addition, before the Company sends notice of redemption of the Notes as described above, it will deliver to the Trustee an Officer's Certificate to the effect that it cannot avoid its obligation to pay Additional Amounts by the Company taking reasonable measures available to it.

(d) The Trustee will accept and shall be entitled to rely on such Officer's Certificate and Opinion of Counsel as sufficient evidence of the existence and satisfaction of the conditions as described above, in which event it will be conclusive and binding on all of the Holders.

(e) Any redemption pursuant to this Section 3.10 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof and notice may, in the Company's discretion, be subject to the satisfaction of one or more conditions precedent.

ARTICLE 4.
COVENANTS

Section 4.01 *Payment of Notes.*

(a) The Company will pay or cause to be paid the principal of, premium on, if any, and interest and Additional Amounts, if any, on, the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest and Additional Amounts, if any, will be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 10:00 a.m. Eastern Time on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest, if any, then due.

(b) The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at a rate that is 1% higher than the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Additional Amounts, if any (without regard to any applicable grace period), at the same rate to the extent lawful.

(c) All payments made by or on behalf of the Company or any of the Guarantors under or with respect to the Notes (whether or not in the form of Definitive Registered Notes) or any Note Guarantee will be made free and clear of and without withholding or deduction for, or on account of, any present or future Taxes unless the withholding or deduction of such Taxes is then required by law. If any deduction or withholding for, or on account of, any Taxes imposed or levied by or on behalf of (i) any jurisdiction in which the Company or any Guarantor (including any successor entity), is then incorporated, engaged in business, organized or resident for tax purposes or any political subdivision or governmental authority thereof or therein or (ii) any jurisdiction from or through which payment is made by or on behalf of the Company or any Guarantor (including, without limitation, the jurisdiction of any Paying Agent) or any political subdivision or governmental authority thereof or therein (each of (i) and (ii), a "*Tax Jurisdiction*"), will at any time be required to be made from any payments under or with respect to the Notes or any Note Guarantee, including, without limitation, payments of principal, redemption price, purchase price, interest or premium, the Company or the relevant Guarantor or other payor, as applicable, will pay such additional amounts (the "*Additional Amounts*") as may be necessary in order that the net amounts received and retained in respect of such payments by each Holder or beneficial owner of Notes (including Additional Amounts) after such withholding, deduction or imposition will equal the respective amounts that would have been received and retained in respect of such payments in the absence of such withholding or deduction; *provided, however,* that no Additional Amounts will be payable with respect to:

(1) any Taxes, to the extent such Taxes would not have been imposed but for the Holder or the beneficial owner of the Notes (or a fiduciary, settlor, beneficiary, partner of, member or shareholder of, or possessor of a power over, the relevant Holder, if the relevant Holder is an estate, trust, nominee, partnership, limited liability company or corporation) being a citizen or resident or national of, incorporated in the relevant Tax Jurisdiction in which such Taxes are imposed or having any other present or former connection with the relevant Tax Jurisdiction other than the acquisition or holding of such Notes, the exercise or enforcement of rights under such Note or this Indenture or under a Note Guarantee or the receipt of payments in respect of such Note or a Note Guarantee;

(2) any Taxes, to the extent such Taxes were imposed as a result of the presentation of a Note for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the Holder (except to the extent that the Holder would have been entitled to Additional Amounts had the Note been presented on the last day of such 30 day period);

(3) any estate, inheritance, gift, sale, transfer, personal property or similar Taxes;

(4) any Taxes imposed as result of any Note presented for payment (where presentation is required) by or on behalf of a Holder who would have been able to avoid such withholding or deduction by presenting the relevant Note to another Paying Agent in a member state of the European Union;

(5) any Taxes payable other than by deduction or withholding from payments under, or with respect to, the Notes or with respect to any Note Guarantee;

(6) any Taxes to the extent such Taxes are imposed or withheld by reason of the failure of the Holder or beneficial owner of Notes, following the Company's reasonable written request addressed to the Holder or beneficial owner at least 60 days before any such withholding or deduction would be payable to the Holder or beneficial owner, to comply with any certification, identification, information or other reporting requirements, whether required by statute, treaty, regulation or administrative practice of a Tax Jurisdiction, as a precondition to exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Tax Jurisdiction (including, without limitation, a certification that the Holder or beneficial owner is not resident in the Tax Jurisdiction), but in each case, only to the extent the Holder or beneficial owner is legally entitled to provide such certification or documentation;

(7) any Taxes imposed or withheld by reason of the failure of the Holder or beneficial owner of the Notes to comply with the requirements of Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (the "*Code*"), as of the date of the Offering Memorandum (or any amended or successor version that is substantively comparable and not materially more onerous to comply with), the U.S. Treasury Regulations issued thereunder or any official interpretation thereof or any agreement entered into pursuant to Section 1471 of the Code; or

(8) any combination of clauses (1) through (7) above.

(d) In addition to the foregoing, the Company and the Guarantors will also pay and indemnify the Holder for any present or future stamp, issue, registration, value added, transfer, court or documentary Taxes, or any other excise or property Taxes, charges or similar levies (including penalties, interest and any other liabilities related thereto) which are levied by any Tax Jurisdiction on the execution, delivery, issuance, or registration of any of the Notes, this Indenture, any Note Guarantee or any other document referred to therein, or the receipt of any payments with respect thereto, or enforcement of, any of the Notes or any Note Guarantee.

(e) If the Company or any Guarantor, as the case may be, becomes aware that it will be obligated to pay Additional Amounts with respect to any payment under or with respect to the Notes or any Note Guarantee, the Company or the relevant Guarantor, as the case may be, will deliver to the Trustee on a date that is at least 30 days prior to the date of that payment (unless the obligation to pay Additional Amounts arises after the 30th day prior to that payment date, in which case the Company or the relevant Guarantor shall notify the Trustee in writing promptly thereafter) an Officer's Certificate stating the fact that Additional Amounts will be payable and the amount estimated to be so payable. The Officer's Certificates must also set forth any other information reasonably necessary to enable the Paying Agents to pay Additional Amounts to Holders on the relevant payment date. The Company or the relevant Guarantor will provide the Trustee with documentation reasonably satisfactory to the Trustee evidencing the payment of Additional Amounts. The Trustee shall be entitled to rely absolutely on an Officer's Certificate as conclusive proof that such payments are necessary, and may conclusively presume that no payments are necessary unless and until it receives any such Officer's Certificate.

(f) The Company or the relevant Guarantor will make all withholdings and deductions (within the time period and in the minimum amount) required by law and will remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The Company or the relevant Guarantor will use its reasonable efforts to obtain Tax receipts from each Tax authority evidencing the payment of any Taxes so deducted or withheld. The Company or the relevant Guarantor will furnish to the Trustee (or to a Holder upon request), within 60 days after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Company or a Guarantor, as the case may be, or if, notwithstanding such entity's efforts to obtain receipts, receipts are not obtained, other evidence of payments (reasonably satisfactory to the Trustee) by such entity.

(g) Whenever in this Indenture or the Notes there is mentioned, in any context, the payment of amounts based upon the principal amount of the Notes or of principal, interest or of any other amount payable under, or with respect to, any of the Notes or any Note Guarantee, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(h) The obligations described under Sections 4.01(c), (d), (e) and (f) hereof will survive any termination, defeasance or discharge of this Indenture, any transfer by a Holder or beneficial owner of its Notes, and will apply, *mutatis mutandis*, to any jurisdiction in which any successor Person to the Company or any Guarantor is incorporated, engaged in business, organized or resident for tax purposes or any jurisdiction from or through which any payment under or with respect to the Notes (or any Note Guarantee) is made by or on behalf of such Person and any political subdivision or governmental authority thereof or therein.

Section 4.02 *Maintenance of Office or Agency.*

The Company will maintain an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission will in any manner relieve the Company of its obligation to maintain an office or agency for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03 hereof.

Section 4.03 *Reports.*

(a) So long as any Notes are outstanding, the Company will furnish to the Trustee:

(1) within 120 days after the end of the Company's fiscal year beginning with the fiscal year ending December 31, 2023, annual reports containing the following information with a level of detail that is substantially comparable and similar in scope to the Offering Memorandum and the following information: (A) audited consolidated balance sheet of the Company as of the end of the two most recent fiscal years and audited consolidated income statements and statements of cash flow of the Company for the three most recent fiscal years, including complete footnotes to such financial statements and the report of the independent auditors on the financial statements; (B) *pro forma* income statement and balance sheet information of the Company, together with explanatory footnotes, for any material acquisitions, dispositions or recapitalizations that have occurred since the beginning of the most recently completed fiscal year as to which such annual report relates (unless such *pro forma* information has been provided in a previous report pursuant to clause (2) or (3) below); *provided* that such *pro forma* financial information shall be provided only to the extent available without unreasonable expense; (C) an operating and financial review of the audited financial statements, including a discussion of the results of operations (including a discussion by business segment), financial condition and liquidity and capital resources, and a discussion of material commitments and contingencies and critical accounting policies; (D) a description of the business, management and shareholders of the Company, material affiliate transactions and material debt instruments; and (E) material risk factors and material recent developments; *provided* that any item of disclosure that complies in all material respects with the requirements applicable under Form 20-F under the U.S. Exchange Act for annual reports with respect to such item will be deemed to satisfy the Company's obligations under this clause (1) with respect to such item;

(2) within 60 days following the end of each of the first three fiscal quarters in each fiscal year of the Company beginning with the fiscal quarter ending June 30, 2023, quarterly reports containing the following information: (A) an unaudited condensed consolidated balance sheet as of the end of such quarter and unaudited condensed statements of income and cash flow for the quarterly and year to date periods ending on the unaudited condensed balance sheet date, and the comparable prior year periods (which may be presented on a *pro forma* basis) for the Company, together with condensed footnote disclosure; (B) *pro forma* income statement and balance sheet information of the Company, together with explanatory footnotes, for any material acquisitions, dispositions or recapitalizations that have occurred since the beginning of the most recently completed fiscal quarter as to which such quarterly report relates (unless such *pro forma* information has been provided in a previous report pursuant to sub-clause (A) or (C) of this clause (2)); *provided* that such *pro forma* financial information shall be provided only to the extent available without unreasonable expense; (C) an operating and financial review of the unaudited financial statements, including a discussion of the consolidated financial condition and results of operations of the Company and any material change between the current quarterly period and the corresponding period of the prior year; and (D) material recent developments; and

(3) promptly after the occurrence of any material acquisition, disposition or restructuring of the Company and the Restricted Subsidiaries, taken as a whole, or any senior executive officer changes at the Company or change in auditors of the Company or any other material event that the Company announces publicly, a report containing a description of such event.

(b) Contemporaneously with the furnishing of each such report discussed above, the Company will post such report to its website or on IntraLinks or any comparable password-protected online data system, which will require a confidentiality acknowledgement (but not restrict the recipients of such information in trading of securities of the Company or its Affiliates).

(c) Within ten Business Days of the furnishing of each such report discussed above, the Company will hold a conference call related to the report. Details regarding access to such conference call will be posted at least 24 hours prior to the commencement of such call on the website, IntraLinks or other online data system on which the report is posted.

(d) The annual report required by Section 4.03(a)(1) above will include a presentation either on the face of the financial statements or in footnotes thereto of the assets and liabilities and operating results of the Guarantors separate from the assets and liabilities and operating results of the non-Guarantor Subsidiaries. If the Company has designated any of its Subsidiaries as Unrestricted Subsidiaries and such Subsidiaries are Significant Subsidiaries, then the quarterly and annual financial information required by the preceding paragraphs will include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Company.

(e) All financial statements shall be prepared in accordance with IFRS; *provided* that the Board of Directors of the Company may elect not to comply with the treatment of direct marketing and advertising costs under IAS 38, Intangible Assets, and, as determined in good faith by the Board of Directors of the Company, any other IFRS requirements inconsistent with industry practice. The footnotes to such financial statements shall explain in reasonable detail any such non-IFRS practices used in the preparation of such financial statements. Except as provided in the second preceding sentence, all financial statements shall be prepared in accordance with IFRS on a consistent basis for the periods presented; *provided, however*, that the reports set forth in Section 4.03(a) above may, in the event of a change in applicable IFRS present earlier periods on a basis that applied to such periods, subject to the provisions of this Indenture. Except as provided for above, no report need include separate financial statements for the Company or Subsidiaries of the Company or any disclosure with respect to the results of operations or any other financial or statistical disclosure not of a type included in the Offering Memorandum.

(f) In addition, for so long as any Notes remain outstanding, the Company will furnish to the Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the U.S. Securities Act.

(g) The Trustee shall have no duty to examine any of such reports, information or documents to ascertain whether they contain the information and otherwise comply with the foregoing; the sole duty of the Trustee in respect of same being to file the same and make them available to Holders during normal business hours upon reasonable prior written request. Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants under this Indenture (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

Section 4.04 *Compliance Certificate.*

(a) The Company and each Guarantor shall deliver to the Trustee, within 90 days after the end of each fiscal year, an Officer's Certificate stating that a review of the activities of the Company and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Company has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge the Company has kept, observed, performed and fulfilled each and every covenant contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default has occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Company is taking or proposes to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of, premium on, if any, or interest or Additional Amounts, if any, on the Notes is prohibited or if such event has occurred, a description of the event and what action the Company is taking or proposes to take with respect thereto.

(b) So long as not contrary to the then current recommendations of the American Institute of Certified Public Accountants, the year-end financial statements delivered pursuant to Section 4.03 above shall be accompanied by a written statement of the Company's independent public accountants (who shall be a firm of established national reputation) that in making the examination necessary for certification of such financial statements, nothing has come to their attention that would lead them to believe that the Company has violated any provisions of Article 4 or Article 5 hereof or, if any such violation has occurred, specifying the nature and period of existence thereof, it being understood that such accountants shall not be liable directly or indirectly to any Person for any failure to obtain knowledge of any such violation.

(c) So long as any of the Notes are outstanding, the Company will deliver to the Trustee, within (30) thirty days upon any Officer becoming aware of any Default or Event of Default, an Officer's Certificate specifying such Default or Event of Default and what action the Company is taking or proposes to take with respect thereto.

Section 4.05 *Taxes.*

The Company will pay, and will cause each of its Subsidiaries to pay, prior to delinquency, all material taxes, assessments, and governmental levies except such as are contested in good faith and by appropriate proceedings or where the failure to effect such payment is not adverse in any material respect to the Holders of the Notes.

Section 4.06 *Stay, Extension and Usury Laws.*

The Company and each of the Guarantors covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Company and each of the Guarantors (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.07 *Restricted Payments.*

(a) The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly:

(1) declare or pay any dividend or make any other payment or distribution on account of the Company's or any of its Restricted Subsidiaries' Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving the Company or any of its Restricted Subsidiaries) or to the direct or indirect holders of the Company's or any of its Restricted Subsidiaries' Equity Interests in their capacity as holders (other than dividends or distributions payable in Equity Interests (other than Disqualified Stock) of the Company or any of its Restricted Subsidiaries and other than dividends or distributions payable to the Company or a Restricted Subsidiary);

(2) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation involving the Company) any Equity Interests of the Company or any direct or indirect parent entity of the Company;

(3) make any principal payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value any Indebtedness of the Company or any Guarantor that is expressly contractually subordinated in right of payment to the Notes or to any Note Guarantee (excluding, in each case, any intercompany Indebtedness between or among the Company and any of its Restricted Subsidiaries), except (i) a payment of principal at the Stated Maturity thereof or (ii) the purchase, repurchase or other acquisition of Indebtedness purchased in anticipation of satisfying a sinking fund obligation, principal installment or scheduled maturity, in each case due within one year of the date of such purchase, repurchase or other acquisition; or

(4) make any Restricted Investment (all such payments and other actions set forth in these clauses (a)(1) through (a)(4) above being collectively referred to as "*Restricted Payments*"), unless, at the time of any such Restricted Payment:

(a) no Default or Event of Default has occurred and is continuing or would occur as a consequence of such Restricted Payment;

(b) the Company would, at the time of such Restricted Payment and after giving *pro forma* effect thereto as if such Restricted Payment had been made at the beginning of the applicable four-quarter period, have been permitted to incur at least $1.00 of additional Indebtedness pursuant to the Fixed Charge Coverage Ratio test set forth in Section 4.09(a) hereof; and

(c) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Company and its Restricted Subsidiaries since October 1, 2012 (excluding Restricted Payments permitted by Sections 4.07(b)(2), (3), (4), (7) and (12) hereof), is less than the sum, without duplication, of:

(i) 50% of the Consolidated Net Income of the Company for the period (taken as one accounting period) from October 1, 2012 to the end of the Company's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment (or, if such Consolidated Net Income for such period is a deficit, less 100% of such deficit); *plus*

(ii) 100% of the aggregate net cash proceeds and the Fair Market Value of marketable securities received by the Company since October 1, 2012 as a contribution to its common equity capital or from the issue or sale of Equity Interests of the Company (other than Disqualified Stock) or from the issue or sale of convertible or exchangeable Disqualified Stock of the Company or convertible or exchangeable debt securities of the Company, in each case that have been converted into or exchanged for Equity Interests of the Company (other than Equity Interests (or Disqualified Stock or debt securities) sold to a Subsidiary of the Company); *plus*

(iii) to the extent that any Restricted Investment that was made after October 1, 2012 is (a) sold, disposed of or otherwise cancelled, liquidated or repaid, 100% of the aggregate amount received in cash and the Fair Market Value of marketable securities received; or (b) made in an entity that subsequently becomes a Restricted Subsidiary, 100% of the Fair Market Value of the Company's Restricted Investment as of the date such entity becomes a Restricted Subsidiary; *plus*

(iv) to the extent that any Unrestricted Subsidiary of the Company designated as such after October 1, 2012 is redesignated as a Restricted Subsidiary, or is merged or consolidated into the Company or a Restricted Subsidiary, or all of the assets of such Unrestricted Subsidiary are transferred to the Company or a Restricted Subsidiary, in each case, after October 1, 2012, the Fair Market Value of the Company's Restricted Investment in such Subsidiary as of the date of such redesignation, merger, consolidation or transfer of assets to the extent such investments reduced the restricted payments capacity under this clause (c) and were not previously repaid or otherwise reduced; *plus*

(v) 100% of any dividends or distributions received by the Company or a Restricted Subsidiary after October 1, 2012 from an Unrestricted Subsidiary to the extent that such dividends or distributions were not otherwise included in the Consolidated Net Income of the Company for such period (excluding, for the avoidance of doubt, repayments of, or interest payments in respect of, any Designated Proceeds Restricted Payment, any Ocean Subsidiaries Permitted Investment or the Permitted Investments pursuant to clause (16) or (17) of the definition thereof).

(b) The preceding provisions of Section 4.07(a) hereof will not prohibit:

(1) the payment of any dividend or the consummation of any redemption within 60 days after the date of declaration of the dividend or giving of the redemption notice, as the case may be, if at the date of declaration or notice, the dividend or redemption payment would have complied with the provisions of this Indenture;

(2) the making of any Restricted Payment in exchange for, or out of or with the net cash proceeds of the substantially concurrent sale (other than to a Subsidiary of the Company) of, Equity Interests of the Company (other than Disqualified Stock) or from the substantially concurrent contribution of common equity capital to the Company; *provided* that the amount of any such net cash proceeds that are utilized for any such Restricted Payment will be excluded from Section 4.07(a)(4)(c)(ii) and will not be considered to be net cash proceeds from an Equity Offering for purposes of Section 3.07 hereof;

(3) the repurchase, redemption, defeasance or other acquisition or retirement for value of Indebtedness of the Company, or any Guarantor that is contractually subordinated to the Notes or to any Note Guarantee with the net cash proceeds from an incurrence of Permitted Refinancing Indebtedness;

(4) so long as no Default or Event of Default has occurred and is continuing, the repurchase, redemption or other acquisition or retirement for value of any Equity Interests of the Company or any Restricted Subsidiary or any direct or indirect parent entity of the Company held by any current or former officer, director, employee or consultant of the Company or any of its Restricted Subsidiaries or any direct or indirect parent entity of the Company pursuant to any equity subscription agreement, stock option agreement, restricted stock grant, shareholders' agreement or similar agreement; *provided* that the aggregate price paid for all such repurchased, redeemed, acquired or retired Equity Interests may not exceed $15.0 million in the aggregate in any twelve-month period (increasing to $30.0 million following an underwritten public Equity Offering) with unused amounts being carried over to succeeding twelve-month periods subject to a maximum of $30.0 million (increasing to $60.0 million following an underwritten public Equity Offering); and *provided*, *further*, that such amount in any twelve-month period may be increased by an amount not to exceed the cash proceeds from the sale of Equity Interests of the Company or a Restricted Subsidiary received by the Company or a Restricted Subsidiary during such twelve-month period, in each case to members of management, directors or consultants of the Company, any of its Restricted Subsidiaries or any of its direct or indirect parent entities to the extent the cash proceeds from the sale of Equity Interests have not otherwise been applied to the making of Restricted Payments pursuant to Section 4.07(a)(4)(c) or Section 4.07(b)(2) of this paragraph or to an optional redemption of the Notes pursuant to Section 3.07 hereof;

(5) the repurchase of Equity Interests deemed to occur upon the exercise of stock options to the extent such Equity Interests represent a portion of the exercise price of those stock options;

(6) so long as no Default or Event of Default has occurred and is continuing, the declaration and payment of regularly scheduled or accrued dividends to holders of any class or series of Disqualified Stock of the Company or any preferred stock of any Restricted Subsidiary issued on or after the Issue Date in accordance with Section 4.09 hereof;

(7) payments of cash, dividends, distributions, advances or other Restricted Payments by the Company or any of its Restricted Subsidiaries to allow the payment of cash in lieu of the issuance of fractional shares upon (i) the exercise of options or warrants or (ii) the conversion or exchange of Capital Stock of any such Person;

(8) (i) the payment of any dividend (or, in the case of any partnership or limited liability company, any similar distribution) by a Restricted Subsidiary (other than a Jones Act Compliant Entity) to the holders of its Equity Interests (other than the Company or any Restricted Subsidiary) on no more than a pro rata basis or (ii) the payment of any dividend (or, in the case of any partnership or limited liability company, any similar distribution) by a Jones Act Compliant Entity to the holders of its Equity Interests (other than the Company or any Restricted Subsidiary) in an aggregate amount not to exceed in any calendar year $2.0 million per passenger cruise vessel owned by or contracted to be owned by such Jones Act Compliant Entity;

(9) the declaration and payment of dividends on the Company's common Equity Interests (or the payment of dividends to any parent entity to fund a payment of dividends on such parent entity's common Equity Interests), following the first public offering of the Company's common Equity Interests or the common Equity Interests of any parent entity after the Issue Date, in an amount not to exceed 6.00% per annum of the net cash proceeds received by or contributed to the Company in or from any such public offering, other than public offerings with respect to the Company's or such parent entity's common Equity Interests registered on Form S-4 or Form S-8;

(10) so long as no Default or Event of Default has occurred and is continuing, any Designated Proceeds Restricted Payment;

(11) the declaration and payment of regularly scheduled or accrued dividends to holders of preferred stock of the Company issued prior to the Issue Date in an aggregate amount not to exceed $150,000 in any calendar year;

(12) the payment of a dividend to Parent in an aggregate amount not to exceed $175 million, plus any amounts necessary to pay unpaid interest, premiums, fees, expenses or other amounts in connection with any redemption; the proceeds of which shall be used by Parent to fund the redemption of all of its outstanding 8.625% / 9.375% Senior PIK Toggle Notes due 2018, which redemption occurred on August 21, 2014; or

(13) so long as no Default or Event of Default has occurred and is continuing, other Restricted Payments in an aggregate amount taken together with all other Restricted Payments made pursuant to this clause (13) not to exceed (as of the date any such Restricted Payment is made) the greater of (i) $50.0 million and (ii) 1.0% of Total Tangible Assets of the Company for the most recently ended Calculation Period.

(c) The amount of all Restricted Payments (other than cash) will be the Fair Market Value on the date of the Restricted Payment or, at the Company's election, the date a commitment is made to make such Restricted Payment, of the asset(s) or securities proposed to be transferred or issued by the Company or such Restricted Subsidiary, as the case may be, pursuant to the Restricted Payment.

(d) For purposes of determining compliance with this covenant, in the event that a proposed Restricted Payment (or a portion thereof) meets the criteria of clauses (1) through (13) of Section 4.07(b) or is entitled to be made pursuant to the first paragraph of this covenant or one or more clauses in the definition of "Permitted Investments," the Company will be entitled to divide or classify or later divide or reclassify (based on circumstances existing on the date of such reclassification) such Restricted Payment (or portion thereof) among such clauses (1) through (13), the definition of "Permitted Investments" and such first paragraph in a manner that complies with this covenant; *provided* that if any Investment pursuant to clause (13) above or clause (17) of the definition of "Permitted Investments" is made in any Person that is not a Restricted Subsidiary and such Person subsequently becomes a Restricted Subsidiary or is subsequently designated a Restricted Subsidiary pursuant to Section 4.20 hereof, such Investment, if applicable, shall thereafter be deemed to have been made pursuant to clause (1) or (3) of the definition of "Permitted Investments" and not such clause.

Section 4.08 *Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries.*

(a) The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create or permit to exist or become effective any consensual encumbrance or restriction on the ability of any Restricted Subsidiary to:

(1) pay dividends or make any other distributions on its Capital Stock to the Company or any Restricted Subsidiary, or with respect to any other interest or participation in, or measured by, its profits, or pay any Indebtedness owed to the Company or any Restricted Subsidiary;

(2) make loans or advances to the Company or any Restricted Subsidiary; or

(3) sell, lease or transfer any of its properties or assets to the Company or any Restricted Subsidiary,

provided that (x) the priority of any preferred stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock and (y) the subordination of (including the application of any standstill period to) loans or advances made to the Company or any Restricted Subsidiary to other Indebtedness incurred by the Company or any Restricted Subsidiary, shall not be deemed to constitute such an encumbrance or restriction.

(b) The restrictions in Section 4.08(a) hereof will not apply to encumbrances or restrictions existing under or by reason of:

(1) agreements governing Indebtedness (including Existing Indebtedness), charter documents and shareholder agreement as in effect on the Issue Date and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of those agreements; *provided* that the amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings are not materially less favorable to the Holders of the Notes, taken as a whole, with respect to such dividend and other payment restrictions than those contained in those agreements on the Issue Date (as determined in good faith by the Company);

(2) this Indenture, the Notes and the Note Guarantees;

(3) agreements governing other Indebtedness permitted to be incurred under Section 4.09 hereof and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of those agreements; *provided* that the restrictions therein are not materially less favorable to the Holders of the Notes than is customary in comparable financings (as determined in good faith by the Company) and the Company determines at the time of the incurrence of such Indebtedness that such encumbrances or restrictions will not adversely effect, in any material respect, the Company's ability to make principal or interest payments on the Notes;

(4) applicable law, rule, regulation or order or the terms of any license, authorization, concession or permit;

(5) any instrument governing Indebtedness or Capital Stock of a Person acquired by the Company or any of its Restricted Subsidiaries as in effect at the time of such acquisition (except to the extent such Indebtedness or Capital Stock was incurred in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired; *provided* that, in the case of Indebtedness, such Indebtedness was permitted by the terms of this Indenture to be incurred;

(6) customary non-assignment and similar provisions in contracts, leases and licenses entered into in the ordinary course of business;

(7) purchase money obligations for property acquired in the ordinary course of business and Capital Lease Obligations that impose restrictions on the property purchased or leased of the nature described in Section 4.08(a)(3) hereof;

(8) any agreement for the sale or other disposition of the Capital Stock or all or substantially all of the property and assets of a Restricted Subsidiary that restricts distributions by that Restricted Subsidiary pending its sale or other disposition;

(9) Permitted Refinancing Indebtedness; *provided* that the restrictions contained in the agreements governing such Permitted Refinancing Indebtedness are not materially more restrictive, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced;

(10) Liens permitted to be incurred under Section 4.12 hereof that limit the right of the debtor to dispose of the assets subject to such Liens;

(11) provisions limiting the disposition or distribution of assets or property in joint venture agreements, asset sale agreements, sale-leaseback agreements, stock sale agreements and other similar agreements (including agreements entered into in connection with a Restricted Investment) entered into with the approval of the Company's Board of Directors, which limitation is applicable only to the assets that are the subject of such agreements;

(12) restrictions on cash or other deposits or net worth imposed by customers or suppliers or required by insurance, surety or bonding companies, in each case, under contracts entered into in the ordinary course of business;

(13) any customary Productive Asset Leases for Vessels and other assets used in the ordinary course of our business; *provided* that such encumbrance or restriction only extends to the Vessel or other asset financed in such Productive Asset Lease;

(15) any encumbrance or restriction existing with respect to any Unrestricted Subsidiary or the property or assets of such Unrestricted Subsidiary that is designated as a Restricted Subsidiary in accordance with the terms of this Indenture at the time of such designation and not incurred in contemplation of such designation, which encumbrances or restrictions are not applicable to any Person other than such Unrestricted Subsidiary or the property or assets of such Unrestricted Subsidiary; *provided* that the encumbrances or restrictions are customary for the business of such Unrestricted Subsidiary and would not, at the time agreed to, be expected (as determined in good faith by the Company) to affect the ability of the Company and the Guarantors to make payments under the Notes, this Indenture and the Note Guarantees;

(16) customary encumbrances or restrictions contained in agreements in connection with Hedging Obligations permitted under this Indenture; and

(17) any encumbrance or restriction existing under any agreement that extends, renews, refinances, replaces, amends, modifies, restates or supplements the agreements containing the encumbrances or restrictions in Section 4.08(b)(1) through Section 4.08(b)(16) hereof, or in this Section 4.08(b)(17); *provided* that the terms and conditions of any such encumbrances or restrictions are no more restrictive in any material respect than those under or pursuant to the agreement so extended, renewed, refinanced, replaced, amended, modified, restated or supplemented.

Section 4.09 *Incurrence of Indebtedness and Issuance of Preferred Stock.*

(a) The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, "incur") any Indebtedness (including Acquired Debt), and the Company will not and will not permit any Restricted Subsidiary to issue any Disqualified Stock and will not permit any of its Restricted Subsidiaries to issue any shares of preferred stock; *provided, however,* that the Company may incur Indebtedness (including Acquired Debt) or issue Disqualified Stock, and the Guarantors may incur Indebtedness (including Acquired Debt) or issue preferred stock, if the Fixed Charge Coverage Ratio for the Company's most recently ended four full fiscal quarters for which internal financial statements are available immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or such preferred stock is issued, as the case may be, would have been at least 2.0 to 1.0, determined on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if the additional Indebtedness had been incurred or the Disqualified Stock or the preferred stock had been issued, as the case may be, at the beginning of such four-quarter period.

(b) Section 4.09(a) above will not prohibit the incurrence of any of the following items of Indebtedness (collectively, "*Permitted Debt*"):

(1) the incurrence of Indebtedness under Credit Facilities by the Company or any Restricted Subsidiary up to an aggregate principal amount equal to the greater of (i) of $275.0 million and (ii) 7.0% of Total Tangible Assets at any time outstanding; provided, however, that the maximum amount permitted to be outstanding under this clause (1) shall not be deemed to limit additional Indebtedness under the Credit Facilities to the extent the incurrence of such additional Indebtedness is permitted pursuant to any of the other provisions under this Section 4.09;

(2) the incurrence by the Company and its Restricted Subsidiaries of Existing Indebtedness;

(3) the incurrence by the Company and any Restricted Subsidiary of Indebtedness represented by letters of credit in an aggregate principal amount at any time outstanding not to exceed the greater of $25.0 million or 5% of Total Tangible Assets (with letters of credit being deemed to have a principal amount equal to the maximum potential liability of the Company and its Restricted Subsidiaries thereunder);

(4) the incurrence by the Company and the Guarantors of Indebtedness represented by the Notes issued on the Issue Date and the related Note Guarantees;

(5) the incurrence by the Company or any Restricted Subsidiary of Indebtedness represented by Attributable Debt, Capital Lease Obligations, mortgage financings or purchase money obligations, in each case, incurred for the purpose of financing all or any part of the purchase price, lease expense, rental payments or cost of design, construction, installation or improvement of property (including Vessels), plant or equipment or other assets (including Capital Stock) used in the business of the Company or any of its Restricted Subsidiaries, in an aggregate principal amount, including all Permitted Refinancing Indebtedness, incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness incurred pursuant to this Section 4.09(b)(5), not to exceed the greater of (i) $100.0 million and (ii) 2.5% of Total Tangible Assets at any time outstanding (it being understood that any such Indebtedness may be incurred after the acquisition, purchase, charter or leasing or the construction, installation or the making of any improvement with respect to any asset (including Vessels)); *provided* that the principal amount of any Indebtedness

permitted under this Section 4.09(b)(5) did not in each case at the time of incurrence exceed (i) in the case of a completed Vessel, the Fair Market Value and (ii) in the case of an uncompleted Vessel, 80% of the contract price for the acquisition of such Vessel, as determined on the date on which the agreement for construction of such Vessel was entered into by the Company or its Restricted Subsidiary, plus any other Ready for Sea Cost of such Vessel;

(6) the incurrence by the Company, any Guarantor or any Jones Act Compliant Entity of Indebtedness in connection with New Vessel Financings in an aggregate principal amount at any one time outstanding not exceeding the New Vessel Aggregate Secured Debt Cap as calculated on the date of the relevant incurrence under this Section 4.09(b)(6);

(7) Permitted Refinancing Indebtedness in exchange for, or an amount equal to the net proceeds of which are used to renew, refund, refinance, replace, defease or discharge any Indebtedness (other than intercompany Indebtedness) that was permitted by this Indenture to be incurred under Section 4.09(a) or Sections 4.09(b)(2) or (b)(4) hereof or this Section 4.09(b)(7);

(8) Indebtedness or Disqualified Stock of the Company and Indebtedness or Disqualified Stock or preferred stock of any Restricted Subsidiary in an aggregate principal amount or liquidation preference up to 100% of the net cash proceeds received by the Company since the Issue Date from the issue or sale of Equity Interests of the Company or cash contributed to the capital of the Company (in each case, other than proceeds of Disqualified Stock or preferred stock or sales of Equity Interests to the Company or any of its Subsidiaries) as determined in accordance with Section 4.07(a)(4)(c)(ii) to the extent such net cash proceeds or cash have not been applied pursuant to such clauses to make Restricted Payments pursuant to Section 4.07(b) or to make Permitted Investments (other than Permitted Investments specified in clause (3) of the definition thereof);

(9) the incurrence by the Company or any Restricted Subsidiary of intercompany Indebtedness between or among the Company or any Restricted Subsidiary; *provided* that:

(a) if the Company or any Guarantor is the obligor on such Indebtedness and the payee is not the Company or a Guarantor, such Indebtedness must be unsecured and ((i) except in respect of the intercompany current liabilities incurred in the ordinary course of business in connection with the cash management operations of the Company and its Restricted Subsidiaries and (ii) only to the extent legally permitted (the Company and its Restricted Subsidiaries having completed all procedures required in the reasonable judgment of directors of officers of the obligee or obligor to protect such Persons from any penalty or civil or criminal liability in connection with the subordination of such Indebtedness)) expressly subordinated to the prior payment in full in cash of all Obligations then due with respect to the Notes, in the case of the Company, or the Note Guarantee, in the case of a Guarantor; and

(b) (i) any subsequent issuance or transfer of Equity Interests that results in any such Indebtedness being held by a Person other than the Company or a Restricted Subsidiary and (ii) any sale or other transfer of any such Indebtedness to a Person that is not either the Company or a Restricted Subsidiary, will be deemed, in each case, to constitute an incurrence of such Indebtedness by the Company or such Restricted Subsidiary, as the case may be, that was not permitted by this Section 4.09(b)(9);

(10) the issuance by any Restricted Subsidiary to the Company or to any of its Restricted Subsidiaries of preferred stock; *provided* that:

(a) any subsequent issuance or transfer of Equity Interests that results in any such preferred stock being held by a Person other than the Company or a Restricted Subsidiary; and

(b) any sale or other transfer of any such preferred stock to a Person that is not either the Company or a Restricted Subsidiary, will be deemed, in each case, to constitute an issuance of such preferred stock by such Restricted Subsidiary that was not permitted by this Section 4.09(b)(10);

(11) the incurrence by the Company or any Restricted Subsidiary of Hedging Obligations in the ordinary course of business and not for speculative purposes;

(12) the Guarantee by the Company or any Guarantor of Indebtedness of the Company, any Guarantor or any Jones Act Compliant Entity to the extent that the guaranteed Indebtedness was permitted to be incurred by another provision of this Section 4.09; *provided* that if the Indebtedness being guaranteed is subordinated to or *pari passu* with the Notes or a Note Guarantee, then the Guarantee must be subordinated or *pari passu*, as applicable, to the same extent as the Indebtedness guaranteed;

(13) the incurrence by the Company or any of its Restricted Subsidiaries of Indebtedness (i) in respect of workers' compensation claims, self-insurance obligations, captive insurance companies, bankers' acceptances, performance and surety bonds in the ordinary course of business; (ii) in respect of letters of credit, surety, performance or appeal bonds, completion guarantees, judgment, advance payment, customs, VAT or other tax guarantees or similar instruments issued in the ordinary course of business of such Person or consistent with industry practice (including as required by any governmental authority) and not in connection with the borrowing of money, including letters of credit or similar instruments in respect of self-insurance and workers compensation obligations; *provided, however,* that upon the drawing of such letters of credit or other instrument, such obligations are reimbursed within 30 days following such drawing; (iii) arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently drawn against insufficient funds, so long as such Indebtedness is covered within 30 days; and (iv) consisting of (x) the financing of insurance premiums or (y) take-or-pay obligations contained in supply agreements, in each case, in the ordinary course of business;

(14) Indebtedness of any Person outstanding on the date on which such Person becomes a Restricted Subsidiary or is merged, consolidated, amalgamated or otherwise combined with (including pursuant to any acquisition of assets and assumption of related liabilities) the Company or any Restricted Subsidiary (other than Indebtedness Incurred to provide all or any portion of the funds used to consummate the transaction or series of related transactions pursuant to which such Person became a Restricted Subsidiary or was otherwise acquired by the Company or a Restricted Subsidiary); *provided, however*, with respect to this Section 4.09(b)(14), that at the time of the acquisition or other transaction pursuant to which such Indebtedness was deemed to be incurred the Company would have been able to incur $1.00 of additional Indebtedness pursuant to Section 4.09(a) hereof after giving effect to the incurrence of such Indebtedness pursuant to this Section 4.09(b)(14);

(15) Indebtedness arising from agreements of the Company or a Restricted Subsidiary providing for customary indemnification, obligations in respect of earnouts or other adjustments of purchase price or, in each case, similar obligations, in each case, incurred or assumed in connection with the acquisition or disposition of any business or assets or Person or any Equity Interests of a Subsidiary, *provided* that the maximum liability of the Company and its

Restricted Subsidiaries in respect of all such Indebtedness shall at no time exceed the gross proceeds, including the Fair Market Value of non-cash proceeds (measured at the time received and without giving effect to any subsequent changes in value), actually received by the Company and its Restricted Subsidiaries in connection with such disposition;

(16) the incurrence by the Company or any Restricted Subsidiary of Indebtedness in the form of Unearned Customer Deposits and advance payments received in the ordinary course of business from customers for goods and services purchased in the ordinary course of business;

(17) Indebtedness of the Company or any Restricted Subsidiary incurred in connection with credit card processing arrangements entered into in the ordinary course of business;

(18) the incurrence by the Company or any Restricted Subsidiary of Indebtedness to finance the replacement (through construction or acquisition) of a Vessel upon the total loss, destruction, condemnation, confiscation, requisition, seizure or forfeiture of, or other taking of title or use of, such Vessel (collectively, a "*Total Loss*") in an aggregate amount no greater than the Ready for Sea Cost for such replacement Vessel, in each case less all compensation, damages and other payments (including insurance proceeds other than in respect of business interruption insurance) received by the Company or any of its Restricted Subsidiaries from any Person in connection with such Total Loss in excess of amounts actually used to repay Indebtedness secured by the Vessel subject to such Total Loss and any costs and expenses incurred by the Company or any of its Restricted Subsidiaries in connection with such Total Loss;

(19) the incurrence by the Company or any Restricted Subsidiary of Indebtedness in relation to (i) regular maintenance required on any of the Vessels owned or chartered by the Company or any of its Restricted Subsidiaries, and (ii) any expenditures that are, or are reasonably expected to be, recoverable from insurance on such Vessels; and

(20) the incurrence of Indebtedness or the issuance of Disqualified Stock by the Company or any Restricted Subsidiary in an aggregate principal amount (or accreted value, as applicable) at any time outstanding, including all Indebtedness incurred to renew, refund, refinance, replace, defease or discharge any Indebtedness incurred pursuant to this clause (20), not to exceed the greater of (i) $100.0 million and (ii) 2.5% of Total Tangible Assets (it being understood that Indebtedness incurred pursuant to this clause (20) shall cease to be deemed incurred or outstanding for purposes of this clause (20) but shall be deemed to be incurred or issued for purposes of the first paragraph of this covenant from and after the first date on which the Company or the Restricted Subsidiary, as the case may be, could have incurred such Indebtedness under Section 4.09(a) hereof without reliance on this clause (20)).

(c) Neither the Company nor any Guarantor will incur any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of the Company or such Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Notes and the applicable Note Guarantee on substantially identical terms; *provided, however,* that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Company or any Guarantor solely by virtue of being unsecured.

(d) For purposes of determining compliance with this Section 4.09, in the event that an item of Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in Section 4.09(b)(1) through Section 4.09(b)(20) above, or is entitled to be incurred pursuant to Section 4.09(a) hereof, the Company, in its sole discretion, will be permitted to classify such item of Indebtedness on the

date of its incurrence and only be required to include the amount and type of such Indebtedness in one of such clauses and will be permitted on the date of such incurrence to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in Section 4.09(a) and Section 4.09(b) hereof and from time to time to reclassify all or a portion of such item of Indebtedness, in any manner that complies with this Section 4.09.

(e) The accrual of interest or preferred stock dividends, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, the reclassification of preferred stock as Indebtedness due to a change in accounting principles, and the payment of dividends on preferred stock or Disqualified Stock in the form of additional shares of the same class of preferred stock or Disqualified Stock will not be deemed to be an incurrence of Indebtedness or an issuance of preferred stock or Disqualified Stock for purposes of this Section 4.09; *provided,* in each such case, that the amount of any such accrual, accretion or payment is included in the Fixed Charges of the Company as accrued. For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a different currency shall be utilized, calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred.

(f) Notwithstanding any other provision of this Section 4.09, the maximum amount of Indebtedness that the Company or any Restricted Subsidiary may incur pursuant to this Section 4.09 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values.

(g) The amount of any Indebtedness outstanding as of any date will be:

(1) in the case of any Indebtedness issued with original issue discount, the amount of the liability in respect thereof determined in accordance with IFRS;

(2) the principal amount of the Indebtedness, in the case of any other Indebtedness; and

(3) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:

(a) the Fair Market Value of such assets at the date of determination; and

(b) the amount of the Indebtedness of the other Person.

Section 4.10 *Asset Sales.*

(a) The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, consummate an Asset Sale unless:

(1) the Company (or the Restricted Subsidiary, as the case may be) receives consideration at the time of the Asset Sale at least equal to the Fair Market Value of the assets or Equity Interests issued or sold or otherwise disposed of; and

(2) at least 75% of the consideration received in the Asset Sale by the Company or such Restricted Subsidiary is in the form of cash, Cash Equivalents or Replacement Assets or a combination thereof. For purposes of this provision, each of the following will be deemed to be cash:

(a) any liabilities, as recorded on the balance sheet of the Company or any Restricted Subsidiary (other than contingent liabilities), that are assumed by the transferee of any such assets and as a result of which the Company and its Restricted Subsidiaries are no longer obligated with respect to such liabilities or are indemnified against further liabilities;

(b) any securities, notes or other obligations received by the Company or any such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash or Cash Equivalents within 180 days following the closing of the Asset Sale, to the extent of the cash or Cash Equivalents received in that conversion;

(c) any Capital Stock or assets of the kind referred to in Section 4.10(b)(3) or Section 4.10(b)(5) hereof;

(d) Indebtedness of any Restricted Subsidiary that is no longer a Restricted Subsidiary as a result of such Asset Sale, to the extent that the Company and each other Restricted Subsidiary are released from any Guarantee of such Indebtedness in connection with such Asset Sale;

(e) consideration consisting of Indebtedness of the Company or any Guarantor received from Persons who are not the Company or any Restricted Subsidiary; and

(f) consideration other than cash, Cash Equivalents or Replacement Assets received by the Company or any Restricted Subsidiary in such Asset Sale with a Fair Market Value, taken together with all other consideration received pursuant to this clause (f) that is at the time outstanding, not to exceed the greater of (i) $50.0 million and (ii) 1.0% of Total Tangible Assets at the time of the receipt of such consideration, with the Fair Market Value of each item of such consideration being measured at the time received and without giving effect to subsequent changes in value.

(b) Within 360 days after the receipt of any Net Proceeds from an Asset Sale, the Company (or the applicable Restricted Subsidiary, as the case may be) may apply such Net Proceeds:

(1) to permanently reduce or repay Obligations under a Credit Facility to the extent such Obligations were incurred under Section 4.09(b)(1) and to correspondingly reduce any outstanding commitments with respect thereto;

(2) to purchase the Notes pursuant to an offer to all Holders of Notes at a purchase price equal to 100% of the principal amount thereof, plus accrued and unpaid interest to (but not including) the date of purchase (a "*Notes Offer*");

(3) to acquire all or substantially all of the assets of, or any Capital Stock of, another Permitted Business, if, after giving effect to any such acquisition of Capital Stock, the Permitted Business is or becomes a Restricted Subsidiary;

(4) to make a capital expenditure;

(5) to acquire other assets (other than Capital Stock) not classified as current assets under IFRS that are used or useful in a Permitted Business;

(6) to repurchase, prepay, redeem or repay Indebtedness (a) of a Restricted Subsidiary which is not a Guarantor, or Indebtedness of any Guarantor that is secured by a Lien on such assets or (b) which is *pari passu* in right of payment with the Notes or any Note Guarantee; *provided, however*, that if the Company or a Restricted Subsidiary shall so repurchase, prepay, redeem, or repay Indebtedness pursuant to Section 4.10(b)(6)(b), the Company will make a Notes Offer for an aggregate principal amount of Notes at least equal to the proportion that (x) the total aggregate principal amount of Notes outstanding bears to (y) the sum of the total aggregate principal amount of Notes outstanding plus the total aggregate principal amount outstanding of such *pari passu* Indebtedness; *provided, further*, that the Company shall be deemed to have satisfied its obligation to make a Notes Offer if it otherwise equally and ratably reduces obligations under the Notes through (x) open market purchases (to the extent such purchases are at or above 100% of the principal amount thereof) or (y) as provided under Section 3.07 hereof; or

(7) enter into a binding commitment to apply the Net Proceeds pursuant to Section 4.10(b)(3), (b)(4) or (b)(5) above; *provided* that such binding commitment (or any subsequent commitments replacing the initial commitment that may be cancelled or terminated) shall be treated as a permitted application of the Net Proceeds from the date of such commitment until the earlier of (x) the date on which such acquisition or expenditure is consummated and (y) the 180th day following the expiration of the aforementioned 360 day period.

(c) Pending the final application of any Net Proceeds from an Asset Sale, the Company (or the applicable Restricted Subsidiary) may temporarily reduce revolving credit borrowings or otherwise invest the Net Proceeds in any manner that is not prohibited by this Indenture.

(d) Any Net Proceeds from an Asset Sale that are not applied or invested as provided in Section 4.10(b) hereof (it being understood that any portion of such Net Proceeds used to make an offer to purchase Notes as described in Section 4.10(b)(2) or Section 4.10(b)(6) hereof shall be deemed to have been invested whether or not such Notes Offer is accepted) will constitute "*Excess Proceeds*". When the aggregate amount of Excess Proceeds exceeds $40.0 million, within ten Business Days thereof, the Company will make an offer (an "*Asset Sale Offer*") to all Holders of Notes and may make an offer to all holders of other Indebtedness that is *pari passu* with the Notes or any Note Guarantees with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets in accordance with Section 3.09 hereof to purchase, prepay or redeem the maximum principal amount of Notes and such other *pari passu* Indebtedness (plus all accrued interest on the Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. The offer price for the Notes in any Asset Sale Offer will be equal to 100% of the principal amount, plus accrued and unpaid interest and Additional Amounts, if any, to but not including the date of purchase, prepayment or redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by this Indenture. If the aggregate principal amount of Notes and other *pari passu* Indebtedness tendered into (or to be prepaid or redeemed in connection with) such Asset Sale Offer exceeds the amount of Excess Proceeds, or if the aggregate amount of Notes tendered pursuant to a Notes Offer exceeds the amount of the Net Proceeds so applied, the Trustee will select the Notes and such other *pari passu* Indebtedness, if applicable, to be purchased on a pro rata basis (or in the manner described in Section 3.02 hereof), based on the amounts tendered or required to be prepaid or redeemed. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero. The Company may satisfy the foregoing obligations with respect to any Net Proceeds from an Asset Sale by making an Asset Sale Offer with respect to such Net Proceeds prior to the expiration of the relevant 360 days (or such longer period provided above) or with respect to Excess Proceeds of $40.0 million or less.

(e) The Company will comply with the requirements of Rule 14e-1 under the U.S. Exchange Act and any other applicable securities laws and regulations to the extent those laws and regulations are applicable in connection with each repurchase of Notes pursuant to a Change of Control Offer, an Asset Sale Offer or a Notes Offer. To the extent that the provisions of any securities laws or regulations conflict with Section 3.09 hereof or the Change of Control Offer, Asset Sale Offer or Notes Offer provisions of this Indenture, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under Section 3.09 hereof or the Change of Control Offer, Asset Sale Offer or Notes Offer provisions of this Indenture by virtue of such compliance.

Section 4.11 *Transactions with Affiliates.*

(a) The Company will not, and will not cause or permit any of its Restricted Subsidiaries to, make any payment to or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Company (each, an "*Affiliate Transaction*") involving aggregate payments or consideration in excess of $10.0 million, unless:

(1) the Affiliate Transaction is on terms that are, taken as a whole, no less favorable to the Company or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person; and

(2) the Company delivers to the Trustee, with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $20.0 million, a resolution of the Board of Directors of the Company set forth in an Officer's Certificate certifying that such Affiliate Transaction complies with this Section 4.11 and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors of the Company (or in the event there is only one disinterested director, by such disinterested director, or, in the event there are no disinterested directors, by unanimous approval of the members of the Board of Directors of the Company).

(b) The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 4.11(a) above:

(1) any employment agreement, collective bargaining agreement, consultant, employee benefit arrangements with any employee, consultant, officer or director of the Company or any Restricted Subsidiary, including under any stock option, stock appreciation rights, stock incentive or similar plans, entered into in the ordinary course of business;

(2) transactions between or among the Company and/or its Restricted Subsidiaries;

(3) transactions with a Person (other than an Unrestricted Subsidiary of the Company) that is an Affiliate of the Company solely because the Company owns, directly or through a Restricted Subsidiary, an Equity Interest in, or controls, such Person;

(4) payment of reasonable and customary fees, salaries, bonuses, compensation, other employee benefits and reimbursements of expenses (pursuant to indemnity arrangements or otherwise) of Officers, directors, employees or consultants of the Company or any of its Restricted Subsidiaries;

(5) any issuance of Equity Interests (other than Disqualified Stock) of the Company to Affiliates of the Company;

(6) Restricted Payments that do not violate Section 4.07 hereof;

(7) transactions pursuant to, or contemplated by any agreement in effect on the Issue Date and transactions pursuant to any amendment, modification or extension to such agreement, so long as such amendment, modification or extension, taken as a whole, is not-materially more disadvantageous to the Holders of the Notes than the original agreement as in effect on the Issue Date;

(8) Permitted Investments (other than Permitted Investments as defined in clauses (3), (4), (5), (12), (15) and (17) of the definition thereof);

(9) Management Advances;

(10) transactions with customers, clients, suppliers, or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Indenture that are fair to the Company or the Restricted Subsidiaries, as applicable, in the reasonable determination of the members of the Board of Directors of the Company or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated Person;

(11) the granting and performance of any registration rights for the Company's Capital Stock;

(12) any contribution to the capital of the Company;

(13) pledges of Equity Interests of Unrestricted Subsidiaries; and

(14) transactions undertaken in good faith (as certified by a responsible financial or accounting officer of the Company in an Officer's Certificate) between the Company and any other Person or a Restricted Subsidiary of the Company and any other Person with which the Company or any of its Restricted Subsidiaries files a consolidated tax return or which the Company or any of its Restricted Subsidiaries is part of a group for tax purposes that are effected for the purpose of improving the consolidated tax efficiency of the Company and its Subsidiaries and not for the purpose of circumventing any provision of this Indenture; *provided* that any such tax sharing arrangement does not permit or require payments in excess of the amount of tax that would be payable by the Company and its Restricted Subsidiaries on a stand-alone basis.

Section 4.12 *Liens.*

The Company will not and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume or otherwise cause or suffer to exist or become effective any Lien of any kind securing Indebtedness upon any of their property or assets, now owned or hereafter acquired, except Permitted Liens, unless contemporaneously with (or prior to) the incurrence of such Lien all payments due under this Indenture and the Notes are secured on an equal and ratable basis with the obligations so secured until such time as such obligations are no longer secured by a Lien; *provided* that, if the Indebtedness secured by such Lien is subordinate or junior in right of payment to the Notes or a Note Guarantee, as the case may be, then the Lien securing such Indebtedness shall be subordinate or junior in priority to the Lien securing the Notes at least to the same extent as such Indebtedness is subordinate or junior to the Notes or a Note Guarantee, as the case may be.

Section 4.13 *Business Activities.*

The Company will not, and will not permit any of its Restricted Subsidiaries to, engage in any business other than a Permitted Business, except to such extent as would not be material to the Company and its Subsidiaries taken as a whole.

Section 4.14 *Corporate Existence.*

Subject to Article 5 hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect:

(a) its corporate existence, and the corporate, partnership or other existence of each of its Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any such Subsidiary; and

(b) the rights (charter and statutory), licenses and franchises of the Company and its Subsidiaries;

provided, however, that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Subsidiaries, if the Board of Directors of the Company shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Notes.

Section 4.15 *Offer to Repurchase Upon Change of Control.*

(a) Upon the occurrence of a Change of Control, except as set forth in Section 4.15(d) below, the Company will be required to make an offer (a "*Change of Control Offer*") to each Holder to repurchase all or any part (equal to $2,000 or an integral multiple of $1,000 in excess thereof) of that Holder's Notes pursuant to a Change of Control Offer on the terms set forth in this Indenture. In the Change of Control Offer, the Company will offer a payment in cash equal to 101% of the aggregate principal amount of Notes repurchased, plus accrued and unpaid interest and Additional Amounts, if any, on the Notes repurchased to but not including the date of purchase (the "*Change of Control Payment*"), subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control, the Company will send a notice to each Holder at such Holder's registered address or otherwise deliver a notice in accordance with Section 3.03 hereof, stating that a Change of Control Offer is being made and offering to repurchase Notes on the date (the "*Change of Control Payment Date*") specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed or delivered, pursuant to the procedures required by this Indenture and described in such notice. The Company will comply with the requirements of Rule 14e-1 under the U.S. Exchange Act and any other applicable securities laws and regulations to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of this Indenture, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Indenture by virtue of such compliance.

(b) On the Change of Control Payment Date, the Company will, to the extent lawful:

(1) accept for payment all Notes or portions of Notes properly tendered and not withdrawn pursuant to the Change of Control Offer;

(2) deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes so accepted for payment; and

(3) deliver or cause to be delivered to the Trustee the Notes properly accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions of Notes being purchased by the Company.

(c) The Paying Agent will promptly mail (or cause to be delivered) to each Holder which has properly tendered and so accepted the Change of Control Payment for such Notes, and the Trustee (or an authenticating agent appointed by the Company) will promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any. Any Note so accepted for payment will cease to accrue interest on or after the Change of Control Payment Date. The Company will publicly announce the results of the Change of Control Offer on or as soon as practicable after the Change of Control Payment Date.

(d) The Company will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer, or (2) a notice of redemption has been given pursuant Section 3.07 hereof, unless and until there is a default in payment of the applicable redemption price. Notwithstanding anything to the contrary contained herein, a Change of Control Offer may be made in advance of a Change of Control, conditioned upon the consummation of such Change of Control, if a definitive agreement is in place for the Change of Control at the time the Change of Control Offer is made.

(e) The Company's obligations under this Section 4.15, in accordance with Section 9.02, may be waived or modified with the consent of the Holders of a majority in principal amount of the Notes prior to the occurrence of the Change of Control.

Section 4.16 *Limitation on Sale and Leaseback Transactions.*

The Company will not, and will not permit any of its Restricted Subsidiaries to, enter into any sale and leaseback transaction; *provided* that the Company or any Restricted Subsidiary may enter into a sale and leaseback transaction if:

(a) the Company or that Restricted Subsidiary, as applicable, could have (a) incurred Indebtedness in an amount equal to the Attributable Debt relating to such sale and leaseback transaction under the Fixed Charge Coverage Ratio test in Section 4.09(a) hereof and (b) incurred a Lien to secure such Indebtedness pursuant to Section 4.12 hereof;

(b) the gross cash proceeds of that sale and leaseback transaction are at least equal to the Fair Market Value of the property that is the subject of that sale and leaseback transaction; and

(c) the transfer of assets in that sale and leaseback transaction is permitted by, and the Company applies the proceeds of such transaction in compliance with, Section 4.10 hereof.

Section 4.17 *Limitation on Issuance of Guarantees of Indebtedness.*

(a) Following the Issue Date, the Company will not permit any of its Restricted Subsidiaries that are not Guarantors, directly or indirectly, to Guarantee the payment of any other Indebtedness of the Company or its Restricted Subsidiaries unless such Restricted Subsidiary simultaneously executes and

delivers a supplemental indenture providing for the Note Guarantee by such Restricted Subsidiary which Note Guarantee will be senior to or *pari passu* with such Restricted Subsidiary's guarantee of such other Indebtedness and with respect to any guarantee of Indebtedness that is expressly contractually subordinated in right of payment to the Notes or to any such Note Guarantee by such Restricted Subsidiary, any such guarantee will be subordinated to such Restricted Subsidiary's Note Guarantee at least to the same extent as such subordinated Indebtedness is subordinated to the Notes.

(b) As soon as practicable following termination of the Viking Catering Swiss Loan, Viking Catering shall execute and deliver a supplemental indenture providing for the Note Guarantee by Viking Catering. Section 4.17(a) above will not be applicable to Viking Catering until after the termination of the Viking Catering Swiss Loan.

(c) Section 4.17(a) above will not be applicable to any guarantees of any Restricted Subsidiary:

(1) existing on the Issue Date;

(2) that existed at the time such Person became a Restricted Subsidiary if the guarantee was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary; or

(3) arising solely due to granting of a Permitted Lien that would not otherwise constitute a guarantee of Indebtedness of the Company or any Guarantor.

(d) Each additional Note Guarantee will be limited as necessary to recognize certain defenses generally available to guarantors or sureties (including those that relate to fraudulent conveyance or transfer, voidable preference, financial assistance, corporate purpose, capital maintenance or similar laws, regulations or defenses affecting the rights of creditors generally) or other considerations under applicable law.

(e) Notwithstanding the foregoing, the Company shall not be obligated to cause such Restricted Subsidiary to guarantee the Notes to the extent that such guarantee by such Restricted Subsidiary would reasonably be expected to give rise to or result in (i) any liability for the officers, directors or shareholders of such Restricted Subsidiary, (ii) any violation of applicable law that cannot be prevented or otherwise avoided through measures reasonably available to the Company or the Restricted Subsidiary or (iii) any significant cost, expense, liability or obligation (including with respect to any Taxes) other than reasonable out-of-pocket expenses and other than reasonable expenses incurred in connection with any governmental or regulatory filings required as a result of, or any measures pursuant to clause (ii) undertaken in connection with such Note Guarantee which cannot be avoided through measures reasonably available to the Company or the Restricted Subsidiary.

Section 4.18 *[Reserved]*.

Section 4.19 *[Reserved]*.

Section 4.20 *Designation of Restricted and Unrestricted Subsidiaries.*

The Board of Directors of the Company may designate any Restricted Subsidiary to be an Unrestricted Subsidiary if that designation would not cause a Default. If a Restricted Subsidiary is designated as an Unrestricted Subsidiary, the aggregate Fair Market Value of all outstanding Investments owned by the Company and its Restricted Subsidiaries in the Subsidiary designated as an Unrestricted Subsidiary will be deemed to be an Investment made as of the time of the designation and will reduce the

amount available for Restricted Payments under Section 4.07 hereof or under one or more clauses of the definition of Permitted Investments, as determined by the Company. That designation will only be permitted if the Investment would be permitted at that time and if the Restricted Subsidiary otherwise meets the definition of an Unrestricted Subsidiary. The Company may redesignate any Unrestricted Subsidiary to be a Restricted Subsidiary if that redesignation would not cause a Default.

Any designation of a Subsidiary of the Company as an Unrestricted Subsidiary will be evidenced to the Trustee by delivering to the Trustee a copy of a resolution of the Board of Directors giving effect to such designation and an Officer's Certificate certifying that such designation complied with the preceding conditions and was permitted by Section 4.07 hereof. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Indenture and any Indebtedness of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary as of such date and, if such Indebtedness is not permitted to be incurred as of such date under Section 4.09 hereof, the Company will be in default of such covenant. The Board of Directors of the Company may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided* that such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness is permitted under Section 4.09 hereof, calculated on a *pro forma* basis as if such designation had occurred at the beginning of the applicable reference period; and (2) no Default or Event of Default would be in existence following such designation.

Section 4.21 *Calculation of Original Issue Discount.*

If any Additional Notes are issued with "original issue discount," the Company shall file with the Trustee promptly at the end of each calendar year (a) a written notice specifying the amount of original issue discount (including daily rates and accrual periods) accrued on outstanding Notes as of the end of such year and (b) such other specific information relating to such original issue discount as may be required to be provided to the Trustee or to the holders of the Notes pursuant to the Internal Revenue Code of 1986, as amended, and the regulations issued thereunder.

ARTICLE 5.

(5) the Company delivers to the Trustee an Officer's Certificate and Opinion of Counsel, in each case, stating that such consolidation, merger or transfer and, in the case in which a supplemental indenture is entered into, such supplemental indenture, comply with this covenant and that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

(b) Section 5.01(a)(3) and Section 5.01(a)(4) above will not apply to any sale, assignment, transfer, conveyance, lease or other disposition of all or substantially all of the assets or merger or consolidation of the Company with or into a Guarantor and Section 5.01(a)(4) above will not apply to any sale, assignment, transfer, conveyance, lease or other disposition of all or substantially all of the assets or merger or consolidation of the Company with or into an Affiliate solely for the purpose of reincorporating the Company in another jurisdiction for tax reasons.

Section 5.02 *Successor Corporation Substituted.*

Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the properties or assets of the Company in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof, the successor Person formed by such consolidation or into or with which the Company is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, assignment, transfer, lease, conveyance or other disposition, the provisions of this Indenture referring to the "Company" shall refer instead to the successor Person and not to the Company), and may exercise every right and power of the Company under this Indenture with the same effect as if such successor Person had been named as the Company herein; *provided, however*, that the predecessor Company shall not be relieved from the obligation to pay the principal of, premium on, if any, and interest and Additional Amounts, if any, on, the Notes except in the case of a sale of all of the Company's assets in a transaction that is subject to, and that complies with the provisions of, Section 5.01 hereof.

ARTICLE 6.
DEFAULTS AND REMEDIES

(b) results in the acceleration of such Indebtedness prior to its express maturity, and, in each case, the principal amount of any such Indebtedness that is due and has not been paid, together with the principal amount of any other such Indebtedness that is due and has not been paid or the maturity of which has been so accelerated, aggregates $25.0 million or more;

If any other Event of Default occurs and is continuing, the Trustee may, or the Holders of at least 25% in aggregate principal amount of the then outstanding Notes may and the Trustee shall, if so directed by the Holders of at least 25% in aggregate principal amount of the then outstanding Notes, declare all the Notes to be due and payable immediately. Upon the effectiveness of such declaration, the principal, interest, premium, if any, and any Additional Amounts on the Notes shall be due and payable immediately.

The Holders of a majority in aggregate principal amount of the then outstanding Notes by written notice to the Trustee may on behalf of all of the Holders of all of the Notes rescind an acceleration and its consequences (except nonpayment of principal, interest or premium, if any, or any Additional Amounts that has become due solely because of the acceleration).

Section 6.03 *Other Remedies.*

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal of, premium on, if any, or interest or Additional Amounts, if any, on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04 *Waiver of Past Defaults and Rescission of Acceleration.*

(a) The Holders of not less than a majority in aggregate principal amount of the Notes outstanding by written notice to the Trustee may, on behalf of the Holders of all outstanding Notes, waive any existing Default or Event of Default and its consequences under this Indenture, except a continuing Default or Event of Default:

(b) Upon any such waiver, such Default shall cease to exist and any Event of Default arising therefrom shall be deemed to have been cured for every purpose under this Indenture, but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

Section 6.05 *Control by Majority.*

Holders of a majority in aggregate principal amount of the then outstanding Notes may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or exercising any trust or power conferred on the Trustee. However, the Trustee may refuse to follow any direction that conflicts with applicable law or this Indenture, that the Trustee determines may be unduly prejudicial to the rights of other Holders of the Notes (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not any such directions are unduly prejudicial to such Holders) or that may involve the Trustee in personal liability.

Section 6.06 *Limitation on Suits.*

No Holder may pursue any remedy with respect to this Indenture or the Notes unless:

(1) such Holder has previously given the Trustee written notice that an Event of Default is continuing;

(2) Holders of at least 25% in aggregate principal amount of the then outstanding Notes make a written request to the Trustee to pursue the remedy;

(3) such Holder or Holders have offered and, if requested, provided to the Trustee reasonable security or indemnity satisfactory to it in its sole discretion against any loss, liability or expense;

(4) the Trustee does not comply with such request within 60 days after receipt of the request and the offer of security or indemnity; and

(5) Holders of a majority in aggregate principal amount of the then outstanding Notes have not given the Trustee a direction inconsistent with such request within such 60-day period.

A Holder may not use this Indenture to prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07 *Rights of Holders of Notes to Receive Payment.*

Notwithstanding any other provision of this Indenture, the contractual right expressly set forth in this Indenture and the Notes of any Holder to receive payment of principal of, premium on, if any, or interest or Additional Amounts, if any, on any Note, on or after the respective due dates expressed in the Note (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be changed without the consent of such Holder. For the avoidance of doubt, no amendment to, or deletion of, Sections 4.02 through 4.21, inclusive, hereof, shall be deemed to change any Holder's right to receive payments of principal of, premium on, if any, or interest of Additional Amounts, if any, on the Notes.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in Section 6.01(1) or (2) hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company for the whole amount of principal of, premium on, if any, and interest and Additional Amounts, if any, remaining unpaid on the Notes and interest on overdue principal and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders of the Notes allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10 *Priorities.*

If the Trustee collects any money pursuant to this Article 6 or, after an Event of Default, any money or other property is distributable in respect of the Company's obligations under this Indenture, such money or property shall be paid in the following order:

First: to the Trustee (including any predecessor trustee), its agents and attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders of Notes for amounts due and unpaid on the Notes for principal, premium, if any, and interest and Additional Amounts, if any, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest and Additional Amounts, if any, respectively; and

Third: to the Company or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders of Notes pursuant to this Section 6.10.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in aggregate principal amount of the then outstanding Notes.

ARTICLE 7.
TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee will be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to

be furnished to the Trustee, the Trustee will be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts, statements, opinions or conclusions stated therein).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of paragraphs (b) and (e) of this Section 7.01;

(2) the Trustee will not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee will not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to this Section 7.01.

(e) No provision of this Indenture will require the Trustee to expend or risk its own funds or incur any liability. The Trustee will be under no obligation to exercise any of its rights or powers under this Indenture at the request of any Holders, unless such Holders have offered to the Trustee indemnity or security satisfactory to it in its sole discretion against any loss, liability or expense.

(f) The Trustee will not be liable for interest on, or to invest, any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.

Section 7.02 *Rights of Trustee.*

(a) The Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee need not investigate any fact or matter stated in the document.

(b) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel or both and the Trustee may conclusively rely upon such Officer's Certificate or Opinion of Counsel. The Trustee will not be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee may consult with counsel and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through its attorneys and agents and the Trustee will not be responsible for the misconduct or negligence of any agent or attorney appointed with due care by it hereunder.

(d) The Trustee will not be liable for any action it takes, suffers or omits to take in good faith that it believes to be authorized or within the discretion or rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Company will be sufficient if signed by an Officer of the Company.

(f) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders have offered to the Trustee indemnity and security satisfactory to the Trustee against the losses, liabilities and expenses that might be incurred by it in compliance with such request or direction.

(g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, approval, appraisal, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(h) The Trustee shall not be deemed to have notice or be charged with knowledge of any Default or Event of Default unless written notice of such Default or Event of Default from the Company or any Holder is received by a Responsible Officer of the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture. In the absence of receipt of such notice, the Trustee may conclusively assume that there is no Default or Event of Default.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(j) The Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which certificate may be signed by any person authorized to sign an Officer's Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(k) Anything in this Indenture notwithstanding, in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to loss of profit), even if the Trustee has been advised as to the likelihood of such loss or damage and regardless of the form of action.

(l) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its control, including, without limitation, any provision of any law or regulation or any act of any governmental authority, acts of God; earthquakes; fire; flood; terrorism; wars and other military disturbances; sabotage; epidemics; riots; interruptions; loss or malfunctions of utilities, computer (hardware or software) or communication services; accidents; labor disputes; acts of civil or military authority and governmental action.

(m) The permissive right of the Trustee to take or refrain from taking action hereunder shall not be construed as a duty.

Section 7.03 *Individual Rights of Trustee.*

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest it must eliminate such conflict within 90 days or resign. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

Section 7.04 *Trustee's Disclaimer.*

The Trustee will not be responsible for and makes no representation as to the validity, sufficiency or adequacy of this Indenture or the Notes, it shall not be accountable for the Company's use of the proceeds from the Notes or any money paid to the Company or upon the Company's direction under any provision of this Indenture, it will not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, and it will not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication. The Trustee shall not be responsible to make any calculation with respect to any matter under this Indenture. The Trustee shall have no duty to monitor or investigate the Company's compliance with or the breach of, or cause to be performed or observed, any representation, warranty or covenant made in this Indenture.

No provision of this Indenture shall be deemed to impose any duty or obligation on the Trustee to perform any act or acts, receive or obtain any interest in property or exercise any interest in property, or exercise any right, power, duty or obligation conferred or imposed on it in any jurisdiction in which it shall be illegal, or in which, as a result thereof, the Trustee shall become subject to taxation or other consequents that, in the sole determination of the Trustee, are adverse to the Trustee, or in which the Trustee shall be unqualified or incompetent in accordance with applicable law, to perform any such act or acts, to receive or obtain any such interest in property or to exercise any such right, power, duty or obligation.

The Trustee, in each of its capacities, including without limitation, as Trustee, Paying Agent and Registrar, assumes no responsibility for the accuracy or completeness of the information concerning it or its affiliates or any other party contained in the Offering Memorandum or any of the related documents or for any failure by it or any other party to disclose events that may have occurred and may affect the significance or accuracy of such information.

Section 7.05 *Notice of Defaults.*

The Company shall deliver written notice to the Trustee within 30 days of becoming aware of the occurrence of a Default or an Event of Default. If a Default or Event of Default occurs and is continuing and if it is known to the Trustee, the Trustee will mail to Holders of Notes a notice of the Default or Event of Default within 90 days after it occurs. Except in the case of a Default or Event of Default in payment of principal of, premium on, if any, or interest or Additional Amounts, if any, on, any Note, the Trustee may withhold the notice if and so long as a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Notes.

Section 7.06 *[Reserved]*.

Section 7.07 *Compensation and Indemnity.*

(a) The Company will pay to the Trustee from time to time reasonable compensation for its acceptance of this Indenture and services hereunder. The Trustee's compensation will not be limited by any law on compensation of a trustee of an express trust. The Company will reimburse the Trustee promptly upon request for all reasonable disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses will include the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

(b) The Company and the Guarantors, jointly and severally, will indemnify the Trustee against any and all losses, liabilities or expenses (including taxes (other than taxes based upon, measured by or determined by the income of the Trustee)) incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses of enforcing this Indenture against the Company and the Guarantors (including this Section 7.07) and defending itself against any claim (whether asserted by the Company, the Guarantors, any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder, except to the extent any such loss, liability or expense may be attributable to its negligence or willful misconduct. The Trustee will notify the Company promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Company will not relieve the Company or any of the Guarantors of their obligations hereunder. The Company or such Guarantor will defend the claim and the Trustee will cooperate in the defense. The Trustee may have separate counsel and the Company will pay the reasonable fees and expenses of such counsel. Neither the Company nor any Guarantor need pay for any settlement made without its consent, which consent will not be unreasonably withheld.

(c) The obligations of the Company and the Guarantors under this Section 7.07 will survive the satisfaction and discharge of this Indenture, the resignation or removal of the Trustee and the termination for any reason of this Indenture.

(d) To secure the Company's and the Guarantors' payment obligations in this Section 7.07, the Trustee will have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal of, premium on, if any, or interest or Additional Amounts, if any, on, particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture, the resignation or removal of the Trustee and the termination for any reason of this Indenture.

(e) Without prejudice to its rights hereunder, when the Trustee incurs expenses or renders services after an Event of Default specified in clause (8) or (9) of Section 6.01 hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law or similar law.

(f) "Trustee" for purposes of this Section 7.07 shall include any predecessor Trustee; *provided, however,* that the negligence, willful misconduct or bad faith of any Trustee hereunder shall not affect the rights of any other Trustee hereunder.

Section 7.08 *Replacement of Trustee.*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

(b) The Trustee may resign in writing at any time and be discharged from the trust hereby created by so notifying the Company. The Holders of a majority in aggregate principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Company in writing. The Company may remove the Trustee if:

(1) the Trustee fails to comply with Section 7.10 hereof;

(2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(3) a custodian or public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company will promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in aggregate principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

(d) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company, or the Holders of at least 10% in aggregate principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee will deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Thereupon, the resignation or removal of the retiring Trustee will become effective, and the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee will mail a notice of its succession to Holders. The retiring Trustee will promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.07 hereof. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Company's obligations under Section 7.07 hereof will continue for the benefit of the retiring Trustee.

Section 7.09 *Successor Trustee by Merger, etc.*

If the Trustee consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another Person, the successor Person without any further act will be the successor Trustee.

Section 7.10 *Eligibility; Disqualification.*

There will at all times be a Trustee hereunder that is a Person organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least $100.0 million as set forth in its most recent published annual report of condition.

If the Trustee acquires any conflicting interest, it must eliminate such conflict within 90 days or resign as Trustee. For the purposes of this Indenture, the Trustee shall be deemed to have acquired a conflicting interest within the meaning of TIA §310(b).

This Indenture will always have a Trustee who satisfies the requirements of TIA §310(a)(1), (2) and (5). The Trustee is subject to TIA §310(b).

Section 7.11 *Preferential Collection of Claims Against Company*.

The Trustee is subject to TIA §311(a), excluding any creditor relationship listed in TIA §311(b). A Trustee who has resigned or been removed shall be subject to TIA §311(a) to the extent indicated therein.

Section 7.12 *Appointment of Co-Trustees and Separate Trustee.*

(a) Notwithstanding any other provisions of this Indenture, at any time for the purpose of meeting any legal requirement of any jurisdiction, or if the Trustee is unable or unwilling to execute any documents or take any other action under the Indenture in any jurisdiction, unless otherwise instructed by Holders of at least 25% in aggregate principal amount of the Notes then outstanding, the Trustee shall have the power to appoint, and may execute and deliver any and all instruments necessary for the appointment of, one or more Persons to act as a co-trustee or co-trustees with the Trustee, or separate trustee or separate trustees, and to vest in such Person or Persons, in such capacity and for the benefit of the Holders, subject to the other provisions of this Section, such powers, duties, obligations, rights and trusts as the Trustee may consider necessary or desirable and as are set forth in such instrument. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 7.10 hereof and no notice to Holders of the appointment of any co-trustee or separate trustee shall be required hereunder. Should any written instrument or instruments from the Company or any Guarantor be required by a co-trustee or separate trustee so appointed to more fully confirm to such co-trustee or separate trustee such powers, duties, obligations, rights and trusts, and any all instruments shall on request, be executed.

(b) Every separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(1) all rights, powers, duties and obligations conferred or imposed upon the Trustee shall be conferred or imposed upon and exercised or performed by the Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Trustee joining in such act), except to the extent that the instrument of appointment provides that under any law of any jurisdiction in which any particular act or acts are to be performed the Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Trustee or as otherwise provided in the instrument of appointment;

(2) the Trustee shall not be personally liable by reason of any act or omission of any co-trustee or separate trustee hereunder. No co-trustee hereunder shall be personally liable by reason of any act or omission of the Trustee, any separate trustee or any other co-trustee hereunder. No separate trustee hereunder shall be personally liable by reason of any act or omission of the Trustee, any co-trustee or any other separate trustee hereunder;

(3) the Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

(c) Any notice, request or other writing given to the Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article 7. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Trustee or separately, as may be provided therein, subject to all the provisions of this Indenture, specifically including every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection or rights (including the rights to compensation, reimbursement and indemnification hereunder) to, the Trustee. Every such instrument shall be filed with the Trustee.

(d) Any separate trustee or co-trustee may at any time constitute the Trustee its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of his, her or its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Trustee, to the extent permitted by law, without appointment of a new or successor trustee.

ARTICLE 8.
LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01 *Option to Effect Legal Defeasance or Covenant Defeasance.*

The Company may at any time, at the option of its Board of Directors evidenced by a resolution set forth in an Officer's Certificate, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the conditions set forth below in this Article 8.

Section 8.02 *Legal Defeasance and Discharge.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes (including the Note Guarantees) on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*"). For this purpose, Legal Defeasance means that the Company and the Guarantors will be deemed to have paid and discharged the entire Indebtedness represented by the outstanding Notes (including the Note Guarantees), which will thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (1) and (2) below, and to have satisfied all their other obligations under such Notes, the Note Guarantees and this Indenture (and the Trustee, on demand of and at the expense of the Company, shall execute proper instruments acknowledging the same), except for the following provisions which will survive until otherwise terminated or discharged hereunder:

(1) the rights of Holders of outstanding Notes to receive payments in respect of the principal of, or interest (including Additional Amounts) or premium, if any, on, such Notes when such payments are due from the trust referred to below;

(2) the Company's obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;

(3) the rights, powers, trusts, duties and immunities of the Trustee, and the Company's and the Guarantors' obligations in connection therewith; and

(4) this Article 8.

Subject to compliance with this Article 8, the Company may exercise its option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03 hereof.

Section 8.03 *Covenant Defeasance.*

Upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Company and each of the Guarantors will, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, be released from each of their obligations under the covenants contained in Sections 4.07, 4.08, 4.09, 4.10, 4.11, 4.12, 4.13, 4.15, 4.16, 4.17, 4.18, 4.20 hereof and clause (4) of Section 5.01 hereof with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*"), and the Notes will thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but will continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes will not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes and Note Guarantees, the Company and the Guarantors may omit to comply with and will have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply will not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes and Note Guarantees will be unaffected thereby. In addition, upon the Company's exercise under Section 8.01 hereof of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, Sections 6.01(a)(3), (4), (5), (6) and (7) hereof will not constitute Events of Default.

Section 8.04 *Conditions to Legal or Covenant Defeasance.*

In order to exercise either Legal Defeasance or Covenant Defeasance under either Section 8.02 or 8.03 hereof:

(a) the Company must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the Notes, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient (and in the case of non-callable Government Securities, as will be sufficient in the opinion, certificate or letter of a nationally recognized investment bank, appraisal firm or firm of independent public accountants) without consideration of any reinvestment of interest to pay the principal of, or interest (including Additional Amounts and premium, if any) on the outstanding Notes on the stated date for payment thereof or on the applicable redemption date, as the case may be, and the Company must specify whether the Notes are being defeased to such stated date for payment or to a particular redemption date;

(b) in the case of an election under Section 8.02 hereof, the Company must deliver to the Trustee:

(1) an Opinion of Counsel from United States counsel, which counsel is reasonably acceptable to the Trustee, confirming that (i) the Company has received from, or there has been published by, the U.S. Internal Revenue Service a ruling or (ii) since the Issue Date, there has been a change in the applicable U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel will confirm that, the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred; and

(2) an Opinion of Counsel from counsel in the jurisdiction of incorporation of the Company, which counsel is reasonably acceptable to the Trustee, to the effect that the Holders of the Notes will not recognize income, gain or loss for tax purposes of such jurisdiction as a result of such deposit and defeasance and will be subject to tax in such jurisdiction on the same amounts and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(c) in the case of an election under Section 8.03 hereof, the Company must deliver to the Trustee:

(1) an Opinion of Counsel from United States counsel, which counsel is reasonably acceptable to the Trustee, confirming that the Holders of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred; and

(2) an Opinion of Counsel from counsel in the jurisdiction of incorporation of the Company, which counsel is reasonably acceptable to the Trustee, to the effect that the Holders of the Notes will not recognize income, gain or loss for tax purposes of such jurisdiction as a result of such deposit and defeasance and will be subject to tax in such jurisdiction on the same amounts and in the same manner and at the same times as would have been the case if such deposit and defeasance had not occurred;

(d) no Default or Event of Default has occurred and is continuing on the date of such deposit (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit (and any similar concurrent deposit relating to other Indebtedness), and the granting of Liens to secure such borrowings);

(e) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture and the agreements governing any other Indebtedness being defeased, discharged or replaced) to which the Company or any of the Guarantors is a party or by which the Company or any of the Guarantors is bound;

(f) the Company must deliver to the Trustee an Officer's Certificate stating that the deposit was not made by the Company with the intent of preferring the Holders of Notes over the other creditors of the Company with the intent of defeating, hindering, delaying or defrauding any creditors of the Company or others; and

(g) the Company must deliver to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to the Legal Defeasance or the Covenant Defeasance have been complied with.

Section 8.05 *Deposited Money and Government Securities to be Held in Trust; Other Miscellaneous Provisions.*

Subject to Section 8.06 hereof, all money and non-callable Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the "*Trustee*") pursuant to Section 8.04 hereof in respect of the outstanding Notes will be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest and Additional Amounts, if any, but such money need not be segregated from other funds except to the extent required by law.

The Company will pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or non-callable Government Securities deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Notwithstanding anything in this Article 8 to the contrary, the Trustee will deliver or pay to the Company from time to time upon the request of the Company any money or non-callable Government Securities held by it as provided in Section 8.04 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(1) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06 *Repayment to Company.*

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of, premium on, if any, or interest or Additional Amounts, if any, on any Note and remaining unclaimed for two years after such principal, premium, if any, or interest or Additional Amounts, if any, has become due and payable shall be paid to the Company on its request or (if then held by the Company) will be discharged from such trust; and the Holder of such Note will thereafter be permitted to look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, will thereupon cease; *provided, however*, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in the New York Times and The Wall Street Journal (national edition), notice that such money remains unclaimed and that, after a date specified therein, which will not be less than 30 days from the date of such notification or publication, any unclaimed balance of such money then remaining will be repaid to the Company.

Section 8.07 *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any U.S. dollars or non-callable Government Securities in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's and the Guarantors' obligations under this Indenture and the Notes and the Note Guarantees will be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Company makes any payment of principal of, premium on, if any, or interest or Additional Amounts, if any, on, any Note following the reinstatement of its obligations, the Company will be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9.
AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01 *Without Consent of Holders of Notes.*

(a) Notwithstanding Section 9.02 of this Indenture, without the consent of any Holder, the Company, the Guarantors and the Trustee may amend or supplement this Indenture, the Notes or the Note Guarantees:

(1) to cure any ambiguity, mistake, defect or inconsistency;

(2) to provide for uncertificated Notes in addition to or in place of certificated Notes (*provided* that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code);

(3) to provide for the assumption of the Company's or a Guarantor's obligations to the Holders of the Notes and Note Guarantees by a successor to the Company or such Guarantor pursuant to Article 5 or Article 10 hereof;

(4) to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under this Indenture of any such Holder in any material respect;

(5) to conform the text of this Indenture, the Notes, or the Note Guarantees to any provision of the "Description of Notes" section of the Offering Memorandum to the extent that such provision in that "Description of Notes" was intended to be a verbatim recitation of a provision of this Indenture, the Notes or the Note Guarantees, which intent may be evidenced by an Officer's Certificate to that effect;

(6) to release any Note Guarantee in accordance with the terms of this Indenture;

(7) to provide for the issuance of Additional Notes in accordance with the limitations set forth in this Indenture as of the Issue Date;

(8) to allow any Guarantor to execute a supplemental indenture and a Note Guarantee with respect to the Notes;

(9) to comply with requirements of the Commission in order to effect or maintain the qualification of the Indenture under the TIA (if the Indenture in the future is so qualified under the TIA); or

(10) to evidence and provide the acceptance of the appointment of a successor Trustee under this Indenture.

(b) Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee will join with the Company and the Guarantors in the execution of any amended or supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee will not be obligated to enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise.

In connection with any proposed amendment or supplement provided for in this Section 9.01, the Trustee will be entitled to receive, and rely conclusively on, an Opinion of Counsel and/or an Officer's Certificate, each stating that such amendment or supplement is authorized or permitted by the terms of the Indenture, the Notes and the Note Guarantees, as applicable, and that all conditions precedent provided in the Indenture, the Notes and the Note Guarantees, as applicable, relating to the execution and delivery of such amendment have been complied with. Notwithstanding the foregoing, the Trustee shall not have any obligation to enter into any amendment, waiver, supplement or other modification that affects its own rights, protections, duties, indemnities or immunities under the Indenture or any other agreement.

Section 9.02 *With Consent of Holders of Notes.*

(a) Except as provided below in this Section 9.02, the Company, the Guarantors and the Trustee may amend or supplement this Indenture (including, without limitation, Sections 3.09, 4.10 and 4.15 hereof) and the Notes and the Note Guarantees with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium on, if any, or interest or Additional Amounts, if any, on, the Notes, except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of this Indenture or the Notes or the Note Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class (including, without limitation, consents obtained in connection with a tender offer or exchange offer for, or purchase of, the Notes). Section 2.08 hereof shall determine which Notes are considered to be "outstanding" for purposes of this Section 9.02.

(b) Upon the request of the Company accompanied by a resolution of its Board of Directors authorizing the execution of any such amended or supplemental indenture, and upon the delivering to the Trustee of evidence satisfactory to the Trustee of the consent of the Holders of Notes as aforesaid, and upon receipt by the Trustee of the documents described in Section 7.02 hereof, the Trustee will join with the Company and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture directly affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but will not be obligated to, enter into such amended or supplemental Indenture.

The consent of the Holders under this Section 9.02 is not necessary to approve the particular form of any proposed amendment, waiver or consent. It is sufficient if such consent approves the substance of the proposed amendment, waiver or consent.

(c) After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Company will send to the Holders of Notes affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Company to send such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes then outstanding voting as a single class may waive compliance in a particular instance by the Company with any provision of this Indenture, the Notes or the Note Guarantees. However, without the consent of each Holder affected, an amendment, supplement or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

(1) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;

(2) reduce the principal of or change the fixed maturity of any Note or alter the provisions with respect to the redemption of the Notes (except as provided above with respect to Sections 3.09, 4.10 and 4.15 hereof or the notice period for a redemption);

(3) reduce the rate of or change the time for payment of interest, including default interest, on any Note;

(4) make any change to the contractual right expressly set forth in this Indenture or the Notes of any Holder to institute suit for the enforcement of any payment on or with respect to such Holder's Notes or any Note Guarantee in respect thereof on or after the due dates therefor;

(5) waive a Default or Event of Default in the payment of principal of, or interest, Additional Amounts or premium, if any, on, the Notes (except a rescission of acceleration of the Notes by the Holders of at least a majority in aggregate principal amount of the then outstanding Notes and a waiver of the payment default that resulted from such acceleration);

(6) make any Note payable in money other than that stated in the Notes;

(7) make any change in the provisions of this Indenture relating to waivers of past Defaults or to the contractual right expressly set forth in this Indenture or the Notes of any Holder of Notes to receive payments of principal of, or interest, Additional Amounts or premium, if any, on, the Notes on or after the due date therefor;

(8) waive a redemption payment with respect to any Note (other than a payment required by Sections 3.09, 4.10 or Section 4.15 hereof);

(9) release any Guarantor from any of its obligations under its Note Guarantee or this Indenture, except in accordance with the terms of this Indenture; or

(10) make any change in the preceding amendment and waiver provisions.

Section 9.03 *[Reserved]*

Section 9.04 *Revocation and Effect of Consents.*

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder is a continuing consent by the Holder and every subsequent Holder or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder or subsequent Holder may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

Section 9.05 *Notation on or Exchange of Notes.*

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note will not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06 *Trustee to Sign Amendments, etc.*

The Trustee will sign any amended or supplemental indenture authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. The Company may not sign an amended or supplemental indenture until the Board of Directors

of the Company approves it. In executing any amended or supplemental indenture, the Trustee will be entitled to receive and (subject to Section 7.01 hereof) will be fully protected in relying upon, in addition to the documents required by Section 12.04 hereof, an Officer's Certificate and an Opinion of Counsel stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture.

ARTICLE 10.
NOTE GUARANTEES

Section 10.01 *Guarantee.*

(a) Subject to this Article 10, each of the Guarantors hereby, jointly and severally, unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the obligations of the Company hereunder or thereunder, that:

(1) the principal of, premium, if any, on, and interest and Additional Amounts, if any, on, the Notes will be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of, premium, if any, on and interest and Additional Amounts, if any, on the Notes (to the extent permitted by law) and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder will be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and

(2) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise.

Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Guarantors will be jointly and severally obligated to pay the same immediately. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

(b) Each Guarantor hereby agrees that its obligations hereunder are unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor. Each Guarantor hereby waives diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company, protest, notice and all demands whatsoever and covenant that this Note Guarantee will not be discharged except by complete performance of the obligations contained in the Notes and this Indenture.

(c) If any Holder or the Trustee is required by any court or otherwise to return to or for the benefit of the Company, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or the Guarantors, any amount paid by either the Company or the Guarantors to the Trustee or such Holder, this Note Guarantee, to the extent theretofore discharged, will be reinstated in full force and effect.

(d) Each Guarantor agrees that it will not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (1) the maturity of the obligations guaranteed hereby may be accelerated

as provided in Article 6 hereof for the purposes of this Note Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (2) in the event of any declaration of acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) will forthwith become due and payable by the Guarantors for the purpose of this Note Guarantee. The Guarantors will have the right to seek contribution from any non-paying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Note Guarantee.

Section 10.02 *Limitation on Guarantor Liability.*

(a) Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar national, federal, local or state law, a voidable preference, financial assistance or improper corporate benefit or violate the corporate purpose of the relevant Guarantor or any applicable capital maintenance or similar laws or regulations affecting the rights of creditors generally under any applicable law or regulation, in each case, to the extent applicable to any such Note Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of such Guarantor will be limited to the maximum amount that will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Note Guarantee not constituting a fraudulent transfer or conveyance or a voidable preference, financial assistance or improper corporate benefit, or violating the corporate purpose of the relevant Guarantor or any applicable capital maintenance or similar laws or regulations affecting the rights of creditors generally under any applicable law or regulation.

(b) *Limitations for Bermuda Guarantors.* The Note Guarantee of any Guarantor incorporated under Bermuda law shall be limited to the net assets of such Guarantor at the relevant time.

(c) *Limitations for Luxembourg Guarantors*. The Note Guarantee of any Guarantor incorporated under Luxembourg law (hereinafter, a "*Luxembourg Guarantor*") shall be limited to the effect that, without limiting any specific exemptions set out below, no obligations guaranteed by a Luxembourg Guarantor will extend to include any obligation or liability if to do so would be unlawful financial assistance in respect of the acquisition of shares in itself under Article 49-6 of the Luxembourg Law dated August 10, 1915 on commercial companies, as amended, or if to do so would constitute a misuse of corporate assets (*abus des biens sociaux*) as defined at Article 171-1 of the Luxembourg Law dated August 10, 1915 on commercial companies, as amended.

Notwithstanding any other provision in this Indenture, the maximum amount payable by a Luxembourg Guarantor in respect of the obligations guaranteed by such Luxembourg Guarantor shall not, at any time, exceed the greater of: (A) an amount equal to 95 percent of that Luxembourg Guarantor's net assets (*capitaux propres*), existing as at the Issue Date, as shown in its most recently and duly approved financial statements (*comptes annuels*) or, where relevant, in respect of the opening balance sheet for the newly established Luxembourg Guarantors; and (B) an amount equal to 95 percent of that Luxembourg Guarantor's net assets (*capitaux propres*), existing as at the first date upon which the Trustee or a Holder makes written demand upon the relevant Luxembourg Guarantor to make payment in respect of the obligations guaranteed by the Luxembourg Guarantor, as shown in its most recently and duly approved financial statements (*comptes annuels*) or, where relevant, in respect of the opening balance sheet for the newly established Luxembourg Guarantors. For this purpose "net assets (*capitaux propres*)" will be determined in accordance with Article 34 of the Luxembourg Law dated December 19, 2002, as amended, on the Register of Commerce and Companies, on accounting and annual accounts of the companies and amending certain other legal provisions.

The limit in the preceding paragraph will not apply to the extent that the obligations guaranteed by a Luxembourg Guarantor relate to the Luxembourg Guarantor's borrowings and to the Luxembourg Guarantor's Subsidiaries' borrowings or any other liabilities of the relevant Luxembourg Guarantor's
Subsidiaries under this Indenture, the Notes and the Note Guarantee of a Luxembourg Guarantor.

(d) *Limitations for Swiss Guarantors*. The Note Guarantee of any Guarantor incorporated under Swiss law shall be limited as set out hereunder:

If and to the extent that obligations of a Guarantor incorporated in Switzerland (the "*Swiss Guarantor*") under this Indenture or an applicable Note Guarantee, are for the benefit of its direct or indirect Affiliates (other than its direct or indirect wholly owned Subsidiaries) and that complying with such obligations would constitute a repayment of capital (*Einlagerückgewähr*), a violation of the legally protected reserves (*gesetzlich geschützte Reserven*) or the payment of a (constructive) dividend (*Gewinnausschüttung*) by such Swiss Guarantor or would otherwise be restricted under Swiss corporate law then applicable (the "*Restricted Obligations*"), the following provisions shall apply:

The aggregate liability of a Swiss Guarantor for Restricted Obligations under this Indenture or an applicable Note Guarantee shall be limited to the extent and in the maximum amount of its profits and reserves available for distribution to its shareholders at the point in time such Swiss Guarantor's obligations fall due (the "*Available Amount*"), provided that this is a requirement under applicable law at that time and further provided that such limitation (as may apply from time to time or not) shall not (generally or definitively) release such Swiss Guarantor from performing Restricted Obligations hereunder in excess thereof, but merely postpone the performance date therefor until such times as performance is again permitted notwithstanding such limitation.

Immediately after having been requested to perform Restricted Obligations under this Indenture or an applicable Note Guarantee, a Swiss Guarantor shall and any parent company of such Swiss Guarantor shall procure that such Swiss Guarantor will:

(i) if and to the extent requested by the Trustee or required under then applicable Swiss law, provide the Trustee, within 30 business days, with (a) an interim balance sheet audited by its statutory auditors, (b) the determination by the statutory auditors of the Available Amount based on such interim audited balance sheet and (c) a confirmation from the statutory auditors of such Swiss Guarantor that the Available Amount complies with the provisions of Swiss corporate law which are aimed at protecting the share capital and legal reserves;

(ii) take such further corporate and other action which may be necessary at the time (such as board and shareholder approvals and the receipt of any confirmations from its statutory auditors) in order to allow a prompt payment under this Indenture or an applicable Note Guarantee with a minimum of limitations; and/or

(iii) immediately after confirming the Available Amount in accordance with sub-paragraph (i) above, procure that any amounts received or collected by the Trustee under and in connection with Restricted Obligations under this Indenture or an applicable Note Guarantee in excess of the Available Amount shall be retransferred to it as soon as possible and, if not already done so, be paid up to the Available Amount (less, if required, any Swiss Withholding Tax) to the Trustee.

If so required under applicable law (including double tax treaties) in force at the time it is required to perform Restricted Obligations under this Indenture or an applicable Note Guarantee, a Swiss Guarantor shall:

(i) use its best efforts to ensure that any payments under this Indenture or an applicable Note Guarantee can be made without deduction of Swiss Withholding Tax or with deduction of Swiss Withholding Tax at a reduced rate, by discharging the liability to such tax by notification pursuant to applicable law (including tax treaties) rather than payment of the tax;

(ii) if and to the extent required by applicable law in force at the relevant time (including double taxation treaties):

(A) deduct the Swiss Withholding Tax at the rate of 35% (or such other rate as is in force at that time) from any payment under this Indenture or an applicable Note Guarantee;

(B) pay the Swiss Withholding Tax to the tax authorities referred to in Article 34 of the Swiss Federal Law on Withholding Tax (*Bundesgesetz über die Verrechnungssteuer vom 13. Oktober 1965, SR 642.21*) (the "*Swiss Federal Tax Administration*"); and

(C) notify and provide evidence to the Trustee that the Swiss Withholding Tax has been paid to the Swiss Federal Tax Administration.

A Swiss Guarantor shall use its best efforts to ensure that any person which is, as a result of a deduction of Swiss Withholding Tax, entitled to a full or partial refund of the Swiss Withholding Tax, will, as soon as possible after the deduction of the Swiss Withholding Tax, (i) request a refund of the Swiss Withholding Tax under any applicable law (including double tax treaties) and (ii) pay to the Trustee upon receipt any amount so refunded.

(e) For the avoidance of doubt, nothing in this Section 10.02 shall adversely affect the rights of Holders to receive Additional Amounts pursuant to Section 4.01(c) hereof.

Section 10.03 *Execution and Delivery of Note Guarantee.*

To evidence its Note Guarantee set forth in Section 10.01 hereof, each Guarantor hereby agrees that a notation of such Note Guarantee substantially in the form attached as Exhibit E hereto will be endorsed by an Officer or a Director of such Guarantor on each Note authenticated and delivered by the Trustee and that this Indenture will be executed on behalf of such Guarantor by one of its Officers or Directors.

Each Guarantor hereby agrees that its Note Guarantee set forth in Section 10.01 hereof will remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Note Guarantee. If an Officer or a Director whose signature is on this Indenture or on the Note Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Note Guarantee is endorsed, the Note Guarantee will be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, will constitute due delivery of the Note Guarantee set forth in this Indenture on behalf of the Guarantors. The Company shall cause any Restricted Subsidiary so required by Section 4.17 to execute a supplemental indenture in the form of Exhibit F to this Indenture and a notation of Note Guarantees in the form of Exhibit E to this Indenture in accordance with Section 4.17 and this Article 10.

Section 10.04 *Guarantors May Consolidate, etc., on Certain Terms*

(a) A Guarantor (other than a Guarantor whose Note Guarantee is to be released in accordance with the terms of the Note Guarantee and this Indenture as described under this Article 10) will not, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not such Guarantor is the surviving Person), or (2) sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the properties or assets of such Guarantor and its Subsidiaries which are Restricted Subsidiaries taken as a whole, in one or more related transactions, to another Person, unless:

(1) immediately after giving effect to that transaction, no Default or Event of Default is continuing;

(2) either:

(A) the person acquiring the property in any such sale or disposition or the Person formed by or surviving any such consolidation or merger assumes all the obligations of that Guarantor under its Note Guarantee and this Indenture pursuant to a supplemental indenture; or

(B) the Net Proceeds of such sale or other disposition are applied in accordance with the applicable provisions of this Indenture; and

(3) the Company delivers to the Trustee an Officer's Certificate and Opinion of Counsel, in each case, stating that such consolidation, merger or transfer and, in the case in which a supplemental indenture hereinafter referred to is entered into, such supplemental indenture, comply with this covenant and that all conditions precedent provided for in this Indenture relating to such transaction have been complied with.

In case of any such consolidation, merger, sale or conveyance and upon the assumption by the successor Person (if other than the Guarantor), by supplemental indenture, executed and delivered to the Trustee and satisfactory in form to the Trustee, of the Note Guarantee and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Guarantor, such successor Person will succeed to and be substituted for the Guarantor with the same effect as if it had been named herein as a Guarantor. Such successor Person thereupon may cause to be signed any or all of the Note Guarantees to be endorsed upon all of the Notes issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Trustee. All the Note Guarantees so issued will in all respects have the same legal rank and benefit under this Indenture as the Note Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Note Guarantees had been issued at the date of the execution hereof.

Except as set forth in Articles 4 and 5 hereof, and notwithstanding clauses 2(a) and (b) above, nothing contained in this Indenture or in any of the Notes will prevent any consolidation or merger of a Guarantor with or into the Company or another Guarantor, or will prevent any sale or conveyance of the property of a Guarantor as an entirety or substantially as an entirety to the Company or another Guarantor.

Section 10.05 *Note Guarantees Release.*

(a) The Note Guarantee of a Guarantor will automatically be released:

(1) in connection with any sale or other disposition of all or substantially all of the assets of that Guarantor (including by way of merger, consolidation, amalgamation or combination) to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary, if the sale or other disposition does not violate Section 4.10 of this Indenture;

(2) in connection with any sale or other disposition of Capital Stock of that Guarantor to a Person that is not (either before or after giving effect to such transaction) the Company or a Restricted Subsidiary, if the sale or other disposition does not violate Section 4.10 of this Indenture and the Guarantor ceases to be a Restricted Subsidiary as a result of the sale or other disposition;

(3) if the Company designates such Guarantor to be an Unrestricted Subsidiary in accordance with the applicable provisions of this Indenture;

(4) upon repayment in full of the Notes; or

(5) upon legal defeasance, covenant defeasance or satisfaction and discharge of this Indenture as provided in Section 8.02, Section 8.03 and Section 11.01;

provided that, in each case, the Company or such Guarantor has delivered to the Trustee an Officer's Certificate (which may be combined with any other Officer's Certificate required to be delivered pursuant to other provisions referenced in the foregoing clauses) stating that all conditions precedent provided for in this Indenture relating to such release have been complied with.

(b) Any additional Note Guarantee by a Guarantor pursuant to Section 4.17 hereof shall be automatically released when the Indebtedness that caused such Guarantor to enter into the additional Note Guarantee pursuant to Section 4.17 hereof has been fully discharged or no longer Guaranteed.

ARTICLE 11.
SATISFACTION AND DISCHARGE

Section 11.01 *Satisfaction and Discharge.*

(a) This Indenture, and the rights of the Trustee and the holders of the Notes under the Notes and the Note Guarantees, will be discharged and will cease to be of further effect as to all Notes issued hereunder (other than such terms that expressly survive satisfaction and discharge) and all Note Guarantees will be automatically released and discharged, when:

(1) either:

(A) all Notes that have been authenticated, except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has been deposited in trust and thereafter repaid to the Company, have been delivered to the Trustee for cancellation; or

(B) all Notes that have not been delivered to the Trustee for cancellation have become due and payable by reason of sending of a notice of redemption or otherwise or will become due and payable within one year and the Company or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust solely for the benefit of the Holders, cash in U.S. dollars, non-callable Government Securities, or a combination of cash in U.S. dollars and non-callable Government Securities, in amounts as will be sufficient (and in the case of non-callable Government

Securities, as will be sufficient in the opinion, certificate or letter of a nationally recognized investment bank, appraisal firm or firm of independent public accountants) to pay and discharge the entire Indebtedness on the Notes not delivered to the Trustee for cancellation for principal, premium and Additional Amounts, if any, and accrued interest to but not including the date of maturity or redemption;

(2) the Company or any Guarantor has paid or caused to be paid all sums payable by it under this Indenture; and

(3) the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the redemption date, as the case may be.

In addition, in the case of a discharge pursuant to clause Section 11.01(a)(1)(A) above, the Company must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been complied with; *provided* that any such counsel may rely on any Officer's Certificate as to matters of fact (including as to compliance with the foregoing clauses (1), (2) and (3)).

Notwithstanding the satisfaction and discharge of this Indenture, if money has been deposited with the Trustee pursuant to subclause (b) of clause (1) of this Section 11.01, the provisions of Sections 11.02 and 8.06 hereof will and Additional Amounts, if any, survive. In addition, nothing in this Section 11.01 will be deemed to discharge those provisions of Section 7.07 hereof, that, by their terms, survive the satisfaction and discharge of this Indenture.

Section 11.02 *Application of Trust Money.*

Subject to the provisions of Section 8.06 hereof, all money deposited with the Trustee pursuant to Section 11.01 hereof shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal, premium, if any, and interest and Additional Amounts, if any, for whose payment such money has been deposited with the Trustee; but such money need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or Government Securities in accordance with Section 11.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01 hereof; *provided* that if the Company has made any payment of principal of, premium on, if any, or interest or Additional Amounts, if any, on, any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or Government Securities held by the Trustee or Paying Agent.

(4) a statement as to whether or not, in the opinion of such Person, such condition or covenant has been satisfied.

Section 12.06 *Rules by Trustee and Agents.*

The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

Section 12.07 *No Personal Liability of Directors, Officers, Employees and Stockholders.*

No director, officer, employee, incorporator or stockholder of the Company or any Guarantor, as such, will have any liability for any obligations of the Company or the Guarantors under the Notes, this Indenture or the Note Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes. The waiver may not be effective to waive liabilities under the federal securities laws.

Section 12.08 *Governing Law; Waiver of Trial by Jury.*

THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THIS INDENTURE, THE NOTES AND THE NOTE GUARANTEES.

EACH OF THE COMPANY, THE GUARANTORS AND THE TRUSTEE, AND EACH HOLDER BY ITS ACCEPTANCE OF A NOTE, HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT IT MAY HAVE TO TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

Section 12.09 *Consent to Jurisdiction and Service of Process.*

(a) The Company and each of the Guarantors irrevocably consents and submits, for itself and in respect of any of its assets or property, to the nonexclusive jurisdiction of any court of the State of New York or any United States Federal court sitting, in each case, in the Borough of Manhattan, The City of New York, New York, United States of America, and any appellate court from any thereof in any suit, action or proceeding that may be brought in connection with this Indenture or the Notes, and waives any immunity from the jurisdiction of such courts. The Company and each of the Guarantors irrevocably waives, to the fullest extent permitted by law, any objection to any such suit, action or proceeding that may be brought in such courts whether on the grounds of venue, residence or domicile or on the ground that any such suit, action or proceeding has been brought in an inconvenient forum. The Company and each Guarantor agrees, to the fullest extent that it lawfully may do so, that final judgment in any such suit, action

or proceeding brought in such a court shall be conclusive and binding upon the Company and each such Guarantor, and waives, to the fullest extent permitted by law, any objection to the enforcement by any competent court in the Company's and each such Guarantor's jurisdiction of organization of judgments validly obtained in any such court in New York on the basis of such suit, action or proceeding.

(b) The Company and each of the Guarantors have appointed Corporation Service Company as their authorized agent upon whom process may be served in relation to any proceedings in a state or federal court in the Borough of Manhattan in The City of New York, New York (the "*Authorized Agent*"). Such appointment of the Authorized Agent shall be irrevocable unless and until replaced by an agent acceptable to the Trustee, or any person who controls the Trustee. The Company and each of the Guarantors represent and warrant that the Authorized Agent has agreed to act as said agent for service of process, and the Company and each of the Guarantors agree to take any and all action, including the filing of any and all documents and instruments, that may be necessary to continue such appointment in full force and effect as aforesaid. Service of process upon the Authorized Agent and written notice of such service to the Company and each of the Guarantors shall be deemed, in every respect, effective service of process upon this Indenture. The Company and each of the Guarantors agree that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction.

(c) To the extent that the Company or any of the Guarantors may be entitled, in any jurisdiction in which judicial proceedings may at any time be commenced with respect to or arising out of this Indenture to claim for itself or its revenues, assets or properties immunity (whether by reason of sovereign immunity or otherwise) from suit, from the jurisdiction of any court (including, but not limited to, any court of the United States of America or the State of New York) or from any legal process with respect to itself or its property, from attachment prior to judgment, from set-off, from execution of a judgment, from the grant of injunctive relief, whether prior to or after judgment, or from any other legal process (including, without limitation, in relation to enforcement of any arbitration award), and to the extent that in any such jurisdiction there may be attributed such an immunity (whether or not claimed), the Company or such Guarantor, as applicable, hereby irrevocably agrees not to claim and hereby irrevocably waives such immunity and consents to the grant of any such relief.

Section 12.10 *No Adverse Interpretation of Other Agreements.*

This Indenture may not be used to interpret any other indenture, loan or debt agreement of the Company or its Subsidiaries or of any other Person. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

Section 12.11 *Successors.*

All agreements of the Company in this Indenture and the Notes will bind its successors. All agreements of the Trustee in this Indenture will bind its successors. All agreements of each Guarantor in this Indenture will bind its successors, except as otherwise provided in Section 10.05 hereof.

Section 12.12 *Severability.*

In case any provision in this Indenture or in the Notes is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Section 12.13 *Counterpart Originals.*

The parties may sign any number of copies of this Indenture. Each signed copy will be an original, but all of them together represent the same agreement. The exchange of copies of this Indenture and of signature pages by facsimile or electronic format (*i.e.*, "pdf" or "tif" or any electronic signature complying with the U.S. federal ESIGN Act of 2000) or other electronically imaged transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or electronic format (*i.e.*, "pdf" or "tif" or any electronic signature complying with the U.S. federal ESIGN Act of 2000) or other electronically imaged transmission shall be deemed to be their original signatures for all purposes. Any certificate and any other document delivered in connection with this Indenture relating to the Notes may be signed by or on behalf of the signing party by manual, facsimile or electronic format (i.e., "pdf" or "tif" or any electronic signature complying with the U.S. federal ESIGN Act of 2000) or other electronically imaged transmission.

Section 12.14 *Table of Contents, Headings, etc.*

The Table of Contents, Cross-Reference Table and Headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and will in no way modify or restrict any of the terms or provisions hereof.

Section 12.15 *Judgment Currency*.

Any payment on account of an amount that is payable in U.S. dollars (the "*Required Currency*") which is made to or for the account of any Holder or the Trustee in lawful currency of any other jurisdiction (the "*Judgment Currency*"), whether as a result of any judgment or order or the enforcement thereof or the liquidation of the Company or any Guarantor, shall constitute a discharge of the Company or the Guarantor's obligation under this Indenture and the Notes or Note Guarantee, as the case may be, only to the extent of the amount of the Required Currency which the Holder or the Trustee, as the case may be, could purchase in the London foreign exchange markets with the amount of the Judgment Currency in accordance with normal banking procedures at the rate of exchange prevailing on the first Business Day following receipt of the payment in the Judgment Currency. If the amount of the Required Currency that could be so purchased is less than the amount of the Required Currency originally due to such Holder or the Trustee, as the case may be, the Company and the Guarantors shall indemnify and hold harmless the Holder or the Trustee, as the case may be, from and against all loss or damage arising out of, or as a result of, such deficiency. This indemnity shall constitute an obligation separate and independent from the other obligations contained in this Indenture or the Notes, shall give rise to a separate and independent cause of action, shall apply irrespective of any indulgence granted by any Holder or the Trustee from time to time and shall continue in full force and effect notwithstanding any judgment or order for a liquidated sum in respect of an amount due hereunder or under any judgment or order.

Section 12.16 *FATCA.*

In order to comply with applicable tax laws, rules and regulations (inclusive of directives, guidelines and interpretations promulgated by competent authorities) in effect from time to time ("*Applicable Tax Law*") that a foreign financial institution, issuer, trustee, paying agent, holder or other institution is or has agreed to be subject to related to this Indenture, the Company agrees (i) upon reasonable written request of The Bank of New York Mellon Trust Company, N.A. to use commercially reasonable efforts to provide to The Bank of New York Mellon Trust Company, N.A. sufficient information about holders or other applicable parties and/or transactions (including any modification to the terms of such transactions) so The Bank of New York Mellon Trust Company, N.A. can determine whether it has tax

related obligations under Applicable Tax Law, and (ii) that The Bank of New York Mellon Trust Company, N.A. may, to the extent it is required to do so by law, deduct or withhold income or other similar taxes imposed by Applicable Tax Laws from payments hereunder without any liability therefor. The terms of this Section 12.16 shall survive the termination of this Indenture.

Capitalized terms used herein have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

(1) *INTEREST*. Viking Cruises Ltd, an exempted company incorporated with limited liability organized under the laws of Bermuda (the "*Company*"), promises to pay or cause to be paid interest on the principal amount of this Note at 9.125% per annum from June 30, 2023 until maturity and Additional Amounts, if any. The Company will pay interest, if any, semi-annually in arrears on January 15 and July 15 of each year, or if any such day is not a Business Day, on the next succeeding Business Day (each, an "*Interest Payment Date*"). Interest on the Notes will accrue from the most recent date to which interest has been paid or, if no interest has been paid, from the date of issuance; *provided* that, if this Note is authenticated between a record date referred to on the face hereof and the next succeeding Interest Payment Date, interest shall accrue from such next succeeding Interest Payment Date; *provided, further*, that the first Interest Payment Date shall be January 15, 2024. The Company will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at a rate that is 1% higher than the then applicable interest rate on the Notes to the extent lawful; it will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest and Additional Amounts, if any (without regard to any applicable grace period), at the same rate to the extent lawful.

Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

(2) *METHOD OF PAYMENT*. The Company will pay interest on the Notes (except defaulted interest) and Additional Amounts, if any, to the Persons who are registered Holders of Notes at the close of business on the January 1 or July 1 next preceding the Interest Payment Date, even if such Notes are canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes will be payable as to principal, premium, if any, interest and Additional Amounts, if any, at the office or agency of the Paying Agent and Registrar within the City and State of New York, or, at the option of the Company, payment of interest and Additional Amounts, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of, premium on, if any, interest and Additional Amounts, if any, on, all Global Notes and all other Notes the Holders of which will have provided wire transfer instructions to the Company or the Paying Agent. Such payment will be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

(3) *PAYING AGENT AND REGISTRAR*. Initially, The Bank of New York Mellon Trust Company, N.A., the Trustee under the Indenture, will act as Paying Agent and Registrar. The Company may change the Paying Agent or Registrar without prior notice to the Holders of the Notes. The Company or any of its Subsidiaries may act as Paying Agent or Registrar.

(4) *INDENTURE*. The Company issued the Notes under an Indenture dated as of June 30, 2023 (the "*Indenture*") among the Company, the Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Notes are unsecured obligations of the Company. The Indenture does not limit the aggregate principal amount of Notes that may be issued thereunder.

(5) *ADDITIONAL AMOUNTS.*

(a) All payments made by or on behalf of the Company or any of the Guarantors under or with respect to the Notes (whether or not in the form of Definitive Registered Notes) or any Note Guarantee will be made free and clear of and without withholding or deduction for, or on account of, any present or future Taxes unless the withholding or deduction of such Taxes is then required by law. If any deduction or withholding for, or on account of, any Taxes imposed or levied by or on behalf of (i) any jurisdiction in which the Company or any Guarantor (including any successor entity), is then incorporated, engaged in business, organized or resident for tax purposes or any political subdivision or governmental authority thereof or therein or (ii) any jurisdiction from or through which payment is made by or on behalf of the Company or any Guarantor (including, without limitation, the jurisdiction of any Paying Agent) or any political subdivision or governmental authority thereof or therein (each of (i) and (ii), a "*Tax Jurisdiction*"), will at any time be required to be made from any payments under or with respect to the Notes or any Note Guarantee, including, without limitation, payments of principal, redemption price, purchase price, interest or premium, the Company or the relevant Guarantor or other payor, as applicable, will pay such additional amounts (the "*Additional Amounts*") as may be necessary in order that the net amounts received and retained in respect of such payments by each Holder or beneficial owner of Notes (including Additional Amounts) after such withholding, deduction or imposition will equal the respective amounts that would have been received and retained in respect of such payments in the absence of such withholding or deduction; *provided, however,* that no Additional Amounts will be payable with respect to: (i) any Taxes, to the extent such Taxes would not have been imposed but for the Holder or the beneficial owner of the Notes (or a fiduciary, settlor, beneficiary, partner of, member or shareholder of, or possessor of a power over, the relevant Holder, if the relevant Holder is an estate, trust, nominee, partnership, limited liability company or corporation) being a citizen or resident or national of, incorporated in the relevant Tax Jurisdiction in which such Taxes are imposed or having any other present or former connection with the relevant Tax Jurisdiction other than the acquisition or holding of such Notes, the exercise or enforcement of rights under such Note or the Indenture or under a Note Guarantee or the receipt of payments in respect of such Note or a Note Guarantee; (ii) any Taxes, to the extent such Taxes were imposed as a result of the presentation of a Note for payment (where presentation is required) more than 30 days after the relevant payment is first made available for payment to the Holder (except to the extent that the Holder would have been entitled to Additional Amounts had the Note been presented on the last day of such 30 day period); (iii) any estate, inheritance, gift, sale, transfer, personal property or similar Taxes; (iv) any Taxes imposed as result of any Note presented for payment (where presentation is required) by or on behalf of a Holder who would have been able to avoid such withholding or deduction by presenting the relevant Note to another Paying Agent in a member state of the European Union; (v) any Taxes payable other than by deduction or withholding from payments under, or with respect to, the Notes or with respect to any Note Guarantee; (vi) any Taxes to the extent such Taxes are imposed or withheld by reason of the failure of the Holder or beneficial owner of Notes, following the Company's reasonable written request addressed to the Holder or beneficial owner at least 60 days before any such withholding or deduction would be payable to the Holder or beneficial owner, to comply with any certification, identification, information or other

reporting requirements, whether required by statute, treaty, regulation or administrative practice of a Tax Jurisdiction, as a precondition to exemption from, or reduction in the rate of deduction or withholding of, Taxes imposed by the Tax Jurisdiction (including, without limitation, a certification that the Holder or beneficial owner is not resident in the Tax Jurisdiction), but in each case, only to the extent the Holder or beneficial owner is legally entitled to provide such certification or documentation; (vii) any Taxes imposed or withheld by reason of the failure of the Holder or beneficial owner of the Notes to comply with the requirements of Sections 1471 through 1474 of the U.S. Internal Revenue Code of 1986, as amended (the "*Code*"), as of the date of the Offering Memorandum (or any amended or successor version that is substantively comparable and not materially more onerous to comply with), the U.S. Treasury Regulations issued thereunder or any official interpretation thereof or any agreement entered into pursuant to Section 1471 of the Code; or (viii) any combination of clauses (i) through (vii) above.

(b) In addition to the foregoing, the Company and the Guarantors will also pay and indemnify the Holder for any present or future stamp, issue, registration, value added, transfer, court or documentary Taxes, or any other excise or property taxes, charges or similar levies (including penalties, interest and any other liabilities related thereto) which are levied by any Tax Jurisdiction on the execution, delivery, issuance, or registration of any of the Notes, the Indenture, any Note Guarantee or any other document referred to therein, or the receipt of any payments with respect thereto, or enforcement of, any of the Notes or any Note Guarantee.

(c) If the Company or any Guarantor, as the case may be, becomes aware that it will be obligated to pay Additional Amounts with respect to any payment under or with respect to the Notes or any Note Guarantee, the Company or the relevant Guarantor, as the case may be, will deliver to the Trustee on a date that is at least 30 days prior to the date of that payment (unless the obligation to pay Additional Amounts arises after the 30th day prior to that payment date, in which case the Company or the relevant Guarantor shall notify the Trustee in writing promptly thereafter) an Officer's Certificate stating the fact that Additional Amounts will be payable and the amount estimated to be so payable. The Officer's Certificates must also set forth any other information reasonably necessary to enable the Paying Agents to pay Additional Amounts to Holders on the relevant payment date. The Company or the relevant Guarantor will provide the Trustee with documentation reasonably satisfactory to the Trustee evidencing the payment of Additional Amounts. The Trustee shall be entitled to rely absolutely on an Officer's Certificate as conclusive proof that such payments are necessary, and may conclusively presume that no payments are necessary unless and until it receives any such Officer's Certificate.

(d) The Company or the relevant Guarantor will make all withholdings and deductions (within the time period and in the minimum amount) required by law and will remit the full amount deducted or withheld to the relevant Tax authority in accordance with applicable law. The Company or the relevant Guarantor will use its reasonable efforts to obtain Tax receipts from each Tax authority evidencing the payment of any Taxes so deducted or withheld. The Company or the relevant Guarantor will furnish to the Trustee (or to a Holder upon request), within 60 days after the date the payment of any Taxes so deducted or withheld is made, certified copies of Tax receipts evidencing payment by the Company or a Guarantor, as the case may be, or if, notwithstanding such entity's efforts to obtain receipts, receipts are not obtained, other evidence of payments (reasonably satisfactory to the Trustee) by such entity.

(e) Whenever in the Indenture or the Notes there is mentioned, in any context, the payment of amounts based upon the principal amount of the Notes or of principal, interest or of any other amount payable under, or with respect to, any of the Notes or any Note Guarantee, such mention shall be deemed to include mention of the payment of Additional Amounts to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(f) The obligations described under Sections 4.01(c), (d), (e) and (f) of the Indenture will survive any termination, defeasance or discharge of the Indenture, any transfer by a Holder or beneficial owner of its Notes, and will apply, *mutatis mutandis*, to any jurisdiction in which any successor Person to the Company or any Guarantor is incorporated, engaged in business for tax purposes or resident for tax purposes or any jurisdiction from or through which such Person makes any payment on the Notes (or any Note Guarantee) and any department or political subdivision or taxing authority or agency thereof or therein having the power to tax.

(6) *OPTIONAL REDEMPTION.*

(a) At any time prior to July 15, 2026, the Company may on any one or more occasions redeem up to 40% of the aggregate principal amount of Notes issued under the Indenture, upon giving not less than 15 nor more than 60 days' written notice (except as provided in Section 3.03 of the Indenture), at a redemption price equal to 109.125% of the principal amount of the Notes redeemed, plus accrued and unpaid interest and Additional Amounts, if any, to but not including the date of redemption (subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant Interest Payment Date), with an amount equal to the net cash proceeds of an Equity Offering; *provided* that:

(i) at least 60% of the aggregate principal amount of the Notes originally issued under the Indenture (excluding Notes held by the Company and its Subsidiaries) remains outstanding immediately after the occurrence of such redemption (except to the extent that all remaining outstanding Notes are substantially concurrently repurchased or redeemed in full, or are to be repurchased or redeemed in full and for which a notice of repurchase or redemption has been issued, in accordance with another provision of the Indenture); and

(ii) the redemption occurs within 90 days of the date of the closing of such Equity Offering.

(b) At any time prior to July 15, 2026, the Company may on any one or more occasions redeem all or a part of the Notes, upon giving not less than 15 nor more than 60 days' written notice (except as provided in Section 3.03 of the Indenture), at a redemption price equal to 100% of the principal amount of the Notes redeemed, plus the Applicable Premium (as calculated by the Company) as of, and accrued and unpaid interest and Additional Amounts, if any, to but not including the date of redemption, subject to the rights of Holders on the relevant record date to receive interest due on the relevant Interest Payment Date.

(c) Except pursuant to paragraph 6(a) and 6(b) and paragraph 10 hereof, the Notes will not be redeemable at the Company's option prior to July 15, 2026.

(d) On or after July 15, 2026, the Company may on any one or more occasions redeem all or a part of the Notes, upon not less than 15 nor more than 60 days' written notice (except as provided in Section 3.03 of the Indenture), at the redemption prices (expressed as percentages of principal amount) set forth below, plus accrued and unpaid interest and Additional Amounts, if any, on the Notes redeemed, to, but not including, the applicable date of redemption, if redeemed during the twelve-month period beginning on July 15 of the years indicated below, subject to the rights of Holders of Notes on the relevant record date to receive interest on the relevant Interest Payment Date:

Year	Redemption Price
2026	104.563%
2027	102.281%
2028 and thereafter	100.000%

Unless the Company defaults in the payment of the redemption price, interest will cease to accrue on the Notes or portions thereof called for redemption on the applicable redemption date.

(7) *MANDATORY REDEMPTION.* The Company is not required to make mandatory redemption payments or sinking fund payments with respect to the Notes.

(8) *REPURCHASE AT THE OPTION OF HOLDER.*

(a) Upon the occurrence of a Change of Control, the Company will be required to make an offer (a "*Change of Control Offer*") to each Holder to repurchase all or any part (equal to $2,000 or an integral multiple of $1,000 in excess thereof) of that Holder's Notes pursuant to a Change of Control Offer on the terms set forth in the Indenture. In the Change of Control Offer, the Company will offer a payment in cash equal to 101% of the aggregate principal amount of Notes repurchased, plus accrued and unpaid interest and Additional Amounts, if any, on the Notes repurchased to but not including the date of purchase (the "*Change of Control Payment*"), subject to the rights of Holders on the relevant record date to receive interest due on the relevant interest payment date. Within 30 days following any Change of Control, the Company will send a notice to each Holder at such Holder's registered address or otherwise deliver a notice in accordance with Section 3.03 of the Indenture, stating that a Change of Control Offer is being made and offering to repurchase Notes on the date (the "*Change of Control Payment Date*") specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed or delivered, pursuant to the procedures required by the Indenture and described in such notice. The Company will comply with the requirements of Rule 14e-1 under the U.S. Exchange Act and any other applicable securities laws and regulations to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of the Indenture, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Indenture by virtue of such compliance.

(b) If the Company or a Restricted Subsidiary of the Company consummates any Asset Sales, within ten Business Days of each date on which the aggregate amount of Excess Proceeds exceeds $40.0 million, the Company will make an offer (an "*Asset Sale Offer*") to all Holders of Notes and may make an offer to all holders of other Indebtedness that is *pari passu* with the Notes or any Note Guarantees with respect to offers to purchase, prepay or redeem with the proceeds of sales of assets to purchase, prepay or redeem the maximum principal amount of Notes and such other *pari passu* Indebtedness (plus all accrued interest on the Indebtedness and the amount of all fees and expenses, including premiums, incurred in connection therewith) that may be purchased, prepaid or redeemed out of the Excess Proceeds. The offer price for the Notes in any Asset Sale Offer will be equal to 100% of the principal amount, plus accrued and unpaid interest and Additional Amounts, if any, to but not including the date of purchase, prepayment or

redemption, subject to the rights of Holders of Notes on the relevant record date to receive interest due on the relevant interest payment date, and will be payable in cash. If any Excess Proceeds remain after consummation of an Asset Sale Offer, the Company may use those Excess Proceeds for any purpose not otherwise prohibited by the Indenture. If the aggregate principal amount of Notes and other *pari passu* Indebtedness tendered into (or to be prepaid or redeemed in connection with) such Asset Sale Offer exceeds the amount of Excess Proceeds, or if the aggregate amount of Notes tendered pursuant to a Notes Offer exceeds the amount of the Net Proceeds so applied, the Trustee will select the Notes and such other *pari passu* Indebtedness, if applicable, to be purchased on a pro rata basis (or in the manner described in Section 3.02 of the Indenture), based on the amounts tendered or required to be prepaid or redeemed. Upon completion of each Asset Sale Offer, the amount of Excess Proceeds will be reset at zero.

(9) *NOTICE OF REDEMPTION*. At least 15 days but not more than 60 days before a redemption date, the Company will send a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be sent more than 60 days prior to a redemption date if the notice is issued in connection with a legal defeasance or covenant defeasance of the Notes or a satisfaction and discharge of the Indenture pursuant to Articles 8 or 11 thereof. Notes and portions of Notes selected will be in amounts of $2,000 or whole multiples of $1,000 in excess thereof; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder shall be redeemed or purchased.

(10) *REDEMPTION FOR CHANGES IN TAXES.*

(a) The Company may redeem the Notes, in whole but not in part, at its discretion at any time upon giving not less than 15 nor more than 60 days' prior notice to the Holders (which notice will be irrevocable and given in accordance with Section 3.03 of the Indenture), at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to but not including the date fixed by the Company for redemption (a "*Tax Redemption Date*") and all Additional Amounts (if any) then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise (subject to the right of Holders on the relevant record date to receive interest due on the relevant interest payment date and Additional Amounts (if any) in respect thereof), if on the next date on which any amount would be payable in respect of the Notes, the Company is or would be required to pay Additional Amounts, and the Company cannot avoid any such payment obligation by taking reasonable measures available (including, for the avoidance of doubt, the appointment of a new Paying Agent but excluding the reincorporation or reorganization of the Company or any Guarantor), and the requirement arises as a result of: (i) any change in, or amendment to, the laws or treaties (or any regulations, or rulings promulgated thereunder) of the relevant Tax Jurisdiction affecting taxation which change or amendment becomes effective on or after the Issue Date (or, if the relevant Tax Jurisdiction has changed since the Issue Date, which change or amendment has not been publicly announced as formally proposed before and becomes effective on or after the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under the Indenture); or (ii) any change in, or amendment to, the existing official published position or the introduction of an official position regarding the application, administration or interpretation of such laws, regulations or rulings (including a holding, judgment or order by a court of competent jurisdiction or a change in published practice), which change, amendment or official position becomes effective on or after the Issue Date (or, if the relevant Tax Jurisdiction has changed since the Issue Date, which change, amendment or official position has not been publicly announced as formally proposed before and becomes effective on or after the date on which the then current Tax Jurisdiction became the applicable Tax Jurisdiction under the Indenture).

(b) In the case of Additional Amounts required to be paid as a result of the Company conducting business other than in the place of its organization, such amendment or change must be announced and become effective on or after the date in which the Company begins to conduct business giving rise to the relevant withholding or deduction.

(c) The Company will not give any such notice of redemption earlier than 60 days prior to the earliest date on which the Company would be obligated to make such payment or withholding if a payment in respect of the Notes were then due and at the time such notice is given, the obligation to pay Additional Amounts must remain in effect. Prior to sending of any notice of redemption of the Notes pursuant to the foregoing, the Company will deliver the Trustee an opinion of independent tax counsel (which counsel shall be reasonably acceptable to the Trustee) to the effect that there has been such change or amendment which would entitle the Company to redeem the Notes hereunder. In addition, before the Company sends notice of redemption of the Notes as described above, it will deliver to the Trustee an Officer's Certificate to the effect that it cannot avoid its obligation to pay Additional Amounts by the Company taking reasonable measures available to it.

(d) Any redemption pursuant to this paragraph 10 shall be made pursuant to the provisions of Sections 3.01 through 3.06 of the Indenture and notice may, in the Company's discretion, be subject to the satisfaction of one or more conditions precedent.

(11) *DENOMINATIONS, TRANSFER, EXCHANGE*. The Notes are in registered form in denominations of $2,000 and integral multiples of $1,000 in excess thereof. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Company need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the next succeeding Interest Payment Date.

(12) *PERSONS DEEMED OWNERS*. The registered Holder may be treated as the owner of it for all purposes. Only registered Holders have rights under the Indenture.

(13) *AMENDMENT, SUPPLEMENT AND WAIVER*. Subject to certain exceptions, the Indenture, the Notes or the Note Guarantees may be amended or supplemented with the consent of the Holders of at least a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class, and any existing Default or Event of Default or compliance with any provision of the Indenture or the Notes or the Note Guarantees may be waived with the consent of the Holders of a majority in aggregate principal amount of the then outstanding Notes (including, without limitation, Additional Notes, if any) voting as a single class. Without the consent of any Holder, the Indenture, the Notes or the Note Guarantees may be amended or supplemented to cure any ambiguity, mistake, defect or inconsistency; to provide for uncertificated Notes in addition to or in place of certificated Notes (*provided* that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code); to provide for the assumption of the Company's or a Guarantor's obligations to Holders of the Notes and Note Guarantees by a successor to the Company or such Guarantor pursuant to Article 5 or Article 10 of the Indenture; to make any change that would provide any additional rights or benefits to the Holders or that does not adversely affect the legal rights under the Indenture of any such Holder in any material respect; to conform the text of the Indenture, the

Notes, or the Note Guarantees to any provision of the "Description of Notes" section of the Offering Memorandum, to the extent that such provision in that "Description of Notes" was intended to be a verbatim recitation of a provision of the Indenture, the Notes, or the Note Guarantees, which intent may be evidenced by an Officer's Certificate to that effect; to release any Note Guarantee in accordance with the terms of the Indenture; to provide for the issuance of Additional Notes in accordance with the limitations set forth in the Indenture as of the Issue Date; to allow any Guarantor to execute a supplemental indenture and a Note Guarantee with respect to the Notes; to comply with the requirements of the Commission in order to effect or maintain the qualification of the Indenture under the TIA; or to evidence and provide the acceptance of the appointment of a successor Trustee under the Indenture.

(14) *DEFAULTS AND REMEDIES.* Events of Default include: (i) default for 30 days in the payment when due of interest or Additional Amounts, if any, with respect to the Notes; (ii) default in the payment when due (at maturity, upon redemption or otherwise) of the principal of, or premium, if any, on, the Notes; (iii) failure by the Company or relevant Guarantor to comply with Section 4.15 or Section 5.01 of the Indenture; (iv) failure by the Company or relevant Guarantor for 60 days after written notice to the Company by the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding voting as a single class to comply with any of the agreements in the Indenture (other than a default in performance, or breach, or a covenant or agreement which is specifically dealt with in clauses (i), (ii) or (iii) above); (v) default under any mortgage, indenture or instrument under which there may be issued or by which there may be secured or evidenced any Indebtedness for money borrowed by the Company or any of its Restricted Subsidiaries (or the payment of which is guaranteed by the Company or any of its Restricted Subsidiaries), whether such Indebtedness or Guarantee now exists, or is created after the Issue Date, if that default: (x) is caused by a failure to pay principal of such Indebtedness prior to the expiration of the grace period provided in such Indebtedness on the date of such default, or (y) results in the acceleration of such Indebtedness prior to its express maturity, and, in each case, the principal amount of any such Indebtedness that is due and has not been paid, together with the principal amount of any other such Indebtedness that is due and has not been paid or the maturity of which has been so accelerated, aggregates $25.0 million or more; (vi) failure by the Company, the Company or any Restricted Subsidiary that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, to pay final judgments entered by a court or courts of competent jurisdiction aggregating in excess of $25.0 million, which judgments shall not have been discharged or waived and there shall have been a period of 60 consecutive days during which a stay of enforcement of such judgment or order, by reason of an appeal, waiver or otherwise, shall not have been in effect; (vii) except as permitted by the Indenture (including with respect to any limitations), any Note Guarantee of a Significant Subsidiary or any group of the Company's Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary is held in any judicial proceeding to be unenforceable or invalid or ceases for any reason to be in full force and effect, or any Guarantor which is a Significant Subsidiary or any group of its Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary, or any Person acting on behalf of any such Guarantor, denies or disaffirms its obligations under its Note Guarantee and such Default continues for 30 days; or (viii) certain events of bankruptcy or insolvency with respect to the Company or any of its Restricted Subsidiaries that is a Significant Subsidiary or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary. The Holders of not less than a majority in aggregate principal amount of the Notes outstanding by notice to the Trustee may, on behalf of the Holders of all outstanding Notes, rescind acceleration or waive any existing Default or Event of Default and its consequences under the Indenture, except a continuing Default or Event of Default: (i) in the payment of the principal or premium, if any, any Additional Amounts or interest on any Note held by a non-consenting Holder (which may only be waived with the consent of each Holder affected), or (ii) for any Note held by a non-consenting Holder, in respect of a covenant or provision which under the Indenture cannot be modified or amended without the consent of the Holder of each Note affected by such modification or amendment. W I T N E S S E T H

ORDINARY SHARES OF

VIKING HOLDINGS LTD

Warrant #OS-1 February 8, 2021

FOR VALUE RECEIVED, Viking Holdings Ltd, an exempted company incorporated with limited liability under the laws of Bermuda, having its registered office at Clarendon House, 2 Church Street, Hamilton, HM 11, Bermuda (the "**Company**"), hereby certifies that Viking Capital Limited, a company incorporated in the Cayman Islands with company number CT-248737 ("**VC**"), or its registered assigns ("**Holder**"), is entitled, subject to the terms and conditions set forth below, to purchase from the Company, during the Exercise Period, up to 167,950 Warrant Shares at a purchase price of US$0.01 per share (the "**Exercise Price**"). The Exercise Price and number of Warrant Shares issuable hereunder are each subject to appropriate adjustment from time to time as set forth herein (the maximum number of Warrant Shares issuable hereunder, as so adjusted, the "**Total Warrant Shares**"). This Warrant is issued in connection with the financing being provided to the Company under the Subscription Agreement.

The following is a statement of the rights of Holder and the conditions to which this Warrant is subject, and to which Holder, by the acceptance of this Warrant, agrees:

1. ***Duration of Warrant***. This Warrant may be exercised pursuant to **Section 2(d)** during the period commencing on the date hereof and terminating at 5:00 p.m., New York City time, on the 10-year anniversary of the date hereof (the "***Exercise Period***").

2. ***Vesting***. The period for vesting of this Warrant (the "**Vesting Period**") shall commence on the date hereof and expire upon the later to occur of (i) 5:00 p.m., New York City time, on the five-year anniversary of the date hereof and (ii) the sale, distribution or other transfer of all Capital Stock in the Company held by the Applicable Investor (which shall include a sale of 100% of the equity of the Applicable Investor by its Affiliates as of the date hereof) to a third party that is not an Affiliate of the Applicable Investor or an investment fund under common management with the Applicable Investor or its Affiliates (and excluding any internal Transfers involving the Applicable Investor and its Affiliates or investment funds under common management, in whatever form). This Warrant shall vest with respect to the Applicable Percentage of the Total Warrant Shares upon the occurrence of any of the following during the Vesting Period:

(a) upon the sale, distribution or other transfer of all Capital Stock in the Company held by

the Applicable Investor (which shall include a sale of 100% of the equity of the Applicable Investor by its Affiliates as of the date hereof) to a third party that is not an Affiliate of the Applicable Investor or an investment fund under common management with the Applicable Investor or its Affiliates (and excluding any internal Transfers involving the Applicable Investor and its Affiliates or investment funds under common management, in whatever form), whether in one or multiple sales, distributions or other transfers, or upon the closing of an Asset Sale, and in each case, whether prior to or following an IPO; or

(b) at any time following an IPO and the expiration of any market stand-off agreement entered into by the Applicable Investor pursuant to Section 2.10 of the Investor Rights Agreement in connection with such IPO (excluding any market stand-off agreement relating to any follow-on offering), if the Warrant Shares shall have achieved the VWAP set forth in **Section 2(c)(ii)** below for at least 20 trading days out of any 30 trading day period.

(c) For the purposes of this Warrant, "**Applicable Percentage**" means:

(i) in the case of vesting under **Section 2(a)**, the percentage set forth in the table below under the heading "Applicable Percentage" corresponding to (A) the average price per share, calculated on an as-converted to Warrant Shares basis, realized by the Applicable Investor on the sale, distribution or other transfer of all Capital Stock in the Company held by the Applicable Investor (in each case, valued based on the proceeds actually received by the Applicable Investor) or upon any distribution of proceeds of or stock, securities or other assets (including cash) in connection with an Asset Sale (the "**Average Per Share Amount**"); *provided* that: (A) if the consideration received by the Applicable Investor is in the form of publicly traded securities, the value of such consideration shall be calculated based on the closing price on the date of receipt by the Applicable Investor; and (B) if such consideration is not cash, cash equivalents or publicly traded securities, then the value of such consideration (the "**Consideration Value**") shall be determined in the manner set forth in **Section 2(e)** (*provided* that, in the case of the foregoing clauses (A) and (B), the average price per share realized by the Applicable Investor shall be increased by an amount equal to the aggregate per share amount by which actual dividends or distributions paid (whether in cash, shares or other property) in respect of the Applicable Investor's shares exceeds the amounts mandatorily payable by the Company under Bye-Law 4.7.2 (any such excess aggregate amount, the "**Per Share Dividend Accrual**," and the sum of (1) the Average Per Share Amount and (2) the Per Share Dividend Accrual, the "**Section 2(a) Vesting Per Share Value**")):

Section 2(a) Vesting Per Share Value	**Applicable Percentage**
US$400 or less per Ordinary Share	0%
Between US$400 and US$600 per Ordinary Share	Such percentage between 0% and 100% as is calculated based on linear interpolation between such numbers (e.g., US$450 would result in an Applicable Percentage of 25%).
US$600 or more per Ordinary Share	100%

(ii) in the case of vesting under **Section 2(b)**, the percentage set forth in the table below under the heading "Applicable Percentage" corresponding to (A) the applicable VWAP achieved

for at least 20 trading days out of any 30 trading day period pursuant to **Section 2(b)** *plus* (B) the Per Share Dividend Accrual (if any) (the sum of (A) and (B), the "**Section 2(b) Vesting Per Share Value**"):

Section 2(b) Vesting Per Share VWAP	Applicable Percentage
VWAP US$400 or less	0%
VWAP between US$400 and US$600	Such percentage between 0% and 100% as is calculated based on linear interpolation between such numbers (e.g., US$450 would result in an Applicable Percentage of 25%).
VWAP US$600 or more	100%

(d) Unless and until the Applicable Percentage is equal to 100%, the Warrant shall remain eligible for continued vesting during the Vesting Period based on the achievement of higher vesting thresholds (either pursuant to **Section 2(a)** or **Section 2(b)**). For the avoidance of doubt, in all cases, the "Applicable Percentage" shall be calculated as a percentage of the Total Warrant Shares as of the Effective Date (subject to the adjustments set forth herein) and not on the basis of the Total Warrant Shares under any Replacement Warrant.

(e) In connection with any determination of Consideration Value, Holder and the Company shall negotiate in good faith to mutually agree upon the Consideration Value. If Holder and the Company cannot agree upon the Consideration Value within twenty (20) Business Days following the event giving rise to the determination of the Consideration Value (the "**Triggering Event**") (or such longer period as Holder and the Company may mutually agree upon), then within ten (10) Business Days of the end of such twenty (20) Business Day period, the Company and Holder shall each select an unaffiliated, independent appraiser who has expertise and experience in the valuation of assets of the relevant type ("**Designated Appraisers**") and shall request each Designated Appraiser to separately determine the Consideration Value as of the date of the applicable Triggering Event as may be agreed between Holder and the Company. The Company and Holder shall provide to the Designated Appraisers such information, including, without limitation, financial and other business information, regarding the Company as may be reasonably requested by either of the Designated Appraisers. Holder and the Company shall use their reasonable best efforts to cause each Designated Appraiser to render a written decision regarding its determination of the Consideration Value within twenty (20) Business Days following the submission thereof. If the Company or Holder fails to designate a Designated Appraiser, then the Consideration Value shall be as determined by the sole Designated Appraiser. If the two values determined by the two Designated Appraisers are within ten percent (10%) of each other, then the Consideration Value shall be deemed to equal the average of such values. If the two values determined by the two Designated Appraisers are not within ten percent (10%) of each other, then the determination of Consideration Value shall be submitted to a third unaffiliated, independent appraiser who has expertise and experience in the valuation of assets of the relevant type (the "**Jointly Selected Appraiser**"), which appraiser shall be selected by mutual agreement of the Company and Holder or by the Designated Appraisers within ten (10) Business Days following the determination of the Consideration Value by both of the Designated Appraisers. If neither the Company and Holder nor the Designated Appraisers can agree upon the Jointly Selected Appraiser, then either party can request that the Jointly Selected Appraiser be selected by the American Arbitration Association. The Jointly Selected Appraiser may use the reports, data and work papers of the Designated Appraisers. The Company and Holder shall use their respective reasonable best

efforts to cause the Jointly Selected Appraiser to render a written decision regarding its determination of the Consideration Value within twenty (20) Business Days following the submission thereof. The Consideration Value as determined by the Jointly Selected Appraiser shall be between the two values of Consideration Value as determined by the Designated Appraisers. The determination of the Consideration Value shall be final and binding upon the Company and Holder, and shall constitute Consideration Value. The fees and expenses of the Designated Appraisers and, if applicable, any fees and expenses of the Jointly Selected Appraiser or the American Arbitration Association, shall be borne by the Company.

3. ***Exercise***.

(a) *Method of Exercis*e. Subject to the terms and conditions of this Warrant, Holder may exercise this Warrant in whole or in part with respect to any Warrant Shares which have vested during the Vesting Period, at any time or from time to time, on any Business Day during the Exercise Period. In order to exercise this Warrant, Holder shall give written notice to the Company, in the form attached hereto as **Exhibit A** (the "**Election Notice**"), duly executed by Holder, of its election to exercise.

(b) *Payment*. Unless Holder elects to net exercise in accordance with **Section 3(e)**, Holder shall, as a condition to any exercise, deliver to the Company by (i) check payable to the Company, (ii) wire transfer of immediately available funds in accordance with the Company's instructions, or (iii) any combination of the foregoing, an amount equal to the product obtained by multiplying the Exercise Price by the number of Warrant Shares set forth under the heading "**Cash Exercise**" on the Election Notice.

(c) *Partial Exercise*. Upon a partial exercise of this Warrant, this Warrant shall be cancelled and replaced with a new Warrant (the "**Replacement Warrant**") on terms identical to those contained in this Warrant, except that the maximum number of Warrant Shares issuable upon exercise shall be equal to the maximum number of Warrant Shares issuable under this Warrant (as stated in the first paragraph set forth above) reduced by (i) the number of Warrant Shares set forth under the heading "**Cash Exercise**" on the Election Notice or (ii) the number of shares calculated pursuant to **Section 3(e)**, as applicable.

(d) *Fractional Shares; Effect of Exercise*.

(i) No fractional shares shall be issued upon exercise of this Warrant. In lieu of the Company issuing any fractional shares to Holder upon the exercise of this Warrant, the Company shall pay to Holder an amount equal to the product obtained by multiplying the Exercise Price by the fraction of a share not issued pursuant to the previous sentence.

(ii) Upon partial exercise of this Warrant and the issuance of the Replacement Warrant, the Company shall be forever released from all its obligations and liabilities under this Warrant and this Warrant shall be deemed of no further force or effect, whether or not the original of this Warrant has been delivered to the Company for cancellation. Upon exercise of this Warrant in full, the Company shall be forever released from all its obligations and liabilities under this Warrant and this Warrant shall be deemed of no further force or effect, whether or not the original of this Warrant has been delivered to the Company for cancellation.

(e) *Net Exercise*. Holder may elect to exercise all or any portion of this Warrant with respect to any Warrant Shares which have vested by net exercise. The number of Warrant Shares to be

issued to a Holder that delivers an Election Form with "**Net Exercise**" selected will be the number of Warrant Shares that is obtained under the following formula, rounded down to the nearest whole share:

$$X = \frac{Y\,(A-B)}{A}$$

where X = the number of Warrant Shares to be issued to Holder;

Y = the number of Warrant Shares set forth under the heading "**Net Exercise**" on the Election Notice;

A = the Fair Market Value of one Warrant Share at the time of such net exercise; and

B = the Exercise Price.

(f) *Issuance of Warrant Shares*. The Company shall, as soon as practicable thereafter and at its cost, issue and register the name of Holder the number of Warrant Shares to which Holder shall be entitled upon such exercise of the Warrant in the Register of Members of the Company and, if applicable, a check payable to Holder for any cash amounts payable as described in **Section 3(d)**. Any exercise of this Warrant shall be deemed to have been made upon the satisfaction of all of the conditions set forth herein, and on and after such date the Person entitled to receive the Warrant Shares issuable upon such exercise shall be treated for all purposes as the record holder of such Warrant Shares.

(g) *Automatic Net Exercise Upon Expiration*. If this Warrant remains outstanding as of the end of the Exercise Period then, at such time, this Warrant shall, with respect to the then-vested portion of the Warrant Shares issuable hereunder, automatically and without any action taken by Holder, (i) in the event that the Fair Market Value of a Warrant Share is greater than the Exercise Price, net exercise in full into Warrant Shares in accordance with **Section 3(e)**, or (ii) in the event that the Fair Market Value of a Warrant Share is less than or equal to the Exercise Price, immediately expire and be of no further force and effect.

4. ***Reservation of Shares***. The Company covenants that at all times during the term this Warrant is exercisable, the Company will have reserved from its authorized and unissued share capital a sufficient number of Warrant Shares to provide for the issuance of Warrant Shares upon the exercise of this Warrant. The Company represents and warrants that it has taken all actions and has obtained all approvals and consents that are or may be necessary in order that the Company may validly issue Warrant Shares at the Exercise Price. The Company shall take all such actions as may be necessary to assure that all the Warrant Shares issued upon exercise hereof may be so issued without violation of any preemptive rights, applicable Law or governmental regulation.

5. ***Adjustment Provisions***.

(a) *Adjustment for Stock Splits and Stock Dividends*. The Exercise Price and the number of Warrant Shares for which this Warrant remains exercisable shall each be proportionally adjusted to reflect any stock split (subdivision), reverse stock split (consolidation) or other similar event affecting the number of outstanding Warrant Shares.

(b) *Conversion of Stock*. Should all of the Warrant Shares be, at any time prior to exercise in full of this Warrant, exchanged or converted into shares of another class of shares of the Company (or other securities or property) in accordance with the Company's Organizational Documents, then this Warrant shall immediately become exercisable for the shares or other securities or property that would have been received by Holder if this Warrant had been exercised and the Warrant Shares received thereupon had been simultaneously converted into such other class of Company Capital Stock (or other securities or property) immediately prior to such event; *provided* that in the case of any such exchange or conversion, unless otherwise agreed in writing by Holder, the Warrant Shares shall be a security with voting powers, preferences and relative, participating, optional and other special rights at least as beneficial to Holder as the Company's Ordinary Shares.

(c) *No Change Necessary*. The form of this Warrant need not be changed because of any adjustment in the Exercise Price or in the number of Warrant Shares issuable upon its exercise.

(d) *Notice*. The Company shall provide notice within 10 Business Days following the date of (i) any event with respect to which an adjustment pursuant to this **Section 5** is required to be made, (ii) any transfer of Company Capital Stock by the Applicable Investor and (iii) any Per Share Dividend Accrual. The Company will also provide information requested by Holder that is reasonably necessary to enable Holder to comply with Holder's accounting or reporting requirements. Whenever the Exercise Price or number of Warrant Shares purchasable hereunder shall be adjusted pursuant to this **Section 5**, the Company shall, within three Business Days of such adjustment, deliver to Holder a certificate signed by an officer of the Company setting forth, in reasonable detail, the event requiring the adjustment, the amount of the adjustment, the method by which such adjustment was calculated, and the Exercise Price and number of Warrant Shares purchasable hereunder after giving effect to such adjustment.

6. ***No Impairment***. The Company will not, by amendment of its Organizational Documents, or through reorganization, consolidation, amalgamation, merger, dissolution, issue or sale of securities, sale of assets or any other voluntary action, willfully avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such action as may be necessary or appropriate in order to protect the rights of the Holder against impairment.

7. ***Company Representations and Warranties***. The Company hereby represents and warrants to Holder as follows:

The Company and each of its Subsidiaries is duly authorized, qualified and licensed to do business as a foreign corporation and is in good standing in all jurisdictions in which the character of the properties and assets now owned or leased by it or the nature of the business transacted by it requires it to be so licensed or qualified, except where the lack of such qualification could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

All of the issued and outstanding shares of the Company are validly issued, fully paid and nonassessable. All issuances, sales and repurchases by the Company of its shares or other equity securities

The Company has taken all action required for the execution, delivery and performance of this Warrant and the consummation of the transactions contemplated hereby, and no other action is necessary by the Company to authorize the execution, delivery and performance by the Company of this Warrant and the consummation of the transactions contemplated hereby. This Warrant has been duly executed and delivered by the Company and constitutes a legal, valid and binding obligation of the Company, enforceable in accordance with its terms, except as such enforceability may be limited by (i) bankruptcy, insolvency, reorganization, moratorium or similar Laws of general applicability affecting the enforcement of creditors' rights and (ii) the application of general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at Law).

(f) The Company's execution, delivery and performance of its obligations under this Warrant (i) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except such as have been obtained or made and are in full force and effect, (ii) will not violate any applicable Law or regulation or Organizational Documents of the Company or any order of any Governmental Authority, (iii) will not violate or result in a default under any indenture, agreement or other instrument binding upon the Company or its assets, or give rise to a right thereunder to require any payment to be made by the Company, and (iv) will not result in the creation or imposition of any Lien on any asset of the Company.

8. ***Holder Representations and Warranties***. Holder hereby represents and warrants to the Company as follows:

Warrant #OS-2 February 8, 2021

FOR VALUE RECEIVED, Viking Holdings Ltd, an exempted company incorporated with limited liability under the laws of Bermuda, having its registered office at Clarendon House, 2 Church Street, Hamilton, HM 11, Bermuda (the "**Company**"), hereby certifies that Viking Capital Limited, a company incorporated in the Cayman Islands with company number CT-248737 ("**VC**"), or its registered assigns ("**Holder**"), is entitled, subject to the terms and conditions set forth below, to purchase from the Company, during the Exercise Period, up to 167,950 Warrant Shares at a purchase price of US$0.01 per share (the "**Exercise Price**"). The Exercise Price and number of Warrant Shares issuable hereunder are each subject to appropriate adjustment from time to time as set forth herein (the maximum number of Warrant Shares issuable hereunder, as so adjusted, the "**Total Warrant Shares**"). This Warrant is issued in connection with the financing being provided to the Company under the Subscription Agreement.

The following is a statement of the rights of Holder and the conditions to which this Warrant is subject, and to which Holder, by the acceptance of this Warrant, agrees:

1. ***Duration of Warrant***. This Warrant may be exercised pursuant to **Section 2(d)** during the period commencing on the date hereof and terminating at 5:00 p.m., New York City time, on the 10-year anniversary of the date hereof (the "***Exercise Period***").

2. ***Vesting***. The period for vesting of this Warrant (the "**Vesting Period**") shall commence on the date hereof and expire upon the later to occur of (i) 5:00 p.m., New York City time, on the five-year anniversary of the date hereof and (ii) the sale, distribution or other transfer of all Capital Stock in the Company held by the Applicable Investor (which shall include a sale of 100% of the equity of the Applicable Investor by its Affiliates as of the date hereof) to a third party that is not an Affiliate of the Applicable Investor or an investment fund under common management with the Applicable Investor or its Affiliates (and excluding any internal Transfers involving the Applicable Investor and its Affiliates or investment funds under common management, in whatever form). This Warrant shall vest with respect to the Applicable Percentage of the Total Warrant Shares upon the occurrence of any of the following during the Vesting Period:

(a) upon the sale, distribution or other transfer of all Capital Stock in the Company held by the Applicable Investor (which shall include a sale of 100% of the equity of the Applicable Investor by

its Affiliates as of the date hereof) to a third party that is not an Affiliate of the Applicable Investor or an investment fund under common management with the Applicable Investor or its Affiliates (and excluding any internal Transfers involving the Applicable Investor and its Affiliates or investment funds under common management, in whatever form), whether in one or multiple sales, distributions or other transfers, or upon the closing of an Asset Sale, and in each case, whether prior to or following an IPO; or

(b) at any time following an IPO and the expiration of any market stand-off agreement entered into by the Applicable Investor pursuant to Section 2.10 of the Investor Rights Agreement in connection with such IPO (excluding any market stand-off agreement relating to any follow-on offering), if the Warrant Shares shall have achieved the VWAP set forth in **Section 2(c)(ii)** below for at least 20 trading days out of any 30 trading day period.

(c) For the purposes of this Warrant, "**Applicable Percentage**" means:

(i) in the case of vesting under **Section 2(a)**, the percentage set forth in the table below under the heading "Applicable Percentage" corresponding to (A) the average price per share, calculated on an as-converted to Warrant Shares basis, realized by the Applicable Investor on the sale, distribution or other transfer of all Capital Stock in the Company held by the Applicable Investor (in each case, valued based on the proceeds actually received by the Applicable Investor) or upon any distribution of proceeds of or stock, securities or other assets (including cash) in connection with an Asset Sale (the "**Average Per Share Amount**"); *provided* that: (A) if the consideration received by the Applicable Investor is in the form of publicly traded securities, the value of such consideration shall be calculated based on the closing price on the date of receipt by the Applicable Investor; and (B) if such consideration is not cash, cash equivalents or publicly traded securities, then the value of such consideration (the "**Consideration Value**") shall be determined in the manner set forth in **Section 2(e)** (*provided* that, in the case of the foregoing clauses (A) and (B), the average price per share realized by the Applicable Investor shall be increased by an amount equal to the aggregate per share amount by which actual dividends or distributions paid (whether in cash, shares or other property) in respect of the Applicable Investor's shares exceeds the amounts mandatorily payable by the Company under Bye-Law 4.7.2 (any such excess aggregate amount, the "**Per Share Dividend Accrual**," and the sum of (1) the Average Per Share Amount and (2) the Per Share Dividend Accrual, the "**Section 2(a) Vesting Per Share Value**")):

Section 2(a) Vesting Per Share Value	**Applicable Percentage**
US$400 or less per Ordinary Share	0%
Between US$400 and US$600 per Ordinary Share	Such percentage between 0% and 100% as is calculated based on linear interpolation between such numbers (e.g., US$450 would result in an Applicable Percentage of 25%).
US$600 or more per Ordinary Share	100%

(ii) in the case of vesting under **Section 2(b)**, the percentage set forth in the table below under the heading "Applicable Percentage" corresponding to (A) the applicable VWAP achieved

for at least 20 trading days out of any 30 trading day period pursuant to **Section 2(b)** *plus* (B) the Per Share Dividend Accrual (if any) (the sum of (A) and (B), the "**Section 2(b) Vesting Per Share Value**"):

Section 2(b) Vesting Per Share VWAP	Applicable Percentage
VWAP US$400 or less	0%
VWAP between US$400 and US$600	Such percentage between 0% and 100% as is calculated based on linear interpolation between such numbers (e.g., US$450 would result in an Applicable Percentage of 25%).
VWAP US$600 or more	100%

(d) Unless and until the Applicable Percentage is equal to 100%, the Warrant shall remain eligible for continued vesting during the Vesting Period based on the achievement of higher vesting thresholds (either pursuant to **Section 2(a)** or **Section 2(b)**). For the avoidance of doubt, in all cases, the "Applicable Percentage" shall be calculated as a percentage of the Total Warrant Shares as of the Effective Date (subject to the adjustments set forth herein) and not on the basis of the Total Warrant Shares under any Replacement Warrant.

(e) In connection with any determination of Consideration Value, Holder and the Company shall negotiate in good faith to mutually agree upon the Consideration Value. If Holder and the Company cannot agree upon the Consideration Value within twenty (20) Business Days following the event giving rise to the determination of the Consideration Value (the "**Triggering Event**") (or such longer period as Holder and the Company may mutually agree upon), then within ten (10) Business Days of the end of such twenty (20) Business Day period, the Company and Holder shall each select an unaffiliated, independent appraiser who has expertise and experience in the valuation of assets of the relevant type ("**Designated Appraisers**") and shall request each Designated Appraiser to separately determine the Consideration Value as of the date of the applicable Triggering Event as may be agreed between Holder and the Company. The Company and Holder shall provide to the Designated Appraisers such information, including, without limitation, financial and other business information, regarding the Company as may be reasonably requested by either of the Designated Appraisers. Holder and the Company shall use their reasonable best efforts to cause each Designated Appraiser to render a written decision regarding its determination of the Consideration Value within twenty (20) Business Days following the submission thereof. If the Company or Holder fails to designate a Designated Appraiser, then the Consideration Value shall be as determined by the sole Designated Appraiser. If the two values determined by the two Designated Appraisers are within ten percent (10%) of each other, then the Consideration Value shall be deemed to equal the average of such values. If the two values determined by the two Designated Appraisers are not within ten percent (10%) of each other, then the determination of Consideration Value shall be submitted to a third unaffiliated, independent appraiser who has expertise and experience in the valuation of assets of the relevant type (the "**Jointly Selected Appraiser**"), which appraiser shall be selected by mutual agreement of the Company and Holder or by the Designated Appraisers within ten (10) Business Days following the determination of the Consideration Value by both of the Designated Appraisers. If neither the Company and Holder nor the Designated Appraisers can agree upon the Jointly Selected Appraiser, then either party can request that the Jointly Selected Appraiser be selected by the American Arbitration Association. The Jointly Selected Appraiser may use the reports, data and work papers of the Designated Appraisers. The Company and Holder shall use their respective reasonable best

efforts to cause the Jointly Selected Appraiser to render a written decision regarding its determination of the Consideration Value within twenty (20) Business Days following the submission thereof. The Consideration Value as determined by the Jointly Selected Appraiser shall be between the two values of Consideration Value as determined by the Designated Appraisers. The determination of the Consideration Value shall be final and binding upon the Company and Holder, and shall constitute Consideration Value. The fees and expenses of the Designated Appraisers and, if applicable, any fees and expenses of the Jointly Selected Appraiser or the American Arbitration Association, shall be borne by the Company.

3. ***Exercise***.

(a) *Method of Exercis*e. Subject to the terms and conditions of this Warrant, Holder may exercise this Warrant in whole or in part with respect to any Warrant Shares which have vested during the Vesting Period, at any time or from time to time, on any Business Day during the Exercise Period. In order to exercise this Warrant, Holder shall give written notice to the Company, in the form attached hereto as **Exhibit A** (the "**Election Notice**"), duly executed by Holder, of its election to exercise.

(b) *Payment*. Unless Holder elects to net exercise in accordance with **Section 3(e)**, Holder shall, as a condition to any exercise, deliver to the Company by (i) check payable to the Company, (ii) wire transfer of immediately available funds in accordance with the Company's instructions, or (iii) any combination of the foregoing, an amount equal to the product obtained by multiplying the Exercise Price by the number of Warrant Shares set forth under the heading "**Cash Exercise**" on the Election Notice.

(c) *Partial Exercise*. Upon a partial exercise of this Warrant, this Warrant shall be cancelled and replaced with a new Warrant (the "**Replacement Warrant**") on terms identical to those contained in this Warrant, except that the maximum number of Warrant Shares issuable upon exercise shall be equal to the maximum number of Warrant Shares issuable under this Warrant (as stated in the first paragraph set forth above) reduced by (i) the number of Warrant Shares set forth under the heading "**Cash Exercise**" on the Election Notice or (ii) the number of shares calculated pursuant to **Section 3(e)**, as applicable.

(d) *Fractional Shares; Effect of Exercise*.

(i) No fractional shares shall be issued upon exercise of this Warrant. In lieu of the Company issuing any fractional shares to Holder upon the exercise of this Warrant, the Company shall pay to Holder an amount equal to the product obtained by multiplying the Exercise Price by the fraction of a share not issued pursuant to the previous sentence.

(ii) Upon partial exercise of this Warrant and the issuance of the Replacement Warrant, the Company shall be forever released from all its obligations and liabilities under this Warrant and this Warrant shall be deemed of no further force or effect, whether or not the original of this Warrant has been delivered to the Company for cancellation. Upon exercise of this Warrant in full, the Company shall be forever released from all its obligations and liabilities under this Warrant and this Warrant shall be deemed of no further force or effect, whether or not the original of this Warrant has been delivered to the Company for cancellation.

(e) *Net Exercise*. Holder may elect to exercise all or any portion of this Warrant with respect to any Warrant Shares which have vested by net exercise. The number of Warrant Shares to be

issued to a Holder that delivers an Election Form with "**Net Exercise**" selected will be the number of Warrant Shares that is obtained under the following formula, rounded down to the nearest whole share:

$$X = \frac{Y\,(A-B)}{A}$$

where X = the number of Warrant Shares to be issued to Holder;

Y = the number of Warrant Shares set forth under the heading "**Net Exercise**" on the Election Notice;

A = the Fair Market Value of one Warrant Share at the time of such net exercise; and

B = the Exercise Price.

(f) *Issuance of Warrant Shares*. The Company shall, as soon as practicable thereafter and at its cost, issue and register the name of Holder the number of Warrant Shares to which Holder shall be entitled upon such exercise of the Warrant in the Register of Members of the Company and, if applicable, a check payable to Holder for any cash amounts payable as described in **Section 3(d)**. Any exercise of this Warrant shall be deemed to have been made upon the satisfaction of all of the conditions set forth herein, and on and after such date the Person entitled to receive the Warrant Shares issuable upon such exercise shall be treated for all purposes as the record holder of such Warrant Shares.

(g) *Automatic Net Exercise Upon Expiration*. If this Warrant remains outstanding as of the end of the Exercise Period then, at such time, this Warrant shall, with respect to the then-vested portion of the Warrant Shares issuable hereunder, automatically and without any action taken by Holder, (i) in the event that the Fair Market Value of a Warrant Share is greater than the Exercise Price, net exercise in full into Warrant Shares in accordance with **Section 3(e)**, or (ii) in the event that the Fair Market Value of a Warrant Share is less than or equal to the Exercise Price, immediately expire and be of no further force and effect.

4. ***Reservation of Shares***. The Company covenants that at all times during the term this Warrant is exercisable, the Company will have reserved from its authorized and unissued share capital a sufficient number of Warrant Shares to provide for the issuance of Warrant Shares upon the exercise of this Warrant. The Company represents and warrants that it has taken all actions and has obtained all approvals and consents that are or may be necessary in order that the Company may validly issue Warrant Shares at the Exercise Price. The Company shall take all such actions as may be necessary to assure that all the Warrant Shares issued upon exercise hereof may be so issued without violation of any preemptive rights, applicable Law or governmental regulation.

5. ***Adjustment Provisions***.

(a) *Adjustment for Stock Splits and Stock Dividends*. The Exercise Price and the number of Warrant Shares for which this Warrant remains exercisable shall each be proportionally adjusted to reflect any stock split (subdivision), reverse stock split (consolidation) or other similar event affecting the number of outstanding Warrant Shares.

(b) *Conversion of Stock*. Should all of the Warrant Shares be, at any time prior to exercise in full of this Warrant, exchanged or converted into shares of another class of shares of the Company (or other securities or property) in accordance with the Company's Organizational Documents, then this Warrant shall immediately become exercisable for the shares or other securities or property that would have been received by Holder if this Warrant had been exercised and the Warrant Shares received thereupon had been simultaneously converted into such other class of Company Capital Stock (or other securities or property) immediately prior to such event; *provided* that in the case of any such exchange or conversion, unless otherwise agreed in writing by Holder, the Warrant Shares shall be a security with voting powers, preferences and relative, participating, optional and other special rights at least as beneficial to Holder as the Company's Ordinary Shares.

(c) *No Change Necessary*. The form of this Warrant need not be changed because of any adjustment in the Exercise Price or in the number of Warrant Shares issuable upon its exercise.

(d) *Notice*. The Company shall provide notice within 10 Business Days following the date of (i) any event with respect to which an adjustment pursuant to this **Section 5** is required to be made, (ii) any transfer of Company Capital Stock by the Applicable Investor and (iii) any Per Share Dividend Accrual. The Company will also provide information requested by Holder that is reasonably necessary to enable Holder to comply with Holder's accounting or reporting requirements. Whenever the Exercise Price or number of Warrant Shares purchasable hereunder shall be adjusted pursuant to this **Section 5**, the Company shall, within three Business Days of such adjustment, deliver to Holder a certificate signed by an officer of the Company setting forth, in reasonable detail, the event requiring the adjustment, the amount of the adjustment, the method by which such adjustment was calculated, and the Exercise Price and number of Warrant Shares purchasable hereunder after giving effect to such adjustment.

6. ***No Impairment***. The Company will not, by amendment of its Organizational Documents, or through reorganization, consolidation, amalgamation, merger, dissolution, issue or sale of securities, sale of assets or any other voluntary action, willfully avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such action as may be necessary or appropriate in order to protect the rights of the Holder against impairment.

7. ***Company Representations and Warranties***. The Company hereby represents and warrants to Holder as follows:

(a) The Company and each of its Subsidiaries is duly organized, validly existing and in good standing under the Laws of its jurisdiction of organization, and has all requisite power and authority to carry on its business as now conducted. The Company and each of its Subsidiaries is duly authorized, qualified and licensed to do business as a foreign corporation and is in good standing in all jurisdictions in which the character of the properties and assets now owned or leased by it or the nature of the business transacted by it requires it to be so licensed or qualified, except where the lack of such qualification could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

All of the issued and outstanding shares of the Company are validly issued, fully paid and nonassessable. All issuances, sales and repurchases by the Company of its shares or other equity securities

(d) The Warrant Shares to be delivered to Holder upon exercise of this Warrant will be duly authorized, validly issued, fully paid and nonassessable, and will be delivered to Holder free and clear of any Liens or preemptive rights.

(e) The Company has the requisite power and authority to execute, deliver and perform its obligations under this Warrant and to consummate the transactions contemplated hereby. The Company has taken all action required for the execution, delivery and performance of this Warrant and the consummation of the transactions contemplated hereby, and no other action is necessary by the Company to authorize the execution, delivery and performance by the Company of this Warrant and the consummation of the transactions contemplated hereby. This Warrant has been duly executed and delivered by the Company and constitutes a legal, valid and binding obligation of the Company, enforceable in accordance with its terms, except as such enforceability may be limited by (i) bankruptcy, insolvency, reorganization, moratorium or similar Laws of general applicability affecting the enforcement of creditors' rights and (ii) the application of general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at Law).

(f) The Company's execution, delivery and performance of its obligations under this Warrant (i) do not require any consent or approval of, registration or filing with, or any other action by, any Governmental Authority, except such as have been obtained or made and are in full force and effect, (ii) will not violate any applicable Law or regulation or Organizational Documents of the Company or any order of any Governmental Authority, (iii) will not violate or result in a default under any indenture, agreement or other instrument binding upon the Company or its assets, or give rise to a right thereunder to require any payment to be made by the Company, and (iv) will not result in the creation or imposition of any Lien on any asset of the Company.

8. ***Holder Representations and Warranties***. Holder hereby represents and warrants to the Company as follows:

Holder is aware that the conditions for resale set forth in Rule 144 have not been satisfied and that the Company presently has no plans to satisfy these conditions in the foreseeable future.

This INDEMNIFICATION AGREEMENT (this "Agreement") is made and effective as of [ ], 2024, by and between Viking Holdings Ltd, an exempted company incorporated with limited liability under the laws of Bermuda (the "Company"), and [ ] ("Indemnitee").

WHEREAS, it is essential to the Company to retain and attract as directors and officers the most capable persons available;

WHEREAS, Indemnitee is a director or officer of the Company;

WHEREAS, both the Company and Indemnitee recognize the increased risk of litigation and other proceedings with claims being asserted against directors and officers of public companies;

WHEREAS, the Company's Bye-Laws, as amended from time to time ("Bye-Laws"), require the Company to indemnify and provide for the advancement of expenses to its directors and officers to the extent and subject to the conditions provided therein, and Indemnitee serves as a director and/or officer of the Company, in part, in reliance on such provisions in the Bye-Laws;

WHEREAS, the Company has determined that its inability to retain and attract as directors and officers the most capable persons available would be detrimental to the interests of the Company and that the Company therefore should provide such persons with assurances that they will be entitled in the future to indemnification and advancement of expenses and, to the extent applicable, coverage by directors' and officers' liability insurance; and

WHEREAS, in recognition of Indemnitee's need for substantial protection against personal liability, and in order to enhance the likelihood of Indemnitee's continued service to the Company, and in part to provide Indemnitee with specific contractual assurance that the protection promised by the Bye-Laws will be available to Indemnitee (regardless of, among other things, any amendment to or recission of the applicable provisions of the Bye-Laws, any change in the composition of the Board of Directors, or any Change of Control (as defined below)), the Company wishes to provide in this Agreement for the indemnification of, and the advancement of expenses to, Indemnitee to the fullest extent (whether partial or complete) permitted by applicable law, on the terms and conditions set forth in this Agreement, and, to the extent that a directors' and officers' liability insurance policy is maintained with respect to the Company's directors and officers, the Company wishes to provide Indemnitee with assurance of the continued coverage of Indemnitee under such directors' and officers' liability insurance policy.

NOW, THEREFORE, in consideration of the foregoing, the covenants and agreements contained in this Agreement, and of Indemnitee's willingness to continue to serve as a director or officer of the Company and to serve at the Company's request as an officer, director, employee, manager, member, agent, fiduciary, or trustee of, or in any other capacity with, another Person (as defined below) or any employee benefit plan, and intending to be legally bound hereby, the parties hereto agree as follows:

(e) ERISA: means the Employee Retirement Income Security Act of 1974, as amended.

(h) Indemnifiable Event: means any event or occurrence, whether occurring before, on, or after the date of this Agreement, arising out of, relating to, or resulting from the fact that Indemnitee is or was a director, officer, employee, agent or fiduciary of the Company, or is or was serving at the request of the Company as a director, officer, employee, manager, member, partner, tax matters partner or partnership representative, trustee, agent, fiduciary, or similar capacity, of a Subsidiary of the Company or another corporation, company, limited liability company, partnership, joint venture, employee benefit plan, trust, or other entity or enterprise, or by reason of any act or omission by Indemnitee in any such capacity (in each case, regardless of whether or not Indemnitee is acting or serving in any such capacity, or has such status, at the time any Claim is brought or any Indemnifiable Amount is incurred). (k) Other Indemnifying Entity: means any corporation, company, limited liability company, partnership, joint venture, trust, employee benefit plan or other entity or enterprise (other than the Company or any of its wholly owned Subsidiaries), but excluding any insurer under any insurance policy maintained by the Company, from which Indemnitee may be entitled to indemnification and/or advancement of Expenses with respect to any Indemnifiable Amounts for which, in whole or in part, the Company may also have an indemnification or advancement obligation to Indemnitee pursuant to the terms of this Agreement.

2. Basic Indemnification Arrangement; Advancement of Expenses.

(a) In the event that Indemnitee was, is or becomes subject to, a party to, or a witness or other participant in, or is threatened to be made subject to, a party to, or a witness or other participant in, a Claim by reason of, or arising out of, relating to, or resulting from, in whole or part, an Indemnifiable Event, subject to Section 2(d), the Company shall indemnify Indemnitee, or shall cause Indemnitee to be indemnified, for all Indemnifiable Amounts incurred in connection with such Claim, to the fullest extent permitted by applicable law in effect on the date hereof; provided, however, that, to the extent that any change in applicable law (whether by statute or judicial decision) permits greater indemnification by agreement than would be afforded currently under this Agreement, it is the intent of the parties hereto that Indemnitee shall enjoy by this Agreement the greater benefits so afforded by such change; provided, further, that no change in applicable law after the date hereof shall have the effect of reducing the benefits available to Indemnitee hereunder based on applicable law as in effect on the date hereof or as such benefits may be expanded or otherwise improved as a result of any other changes to applicable law that become effective after the date hereof but prior to such change. Payments of Indemnifiable Amounts shall be made as soon as practicable following a determination pursuant to Section 2(d), but in any event no later than thirty (30) days after written demand for indemnification is delivered to the Company, unless (and to the extent) a determination is made pursuant to Section 2(d) that Indemnitee is not entitled to indemnification hereunder for such Indemnifiable Amounts.

(b) If so requested in writing by Indemnitee, the Company shall advance or reimburse Indemnitee, or cause Indemnitee to be advanced or reimbursed (within ten (10) days following the Company's receipt of such written request), any and all Expenses incurred by Indemnitee (an "Expense Advance"). The Company shall, in accordance with such written request (but without duplication), pay, or cause to be paid, such Expenses on behalf of Indemnitee, unless Indemnitee shall have elected to pay such Expenses and be reimbursed by the Company for such Expenses, in which case, the Company shall reimburse, or cause to be reimbursed, Indemnitee for such Expenses. To the fullest extent permitted by applicable law, Indemnitee's right to an Expense Advance is absolute and shall not be subject to any prior determination by the Reviewing Party (or any other Person) that Indemnitee has satisfied any applicable standard of conduct. Indemnitee hereby undertakes to repay any and all amounts advanced or reimbursed by the Company as Expense Advances (without interest) if and to the extent it is ultimately determined in accordance with Section 2(d) that Indemnitee is not entitled under this Agreement to be indemnified by the Company in respect thereof. No other form of undertaking shall be required of Indemnitee other than execution of this Agreement. If Indemnitee commences legal proceedings within ninety (90) days after any determination that Indemnitee is not entitled to be indemnified hereunder in a court of competent jurisdiction to secure a determination that Indemnitee is entitled to be indemnified pursuant to this Agreement, then Indemnitee shall not be required to reimburse the Company for any Expense Advance unless and until a final, non-appealable, judicial determination is made that Indemnitee is not entitled to indemnification hereunder.

(c) Notwithstanding anything in this Agreement to the contrary, Indemnitee shall not be entitled to indemnification or advancement of Expenses pursuant to this Agreement in connection with any Claim initiated by Indemnitee unless (i) the Company has joined in, or the Board of Directors has authorized or consented to, the initiation of such Claim or (ii) the Claim is brought by Indemnitee to enforce Indemnitee's rights under this Agreement (including an action pursued by Indemnitee to secure a determination that Indemnitee is entitled to be indemnified pursuant to the terms of this Agreement).

(d) Notwithstanding the foregoing, (i) the obligations of the Company under Section 2(a) shall be subject to the condition that the Reviewing Party shall not have determined (in a written opinion, in any case in which the Independent Legal Counsel is the Reviewing Party pursuant to Section 4 hereof) that Indemnitee is not entitled to be indemnified under applicable law, in whole or in part, and (ii) the obligation of the Company to make an Expense Advance pursuant to Section 2(b) shall be subject to the requirement that, if, when, and to the extent that the Reviewing Party ultimately determines that Indemnitee is not entitled to be indemnified under applicable law, in whole or in part, the Company shall be entitled to be reimbursed by Indemnitee pursuant to the undertaking set forth in Section 2(b); provided, however, that, if the Reviewing Party determines that Indemnitee is not entitled to be indemnified, in whole or in part, under applicable law, Indemnitee shall have the right to commence an action in a court of competent jurisdiction to secure a determination as to whether Indemnitee is entitled to be indemnified under the terms of this Agreement or the Bye-Laws in connection with any Claims arising out of, relating to, or resulting from any Indemnifiable Event, or challenging any determination by the Reviewing Party (or any aspect thereof) in respect of Indemnitee's right to indemnification hereunder, including the legal or factual bases therefor, in which case, any determination made by the Reviewing Party that Indemnitee is not entitled to be indemnified hereunder, in whole or in part, shall not be binding and Indemnitee shall not be required to reimburse the Company for any Expense Advance until a final, non-appealable judicial determination is made with respect thereto (as to which all rights of appeal therefrom have been exhausted or lapsed). If there has not been a Change in Control, the Reviewing Party shall be, or shall be designated by, the Board of Directors, and if there has been a Change in Control (other than a Change in Control that has been approved by a majority of the Board of Directors who were directors immediately prior to such Change in Control), the Reviewing Party shall be the Independent Legal Counsel referred to in Section 4. If there has been no determination by the Reviewing Party within thirty (30) days after a demand for indemnification has been delivered to the Company, Indemnitee shall have the right to commence an action in a court of competent jurisdiction seeking a determination of Indemnitee's right to indemnification hereunder. The Company hereby consents to service of process and to appear in any such action brought by Indemnitee pursuant to this Section 2(d). Subject to the foregoing, any determination by the Reviewing Party otherwise shall be conclusive and binding on the Company and Indemnitee.

3. Limitation of Indemnity. Notwithstanding any other terms of this Agreement, nothing herein shall indemnify the Indemnitee against, or exempt the Indemnitee from, any liability in respect of such Indemnitee's fraud or dishonesty.

4. Change in Control. The Company agrees that, if there is a Change in Control of the Company (other than a Change in Control approved by a majority of the Board of Directors who were directors immediately prior to such Change in Control), then with respect to all determinations and other matters relating to the rights of Indemnitee to indemnification and Expense Advances under this Agreement or under any provision of the Bye-Laws now or hereafter in effect with respect to any Claims arising out of, relating to, or resulting from Indemnifiable Events, the Company shall seek legal advice only from Independent Legal Counsel selected by the Company and approved by Indemnitee (which approval shall not be unreasonably withheld,

delayed or conditioned). Such Independent Legal Counsel, among other things, shall render its written opinion to the Company and Indemnitee as to whether and to what extent Indemnitee is entitled to be indemnified under applicable law with respect to Indemnifiable Amounts arising out of such Claims. The Company agrees to pay, and be solely responsible for, all fees and disbursements of the Independent Legal Counsel in connection with the above and to reimburse and indemnify such Independent Legal Counsel against any and all expenses (including attorneys' fees), claims, liabilities, and damages arising out of, relating to, or resulting from this Agreement or its engagement or services pursuant to the terms hereof.

5. Indemnification for Additional Expenses. The Company shall indemnify Indemnitee, or cause Indemnitee to be indemnified against any and all Expenses (including all attorneys' fees and disbursements) and, if requested in writing by Indemnitee, shall advance such Expenses to Indemnitee, subject to and in accordance with Section 2(b), that are incurred by Indemnitee in connection with any action brought by Indemnitee pursuant to Section 2(d) hereof seeking a determination as to (a) Indemnitee's right to indemnification or an Expense Advance by pursuant to this Agreement or any provision of the Bye-Laws now or hereafter in effect with respect to any Claims arising out of, relating to, or resulting from Indemnifiable Events and (b) recovery under any directors' and officers' liability insurance policies maintained by the Company, regardless of whether Indemnitee ultimately is determined to be entitled to such indemnification, Expense Advance, or insurance recovery, as the case may be.

6. Partial Indemnity, etc. If Indemnitee is entitled under any provision of this Agreement to indemnification by the Company for a portion of the Expenses or other Indemnifiable Amounts in respect of a Claim but not for the entire amount thereof, the Company shall indemnify Indemnitee for the portion thereof to which Indemnitee is entitled. Moreover, notwithstanding any other provision of this Agreement, to the extent that Indemnitee has been successful on the merits or otherwise (including dismissal without prejudice) in defense of any or all Claims arising out of, relating to, or resulting from any Indemnifiable Event, or in defense of any issue or matter therein, Indemnitee shall be indemnified against all Expenses and other Indemnifiable Amounts incurred in connection therewith.

7. Burden of Proof. In connection with any determination by the Reviewing Party or otherwise as to whether Indemnitee is entitled to be indemnified hereunder, the Reviewing Party, or the court, or other finder of fact or appropriate Person shall presume that Indemnitee has satisfied the applicable standard of conduct and is entitled to indemnification, and the burden of proof shall be on the Company to establish by clear and convincing evidence that Indemnitee is not so entitled.

8. Reliance as Safe Harbor. For all purposes of this Agreement, and without creating any presumption as to a lack of good faith, Indemnitee shall be deemed to have acted in good faith and in a manner Indemnitee reasonably believed to be in or not opposed to the best interests of the Company if Indemnitee's actions or omissions to act are taken in good faith reliance upon the records of the Company, including its financial statements, or upon information, opinions, reports, or statements furnished to Indemnitee by the officers or employees of the Company or any of its Subsidiaries in the course of their duties, or by committees of the Board of Directors, or by any other Person (including legal counsel, accountants, and financial advisors) as to matters Indemnitee reasonably believes are within such other Person's professional or expert competence and who has been selected with reasonable care by or on behalf of the Company. In addition, the knowledge and actions, or failures to act, of any director, officer, agent, or employee of the Company shall not be imputed to Indemnitee for all purposes of determining Indemnitee's right to indemnity hereunder.

9. No Other Presumptions. For purposes of this Agreement, the termination of any Claim by judgment, order, settlement (whether with or without court approval), or conviction, or upon a plea of *nolo contendere* or its equivalent, shall not create a presumption that Indemnitee did not meet any particular standard of conduct or have any particular belief or that a court or other tribunal has determined that indemnification is not permitted by applicable law. In addition, neither the failure of the Reviewing Party to have made a determination as to whether Indemnitee has met any particular standard of conduct or had any particular belief, nor an actual determination by the Reviewing Party that Indemnitee has not met such standard of conduct or did not have such belief, prior to the commencement of legal proceedings by Indemnitee pursuant to Section 2(d) to secure a judicial determination that Indemnitee is entitled to indemnification under this Agreement shall be a defense to Indemnitee's claim seeking such determination or create a presumption that Indemnitee has not met any particular standard of conduct or did not have any particular belief.

10. Nonexclusivity, etc. The rights of Indemnitee hereunder shall be in addition to any other rights Indemnitee may have under the Bye-Laws, the Companies Act 1981 of Bermuda, any other applicable law or otherwise. To the extent that there is a conflict or inconsistency between the terms of this Agreement and the Bye-Laws, it is the intent of the parties hereto that Indemnitee shall enjoy the greater benefits regardless of whether contained herein or in the Bye-Laws. No amendment or alteration of the Bye-Laws or any other agreement or instrument shall adversely affect the rights provided to Indemnitee under this Agreement.

11. Liability Insurance. The Company shall use its reasonable best efforts to purchase and maintain an insurance policy or policies with reputable insurance companies with A.M. Best ratings of "A" or better providing directors' and officers' liability insurance. Indemnitee shall be covered by such policy or policies, in accordance with its or their terms, to the maximum extent of the coverage available for any Company director or officer, as applicable. If the Company has such insurance in effect at the time the Company receives from Indemnitee any notice of the commencement of any Claim arising out of, relating to, or resulting from an Indemnifiable Event for which Indemnitee is entitled to be indemnified hereunder, the Company shall give prompt notice of the commencement of such Claim to the insurers in accordance with the procedures set forth in the applicable policy. The Company shall thereafter take all necessary or desirable action to cause such insurers to pay, on behalf of Indemnitee, all amounts payable with respect to Indemnitee arising out of, resulting from or relating to such Claim in accordance with the terms of such policy. The Company shall use its reasonable best efforts to continue to provide such insurance coverage to Indemnitee for a period of at least seven (7) years after Indemnitee ceases to serve in a capacity that could result in an Indemnifiable Event.

12. Amendments, etc. No supplement, modification, or amendment of this Agreement shall be binding on any party hereto unless executed in writing by or on behalf of each of the Company and Indemnitee. No waiver of any of the provisions of this Agreement shall be binding on any party hereto, unless set forth in a writing executed by such party, nor shall any waiver be deemed or constitute a waiver of any other provisions hereof (whether or not similar), nor shall any such waiver constitute a continuing waiver.

13. Subrogation. In the event of any payment by or on behalf of the Company under this Agreement, except to the extent otherwise provided in Section 15, the Company shall be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee, who shall execute all documents and take all other actions reasonably requested to secure such rights and to enable the Company effectively to bring suit to enforce such rights. The Company shall pay or reimburse Indemnitee for all Expenses incurred by Indemnitee in connection with such subrogation.

14. No Duplication of Payments. The Company shall not be liable under this Agreement to make any payment to or on behalf of Indemnitee in connection with any Indemnifiable Amounts incurred by Indemnitee to the extent Indemnitee has otherwise received payment (under any insurance policy or any provision of the Bye-Laws or otherwise) in respect of such Indemnifiable Amounts.

15. Jointly Indemnifiable Claims. Given that certain Jointly Indemnifiable Claims may arise out of, relate to, or result from Indemnitee's status as both a director or officer of the Company and as a director, officer, employee, manager, member, partner, tax matters partner, partnership representative, trustee, agent, fiduciary, or similar capacity of one or more Other Indemnifying Entities, or Indemnitee's service in such capacities, the Company acknowledges and agrees that the Company shall be fully and primarily responsible as indemnitor of first resort for the payment to Indemnitee in respect of all Indemnifiable Amounts and advancement of Expenses in connection with any such Jointly Indemnifiable Claim, pursuant to and in accordance with the terms of this Agreement, irrespective of any right of recovery Indemnitee may have from such Other Indemnifying Entities. Under no circumstance shall the Company be entitled to any right of subrogation against, or contribution by, such Other Indemnifying Entities, and no right of recovery Indemnitee may have from such Other Indemnifying Entities shall reduce or otherwise alter the rights of Indemnitee or the obligations of the Company hereunder. In the event that any of the Other Indemnifying Entities shall make any payment to Indemnitee in respect of any Indemnifiable Amounts or advancement of Expenses with respect to any Jointly Indemnifiable Claim, the Other Indemnifying Entity making such payment shall be subrogated to the extent of such payment to all rights of recovery of Indemnitee against the Company, and Indemnitee shall execute all documents and take all other actions reasonably requested to secure such rights and to enable each of the Other Indemnifying Entities effectively to bring suit to enforce such rights. Each of the Other Indemnifying Entities shall be third-party beneficiaries with respect to this Section 15, entitled to enforce this Section 15 against the Company as though each such Other Indemnifying Entity were a party to this Agreement.

16. Notification and Defense of Claims.

(a) Indemnitee shall notify the Company in writing as soon as practicable of any Claim arising out of, relating to, or resulting from an Indemnifiable Event or for which Indemnitee could seek Expense Advances, including a brief description (based upon information then available to Indemnitee) of the nature of, and the facts underlying, and amount of monetary damages sought in connection with, such Claim. The failure by Indemnitee to timely notify the Company hereunder shall not relieve the Company from any liability hereunder, except to the extent of any final, non-appealable, award in respect of a Claim for which Indemnitee's failure to provide the Company with such timely notice deprived the Company of a reasonable opportunity to participate at its expense in the defense of such Claim.

(b) The Company shall be entitled to participate in the defense of any Claim arising out of, relating to, or resulting from an Indemnifiable Event, or to assume the defense thereof, with counsel chosen by the Company and reasonably satisfactory to Indemnitee; provided that, if Indemnitee believes, after consultation with counsel selected by Indemnitee, that in the event that (a) the use of the counsel chosen by the Company to represent Indemnitee would present such counsel with an actual or potential conflict of interest, (b) the named parties in any such Claim (including any impleaded parties) include the Company or any Subsidiary of the Company, on the one hand, and Indemnitee, on the other hand, and Indemnitee concludes, after consultation with counsel selected by Indemnitee, that there may be one or more legal defenses available to Indemnitee that are different from or in addition to those available to the Company or any Subsidiary of the Company, or (c) representation of Indemnitee by such counsel chosen by the Company would be precluded under the applicable standards of professional conduct then prevailing, then Indemnitee shall be entitled to retain separate counsel reasonably satisfactory to the Company (but not more than one law firm, plus, if applicable, one local counsel in any given jurisdiction in respect of any particular Claim) at the Company's expense. The Company shall not be liable to Indemnitee under this Agreement for any Indemnifiable Amounts comprised of amounts paid in settlement of any Claim effected without the Company's prior written consent. The Company shall not, without the prior written consent of Indemnitee, effect any settlement of any Claim arising out of, relating to, or resulting from an Indemnifiable Event to which Indemnitee is or could have been a party unless such settlement involves solely the payment of money (payment of which Indemnitee has no liability) and includes a complete and unconditional release of Indemnitee from all liability for all Claims arising out of, relating to, or resulting from, or based on the same underlying facts, events and circumstances that are the subject matter of such Claim. Neither the Company nor Indemnitee shall unreasonably withhold, condition, or delay its consent to any proposed settlement; provided that Indemnitee may withhold consent to any settlement that does not provide for such complete and unconditional release of Indemnitee.

17. Binding Effect, etc. This Agreement shall be binding upon and inure to the benefit of and be enforceable by the parties hereto and their respective successors, assigns (including any direct or indirect successor to the Company by purchase, merger, amalgamation, consolidation or otherwise to all or substantially all of the businesses or assets of the Company and its Subsidiaries), heirs, executors, and personal and legal representatives. This Agreement shall continue in effect with respect to all Indemnifiable Events that occur for so long as Indemnitee continues to serve as a director or officer of the Company or to serve, at the request of the Company, as a director, officer, employee, manager, member, partner, tax matters partner, partnership representative, trustee, agent, fiduciary, or similar capacity, of a Subsidiary of the Company or another corporation, company, limited liability company, partnership, joint venture, employee benefit plan, trust, or other entity or enterprise, or by reason of any act or omission by Indemnitee in any such capacity (in each case, regardless of whether or not Indemnitee is acting or serving in any such capacity, or has such status, at the time any Claim is brought or any Indemnifiable Amount is incurred). The Company shall take all actions necessary to require and cause any successor (whether direct or indirect by purchase, merger, amalgamation, consolidation, or otherwise) to all or substantially all of the businesses or assets of the Company and its Subsidiaries to assume and agree in writing to perform the Company's obligations under this Agreement in the same manner and to the same extent that the Company would be required to perform if no such succession had taken place.

18. Severability. The provisions of this Agreement shall be severable in the event that any of the provisions hereof (including any provision within a single section, paragraph or sentence) are held by a court of competent jurisdiction to be invalid, illegal, void, or otherwise unenforceable in any respect, and the validity and enforceability of any such provision in every other respect and of all of the other provisions hereof shall not be in any way impaired as a result thereof, and shall remain enforceable to the fullest extent permitted by applicable law.

19. Notices. All notices, requests for indemnification or Expense Advances, consents, waivers and other communications hereunder by either party hereto shall be deemed to be sufficient if set forth in a written document executed by such party and delivered to the other party hereto in person or by a nationally recognized overnight courier or by e-mail, in each case, addressed to such party at the address set forth below or such other address as may hereafter be designated in writing by either party and delivered to the other party in accordance with this Section 19(a):

20. Headings. The headings of the sections and paragraphs of this Agreement are inserted for convenience only and shall not be deemed to constitute part of this Agreement or to affect the construction or interpretation thereof.

21. Execution; Counterparts. This Agreement may be executed electronically (including by DocuSign) or by pdf signature and may be executed in counterparts, each of which shall for all purposes be deemed to be an original but all of which together shall constitute one and the same agreement. Only one such counterpart signed by the party against whom enforceability is sought need be produced to evidence the existence of this Agreement.

22. Specific Performance. The parties recognize that if any provision of this Agreement is violated by the parties hereto, Indemnitee may be without an adequate remedy at law. Accordingly, in the event of any such violation, Indemnitee shall be entitled, if Indemnitee so elects, to institute proceedings, either at law or in equity, to obtain damages, to enforce specific performance, to enjoin such violation, or to obtain any relief or any combination of the foregoing as Indemnitee may elect to pursue.

23. Governing Law; Submission to Jurisdiction. This Agreement and all claims arising out of, relating to or resulting from this Agreement, or the parties' rights and obligations hereunder, or either party's compliance with the terms hereof, shall be governed by and construed and enforced in accordance with the laws of the State of Delaware, without giving effect to the principles of conflicts of laws. Each of the parties hereby agrees that any and all disputes, claims and actions arising out of, relating to or resulting from this Agreement, or the parties' rights and obligations hereunder, or either party's compliance with the terms hereof, shall be resolved by, and brought in, the Court of Chancery of the State of Delaware, and the parties hereto hereby irrevocably submit to the exclusive jurisdiction of such court over any such dispute, claim and action. The parties hereby irrevocably waive, to the fullest extent permitted by applicable law, any objection which they may now or hereafter have to the laying of venue of any such dispute, claim or action brought in the Court of Chancery of the State of Delaware or any defense of inconvenient forum for the maintenance of such dispute, claim or action. documentation) for such Limited Condition Transaction are entered into (the "***LCT Test Date***"). If on a pro forma basis after giving effect to such Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence or issuance of Indebtedness and the use of proceeds thereof), with such ratios and other provisions calculated as if such Limited Condition Transaction or other transactions had occurred at the beginning of the most recent Calculation Period ending prior to the LCT Test Date for which financial statements have been (or are required to be) delivered pursuant to Section 5.04, the Borrower could have taken such action on the relevant LCT Test Date in compliance with the applicable ratios or other provisions, such provisions shall be deemed to have been complied with, unless an Event of Default pursuant to paragraph (b), (c), (g) or (h) of Article VII shall be continuing on the date such Limited Condition Transaction is consummated. If the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio, basket availability or compliance with any other provision hereunder (other than actual compliance with the financial covenants set forth in Section 6.09) on or following the relevant LCT Test Date and prior to the earliest of the date on which such Limited Condition Transaction is consummated, the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction or the date the Borrower makes an election pursuant to clause (ii) of the immediately preceding sentence, any such ratio, basket or compliance with any other provision hereunder shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence or issuance of Indebtedness or Disqualified Stock, and the use of proceeds thereof) had been consummated on the LCT Test Date; *provided* that for purposes of any Restricted Payment or payment of Indebtedness, such ratio, basket or compliance with any other provision hereunder shall also be tested as if such Limited Condition Transaction and other transactions in connection therewith (including any incurrence or issuance of Indebtedness or Disqualified Stock, and the use of proceeds thereof) had not been consummated.

The Administrative Agent and its affiliates or other related entities may engage in transactions that affect the calculation of Base Rate, the Term SOFR Reference Rate, Term

SOFR, any alternative, successor or replacement rate (including any Benchmark Replacement) or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Administrative Agent may select information sources or services in its reasonable discretion to ascertain Base Rate, the Term SOFR Reference Rate, Term SOFR or any other Benchmark, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower, any Lender or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.

Each Revolving Loan by a Revolving Credit Lender shall be in a principal amount equal to such Revolving Credit Lender's Pro Rata Percentage of the aggregate principal amount of Revolving Loans requested on such occasion. Subject to the terms and conditions hereof, the Borrower may borrow, repay and reborrow Revolving Loans hereunder until the Maturity Date.

Section 2.02 ***Swingline Loans***.

(a) ***Availability***. Subject to the terms and conditions of this Agreement and the other Loan Documents and in reliance upon the representations and warranties set forth in this Agreement and the other Loan Documents, the Swingline Lender agrees to make Swingline Loans in Dollars to the Borrower from time to time from the Closing Date to, but not including, the Maturity Date; *provided*, that (i) after giving effect to any amount requested, the Revolving Credit Exposure of all Lenders shall not exceed the Available Revolving Credit Commitment, (ii) the Revolving Credit Exposure of the Swingline Lender shall not exceed the Swingline Lender's Revolving Credit Commitment and (iii) the aggregate principal amount of all outstanding Swingline Loans shall not exceed the Swingline Commitment.

(b) ***Refunding***.

(i) The Swingline Lender, at any time and from time to time in its sole and absolute discretion, may, on behalf of the Borrower (which hereby irrevocably directs the Swingline Lender to act on its behalf), by written notice given no later than 11:00 a.m. (New York City time) on any Business Day request each Revolving Credit Lender to make, and each Revolving Credit Lender

hereby agrees to make, a Revolving Loan in Dollars as a Base Rate Loan in an amount equal to such Revolving Credit Lender's Pro Rata Percentage of the aggregate amount of the Swingline Loans outstanding on the date of such notice, to repay the Swingline Lender. Each Revolving Credit Lender shall make the amount of such Revolving Loan available to the Administrative Agent in same day funds at the Administrative Agent's office not later than 1:00 p.m. (New York City time) on the day specified in such notice. The proceeds of such Revolving Loans shall be immediately made available by the Administrative Agent to the Swingline Lender for application by the Swingline Lender to the repayment of the Swingline Loans. No Revolving Credit Lender's obligation to fund its respective Pro Rata Percentage of a Swingline Loan shall be affected by any other Revolving Credit Lender's failure to fund its Pro Rata Percentage of a Swingline Loan, nor shall any Revolving Credit Lender's Pro Rata Percentage be increased as a result of any such failure of any other Revolving Credit Lender to fund its Pro Rata Percentage of a Swingline Loan.

(ii) The Borrower shall pay to the Swingline Lender on demand, and in any event on the Maturity Date, in same day funds the amount of such Swingline Loans to the extent amounts received from the Revolving Credit Lenders are not sufficient to repay in full the outstanding Swingline Loans requested or required to be refunded. In addition, the Borrower irrevocably authorizes the Administrative Agent to charge any account maintained by the Borrower with the Swingline Lender (up to the amount available therein) in order to immediately pay the Swingline Lender the amount of such Swingline Loans to the extent amounts received from the Revolving Credit Lenders are not sufficient to repay in full the outstanding Swingline Loans requested or required to be refunded. If any portion of any such amount paid to the Swingline Lender shall be recovered by or on behalf of the Borrower from the Swingline Lender in bankruptcy or otherwise, the loss of the amount so recovered shall be ratably shared among all the Revolving Credit Lenders in accordance with their respective Pro Rata Percentages.

(iii) If for any reason any Swingline Loan cannot be refinanced with a Revolving Loan pursuant to Section 2.02(b)(i), each Revolving Credit Lender shall, on the date such Revolving Loan was to have been made pursuant to the notice referred to in Section 2.02(b)(i), purchase for cash an undivided participating interest in the then outstanding Swingline Loans by paying to the Swingline Lender an amount (the "***Swingline Participation Amount***") equal to such Revolving Credit Lender's Pro Rata Percentage of the aggregate principal amount of Swingline Loans then outstanding. Each Revolving Credit Lender will immediately transfer to the Swingline Lender, in same day funds, the amount of its Swingline Participation Amount. Whenever, at any time after the Swingline Lender has received from any Revolving Credit Lender such Revolving Credit Lender's Swingline Participation Amount, the Swingline Lender receives any payment on account of the Swingline Loans, the Swingline Lender will distribute to such Revolving Credit Lender its Swingline Participation Amount (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's participating interest was outstanding and funded and, in the case of principal and interest payments, to reflect such Revolving Credit Lender's *pro rata* portion of such payment if such payment is not sufficient to pay the principal of and interest on all Swingline Loans then due); *provided* that in the event that such payment received by the Swingline Lender is required to be returned, such Revolving Credit Lender will return to the Swingline Lender any portion thereof previously distributed to it by the Swingline Lender.

(iv) Each Revolving Credit Lender's obligation to make the Revolving Loans referred to in Section 2.02(b)(i) and to purchase participating interests pursuant to Section 2.02(b)(iii) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right that such Revolving Credit Lender or the Borrower may have against the Swingline Lender, the Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default or an Event of Default or the failure to satisfy any of the other conditions specified in Article VI, (C) any adverse change in the condition (financial or otherwise) of the Borrower, (D) any breach of this Agreement or any other Loan Document by the Borrower, any other Loan Party or any other Revolving Credit Lender or (E) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

(v) If any Revolving Credit Lender fails to make available to the Administrative Agent, for the account of the Swingline Lender, any amount required to be paid by such Revolving Credit Lender pursuant to the foregoing provisions of this Section 2.02(b) by the time specified in Section 2.02(b)(i) or 2.02(b)(iii), as applicable, the Swingline Lender shall be entitled to recover from such Revolving Credit Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swingline Lender at a rate per annum equal to the Overnight Rate, plus any administrative, processing or similar fees customarily charged by the Swingline Lender in connection with the foregoing. If such Revolving Credit Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Revolving Credit Lender's Revolving Loan or Swingline Participation Amount, as the case may be. A certificate of the Swingline Lender submitted to any Revolving Credit Lender (through the Administrative Agent) with respect to any amounts owing under this clause (v) shall be conclusive absent manifest error.

(c) ***Defaulting Lenders***. Notwithstanding anything to the contrary contained in this Agreement, this Section 2.02 shall be subject to the terms and conditions of Section 2.32 and Section 2.33.

Section 2.03 ***Procedure for Advances of Revolving Loans and Swingline Loans***.

(a) ***Requests for Borrowing***. The Borrower shall give the Administrative Agent irrevocable (subject to the last sentence of this Section 2.03(a)) prior written notice substantially in the form of Exhibit C (or such other form as shall be approved by the Administrative Agent and the Borrower (which approval shall not be unreasonably withheld or delayed)) (a "***Borrowing Request***") not later than (i) 11:00 a.m. (New York City time) (x) on the same Business Day as each Base Rate Loan and (y) at least three (3) U.S. Government Securities Business Days before each Term SOFR Loan, of its intention to borrow and (ii) 1:00 p.m. (New York City Time) on the same Business Day as each Swingline Loan, in each case, specifying (A) the date of such borrowing, which shall be a Business Day, (B) [reserved], (C) the amount of such borrowing, which shall be, (x) with respect to Base Rate Loans (other than Swingline Loans) in an aggregate principal amount of $1,000,000 or a whole multiple of $500,000 in excess thereof, (y) with respect to Term SOFR Loans in an aggregate principal amount of $2,000,000 or a whole multiple of $1,000,000 in excess thereof and (z) with respect to Swingline Loans in an aggregate principal amount of $100,000 or a whole multiple of $100,000 in excess thereof (or, in each case, the remaining amount of the Revolving Credit Commitment or the Swingline Commitment, as applicable), (D) whether such Loan is to be a Revolving Loan or Swingline Loan, (E) in the case of a Revolving Loan whether such Revolving Loan is to be a Term SOFR Loan or a Base Rate Loan, and (F) in the case of a Term SOFR Loan, the duration of the Interest Period applicable thereto. If the Borrower fails to specify a type of Loan denominated in Dollars in a Borrowing Request, then the applicable Loans shall be made as Base Rate Loans. If the Borrower requests a borrowing of a Term SOFR Loan in any such Borrowing Request, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month. A

Borrowing Request received after 11:00 a.m. (New York City time) in the case of Base Rate Loans and Term SOFR Loans (or 1:00 p.m. (New York City time) in the case of Swingline Loans) shall be deemed received on the next Business Day or U.S. Government Securities Business Day, as applicable. The Administrative Agent shall promptly notify the Revolving Credit Lenders of each Borrowing Request. Notwithstanding the foregoing, subject to Section 2.27 in the case of a Term SOFR Borrowing, a Borrowing Request delivered by the Borrower may state that such request is conditioned upon the effectiveness of other credit facilities or instruments of Indebtedness or other similar transactions, in which case such request may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(b) ***Disbursement of Revolving Credit and Swingline Loans***. Not later than 2:00 p.m. on the proposed borrowing date, (i) each Revolving Credit Lender will make available to the Administrative Agent, for the account of the Borrower, at the Administrative Agent's Office in same day funds such Revolving Credit Lender's Pro Rata Percentage of the Revolving Loans to be made on such borrowing date and (ii) the Swingline Lender will make available to the Administrative Agent, for the account of the Borrower, at the Administrative Agent's Office in same day funds, the Swingline Loans to be made on such borrowing date. The Borrower hereby irrevocably authorizes the Administrative Agent to disburse the proceeds of each borrowing requested pursuant to this Section in same day funds by crediting or wiring such proceeds to the deposit account of the Borrower identified in the most recent notice substantially in the form attached as Exhibit H (or such other form as shall be approved by the Administrative Agent and the Borrower (which approval shall not be unreasonably withheld or delayed)) (a "***Notice of Account Designation***") delivered by the Borrower to the Administrative Agent or as may be otherwise agreed upon by the Borrower and the Administrative Agent from time to time. Subject to Section 2.25 hereof, the Administrative Agent shall not be obligated to disburse the portion of the proceeds of any Revolving Loan requested pursuant to this Section to the extent that any Revolving Credit Lender has not made available to the Administrative Agent its Pro Rata Percentage of such Loan. Revolving Loans to be made for the purpose of refunding Swingline Loans shall be made by the Revolving Credit Lenders as provided in Section 2.02(b).

Section 2.04 ***Repayment and Prepayment of Revolving Credit and Swingline Loans***.

(a) ***Repayment on Termination Date***. The Borrower hereby agrees to repay the outstanding principal amount of (i) all Revolving Loans in full on the Maturity Date, and (ii) all Swingline Loans in accordance with Section 2.02(b) (but, in any event, no later than the Maturity Date), together, in each case, with all accrued but unpaid interest thereon.

(b) ***Mandatory Prepayments***. If at any time the Revolving Credit Exposure of all Lenders exceeds the Available Revolving Credit Commitment, the Borrower shall repay immediately, by payment to the Administrative Agent for the account of the Revolving Credit Lenders, the Obligations then outstanding in an amount equal to such excess with each such repayment applied first, to the principal amount of outstanding Swingline Loans, second to the principal amount of outstanding Revolving Loans and third, with respect to any Letters of Credit then outstanding, as a payment of Cash Collateral into a Cash Collateral account opened by the Administrative Agent, for the benefit of the Revolving Credit Lenders, in an amount equal to such excess (such Cash Collateral to be applied in accordance with Section 2.18).

(c) ***Optional Prepayments***. The Borrower may at any time and from time to time prepay Revolving Loans (including Swingline Loans), in whole or in part, without premium or penalty, with irrevocable (subject to the last sentence of this Section 2.04(c)) prior written notice to the Administrative Agent substantially in the form attached as Exhibit G (or such other form as shall be approved by the Administrative Agent and the Borrower (which approval shall not be unreasonably withheld or delayed) (a "***Notice of Prepayment***") given not later than 11:00 a.m. (New York City time) (i) on the same Business Day as prepayment of each Base Rate Loan and each Swingline Loan and (ii) at least three (3) U.S. Government Securities Business Days before prepayment of each Term SOFR Loan, in each case, specifying the date, amount of prepayment and whether the prepayment is of Term SOFR Loans, Base Rate Loans, Swingline Loans or a combination thereof, and, if of a combination thereof, the amount allocable to each. Upon receipt of such notice, the Administrative Agent shall promptly notify each Revolving Credit Lender. If any such notice is given, the amount specified in such notice shall be due and payable on the date set forth in such notice. Partial prepayments shall be in an aggregate amount of $1,000,000 or a whole multiple of $500,000 in excess thereof with respect to Base Rate Loans (other than Swingline Loans), $2,000,000 or a whole multiple of $1,000,000 in excess thereof with respect to Term SOFR Loans and $100,000 or a whole multiple of $100,000 in excess thereof with respect to Swingline Loans. A Notice of Prepayment received after 11:00 a.m. (New York City time) shall be deemed received on the next Business Day. Each such repayment shall be accompanied by any amount required to be paid pursuant to Section 2.27 hereof. Notwithstanding the foregoing, a Notice of Prepayment delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities or instruments of Indebtedness or other transactions, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

Section 2.05 ***Permanent Reduction of the Revolving Credit Commitment***.

(a) ***Voluntary Reduction***. The Borrower shall have the right at any time and from time to time, upon at least three (3) Business Days irrevocable (subject to the last sentence of this Section 2.05(a)) prior written notice to the Administrative Agent, to permanently reduce, without premium or penalty, (i) the entire Revolving Credit Commitment at any time or (ii) portions of the Revolving Credit Commitment, from time to time, in an aggregate principal amount not less than $1,000,000 or any whole multiple of $1,000,000 in excess thereof. Any reduction of the Revolving Credit Commitment shall be applied to the Revolving Credit Commitment of each Revolving Credit Lender according to its Pro Rata Percentage. All Commitment Fees accrued until the effective date of any termination of the Revolving Credit Commitment shall be paid on the effective date of such termination. Notwithstanding the foregoing, subject to Section 2.27 in the case of a reduction of any Term SOFR Loan, a notice of reduction of the Revolving Credit Commitments delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities or instruments of Indebtedness or other similar transactions, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date) if such condition is not satisfied.

(b) ***Mandatory Reduction***. The Total Revolving Credit Commitment shall be permanently reduced, without premium or penalty, pursuant to Section 5.16(i) and Section 5.16(ii).

(c) ***Corresponding Payment***. Each permanent reduction permitted pursuant to this Section shall be accompanied by a payment of principal sufficient to reduce the aggregate outstanding Revolving Loans (including Swingline Loans) and L/C Exposure, as applicable, after such reduction to the Revolving Credit Commitment as so reduced, and if the aggregate amount of all outstanding Letters of Credit exceeds the Revolving Credit Commitment as so reduced, the Borrower shall be required to deposit Cash Collateral in a Cash Collateral account opened by the Administrative Agent in an amount equal to such excess. Such Cash Collateral shall be applied in accordance with Section 2.18. Any reduction of the

Revolving Credit Commitment to zero shall be accompanied by payment of all outstanding Revolving Loans (including Swingline Loans) (and furnishing of Cash Collateral satisfactory to the Administrative Agent for all L/C Exposure or other arrangements satisfactory to the respective Issuing Lenders) and shall result in the termination of the Revolving Credit Commitment and the Swingline Commitment and the Revolving Credit Facility. If the reduction of the Revolving Credit Commitment requires the repayment of any Term SOFR Loan, such repayment shall be accompanied by any amount required to be paid pursuant to Section 2.27 hereof.

Section 2.06 ***Termination of Revolving Credit Facility***. The Revolving Credit Facility and the Revolving Credit Commitments shall terminate on the Maturity Date.

Section 2.07 ***L/C Facility***.

(a) ***Availability***. On or after the L/C Availability Date, each Revolving Credit Lender agrees to, on the terms and conditions set forth herein and in reliance on the agreements of the Lenders set forth in Section 2.10(a), issue standby or commercial Letters of Credit (in such capacity, an "***Issuing Lender***"); *provided* that the total number of Issuing Lenders shall not exceed the L/C Sublimit for the account of the Borrower or, subject to Section 2.16, any Subsidiary thereof. Letters of Credit may be issued on any Business Day from the Closing Date to, but not including the fifteenth (15th) Business Day prior to the Maturity Date in such form as may be approved from time to time by the applicable Issuing Lender; *provided*, that no Issuing Lender shall issue any Letter of Credit if, after giving effect to such issuance, (i) the aggregate amount of the outstanding Letters of Credit issued by such Issuing Lender would exceed its L/C Commitment, (ii) the L/C Exposure would exceed the L/C Sublimit or (iii) the Revolving Credit Exposure of all Lenders would exceed the Available Revolving Credit Commitment. Letters of Credit issued hereunder shall constitute utilization of the Revolving Credit Commitments.

(b) ***Terms of Letters of Credit***. Each Letter of Credit shall (i) be denominated in Dollars in a minimum amount of $25,000 (or such lesser amount as agreed to by the applicable Issuing Lender and the Administrative Agent), (ii) expire on a date no more than twelve (12) months after the date of issuance or last renewal or extension of such Letter of Credit (subject to automatic renewal or extension for additional one (1) year periods (but not to a date later than the date set forth below) pursuant to the terms of the Letter of Credit Documents or other documentation acceptable to the applicable Issuing Lender), which date shall be no later than the fifth (5th) Business Day prior to the Maturity Date; provided that any Letter of Credit may expire after such date (each such Letter of Credit, an "***Extended Letter of Credit***") with the consent of the applicable Issuing Lender (acting in its sole discretion) and subject to the requirements of Section 2.18, and (iii) unless otherwise expressly agreed by the applicable Issuing Lender and the Borrower when a Letter of Credit is issued by it, be subject to the UCP, in the case of a commercial Letter of Credit, or ISP, in the case of a standby Letter of Credit, in each case as set forth in the Letter of Credit Documents or as determined by the applicable Issuing Lender and, to the extent not inconsistent therewith, the laws of the State of New York. No Issuing Lender shall at any time be obligated to issue any Letter of Credit hereunder if (A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such Issuing Lender from issuing such Letter of Credit, or request that such Issuing Lender refrain from, or any Applicable Law applicable to such Issuing Lender or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Lender shall prohibit, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Issuing Lender with respect to letters of credit generally or such Letter of Credit in particular any restriction or reserve or capital requirement (for which such Issuing Lender is not otherwise compensated) not in effect on the Closing Date, or any unreimbursed loss, cost or expense that was not

applicable, in effect or known to such Issuing Lender as of the Closing Date and that such Issuing Lender in good faith deems material to it, (B) the conditions set forth in Section 4.01 are not satisfied, (C) the issuance of such Letter of Credit would violate one or more policies of such Issuing Lender applicable to letters of credit generally, (D) the proceeds of which would be made available to any Person in any manner that would result in a violation of any Sanctions by any party to this Agreement or (E) any Revolving Credit Lender is at that time a Defaulting Lender, unless such Issuing Lender has entered into arrangements, including the delivery of Cash Collateral, satisfactory to such Issuing Lender (in its sole discretion) with the Borrower or such Lender to eliminate such Issuing Lender's actual or potential Fronting Exposure (after giving effect to Section 2.33(a)(iv)) with respect to the Defaulting Lender arising from either the Letter of Credit then proposed to be issued or that Letter of Credit and all other L/C Exposure as to which such Issuing Lender has actual or potential Fronting Exposure, as it may elect in its sole discretion. An Issuing Lender shall be under no obligation to amend any Letter of Credit if (x) such Issuing Lender would have no obligation at such time to issue the Letter of Credit in its amended form under the terms hereof or (y) the beneficiary of the Letter of Credit does not accept the proposed amendment to the Letter of Credit. References herein to "issue" and derivations thereof with respect to Letters of Credit shall also include extensions or modifications of any outstanding Letters of Credit, unless the context otherwise requires.

(c) ***Defaulting Lenders***. Notwithstanding anything to the contrary contained in this Agreement, Article II shall be subject to the terms and conditions of Section 2.32 and Section 2.33.

Section 2.08 ***Procedure for Issuance and Disbursement of Letters of Credit***.

(a) The Borrower may from time to time request that any Issuing Lender issue, amend, renew or extend a Letter of Credit by delivering to such Issuing Lender at its applicable office (with a copy to the Administrative Agent at the Administrative Agent's office) a Letter of Credit application therefor, completed to the satisfaction of such Issuing Lender, and such other certificates, documents and other Letter of Credit Documents and information as such Issuing Lender or the Administrative Agent may reasonably request, not later than 11:00 a.m. (New York City time) at least three (3) Business Days (or such later date and time as the Administrative Agent and such Issuing Lender may agree in their sole discretion) prior to the proposed date of issuance, amendment, renewal or extension, as the case may be. Such notice shall specify (i) the requested date of issuance, amendment, renewal or extension (which shall be a Business Day), (ii) the date on which such Letter of Credit is to expire (which shall comply with Section 2.07(b)), (iii) the amount of such Letter of Credit, (iv) the name and address of the beneficiary thereof, (v) the purpose and nature of such Letter of Credit and (vi) such other information as shall be necessary to issue, amend, renew or extend such Letter of Credit. Upon receipt of any Letter of Credit application, the applicable Issuing Lender shall process such Letter of Credit application and the certificates, documents and other Letter of Credit Documents and information delivered to it in connection therewith in accordance with its customary procedures and shall, subject to Section 2.07 and Article IV, promptly issue, amend, renew or extend the Letter of Credit requested thereby (subject to the timing requirements set forth in this Section 2.08) by issuing the original of such Letter of Credit to the beneficiary thereof or as otherwise may be agreed by such Issuing Lender and the Borrower. Additionally, the Borrower shall furnish to the applicable Issuing Lender and the Administrative Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, renewal or extension, including any Letter of Credit Documents, as the applicable Issuing Lender or the Administrative Agent may require. Upon the request therefor, the applicable Issuing Lender shall promptly furnish to the Borrower and the Administrative Agent a copy of such Letter of Credit and the related Letter of Credit Documents and the Administrative Agent shall promptly notify each Revolving Credit Lender of the issuance and upon request by any Revolving Credit Lender, furnish to such Revolving Credit Lender a copy of such Letter of Credit and the amount of such Revolving Credit Lender's participation therein.

(b) The Issuing Lender for any Letter of Credit shall, within the time allowed by Applicable Laws or the specific terms of the Letter of Credit following its receipt thereof, examine all documents purporting to represent a demand for payment under such Letter of Credit. Such Issuing Lender shall promptly after such examination notify the Administrative Agent and the Borrower in writing of such demand for payment if such Issuing Lender has or will honor such demand for payment thereunder; *provided* that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse such Issuing Lender and the L/C Participants with respect to such payment.

Section 2.09 ***Commissions and Other Charges***.

(a) [Reserved].

(b) ***Issuance Fee***. In addition to the foregoing commission, the Borrower shall pay directly to the applicable Issuing Lender, for its own account, an issuance fee with respect to each Letter of Credit issued by such Issuing Lender in such amount as set forth in a fee letter or as otherwise agreed upon between such Issuing Lender and the Borrower. Such issuance fee shall be payable in Dollars quarterly in arrears on the last Business Day of each calendar quarter commencing with the first such date to occur after the issuance of such Letter of Credit, on the Maturity Date and thereafter on demand of the applicable Issuing Lender.

(c) ***Other Fees, Costs, Charges and Expenses***. In addition to the foregoing fees and commissions, the Borrower shall pay or reimburse each Issuing Lender for such normal and customary fees, costs, charges and expenses as are incurred or charged by such Issuing Lender in issuing, effecting payment under, amending or otherwise administering any Letter of Credit issued by it. Such customary fees, costs, charges and expenses are due and payable in Dollars on demand and are nonrefundable.

Section 2.10 ***L/C Participations***.

(a) Each Issuing Lender irrevocably agrees to grant and hereby grants to each L/C Participant, and, to induce each Issuing Lender to issue Letters of Credit hereunder, each L/C Participant irrevocably agrees to accept and purchase and hereby accepts and purchases from each Issuing Lender, on the terms and conditions hereinafter stated, for such L/C Participant's own account and risk an undivided interest equal to such L/C Participant's Pro Rata Percentage in each Issuing Lender's obligations and rights under and in respect of each Letter of Credit issued by it hereunder and the amount of each draft paid by such Issuing Lender thereunder. Each L/C Participant unconditionally and irrevocably agrees with each Issuing Lender that, if a draft is paid under any Letter of Credit issued by such Issuing Lender for which such Issuing Lender is not reimbursed in full by the Borrower through a Revolving Loan or otherwise in accordance with the terms of this Agreement, such L/C Participant shall pay to such Issuing Lender upon demand at such Issuing Lender's address for notices specified herein an amount equal to such L/C Participant's Pro Rata Percentage of the amount of such draft, or any part thereof, which is not so reimbursed.

(b) Upon becoming aware of any amount required to be paid by any L/C Participant to any Issuing Lender pursuant to Section 2.10(a) in respect of any unreimbursed portion of any payment made by such Issuing Lender under any Letter of Credit, issued by it, such Issuing Lender shall notify the Administrative Agent of such unreimbursed amount and the Administrative Agent shall notify each L/C

Participant (with a copy to the applicable Issuing Lender) of the amount and due date of such required payment and such L/C Participant shall pay to the Administrative Agent (which, in turn shall pay such Issuing Lender) the amount specified on the applicable due date. If any such amount is paid to such Issuing Lender after the date such payment is due, such L/C Participant shall pay to the Administrative Agent, which in turn shall pay such Issuing Lender, on demand, in addition to such amount, the product of (i) such amount, times (ii) the applicable Overnight Rate as determined by the Administrative Agent during the period from and including the date such payment is due to the date on which such payment is immediately available to such Issuing Lender, times (iii) a fraction the numerator of which is the number of days that elapse during such period and the denominator of which is 360, plus any administrative, processing or similar fees customarily charged by such Issuing Lender in connection with the foregoing. A certificate of such Issuing Lender with respect to any amounts owing under this Section shall be conclusive in the absence of manifest error. With respect to payment to such Issuing Lender of the unreimbursed amounts described in this Section, if the L/C Participants receive notice that any such payment is due (A) prior to 1:00 p.m. (New York City time) on any Business Day, such payment shall be due that Business Day, and (B) after 1:00 p.m. (New York City time) on any Business Day, such payment shall be due on the following Business Day.

(c) Whenever, at any time after any Issuing Lender has made payment under any Letter of Credit issued by it and has received from any L/C Participant its Pro Rata Percentage of such payment in accordance with this Section, such Issuing Lender receives any payment related to such Letter of Credit (whether directly from the Administrative Agent or otherwise), or any payment of interest on account thereof, such Issuing Lender will distribute to such L/C Participant its *pro rata* share thereof; *provided*, that in the event that any such payment received by such Issuing Lender shall be required to be returned by such Issuing Lender, such L/C Participant shall return to the Administrative Agent, which shall in turn pay to such Issuing Lender, the portion thereof previously distributed by such Issuing Lender to it.

(d) Each L/C Participant's obligation to make the Revolving Loans and to purchase participating interests pursuant to this Section 2.10 or Section 2.11, as applicable, shall be absolute and unconditional and shall not be affected by any circumstance, including (i) any setoff, counterclaim, recoupment, defense or other right that such Revolving Credit Lender or the Borrower may have against the applicable Issuing Lender, the Borrower or any other Person for any reason whatsoever, (ii) the occurrence or continuance of a Default or an Event of Default or the failure to satisfy any of the other conditions specified in Article VI, (iii) any adverse change in the condition (financial or otherwise) of the Borrower, (iv) any breach of this Agreement or any other Loan Document by the Borrower, any other Loan Party or any other Revolving Credit Lender or (v) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing.

Section 2.11 ***Reimbursement***. In the event of any drawing under any Letter of Credit, the Borrower agrees to reimburse (either with the proceeds of a Revolving Loan as provided for in this Section or with funds from other sources), in same day funds the applicable Issuing Lender by paying to the Administrative Agent the amount of such drawing not later than 12:00 p.m. (New York City time) on (i) the Business Day that the Borrower receives notice of such drawing, if such notice is received by the Borrower prior to 10:00 a.m. (New York City time), or (ii) the Business Day immediately following the day that the Borrower receives such notice, if such notice is not received prior to such time, for the amount of (x) such draft so paid and (y) any amounts referred to in Section 2.09(c) incurred by such Issuing Lender in connection with such payment (to the extent invoices have been provided by the applicable Issuing Lender to the Borrower). Unless the Borrower shall immediately notify the Administrative Agent and such Issuing Lender that the Borrower intends to reimburse such Issuing Lender for such drawing from other

sources or funds, the Borrower shall be deemed to have timely given a Borrowing Request to the Administrative Agent requesting that the Revolving Credit Lenders make a Revolving Loan denominated in Dollars as a Base Rate Loan on the applicable repayment date in the amount (without regard to the minimum and multiples specified in Section 2.03(a)) of (i) such draft so paid and (ii) any amounts referred to in Section 2.09(c) incurred by such Issuing Lender in connection with such payment (to the extent invoices have been provided by the applicable Issuing Lender to the Borrower), and the Revolving Credit Lenders shall make a Revolving Loan denominated in Dollars as a Base Rate Loan in such amount, the proceeds of which shall be applied to reimburse such Issuing Lender for the amount of the related drawing and such fees and expenses. Each Revolving Credit Lender acknowledges and agrees that its obligation to fund a Revolving Loan in accordance with this Section to reimburse such Issuing Lender for any draft paid under a Letter of Credit issued by it is absolute and unconditional and shall not be affected by any circumstance whatsoever, including non-satisfaction of the conditions set forth in Section 2.03(a) or Article IV. If the Borrower has elected to pay the amount of such drawing with funds from other sources and shall fail to reimburse such Issuing Lender as provided above, or if the amount of such drawing is not fully refunded through a Base Rate Loan as provided above, the unreimbursed amount of such drawing shall bear interest at the rate which would be payable on any outstanding Base Rate Loans which were then overdue from the date such amounts become payable (whether at stated maturity, by acceleration or otherwise) until paid in full. The Borrower shall, upon demand from any Issuing Lender or L/C Participant, pay to such Issuing Lender or L/C Participant, the amount of (i) any loss or cost or increased cost incurred by such Issuing Lender or L/C Participant and (ii) any reduction in any amount payable to or in the effective return on the capital to such Issuing Lender or L/C Participant (*provided* that no Issuing Lender or L/C participant may demand such compensation unless it is then the general policy of such Issuing Lender or L/C Participant to pursue similar compensation in similar circumstances under comparable provisions of other credit agreements). A certificate of such Issuing Lender setting forth in reasonable detail the basis for determining such additional amount or amounts necessary to compensate such Issuing Lender shall be conclusively presumed to be correct save for manifest error.

Section 2.12 ***Obligations Absolute***.

(a) The Borrower's obligations under Section 2.11 (including the Reimbursement Obligation) shall be absolute, unconditional and irrevocable under any and all circumstances whatsoever, and shall be performed strictly in accordance with the terms of this Agreement, and irrespective of:

(i) any lack of validity or enforceability of any Letter of Credit, any Letter of Credit Document or this Agreement, or any term or provision therein or herein;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that the Borrower may have or have had against the applicable Issuing Lender or any beneficiary of a Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the applicable Issuing Lender or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) the validity or genuineness of documents or of any endorsements thereon, even though such documents shall in fact prove to be invalid, fraudulent, forged or insufficient in any respect or any statement in such draft or other document being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by any Issuing Lender under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit;

(v) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement in such draft or other document being untrue or inaccurate in any respect; or

(vi) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder.

(b) The Borrower also agrees that the applicable Issuing Lender and the L/C Participants shall not be responsible for, and the Borrower's Reimbursement Obligation under Section 2.11 shall not be affected by, among other things, the validity or genuineness of documents or of any endorsements thereon, even though such documents shall in fact prove to be invalid, fraudulent or forged, or any dispute between or among the Borrower and any beneficiary of any Letter of Credit or any other party to which such Letter of Credit may be transferred or any claims whatsoever of the Borrower against any beneficiary of such Letter of Credit or any such transferee. The applicable Issuing Lender, the L/C Participants and their respective Related Parties shall not have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit, or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the applicable Issuing Lender; *provided* that the foregoing shall not be construed to excuse an Issuing Lender from liability to the Borrower to the extent of any direct damages (as opposed to special, indirect, consequential or punitive damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by Applicable Law) suffered by the Borrower that are caused by such Issuing Lender's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of bad faith, gross negligence or willful misconduct on the part of the applicable Issuing Lender (as finally determined by a court of competent jurisdiction), such Issuing Lender shall be deemed to have exercised care in each such determination.

(c) In furtherance of the foregoing and without limiting the generality thereof, the parties agree that (i) with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, the applicable Issuing Lender may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit, (ii) an Issuing Lender may act upon any instruction or request relative to a Letter of Credit or requested Letter of Credit that such Issuing Lender in good faith believes to have been given by a Person authorized to give such instruction or request and (iii) an Issuing Lender may replace a purportedly lost, stolen, or destroyed original Letter of Credit or missing amendment thereto with a certified true copy marked as such or waive a requirement for its presentation. The responsibility of any Issuing Lender to the Borrower in connection with any draft presented for payment under any Letter of Credit issued by it shall, in addition to any payment obligation expressly provided for in such Letter of Credit, be limited to determining that the documents (including each draft) delivered under such Letter of Credit in connection with such presentment substantially conforms to the requirements under such Letter of Credit.

(d) Notwithstanding anything to the contrary herein, no Issuing Lender shall be responsible to the Borrower for, and such Issuing Lender's rights and remedies against the Borrower shall not be impaired by, any action or inaction of such Issuing Lender required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the Applicable Laws or any order of a jurisdiction in which such Issuing Lender or the beneficiary is located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements or official commentary of the International Chamber of Commerce Banking Commission, the Banker's Association for Finance and Trade (BAFT) or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such laws or practice rules.

Section 2.13 ***Effect of Letter of Credit Documents***. To the extent that any provision of any Letter of Credit Document related to any Letter of Credit is inconsistent with the provisions of this Article II, the provisions of this Article II shall apply.

Section 2.14 ***Removal and Resignation of Issuing Lenders***.

(a) The Borrower may at any time remove any Lender from its role as an Issuing Lender hereunder upon not less than thirty (30) days' prior notice to such Issuing Lender and the Administrative Agent (or such shorter period of time as may be acceptable to such Issuing Lender and the Administrative Agent).

(b) Any Issuing Lender may resign at any time by giving thirty (30) days' prior notice to the Administrative Agent, the Lenders and the Borrower. After the resignation of an Issuing Lender hereunder, the retiring Issuing Lender shall remain a party hereto and shall continue to have all the rights and obligations of an Issuing Lender under this Agreement and the other Loan Documents with respect to Letters of Credit issued by it prior to such resignation, but shall not be required to issue additional Letters of Credit or to extend, renew or increase the outstanding Letter of Credit.

(c) Any removed or resigning Issuing Lender shall retain all the rights, powers, privileges and duties of an Issuing Lender hereunder with respect to all Letters of Credit issued by it that are outstanding as of the effective date of its removal or resignation as an Issuing Lender and all L/C Exposure with respect thereto (including the right to require the Revolving Credit Lenders to take such actions as are required under Section 2.10). Without limiting the foregoing, upon the removal or resignation of a Lender as an Issuing Lender hereunder, the Borrower may arrange for one or more of the other Issuing Lenders to issue Letters of Credit hereunder in substitution for the Letters of Credit, if any, issued by such removed or resigned Issuing Lender and outstanding at the time of such removal or resignation, or make other arrangements satisfactory to the removed or resigned Issuing Lender to effectively cause another Issuing Lender to assume the obligations of the removed or resigned Issuing Lender with respect to any such Letters of Credit.

Section 2.15 ***Reporting of Letter of Credit Information and L/C Commitment***. At any time that there is an Issuing Lender that is not also the financial institution acting as Administrative Agent, then (a) no later than the fifth Business Day following the last day of each calendar month, (b) on each date that a Letter of Credit is amended, terminated or otherwise expires, (c) on each date that a Letter of Credit is issued or the expiry date of a Letter of Credit is extended, and (d) upon the request of the Administrative Agent, each Issuing Lender (or, in the case of clauses (b), (c) or (d) of this Section, the applicable Issuing

Lender) shall deliver to the Administrative Agent a report setting forth in form and detail reasonably satisfactory to the Administrative Agent information (including any reimbursement, Cash Collateral, or termination in respect of Letters of Credit issued by such Issuing Lender) with respect to each Letter of Credit issued by such Issuing Lender that is outstanding hereunder. In addition, each Issuing Lender shall provide notice to the Administrative Agent of its L/C Commitment, or any change thereto, promptly upon it becoming an Issuing Lender or making any change to its L/C Commitment. No failure on the part of any Issuing Lender to provide such information pursuant to this Section 2.15 shall limit the obligations of the Borrower or any Revolving Credit Lender hereunder with respect to its reimbursement and participation obligations hereunder.

Section 2.16 ***Letters of Credit Issued for Subsidiaries***. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary, or states that a Subsidiary is the "account party," "applicant," "customer," "instructing party," or the like of or for such Letter of Credit, and without derogating from any rights of the applicable Issuing Lender (whether arising by contract, at law, in equity or otherwise) against such Subsidiary in respect of such Letter of Credit, the Borrower (a) shall be obligated to reimburse, or to cause the applicable Subsidiary to reimburse, the applicable Issuing Lender hereunder for any and all drawings under such Letter of Credit as if such Letter of Credit had been issued solely for the account of the Borrower and (b) irrevocably waives any and all defenses that might otherwise be available to it as a guarantor or surety of any or all of the obligations of such Subsidiary in respect of such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of any of its Subsidiaries inures to the benefit of the Borrower and that the Borrower's business derives substantial benefits from the businesses of such Subsidiaries.

Section 2.17 ***Letter of Credit Amounts***. Unless otherwise specified, all references herein to the amount of a Letter of Credit at any time shall be deemed to mean the maximum face amount of such Letter of Credit after giving effect to all increases thereof contemplated by such Letter of Credit or the Letter of Credit Documents therefor (at the time specified therefor in such applicable Letter of Credit or Letter of Credit Documents and as such amount may be reduced by (a) any permanent reduction of such Letter of Credit or (b) any amount which is drawn, reimbursed and no longer available under such Letter of Credit).

Section 2.18 ***Cash Collateral for Extended Letters of Credit***.

(a) ***Cash Collateralization***. The Borrower shall provide Cash Collateral to each applicable Issuing Lender with respect to each Extended Letter of Credit issued by such Issuing Lender (in an amount equal to 105% of the maximum face amount of each Extended Letter of Credit) on the date of issuance thereof by depositing such amount in same day funds, in Dollars, into a cash collateral account or cash collateral accounts maintained at the applicable Issuing Lender and shall enter into a cash collateral agreement in form and substance satisfactory to such Issuing Lender and such other documentation as such Issuing Lender or the Administrative Agent may reasonably request; *provided* that if the Borrower fails to provide Cash Collateral with respect to any such Extended Letter of Credit by such time, such event shall be treated as a drawing under such Extended Letter of Credit in an amount equal to 105% of the maximum face amount of each such Letter of Credit, which shall be reimbursed (or participations therein funded) in accordance with this Article II, with the proceeds of Revolving Loans (or funded participations) being utilized to provide Cash Collateral for such Letter of Credit (*provided* that for purposes of determining the usage of the Revolving Credit Commitment any such Extended Letter of Credit that has been, or will concurrently be, Cash Collateralized with proceeds of a Revolving Loan, the portion of such Extended Letter of Credit that has been (or will concurrently be) so Cash Collateralized will not be deemed to be utilization of the Revolving Credit Commitment).

(b) ***Grant of Security Interest***. The Borrower, and to the extent provided by the L/C Participants, each of such L/C Participants, hereby grants to the applicable Issuing Lender of each Extended Letter of Credit, and agrees to maintain, a first priority security interest in, all Cash Collateral required to be provided by this Section 2.18 as security for such Issuing Lender's obligation to fund draws under such Extended Letters of Credit, to be applied pursuant to subsection (c) below. If at any time the applicable Issuing Lender determines that the Cash Collateral is subject to any right or claim of any Person other than such Issuing Lender as herein provided, or that the total amount of such Cash Collateral is less than the amount required pursuant to subsection (a) above, the Borrower will, promptly upon demand by such Issuing Lender, pay or provide to such Issuing Lender additional Cash Collateral in an amount sufficient to eliminate such deficiency.

(c) ***Application***. Notwithstanding anything to the contrary contained in this Agreement or any other Loan Document, Cash Collateral provided under this Section 2.18 in respect of Extended Letters of Credit shall be applied to reimburse the applicable Issuing Lender for all drawings made under such Extended Letters of Credit and any and all fees, expenses and charges incurred in connection therewith, prior to any other application of such property as may otherwise be provided for herein.***Cash Collateralized Letters of Credit***. Subject to clause (e) below, if the Borrower has fully Cash Collateralized the applicable Issuing Lender with respect to any Extended Letter of Credit issued by such Issuing Lender in accordance with subsections (a) through (c) above and the Borrower and the applicable Issuing Lender have made arrangements between them with respect to the pricing and fees associated therewith (each such Extended Letter of Credit, a "***Cash Collateralized Letter of Credit***"), then after the date of notice to the Administrative Agent thereof by the applicable Issuing Lender and for so long as such Cash Collateral remains in place (i) such Cash Collateralized Letter of Credit shall cease to be a "Letter of Credit" hereunder, (ii) such Cash Collateralized Letter of Credit shall not constitute utilization of the Revolving Credit Commitment, (iii) no Revolving Credit Lender shall have any further obligation to fund participations or Revolving Loans to reimburse any drawing under any such Cash Collateralized Letter of Credit, (iv) no Letter of Credit commissions under Section 2.09(a) shall be due or payable to the Revolving Credit Lenders, or any of them, hereunder with respect to such Cash Collateralized Letter of Credit, and (v) any fronting fee, issuance fee or other fee with respect to such Cash Collateralized Letter of Credit shall be as agreed separately between the Borrower and such Issuing Lender.

(d) ***Reinstatement***. The Borrower and each Revolving Credit Lender agree that, if any payment or deposit made by the Borrower or any other Person applied to the Cash Collateral required under this Section 2.18 is at any time avoided, annulled, set aside, rescinded, invalidated, declared to be fraudulent or preferential or otherwise required to be refunded or repaid, or is repaid in whole or in part pursuant to a good faith settlement of a pending or threatened avoidance claim, or the proceeds of any such Cash Collateral are required to be refunded by the applicable Issuing Lender to the Borrower or any Revolving Credit Lender or its respective estate, trustee, receiver or any other Person, under any Applicable Law or equitable cause, then, to the extent of such payment or repayment, (i) the applicable Extended Letter of Credit shall automatically be a "Letter of Credit" hereunder in a face amount equal to such payment or repayment (each such Letter of Credit, a "***Reinstated Letter of Credit***"), (ii) such Reinstated Letter of Credit shall no longer be deemed to be Cash Collateralized hereunder and shall constitute a utilization of the Revolving Credit Commitment, (iii) each Revolving Credit Lender shall be obligated to fund participations or Revolving Loans to reimburse any drawing under such Reinstated Letter of Credit, (iv) Letter of Credit commissions under Section 2.09(a) shall accrue and be due and payable to the Revolving Credit Lenders

with respect to such Reinstated Letter of Credit and (v) the Borrower's and each Revolving Credit Lender's liability hereunder (and any Guarantee, Lien or Collateral guaranteeing or securing such liability) shall be and remain in full force and effect, as fully as if such payment or deposit had never been made, and, if prior thereto, this Agreement shall have been canceled, terminated, paid in full or otherwise extinguished (and if any Guarantee, Lien or Collateral guaranteeing or securing such Borrower's or such Revolving Credit Lender's liability hereunder shall have been released or terminated by virtue of such cancellation, termination, payment or extinguishment), the provisions of this Article II and all other rights and duties of the applicable Issuing Lender, the L/C Participants and the Loan Parties with respect to such Reinstated Letter of Credit (and any Guarantee, Lien or Collateral guaranteeing or securing such liability) shall be reinstated in full force and effect, and such prior cancellation, termination, payment or extinguishment shall not diminish, release, discharge, impair or otherwise affect the obligations of such Persons in respect of such Reinstated Letter of Credit (and any Guarantee, Lien or Collateral guaranteeing or securing such obligation).

(e) ***Survival***. With respect to any Extended Letter of Credit, each party's obligations under this Article II and all other rights and duties of the applicable Issuing Lender of such Extended Letter of Credit, the L/C Participants and the Loan Parties with respect to such Extended Letter of Credit shall survive the resignation or replacement of the applicable Issuing Lender or any assignment of rights by the applicable Issuing Lender, the termination of the Commitments and the repayment, satisfaction or discharge of the Obligations.

Section 2.19 ***Interest***.

(a) ***Interest Rate Options***. Revolving Loans (but not Swingline Loans) may be (A) Base Rate Loans or (B) Term SOFR Loans. Subject to the provisions of this Section, at the election of the Borrower, Revolving Loans that are (1) Base Rate Loans shall bear interest at the Base Rate plus the Applicable Rate, and (2) Term SOFR Loans shall bear interest at Term SOFR plus the Applicable Rate. The Borrower shall select the rate of interest and Interest Period, if any, applicable to any Loan at the time a Borrowing Request is given or at the time a Notice of Conversion/Continuation is given pursuant to Section 2.20.

(b) ***Default Rate***. Subject to Article VII, (i) immediately upon the occurrence and during the continuance of an Event of Default under clauses (g) or (h) of Article VII, or (ii) at the election of the Required Lenders (or the Administrative Agent at the direction of the Required Lenders), upon the occurrence and during the continuance of any other Event of Default, (A) the Borrower shall no longer have the option to request Swingline Loans or Letters of Credit, (B) all overdue amounts in respect of outstanding Term SOFR Loans shall bear interest at a rate per annum equal to two percent (2%) in excess of the rate (including the Applicable Rate) then applicable to Term SOFR Loans until the end of the applicable Interest Period and shall automatically be converted to a Base Rate Loan denominated in Dollars at the end of the applicable Interest Period therefor and shall, as of such conversion, bear interest at a rate per annum equal to two percent (2%) in excess of the rate (including the Applicable Rate) then applicable to Base Rate Loans, (C) all overdue amounts in respect of outstanding Base Rate Loans and in respect of other outstanding Obligations (other than overdue amounts in respect of outstanding Term SOFR Loans) shall bear interest at a rate per annum equal to two percent (2%) in excess of the rate (including the Applicable Rate) then applicable to Base Rate Loans and (D) all accrued and unpaid interest shall be due and payable on demand of the Administrative Agent. Interest shall continue to accrue on the overdue amounts after the filing by or against the Borrower of any petition seeking any relief in bankruptcy or under any debtor relief law.

(c) ***Interest Payment and Computation***. Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto commencing September 30, 2024; *provided* that (i) in the event of any repayment or prepayment of any Term SOFR Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (ii) in the event of any conversion of any Term SOFR Loan prior to the end of the Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion. All computations of interest for Base Rate Loans shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest provided hereunder shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365/366-day year).

(d) ***Maximum Rate***. In no contingency or event whatsoever shall the aggregate of all amounts deemed interest under this Agreement charged or collected pursuant to the terms of this Agreement exceed the highest rate permissible under any Applicable Law which a court of competent jurisdiction shall, in a final determination, deem applicable hereto. In the event that such a court determines that the Lenders have charged or received interest hereunder in excess of the highest applicable rate, the rate in effect hereunder shall automatically be reduced to the maximum rate permitted by Applicable Law and the Lenders shall at the Administrative Agent's option (i) promptly refund to the Borrower any interest received by the Lenders in excess of the maximum lawful rate or (ii) apply such excess to the principal balance of the Obligations. It is the intent hereof that the Borrower not pay or contract to pay, and that neither the Administrative Agent nor any Lender receive or contract to receive, directly or indirectly in any manner whatsoever, interest in excess of that which may be paid by the Borrower under Applicable Law.

(e) ***Initial Benchmark Conforming Changes***. In connection with the use or administration of any Benchmark, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. The Administrative Agent will promptly notify the Borrower and the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of any Benchmark.

Section 2.20 ***Notice and Manner of Conversion or Continuation of Loans***. The Borrower shall have the option, subject to Section 2.19(a), to (a) convert at any time, subject to the notice requirements herein, all or any portion of any outstanding Base Rate Loans (other than Swingline Loans) in a principal amount equal to $2,000,000 or any whole multiple of $1,000,000 in excess thereof (or such lesser amount as shall represent all of the Base Rate Loans then outstanding) into one or more Term SOFR Loans and (b) upon the expiration of any Interest Period therefor, (i) convert all or any part of any outstanding Term SOFR Loans in a principal amount equal to $1,000,000 or a whole multiple of $500,000 in excess thereof (or such lesser amount as shall represent all of the Term SOFR Loans then outstanding) into Base Rate Loans (other than Swingline Loans) or (ii) continue any Term SOFR Loans as Term SOFR Loans. Whenever the Borrower desires to convert or continue Loans as provided above, the Borrower shall give the Administrative Agent irrevocable prior written notice in the form attached as Exhibit I (or such other form as shall be approved by the Administrative Agent and the Borrower (which approval shall not be unreasonably withheld or delayed)) (a "***Notice of Conversion/Continuation***") not later than 11:00 a.m. (New York City time), at least three (3) U.S. Government Securities Business Days before the day on which a proposed conversion or continuation of such Loan is to be effective, in each case, specifying (A) the Loans to be converted or continued, and, in the case of any Term SOFR Loan to be converted or continued, the last day of the Interest Period therefor, (B) the effective date of such conversion or continuation (which

shall be a Business Day), (C) the principal amount of such Loans to be converted or continued, and (D) in the case of any Term SOFR Loan, the Interest Period to be applicable to such converted or continued Term SOFR Loan. If the Borrower fails to deliver a timely Notice of Conversion/Continuation with respect to a Term SOFR Loan prior to the end of the Interest Period therefor, then, unless such Term SOFR Loan is repaid as provided herein, the Borrower shall be deemed to have selected an Interest Period of one month. If the Borrower requests a conversion to, or continuation of a Term SOFR Loan, but fails to specify an Interest Period, it will be deemed to have specified an Interest Period of one month. The Administrative Agent shall promptly notify the affected Lenders of such Notice of Conversion/Continuation. Notwithstanding any contrary provision hereof, if an Event of Default has occurred and is continuing and the Administrative Agent, acting in its sole discretion or at the request of the Required Lenders, so notifies the Borrower in writing, then, so long as such Event of Default is continuing no outstanding Loan may be converted to or continued as a Term SOFR Loan.

Section 2.21 ***Fees***.

(a) ***Commitment Fee***. Commencing on the Closing Date, subject to Section 2.33(a)(iii)(A), the Borrower shall pay to the Administrative Agent, for the account of the Revolving Credit Lenders, a non-refundable commitment fee (the "***Commitment Fee***") in Dollars at a rate per annum equal to the applicable amount for Commitment Fees as set forth in the definition of Applicable Rate on the average daily unused portion of the Revolving Credit Commitment of the Revolving Credit Lenders (other than the Defaulting Lenders, if any); *provided*, that the amount of outstanding Swingline Loans shall not be considered usage of the Revolving Credit Commitment for the purpose of calculating the Commitment Fee. The Commitment Fee shall be payable in arrears on the last Business Day of each calendar quarter during the term of this Agreement commencing the last Business Day of September 2024 and ending on the date upon which all Obligations (other than contingent indemnification obligations not then due) arising under the Revolving Credit Facility shall have been indefeasibly and irrevocably paid and satisfied in full, all Letters of Credit have been terminated or expired (or been Cash Collateralized) and the Revolving Credit Commitment has been terminated. The Commitment Fee shall be distributed by the Administrative Agent to the Revolving Credit Lenders (other than any Defaulting Lender) *pro rata* in accordance with such Revolving Credit Lenders' respective Pro Rata Percentages.

(b) ***L/C Fees***. The Borrower agrees to pay in Dollars (i) to each Lender, through the Administrative Agent, on the last Business Day of March, June, September and December of each year, beginning with the last Business Day of September 2024, and on the date on which the Revolving Credit Commitment of such Lender shall be terminated as provided herein, a fee (an "***L/C Participation Fee***") calculated on such Lender's Pro Rata Percentage of the daily aggregate L/C Exposure (excluding the portion thereof attributable to unreimbursed L/C Disbursements) during the preceding quarter (or shorter period commencing with the Closing Date or ending with the Maturity Date or the date on which all Letters of Credit have been canceled or have expired and the Revolving Credit Commitments of all Lenders shall have been terminated) at a rate per annum equal to the Applicable Rate from time to time used to determine the interest rate on Revolving Credit Borrowings comprised of Term SOFR Loans pursuant to Section 2.19, and (ii) to the applicable Issuing Lender on the last Business Day of March, June, September and December of each year, beginning with the last Business Day of September 2024, with respect to each Letter of Credit, a fronting fee equal to .125% per annum (or such other amount as agreed between the Borrower and such Issuing Lender) on the outstanding face amount of the Letter of Credit issued, together with the standard issuance, amendment, renewal, extension and drawing fees specified from time to time by such Issuing Lender (the "***Issuing Lender Fees***").

(c) ***Other Fees***. The Borrower shall pay to the Administrative Agent for its own respective account fees in the amounts and at the times specified in the Engagement Letter. The Borrower shall pay to the Lenders such fees as shall have been separately agreed upon in writing in the amounts and at the times so specified.

Section 2.22 ***Manner of Payment***. Except as otherwise expressly provided herein, each payment by the Borrower on account of the principal of or interest on the Loans or of any fee, commission or other amounts (including the Reimbursement Obligation) payable to the Lenders under this Agreement shall be made not later than 2:00 p.m. (New York City time) on the date specified for payment under this Agreement to the Administrative Agent at the Administrative Agent's office for the account of the Lenders entitled to such payment in Dollars, in same day funds and shall be made without any setoff, counterclaim or deduction whatsoever. Any payment received after such time but before 2:00 p.m. (New York City time) on such day shall be deemed a payment on such date for the purposes of Article VII, but for all other purposes shall be deemed to have been made on the next succeeding Business Day. Any payment received after 2:00 p.m. (New York City time) shall be deemed to have been made on the next succeeding Business Day for all purposes. Upon receipt by the Administrative Agent of each such payment, the Administrative Agent shall distribute to each such Lender at its address for notices set forth herein its Revolving Credit Commitment Percentage in respect of this Revolving Credit Facility (or other applicable share as provided herein) of such payment and shall wire advice of the amount of such credit to each Lender. Each payment to the Administrative Agent on account of the principal of or interest on the Swingline Loans or of any fee, commission or other amounts payable to the Swingline Lender shall be made in like manner, but for the account of the Swingline Lender. Each payment to the Administrative Agent of any Issuing Lender's fees or L/C Participants' commissions shall be made in like manner, but for the account of such Issuing Lender or the L/C Participants, as the case may be. Each payment to the Administrative Agent of Administrative Agent's fees or expenses shall be made for the account of the Administrative Agent and any amount payable to any Lender under Sections 2.27, 2.28, 2.29 or 9.05 shall be paid to the Administrative Agent for the account of the applicable Lender. Subject to the definitions of Interest Period and Interest Payment Date, if any payment under this Agreement shall be specified to be made upon a day which is not a Business Day, it shall be made on the next succeeding day which is a Business Day and such extension of time shall in such case be included in computing any interest if payable along with such payment. Notwithstanding the foregoing, if there exists a Defaulting Lender each payment by the Borrower to such Defaulting Lender hereunder shall be applied in accordance with Section 2.33(a)(ii). Without limiting the generality of the foregoing, the Administrative Agent may require that any payments due under this Agreement be made in the United States.

Section 2.23 ***Evidence of Indebtedness***.

(a) ***Extensions of Credit***. The Loans made by each Lender and each Issuing Lender shall be evidenced by one or more accounts or records maintained by such Lender or such Issuing Lender and by the Administrative Agent in the ordinary course of business. The accounts or records maintained by the Administrative Agent and each Lender or the applicable Issuing Lender shall be conclusive absent manifest error of the amount of the Loans made by the Lenders or such Issuing Lender to the Borrower and its Subsidiaries and the interest and payments thereon. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender or any Issuing Lender and the accounts and records of the Administrative Agent in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error. Upon the request of any Lender made through the Administrative Agent, the Borrower shall

execute and deliver to such Lender (through the Administrative Agent) a Revolving Loan promissory note and/or Swingline Loan promissory note, as applicable, which shall evidence such Lender's Revolving Loans and/or Swingline Loans, as applicable, in addition to such accounts or records. Each Lender may attach schedules to its promissory notes and endorse thereon the date, amount and maturity of its Loans and payments with respect thereto.

(b) ***Participations***. In addition to the accounts and records referred to in subsection (a), each Revolving Credit Lender and the Administrative Agent shall maintain in accordance with its usual practice accounts or records evidencing the purchases and sales by such Revolving Credit Lender of participations in Letters of Credit and Swingline Loans. In the event of any conflict between the accounts and records maintained by the Administrative Agent and the accounts and records of any Revolving Credit Lender in respect of such matters, the accounts and records of the Administrative Agent shall control in the absence of manifest error.

Section 2.24 ***Sharing of Payments by Lenders***. If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or other obligations hereunder resulting in such Lender's receiving payment of a proportion of the aggregate amount of its Loans and accrued interest thereon or other such obligations (other than pursuant to Sections 2.27, 2.28, 2.29 or 9.05) greater than its *pro rata* share thereof as provided herein, then the Lender receiving such greater proportion shall (a) notify the Administrative Agent of such fact, and (b) purchase (for cash at face value) participations in the Loans and such other obligations of the other Lenders, or make such other adjustments as shall be equitable, so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and other amounts owing them; *provided* that:

(i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and

(ii) the provisions of this paragraph shall not be construed to apply to (A) any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from the existence of a Defaulting Lender), (B) the application of Cash Collateral provided for in Section 2.32 or (C) any payment obtained by a Lender as consideration for the assignment of, or sale of, a participation in any of its Loans or participations in Swingline Loans and Letters of Credit to any assignee or participant, other than to the Borrower or any of its Subsidiaries or Affiliates (as to which the provisions of this paragraph shall apply).

Each Loan Party consents to the foregoing and agrees, to the extent it may effectively do so under Applicable Law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against each Loan Party rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of each Loan Party in the amount of such participation.

Section 2.25 ***Administrative Agent's Clawback***.

(a) ***Funding by Lenders; Presumption by Administrative Agent***. In connection with any borrowing hereunder, the Administrative Agent may assume that each Lender has made its respective share of such borrowing available on such date in accordance with Section 2.03(b) and may, in reliance upon such assumption, make available to the Borrower a corresponding amount. In such event, if a Lender has

not in fact made its share of the applicable borrowing available to the Administrative Agent, then the applicable Lender and the Borrower severally agree to pay to the Administrative Agent forthwith on demand such corresponding amount with interest thereon, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (A) in the case of a payment to be made by such Lender, the applicable Overnight Rate and (B) in the case of a payment to be made by the Borrower, the interest rate applicable to Base Rate Loans. If the Borrower and such Lender shall pay such interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such interest paid by the Borrower for such period. If such Lender pays its share of the applicable borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(b) ***Payments by the Borrower; Presumptions by Administrative Agent***. Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders, the Issuing Lenders or the Swingline Lender hereunder that the Borrower will not make such payment, the Administrative Agent may assume that the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the Lenders, the Issuing Lenders or the Swingline Lender, as the case may be, the amount due. In such event, if the Borrower has not in fact made such payment, then each of the Lenders, the Issuing Lenders or the Swingline Lender, as the case maybe, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender, Issuing Lender or the Swingline Lender, with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the applicable Overnight Rate.

(c) ***Nature of Obligations of Lenders***. The obligations of the Lenders under this Agreement to make the Loans, to issue or participate in Letters of Credit and to make payments under this Section, Section 2.29(e), Section 8.02, or Section 9.05, as applicable, are several and are not joint or joint and several. The failure of any Lender to make available its Revolving Credit Commitment Percentage of any Loan requested by the Borrower shall not relieve it or any other Lender of its obligation, if any, hereunder to make its Revolving Credit Commitment Percentage of such Loan available on the borrowing date, but no Lender shall be responsible for the failure of any other Lender to make its Revolving Credit Commitment Percentage of such Loan available on the borrowing date.

Section 2.26 ***Changed Circumstances***.

(a) ***Circumstances Affecting Reference Rate Loans***. Subject to clause (c) below, in connection with any Term SOFR Loan, a request therefor, a conversion to or a continuation thereof or otherwise, if for any reason (i) the Administrative Agent shall determine (which determination shall be conclusive and binding absent manifest error) that (x) if Daily Simple SOFR is utilized in any calculations hereunder or under any other Loan Document with respect to any Obligations, interest, fees, commissions or other amounts, reasonable and adequate means do not exist for ascertaining Daily Simple SOFR pursuant to the definition thereof or (y) if Term SOFR is utilized in any calculations hereunder or under any other Loan Document with respect to any Obligations, interest, fees, commissions or other amounts, reasonable and adequate means do not exist for ascertaining Term SOFR for the applicable Interest Period with respect to a proposed Term SOFR Loan on or prior to the first day of such Interest Period, or (ii) the Required Lenders shall determine (which determination shall be conclusive and binding absent manifest error) that (x) if Daily Simple SOFR is utilized in any calculations hereunder or under any other Loan Document with

respect to any Obligations, interest, fees, commissions or other amounts, Daily Simple SOFR does not adequately and fairly reflect the cost to such Lenders of making or maintaining such Loans or (y) if Term SOFR is utilized in any calculations hereunder or under any other Loan Document with respect to any Obligations, interest, fees, commissions or other amounts, Term SOFR does not adequately and fairly reflect the cost to such Lenders of making or maintaining such Loans during the applicable Interest Period and, in the case of (x) or (y), the Required Lenders have provided notice of such determination to the Administrative Agent, then, in each case, the Administrative Agent shall promptly give notice thereof to the Borrower. Upon notice thereof by the Administrative Agent to the Borrower, any obligation of the Lenders to make Term SOFR Loans and any right of the Borrower to or continue any Loan as a Term SOFR Loan, shall be suspended (to the extent of the affected Term SOFR Loans, the affected Interest Periods) until the Administrative Agent (with respect to clause (iv), at the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, (A) the Borrower may revoke any pending request for a borrowing of, conversion to or continuation of Term SOFR Loans (to the extent of Term SOFR Loans the affected Interest Periods) or, failing that, in the case of any request for a borrowing of an affected Term SOFR Loan, the Borrower will be deemed to have converted any such request into a request for a borrowing of or conversion to Base Rate Loans in the amount specified therein and (B) any outstanding affected Term SOFR Loans will be deemed to have been converted into Base Rate Loans at the end of the applicable Interest Period; *provided* that if no election is made by the Borrower by the date that is the earlier of (x) three (3) Business Days after receipt by the Borrower of such notice, the Borrower shall be deemed to have elected clause (1) above. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest (except with respect to any prepayment or conversion of a Daily Simple SOFR Loan) on the amount so prepaid or converted, together with any additional amounts required pursuant to Section 9.05.

(b) [Reserved].

(c) ***Benchmark Replacement Setting***.

(i) ***Benchmark Replacement***. Notwithstanding anything to the contrary herein or in any other Loan Document, upon the occurrence of a Benchmark Transition Event with respect to any Benchmark, the Administrative Agent and the Borrower may amend this Agreement to replace such Benchmark with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the Administrative Agent has posted such proposed amendment to all affected Lenders and the Borrower so long as the Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Required Lenders. No replacement of a Benchmark with a Benchmark Replacement pursuant to this Section 2.26(c)(i) will occur prior to the applicable Benchmark Replacement start date.

(ii) ***Benchmark Replacement Conforming Changes***. In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Administrative Agent will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document.

(iii) ***Notices; Standards for Decisions and Determinations***. The Administrative Agent will promptly notify the Borrower and the Lenders of (A) the implementation of any Benchmark Replacement and (B) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Administrative Agent will promptly notify the Borrower of (x) the removal or reinstatement of any tenor of a Benchmark pursuant to Section 2.26(c)(iv) and (y) the commencement of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 2.26(c), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 2.26(c).

(iv) ***Unavailability of Tenor of Benchmark***. Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (A) if any then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (1) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (2) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent may modify the definition of "***Interest Period***" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (B) if a tenor that was removed pursuant to clause (A) above either (1) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (2) is not, or is no longer, subject to an announcement that it is not or will not be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "***Interest Period***" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(v) ***Benchmark Unavailability Period***. Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period with respect to a given Benchmark, (A) the Borrower may revoke any pending request for a borrowing of, conversion to or continuation of Term SOFR Loans, in each case, to be made, converted or continued during any Benchmark Unavailability Period and, failing that, in the case of any request for any affected Term SOFR Loans, if applicable, the Borrower will be deemed to have converted any such request into a request for a borrowing of or conversion to Base Rate Loans in the amount specified therein and (B)(I) any outstanding affected Term SOFR Loans, will be deemed to have been converted into Base Rate Loans at the end of the applicable Interest Period. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest (except with respect to any prepayment or conversion of a Daily Simple SOFR Loan) on the amount so prepaid or converted, together with any additional amounts required pursuant to Section 2.27. During a Benchmark Unavailability Period with respect to any Benchmark or at any time that a tenor for any then-current Benchmark is not an Available Tenor, the component of the Base Rate based upon the then-current Benchmark that is the subject of such Benchmark Unavailability Period or such tenor for such Benchmark, as applicable, will not be used in any determination of Base Rate.

(d) ***Illegality***. If, in any applicable jurisdiction, the Administrative Agent, any Issuing Lender or any Lender determines that any Applicable Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for the Administrative Agent, any Issuing Lender or any Lender to (i) perform any of its obligations hereunder or under any other Loan Document, (ii) to fund or maintain its participation in any Loan or (iii) issue, make, maintain, fund or charge interest or fees with respect to any extension of credit, such Person shall promptly notify the Administrative Agent, then, upon the Administrative Agent notifying the Borrower, and until such notice by such Person is revoked, any obligation of such Person to issue, make, maintain, fund or charge interest or fees with respect to any such extension of credit shall be suspended, and to the extent required by Applicable Law, cancelled. Upon receipt of such notice, the Loan Parties shall, (A) repay that Person's participation in the Loans or other applicable Obligations on the last day of the Interest Period for any Term SOFR Loan, or on another applicable date with respect to another Obligation, occurring after the Administrative Agent has notified the Borrower or, in each case, if earlier, the date specified by such Person in the notice delivered to the Administrative Agent (being no earlier than the last day of any applicable grace period permitted by Applicable Law) and (B) take all reasonable actions requested by such Person to mitigate or avoid such illegality.

Section 2.27 ***Indemnity***. The Borrower hereby indemnifies each Lender against any loss, cost or expense (including any loss, cost or expense arising from the liquidation or reemployment of funds or from any fees payable) which may arise, be attributable to or result due to or as a consequence of (a) any failure by the Borrower to make any payment when due of any amount due hereunder in connection with a Term SOFR Loan, (b) any failure of the Borrower to borrow or continue a Term SOFR Loan or convert to a Term SOFR Loan on a date specified therefor in a Borrowing Request or Notice of Conversion/Continuation, (c) any failure of the Borrower to prepay any Term SOFR Loan on a date specified therefor in any Notice of Prepayment, (d) any payment, prepayment or conversion of any Term SOFR Loan on a date other than the last day of the Interest Period therefor (including as a result of an Event of Default), or (e) the assignment of any Term SOFR Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.30(b). A certificate of such Lender setting forth in reasonable detail the basis for determining such amount or amounts necessary to compensate such Lender and the calculation of the amount or amounts of such compensation shall be forwarded to the Borrower through the Administrative Agent and shall be conclusively presumed to be correct save for manifest error. All amounts payable under this Section 2.27 shall be due and payable ten Business Days after receipt by the Borrower of the certificate referenced in the immediately preceding sentence. All of the obligations of the Loan Parties under this Section 2.27 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

Section 2.28 ***Increased Costs***.

(a) ***Increased Costs Generally***. If any Change in Law shall:

(i) subject any Recipient to any Taxes (other than (A) Indemnified Taxes, (B) Taxes described in clauses (b) through (d) of the definition of Excluded Taxes and (C) Connection Income Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(ii) impose on any Lender or any Issuing Lender or other applicable offshore interbank market any other condition, cost or expense (other than Taxes) affecting this Agreement or Loans made by such Lender or any Letter of Credit or participation therein;

and the result of any of the foregoing shall be to increase the cost to such Lender, any Issuing Lender or such other Recipient of making, converting to, continuing or maintaining any Loan (or of maintaining its obligation to make any such Loan), or to increase the cost to such Lender, such Issuing Lender or such other Recipient of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or to issue any Letter of Credit), or to reduce the amount of any sum received or receivable by such Lender, such Issuing Lender or such other Recipient hereunder (whether of principal, interest or any other amount) then, upon written request of such Lender, such Issuing Lender or other Recipient, the Borrower shall promptly pay to any such Lender, such Issuing Lender or other Recipient, as the case may be, such additional amount or amounts as will compensate such Lender, such Issuing Lender or other Recipient, as the case may be, for such additional costs incurred or reduction suffered.

(b) ***Capital Requirements***. If any Lender or any Issuing Lender determines that any Change in Law affecting such Lender or such Issuing Lender or any lending office of such Lender or such Lender's or such Issuing Lender's holding company, if any, regarding capital or liquidity requirements, has or would have the effect of reducing the rate of return on such Lender's or such Issuing Lender's capital or on the capital of such Lender's or such Issuing Lender's holding company, if any, as a consequence of this Agreement, the Revolving Credit Commitment of such Lender or the Loans made by, or participations in Letters of Credit or Swingline Loans held by, such Lender, or the Letters of Credit issued by such Issuing Lender, to a level below that which such Lender or such Issuing Lender or such Lender's or such Issuing Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Lender's policies and the policies of such Lender's or such Issuing Lender's holding company with respect to capital adequacy and liquidity), then from time to time upon written request of such Lender or such Issuing Lender the Borrower shall promptly pay to such Lender or such Issuing Lender, as the case may be, such additional amount or amounts as will compensate such Lender or such Issuing Lender or such Lender's or such Issuing Lender's holding company for any such reduction suffered.

(c) ***Certificates for Reimbursement***. A certificate of a Lender, or an Issuing Lender or such other Recipient setting forth the amount or amounts necessary to compensate such Lender or such Issuing Lender, such other Recipient or any of their respective holding companies, as the case may be, as specified in paragraph (a) or (b) of this Section and delivered to the Borrower, shall be conclusive absent manifest error. The Borrower shall pay such Lender or such Issuing Lender or such other Recipient, as the case may be, the amount shown as due on any such certificate within ten (10) days after receipt thereof. Notwithstanding the foregoing, no Lender may demand compensation pursuant to this Section 2.28 unless it is then the general policy of such Lender to pursue similar compensation in similar circumstances under comparable provisions of other credit agreements.

(d) ***Delay in Requests***. Failure or delay on the part of any Lender or any Issuing Lender or such other Recipient to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or such Issuing Lender's or such other Recipient's right to demand such compensation; *provided* that the Borrower shall not be required to compensate any Lender or an Issuing Lender or any other Recipient pursuant to this Section for any increased costs incurred or reductions suffered more than nine (9) months prior to the date that such Lender or such Issuing Lender or such other Recipient, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions, and of such Lender's or such Issuing Lender's or such other Recipient's intention to claim compensation therefor (except that if the Change in Law giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

(e) ***Survival***. All of the obligations of the Loan Parties under this Section 2.28 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

Section 2.29 ***Taxes***.

(a) ***Defined Terms***. For purposes of this Section 2.29, the term "***Lender***" includes any Issuing Lender and the term "***Applicable Law***" includes FATCA.

(b) ***Payments Free of Taxes***. Any and all payments by or on account of any obligation of the Borrower or other Loan Party under any Loan Document shall be made without deduction or withholding for any Taxes, except as required by Applicable Law. If any Applicable Law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with Applicable Law and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower or other Loan Party shall be increased as necessary so that, after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section), the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) ***Payment of Other Taxes by the Borrower***. The Borrower shall timely pay to the relevant Governmental Authority in accordance with Applicable Law, or at the option of the Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) ***Indemnification by the Borrower***. The Borrower shall indemnify each Recipient, within ten (10) days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower by a Recipient (with a copy to the Administrative Agent), or by the Administrative Agent on its own behalf or on behalf of a Recipient, shall be conclusive absent manifest error.

(e) ***Indemnification by the Lenders***. Each Lender shall severally indemnify the Administrative Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower has not already indemnified the Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower to do so), (ii) any Taxes attributable to such Lender's failure to comply with the provisions of Section 9.04(d) relating to the maintenance of a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by the Administrative Agent in connection with any Loan Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or

legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to setoff and apply any and all amounts at any time owing to such Lender under any Loan Document or otherwise payable by the Administrative Agent to the Lender from any other source against any amount due to the Administrative Agent under this paragraph (e).

(f) ***Evidence of Payments***. As soon as practicable after any payment of Taxes by the Borrower to a Governmental Authority pursuant to this Section 2.29, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(g) ***Status of Lenders***.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document shall deliver to the Borrower and the Administrative Agent, at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or the Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by Applicable Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.29(g)(ii)(A), (ii)(B) and (ii)(D) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing:

(A) Each Lender shall deliver to the Borrower and the Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), duly completed and executed copies of IRS Form W-8BEN or W-8BEN-E, W-8ECI, W-8IMY, W-8EXP or W-9, as may be applicable, together with any required attachments, if required to establish that such Lender is exempt from United States backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), whichever of the following is applicable:

(1) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document, executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, United States federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document, IRS Form W-8BEN or IRS Form W-8BEN-E establishing an exemption from, or reduction of, United States federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(2) executed copies of IRS Form W-8ECI;

(3) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate substantially in the form of Exhibit D-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Code, a "10 percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Code, or a "controlled foreign corporation" related to the Borrower as described in Section 881(c)(3)(C) of the Code (a "***U.S. Tax Compliance Certificate***") and (y) executed copies of IRS Form W-8BEN or IRS Form W-8BEN-E; or

(4) to the extent a Foreign Lender is not the beneficial owner, executed copies of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN, IRS Form W-8BEN-E, a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-2 or Exhibit D-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; *provided* that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit D-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent), executed copies of any other form prescribed by Applicable Law as a basis for claiming exemption from or a reduction in United States federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by Applicable Law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document would be subject to United States federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by Applicable Law (including as prescribed by

Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (D), "***FATCA***" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and the Administrative Agent in writing of its legal inability to do so.

(h) ***Treatment of Certain Refunds***. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 2.29 (including by the payment of additional amounts pursuant to this Section 2.29), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) ***VAT***. All payments under the Loan Documents are exclusive of any value added tax or similar charge ("***VAT***"). If VAT is chargeable and any Recipients are required to account to the relevant tax authority for VAT, Loan Parties shall also and at the same time pay Recipients an amount equal to the amount of the VAT (against provision of an appropriate VAT invoice). Any amount for which Recipients are to be reimbursed or indemnified will be reimbursed or indemnified together with an amount equal to any applicable VAT incurred in respect of such amount.

(j) ***Survival***. Each party's obligations under this Section 2.29 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

Section 2.30 ***Mitigation Obligations; Replacement of Lenders***.

(a) ***Designation of a Different Lending Office***. If any Lender requests compensation under Section 2.28, or requires the Borrower to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.29, then such Lender shall use reasonable efforts to designate a different lending office for funding or booking its Loans hereunder or to assign its rights and obligations hereunder to another of its offices, branches or affiliates, if, in the good-faith judgment of such Lender, such designation or assignment (i) would eliminate or reduce amounts payable pursuant to Section 2.28 or Section 2.29, as the case may be, in the future and (ii) would not subject such Lender to any unreimbursed cost or expense and would not otherwise be disadvantageous to such Lender. The Borrower hereby agrees to pay all reasonable out-of-pocket costs and expenses incurred by any Lender in connection with any such designation or assignment. Any Lender claiming reimbursement of such costs and expenses shall deliver to the Borrower a certificate setting forth such costs and expenses in reasonable detail which shall be conclusive absent manifest error.

(b) ***Replacement of Lenders***. If any Lender requests compensation under Section 2.28, or if the Borrower is required to pay any Indemnified Taxes or additional amounts to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.29, and, in each case, such Lender has declined or is unable to designate a different lending office in accordance with Section 2.30(a), or if any Lender is a Defaulting Lender or a non-consenting Lender, then the Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in, and consents required by, Section 9.04), all of its interests, rights (other than its existing rights to payments pursuant to Section 2.28 or Section 2.29) and obligations under this Agreement and the related Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender, if a Lender accepts such assignment); *provided* that:

(i) the Borrower shall have paid to the Administrative Agent the assignment fee (if any) specified in Section 9.04;

(ii) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and funded participations in Letters of Credit and Swingline Loans, accrued interest thereon, accrued fees and all other amounts payable to it hereunder and under the other Loan Documents (including any amounts under Section 2.27) from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts);

(iii) in the case of any such assignment resulting from a claim for compensation under Section 5.10 or payments required to be made pursuant to Section 2.29, such assignment will result in a reduction in such compensation or payments thereafter;

(iv) such assignment does not conflict with Applicable Law; and

(v) in the case of any assignment resulting from a Lender becoming a non-consenting Lender, the applicable assignee shall have consented to the applicable amendment, waiver or consent.

A Lender shall not be required to make any such assignment or delegation if, prior thereto, as a result of a waiver by such Lender or otherwise, the circumstances entitling the Borrower to require such assignment and delegation cease to apply.

Each party hereto agrees that (x) an assignment required pursuant to this Section 2.30 may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and (y) the Lender required to make such assignment need not be a party thereto in order for such assignment to be effective and shall be deemed to have consented to and be bound by the terms thereof; *provided* that, following the effectiveness of any such assignment, the other parties to such assignment agree to execute and deliver such documents necessary to evidence such assignment as reasonably requested by the applicable Lender or the Administrative Agent, *provided*, *further* that any such documents shall be without recourse to or warranty by the parties thereto.

(c) ***Selection of Lending Office***. Subject to Section 2.30(a), each Lender may make any Loan to the Borrower through any lending office, *provided* that the exercise of this option shall not affect the obligations of the Borrower to repay the Loan in accordance with the terms of this Agreement or otherwise alter the rights of the parties hereto.

Section 2.31 ***Incremental Increases***.

(a) ***Request for Incremental Increase***. At any time after the Closing Date, upon written notice to the Administrative Agent, the Borrower may, from time to time, request one or more increases in the Revolving Credit Commitments (each, a "***Incremental Revolving Credit Facility Increase***" or the "***Incremental Increases***"); *provided* that (A) the aggregate initial principal amount of any such requested Incremental Increase shall not exceed the Incremental Facilities Limit, (B) any such Incremental Increase shall be in an amount of $5,000,000 or a whole multiple of $1,000,000 in excess thereof (or such lesser amount as agreed to by the Administrative Agent in its sole discretion) or, if less, the remaining amount of the Incremental Facilities Limit, (C) no Lender will be required or otherwise obligated to provide any portion of such Incremental Increase and (D) no more than five (5) Incremental Increases shall be permitted to be requested during the term of this Agreement.

(b) ***Incremental Lenders***. Each notice from the Borrower pursuant to this Section 2.31 shall set forth the requested amount and proposed terms of the relevant Incremental Increase. Incremental Increases may be provided by an existing Lender or, if the existing Lenders refuse the opportunity to provide the Incremental Increase as contemplated by clause (ii) of the proviso below, by any other bank or financial institution (any such bank or other financial institution, an "***Additional Lender***", and each such existing Lender and Additional Lender, an "***Incremental Lender***"); *provided* that (i) the Administrative Agent and each Issuing Lender shall have consented (such consent not to be unreasonably withheld, delayed or conditioned) to such Additional Lender's providing such Incremental Increases if such consent would be required under Section 9.04(b) for an assignment of Revolving Loans to such Additional Lender and (ii) prior to offering any or all of an Incremental Increase to any Additional Lender, the Borrower shall first afford a bona fide opportunity to each existing Lender to provide its pro rata portion of such Incremental Increase. At the time of sending such notice, the Borrower (in consultation with the Administrative Agent) shall specify the time period within which each proposed Incremental Lender is requested to respond, which shall in no event be less than ten (10) Business Days from the date of delivery of such notice to the proposed Incremental Lenders (or such shorter period as agreed to by the Administrative Agent). Each proposed Incremental Lender may elect or decline, in its sole discretion, and shall notify the Administrative Agent within such time period whether it agrees, to provide an Incremental Increase and, if so, whether by an amount equal to, greater than or less than requested. Any Person not responding within such time period shall be deemed to have declined to provide an Incremental Increase.

(c) ***Increase Effective Date and Allocations***. The Administrative Agent and the Borrower shall determine the effective date (the "***Increase Effective Date***") and the final allocation of such Incremental Increase (limited in the case of the Incremental Lenders to their own respective allocations thereof). The Administrative Agent shall promptly notify the Borrower and the Incremental Lenders of the final allocation of such Incremental Increases and the Increase Effective Date.

(d) ***Terms of Incremental Increases***. Each Incremental Revolving Credit Facility Increase shall have the same terms, including maturity, Applicable Rate and Commitment Fees, as the Revolving Credit Facility; *provided* that any customary upfront fees payable by the Borrower to the Incremental Lenders under any Incremental Revolving Credit Facility Increase may differ from those payable to the Lenders under the then existing Revolving Credit Commitments; *provided* that:

(i) the outstanding Revolving Loans and Pro Rata Percentages of Swingline Loans and L/C Exposure will be reallocated by the Administrative Agent on the applicable Increase Effective Date among the Revolving Credit Lenders (including the Incremental Lenders providing such Incremental Revolving Credit Facility Increase) in accordance with their revised Pro Rata Percentages (and the Revolving Credit Lenders (including the Incremental Lenders providing such Incremental Revolving Credit Facility Increase) agree to make all payments and adjustments necessary to effect such reallocation and the Borrower shall pay any and all costs required pursuant to Section 2.27 in connection with such reallocation as if such reallocation were a repayment);

(ii) each Incremental Increase shall constitute Obligations of the Borrower and will be guaranteed by the Guarantors and secured on a *pari passu* basis with the other Secured Obligations.

(e) ***Conditions to Effectiveness of Incremental Increases***. Any Incremental Increase shall become effective as of such Increase Effective Date and shall be subject to the following conditions precedent:

(i) no Default or Event of Default shall exist on such Increase Effective Date immediately prior to or after giving effect to (A) such Incremental Increase or (B) the making of the initial Loans pursuant thereto;

(ii) all of the representations and warranties set forth in Article III shall be true and correct in all material respects (or if qualified by materiality or Material Adverse Effect, in all respects) as of such Increase Effective Date, or if such representation speaks as of an earlier date, as of such earlier date;

(iii) the Administrative Agent shall have received from the Borrower, a Compliance Certificate demonstrating that (A) the Borrower is in compliance with the financial covenants set forth in Section 6.09 and (B) the Total Net Leverage Ratio is no greater than 5.25 to 1.00, in each case calculated as of the last day of the Calculation Period most recently ended prior to such date, giving pro forma effect to the incurrence of any such Incremental Increase (and assuming that any such Incremental Revolving Credit Facility Increase is fully drawn) and any refinancing of Indebtedness or other event consummated in connection therewith;

(iv) the Loan Parties shall have executed an Incremental Amendment in form and substance reasonably acceptable to the Borrower, the Administrative Agent and the applicable Incremental Lenders;

(v) the Administrative Agent shall have received from the Borrower, any customary legal opinions or other documents (including a resolution duly adopted by the board of directors (or equivalent governing body) of each Loan Party authorizing such Incremental Increase) reasonably requested by Administrative Agent in connection with such Incremental Increase; and

(vi) the Loan to Value Ratio after giving pro forma effect to such Incremental Increase and any making of Loans pursuant thereto and the use of proceeds thereof shall not be higher than the Loan to Value Ratio as calculated immediately prior to such Incremental Increase and any making of Loans pursuant thereto; *provided* that, the condition set forth in this clause (vi) may be satisfied (as determined by the Administrative Agent in its sole discretion) if the Borrower or any Subsidiary Guarantor provides security in respect of additional Collateral Vessels in a manner equivalent to the Intercompany Loan Security Documents to secure the Obligations pursuant to documentation reasonably acceptable to the Administrative Agent.

(f) ***Incremental Amendments***. Each such Incremental Increase shall be effected pursuant to an amendment (an "***Incremental Amendment***") to this Agreement and, as appropriate, the other Loan Documents, executed by the Loan Parties, the Administrative Agent and the applicable Incremental Lenders, which Incremental Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent, to effect the provisions of this Section 2.31.

(g) ***Use of Proceeds***. The proceeds of any Incremental Increase may be used by the Borrower and its Subsidiaries for working capital and other general corporate purposes, including the financing of Investments permitted hereunder and any other use not prohibited by this Agreement.

Section 2.32 ***Cash Collateral***. At any time that there shall exist a Defaulting Lender, within one Business Day following the written request of the Administrative Agent, any Issuing Lender (with a copy to the Administrative Agent) or the Swingline Lender (with a copy to the Administrative Agent), the Borrower shall Cash Collateralize the Fronting Exposure of such Issuing Lender and/or the Swingline Lender, as applicable, with respect to such Defaulting Lender (determined after giving effect to Section 2.33(a)(iv) and any Cash Collateral provided by such Defaulting Lender) in an amount not less than the Minimum Collateral Amount.

(a) ***Grant of Security Interest***. The Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grants to the Administrative Agent, for the benefit of each Issuing Lender and the Swingline Lender, and agrees to maintain, a first priority security interest in all such Cash Collateral as security for the Defaulting Lender's obligation to fund participations in respect of L/C Exposure and Swingline Loans, to be applied pursuant to subsection (b) below. If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent, each Issuing Lender and the Swingline Lender as herein provided, or that the total amount of such Cash Collateral is less than the Minimum Collateral Amount, the Borrower will, promptly upon demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency (after giving effect to any Cash Collateral provided by the Defaulting Lender).

(b) ***Application***. Notwithstanding anything to the contrary contained in this Agreement or any other Loan Document, Cash Collateral provided under this Section 2.32 or Section 2.33 in respect of Letters of Credit and Swingline Loans shall be applied to the satisfaction of the Defaulting Lender's obligation to fund participations in respect of L/C Exposure and Swingline Loans (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(c) ***Termination of Requirement***. Cash Collateral (or the appropriate portion thereof) provided to reduce the Fronting Exposure of any Issuing Lender and/or the Swingline Lender, as applicable, shall no longer be required to be held as Cash Collateral pursuant to this Section 2.32 following (i) the elimination of the applicable Fronting Exposure (including by the termination of Defaulting Lender status of the applicable Lender), or (ii) the determination by the Administrative Agent, the Issuing Lenders and the Swingline Lender that there exists excess Cash Collateral; *provided* that, subject to Section 2.33, the Person providing Cash Collateral, the Issuing Lenders and the Swingline Lender may agree that Cash Collateral shall be held to support future anticipated Fronting Exposure or other obligations.

Section 2.33 ***Defaulting Lenders***.

(a) ***Defaulting Lender Adjustments***. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as such Lender is no longer a Defaulting Lender, to the extent permitted by Applicable Law:

(i) ***Waivers and Amendments***. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of "***Required Lenders***" and Section 9.08.

(ii) ***Defaulting Lender Waterfall***. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 9.06 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a *pro rata* basis of any amounts owing by such Defaulting Lender to the Issuing Lenders or the Swingline Lender hereunder; *third*, to Cash Collateralize the Fronting Exposure of the Issuing Lenders and the Swingline Lender with respect to such Defaulting Lender in accordance with Section 2.32; *fourth*, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan or funded participation in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released *pro rata* in order to (A) satisfy such Defaulting Lender's potential future funding obligations with respect to Loans and funded participations under this Agreement and (B) Cash Collateralize the Issuing Lenders' future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 2.32; *sixth*, to the payment of any amounts owing to the Lenders, the Issuing Lenders or the Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by any Lender, any Issuing Lender or the Swingline Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; *seventh*, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *eighth*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; *provided* that if (1) such payment is a

payment of the principal amount of any Loans or funded participations in Letters of Credit or Swingline Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, and (2) such Loans were made or the related Letters of Credit or Swingline Loans were issued at a time when the conditions set forth in Section 4.01 were satisfied or waived, such payment shall be applied solely to pay the Loans of, and funded participations in Letters of Credit or Swingline Loans owed to, all non-Defaulting Lenders on a *pro rata* basis prior to being applied to the payment of any Loans of, or funded participations in Letters of Credit or Swingline Loans owed to, such Defaulting Lender until such time as all Loans and funded and unfunded participations in L/C Exposure and Swingline Loans are held by the Lenders *pro rata* in accordance with the Revolving Credit Commitments under the applicable Revolving Credit Facility without giving effect to Section 2.33(a)(iv). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to this Section 2.33(a)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) ***Certain Fees***.

(A) No Defaulting Lender shall be entitled to receive any Commitment Fee for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(B) Each Defaulting Lender shall be entitled to receive Letter of Credit commissions pursuant to Section 2.09 for any period during which that Lender is a Defaulting Lender only to the extent allocable to its Pro Rata Percentage of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 2.32.

(C) With respect to any Commitment Fee not required to be paid to any Defaulting Lender pursuant to clause (A) or (B) above, the Borrower shall (1) pay to each non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in L/C Exposure or Swingline Loans that has been reallocated to such non-Defaulting Lender pursuant to clause (iv) below, (2) pay to each applicable Issuing Lender and Swingline Lender, as applicable, the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such Issuing Lender's or Swingline Lender's Fronting Exposure to such Defaulting Lender, and (3) not be required to pay the remaining amount of any such fee.

(iv) ***Reallocation of Participations to Reduce Fronting Exposure***. All or any part of such Defaulting Lender's participation in L/C Exposure and Swingline Loans shall be reallocated among the non-Defaulting Lenders in accordance with their respective Pro Rata Percentages (calculated without regard to such Defaulting Lender's Revolving Credit Commitment) but only to the extent that such reallocation does not cause the aggregate Revolving Credit Exposure of any non-Defaulting Lender to exceed such non-Defaulting Lender's Revolving Credit Commitment. Subject to Section 9.22, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a non-Defaulting Lender as a result of such non-Defaulting Lender's increased exposure following such reallocation.

(v) ***Cash Collateral, Repayment of Swingline Loans***. If the reallocation described in clause (iv) above cannot, or can only partially, be effected, the Borrower shall, without prejudice to any right or remedy available to it hereunder or under law, (x) first, repay Swingline Loans in an amount equal to the Swingline Lenders' Fronting Exposure and (y) second, Cash Collateralize the Issuing Lenders' Fronting Exposure in accordance with the procedures set forth in Section 2.32.

(b) ***Defaulting Lender Cure***. If the Borrower, the Administrative Agent, the Issuing Lenders and the Swingline Lender agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), such Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit and Swingline Loans to be held *pro rata* by the Lenders in accordance with the Commitments under the Revolving Credit Facility (without giving effect to Section 2.33(a)(iv)), whereupon such Lender will cease to be a Defaulting Lender; *provided* that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and *provided*, *further*, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to non-Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

Section 2.34 ***Recalculation of Interest***. (a) The rates of interest, fees and commissions provided for in this Agreement, including, without limitation Section 2.19 or in any other Loan Document, are minimum interest rates.

(b) When entering into this Agreement, the parties have assumed that interest, fees and commissions payable at the rates set out in this Agreement or any other Loan Document, including, without limitation Section 2.19 is not and will not become subject to Swiss Withholding Tax. Notwithstanding that the parties do not anticipate (acting in good faith) that any payment of interest, fees and commissions will be subject to Swiss Withholding Tax, they agree that, if a deduction for Swiss Withholding Tax is required by law to be made by a Loan Party in respect of any interest, fee or commission payable by it under or in connection with this Agreement and should in respect of such Loan Party Section 2.19 be unenforceable for any reason (where the payment of an additional amount would otherwise be required by the terms of Section 2.19), the applicable interest rate in relation to that interest, fee or commission payment shall be:

(i) the interest, fee, commission rate which would have applied to that interest, fee or commission payment (as provided for in this Agreement or any other Loan Document in the absence of this paragraph (b)) divided by

(ii) 1 minus the rate at which the relevant deduction for Swiss Withholding Tax is required to be made (where the rate at which the relevant deduction or withholding of Swiss Withholding Tax is required to be made is for this purpose expressed as a fraction of 1 rather than as a percentage) and (A) the relevant Loan Party shall be obliged to pay the relevant interest, fee or commission at the adjusted rate in accordance with this paragraph, (B) the relevant Loan Party shall make the deduction for Swiss Withholding Tax on the recalculated interest and (C) all references to a rate of interest, fee or commission in this Agreement of any other Loan Document shall be construed accordingly.

To the extent that interest, fees or commissions payable by a Loan Party under or in connection with this Agreement becomes subject to Swiss Withholding Tax, the Lenders and the Loan Parties shall promptly co-operate in completing any procedural formalities (including submitting forms and documents required by the appropriate tax authority) to the extent possible and necessary for the relevant Loan Party to obtain authorisation to make interest payments without them being subject to Swiss Withholding Tax.

ARTICLE III.
REPRESENTATIONS AND WARRANTIES

The Borrower represents and warrants to the Administrative Agent and each of the Lenders that:

Section 3.01 ***Organization; Powers***. The Borrower and each of the Restricted Subsidiaries (a) is duly incorporated, organized or formed, validly existing and in good standing under the laws of the jurisdiction of its incorporation, organization or formation (to the extent such status or an analogous concept applies to such an organization), (b) has all requisite organizational power and authority to own its material property and assets and to carry on its business in all material respects, (c) is qualified to do business in, and is in good standing in, every jurisdiction where such qualification is required, and (d) has the power and authority to execute, deliver and perform its obligations under each of the Loan Documents and each other agreement or instrument contemplated thereby to which it is a party and, in the case of the Borrower, to borrow hereunder; except in the case of clause (a), (b) or (c), to the extent the failure to comply therewith would not reasonably be expected to have a Material Adverse Effect.

Section 3.02 ***Authorization***. The Loan Documents (a) have been duly authorized by the Loan Parties by all requisite corporate, limited liability company, and, if required, stockholder, shareholder or other applicable action and (b) will not (i) violate (A) any provision of law, statute, rule or regulation, or of the certificate or articles of incorporation, memorandum of association or other constitutive documents of the Loan Parties, (B) any order of any Governmental Authority or (C) any provision of any material indenture, agreement or other instrument to which such Loan Party is a party or by which any of them or any of their property is or may be bound or (ii) result in the creation or imposition of any Lien upon any property or assets of the Loan Parties (other than any Lien created hereunder or under the Security Documents), except in the case of clause (b)(i), to the extent the failure to comply therewith would not reasonably be expected to have a Material Adverse Effect.

Section 3.03 ***Enforceability***. This Agreement has been duly executed and delivered by the Borrower and constitutes, and each other Loan Document when executed and delivered by each Loan Party party thereto will constitute, a legal, valid and binding obligation of such Loan Party enforceable against such Loan Party in accordance with its terms except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar law affecting the enforcement of creditors' rights generally and by general equitable principles (whether enforcement is sought by proceedings in equity or at law).

Section 3.04 ***Approvals***. No action, consent or approval of, registration or filing with or any other action by any Governmental Authority or any other person is or will be required in connection with the execution, delivery or performance by the Loan Parties of this Agreement or any other Loan Document, except for (a) the filing of UCC financing statements, (b) recordation of the Ship Mortgages on statutory registers or otherwise and (c) such as either have been made or obtained and are in full force and effect or the failure to make or obtain the same would not reasonably be expected to have a Material Adverse Effect.

Section 3.05 ***Financial Statements; Projections***. The Borrower has heretofore furnished to the Administrative Agent consolidated balance sheets and related statements of income, stockholders' equity and cash flows of the Borrower for the fiscal years ended December 31, 2021, December 31, 2022 and December 31, 2023, audited by and accompanied by the opinion of Ernst & Young. Such financial statements present fairly, in all material respects, the financial condition and results of operations and cash flows of the Borrower and its consolidated subsidiaries as of such dates and for such periods subject to year-end adjustments and the absence of footnotes. Such financial statements were prepared in accordance with IFRS applied on a consistent basis except as otherwise noted therein.

Section 3.06 ***No Material Adverse Effect***. Since December 31, 2023, no event, change or condition has occurred that, individually or in the aggregate, has had, or would reasonably be expected to have, a Material Adverse Effect.

Section 3.07 ***Title to Properties; Intellectual Property***.

(a) The Borrower and each of the Restricted Subsidiaries has good and valid title to, or valid leasehold interests in, all its material properties and assets (excluding all of its Intellectual Property Rights and Collateral Vessels), except as would not reasonably be expected to have a Material Adverse Effect. All such material properties and assets are free and clear of Liens, other than Permitted Liens. This Section 3.07 is not applicable to Collateral Vessels, which are governed by Section 3.26.

(b) The Borrower and its Restricted Subsidiaries own, or are licensed or otherwise have the right to use, all patents, rights in inventions, trademarks, service marks, trade names, domain names, copyrights and registrations and applications for the foregoing, and proprietary know-how, manufacturing processes, product designs, specifications, data, formulae, and trade secrets and other intellectual property rights (collectively, the "***Intellectual Property Rights***") that are necessary in all material respects for the conduct of its business as currently conducted (collectively, the "***Company Intellectual Property Rights***"), except for the failure to own, license or have the right to use which, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect. Except as set forth on Schedule 3.07(b), as of the Closing Date, no material action, suit, arbitration, or legal, administrative or other proceeding (other than office actions or other proceedings in the ordinary course of prosecution before the United States Patent and Trademark Office or the United States Copyright Office or any foreign counterpart) is pending, or, to the knowledge of the Borrower, threatened in writing, which challenges the validity or effectiveness of any Company Intellectual Property Rights and which could reasonably be expected to have a Material Adverse Effect.

Section 3.08 ***Subsidiaries***. Schedule 3.08 sets forth as of the Closing Date a list of all Subsidiaries and the percentage ownership interest of the Borrower therein. Except as would not, individually, or in the aggregate, reasonably be expected to result in a Material Adverse Effect, the shares of capital stock or other ownership interests so indicated on Schedule 3.08 are fully paid and non-assessable and are owned by the Borrower, directly or indirectly, free and clear of all Liens (other than Liens created under the Security Documents or Permitted Liens).

Section 3.09 ***Litigation; Compliance with Laws***.

(a) Except as set forth on Schedule 3.09(a), there are no actions, suits or proceedings at law or in equity or by or before any Governmental Authority now pending or, to the knowledge of the Borrower, threatened in writing against or affecting the Borrower or any Restricted Subsidiary or any business or material property of any such person (i) as of the Closing Date with respect to any Loan Document or (ii) which are reasonably likely to be adversely determined and, if so determined, would reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect.

(b) The Borrower and each of its Restricted Subsidiaries is in compliance with all Applicable Laws, statutes, ordinances, rules and regulations and has filed all applications and has obtained all licenses, permits and approvals or other regulatory authorizations of each Governmental Authority with regulatory authority over the activities of the Borrower and its Restricted Subsidiaries, other than where the failure to so be in compliance, make such filings or obtain such authorizations would not reasonably be expected to have a Material Adverse Effect.

(c) Since the Closing Date, there has been no change in the status of the matters (if any) disclosed on Schedule 3.09(a) that, individually or in the aggregate, has resulted in, or would reasonably be expected to result in, a Material Adverse Effect.

Section 3.10 ***No Violation of Maritime Laws***. Neither the Borrower nor any of its Restricted Subsidiaries or operations of any of the foregoing are in violation of any terms or provisions of any statute, rule, regulation, decision or order of any supranational, national, regional, local or other governmental or regulatory authorities or bodies, or any court, including any terms of any conventions, codes, regulations and standards such as those issued, negotiated or adopted by the IMO (International Maritime Organisation) and the International Ship and Port Facility Security (ISPS) Code, relating to the operation and management of any Vessel, the building or improvement of any Vessel or the provision of river or ocean cruise services except for any such violation that would not, individually or in the aggregate, have a Material Adverse Effect.

Section 3.11 ***Federal Reserve Regulations***.

(a) None of the Borrower or any of the Restricted Subsidiaries is engaged principally, or as one of its important activities, in the business of extending credit for the purpose of buying or carrying Margin Stock.

(b) No part of the proceeds of any Loan or any Letter of Credit will be used, whether directly or indirectly, and whether immediately, incidentally or ultimately, for the purpose of buying or carrying Margin Stock or for any purpose that entails a violation of the provisions of the Regulations of the Board, including Regulation T, U or X.

Section 3.12 ***Investment Company Act***. None of the Borrower or any Restricted Subsidiary is an "investment company" as defined in, or subject to regulation under, the Investment Company Act of 1940, as amended.

Section 3.13 ***Use of Proceeds***. The proceeds of the Revolving Loans and issuance of the Letters of Credit will be used by the Borrower only for the purposes set forth in Section 5.08.

Section 3.14 ***Tax Returns***. Except as would not reasonably be expected to have a Material Adverse Effect, the Borrower and the Subsidiaries have filed or caused to be filed all Tax returns or similar materials required to have been filed by it and has paid or caused to be paid all Taxes due and payable by it and all assessments received by it, except Taxes that may be paid without penalty or that are being contested in good faith by appropriate proceedings and for which the Borrower or such Subsidiary, as applicable, has set aside on its books adequate reserves in accordance with IFRS.

Section 3.15 ***No Material Misstatements***. As of the Closing Date, no written information, reports, financial statements, exhibits or schedules (other than projections, estimates, general market or industry data), taken as a whole, furnished by or on behalf of the Borrower to the Administrative Agent or any Lender in connection with the negotiation of any Loan Document or included therein or delivered pursuant thereto (as modified or supplemented by other information so furnished), contains when furnished any material misstatement of fact or omits to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not materially misleading; *provided* that projections and pro forma financial information are based upon good faith estimates and assumptions believed to be reasonable by management at such time in the preparation of such information, report, financial statement, exhibit or schedule and when furnished; it being understood that such projections are inherently uncertain, are not a guarantee of financial performance, may vary from actual results, and that such variances may be material.

Section 3.16 ***Employee Benefit Plans***.

(a) Each Plan is in compliance in all material respects with the applicable provisions of ERISA and the Code and the regulations and published interpretations thereunder and the governing documents of such Plan. No ERISA Event has occurred or is reasonably expected to occur that, when taken together with all other such ERISA Events, would reasonably be expected to result in a Material Adverse Effect. The aggregate unfunded liabilities with respect to any Plans would not reasonably be expected to result in a Material Adverse Effect.

(b) Each Foreign Pension Plan is in compliance in all material respects with all requirements of law applicable thereto and the respective requirements of the governing documents for such plan. With respect to each Foreign Pension Plan, neither the Borrower, nor its Affiliates nor any of their respective directors, officers, employees or agents has engaged in a transaction which would subject the Borrower or any Subsidiary, directly or indirectly, to a tax or civil penalty which would reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect. With respect to each Foreign Pension Plan, reserves have been established in the financial statements furnished to Lenders in respect of any unfunded liabilities in accordance with Applicable Law and prudent business practice or, where required, in accordance with ordinary accounting practices in the jurisdiction in which such Foreign Pension Plan is maintained. The aggregate unfunded liabilities with respect to such Foreign Pension Plans would not reasonably be expected to result in a Material Adverse Effect.

Section 3.17 ***Environmental Matters***.

(a) Except as set forth in Schedule 3.17, or except as would not reasonably be expected to result in a Material Adverse Effect, neither the Borrower nor any of the Subsidiaries (i) has failed to comply with any Environmental Law or to obtain, maintain or comply with any permit, license or other approval required under any Environmental Law, which in either case remains outstanding, (ii) is subject to any Environmental Liability or (iii) has received written notice of any claim with respect to any Environmental Liability that remains outstanding.

(b) Since the Closing Date, there has been no change in the status of the matters disclosed on Schedule 3.17 that would reasonably be expected to result in a Material Adverse Effect.

Section 3.18 ***Insurance***. The Borrower and its Restricted Subsidiaries have insurance covering their respective properties, operations, personnel and businesses, including casualty insurance coverage, third party liability insurance and insurance policies in connection with the Vessels such as protection and indemnity coverage, hull and machinery insurance and war risk insurance, which insurance is in amounts and insures against such losses and risks as are adequate to protect the Borrower and its Restricted Subsidiaries and their respective businesses. As of the Closing Date, neither the Borrower nor any of its Restricted Subsidiaries have received notice from any insurer or agent of such insurer that capital improvements or other expenditures are required or necessary to be made in order to continue such insurance. Each of the Borrower and its Restricted Subsidiaries, as applicable, believes that it will be able to renew its existing insurance coverage as and when such coverage expires or obtain substantially similar coverage at a reasonable cost from similar insurers as may be necessary to continue its business, except as would not, individually or in the aggregate, be reasonably expected to have a Material Adverse Effect.

Section 3.19 ***Security Documents***.

(a) Each of the Security Documents have been duly authorized by the Borrower, VRC AG and the Guarantors, to the extent a party thereto, and are duly executed and delivered by the Borrower, VRC AG and the Guarantors, to the extent a party thereto, and, where relevant, all perfection requirements thereunder shall be completed as of the time specified in the respective Security Document, and, when duly executed and delivered in accordance with its terms by each of the parties thereto, shall constitute a valid and legally binding agreement of the Borrower, VRC AG and the Guarantors, to the extent a party thereto, enforceable against the Borrower, VRC AG and the Guarantors, to the extent a party thereto, in accordance with its terms, except as the enforcement thereof may be limited by public policy, bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights and to general equity principles.

(b) Upon execution and delivery of the Security Documents, such Security Documents will be effective to grant a legal, valid and enforceable security interest in the Borrower's right, title and interest in the Loan Collateral (including the Borrower's security interests in the Intercompany Loan Collateral), and, upon completion of all filings and other similar actions required in connection with the perfection of such security interests, as further described in such Security Documents, the security interests granted thereby will constitute valid, perfected (to the extent perfection is required under the Loan Documents) first-priority liens and security interests in the Loan Collateral (including the Borrower's security interests in the Intercompany Loan Collateral), and such security interests will be enforceable in accordance with the terms contained therein against all creditors of the Borrower and the Guarantors, subject only to Permitted Collateral Liens.

(c) Upon execution and delivery of the Intercompany Loan Security Documents, the Intercompany Loan Security Documents will be effective to grant a legal, valid and enforceable security interest in all of VRC AG's right, title and interest in the Intercompany Loan Collateral, and, upon completion of all filings and other similar actions required in connection with the perfection of such security interests, as further described in the Intercompany Loan Security Documents, the security interests granted thereby will constitute valid, perfected first-priority liens and security interests in the Intercompany Loan Collateral, and such security interests will be enforceable in accordance with the terms contained therein against all creditors of VRC AG, subject only to Permitted Collateral Liens.

Section 3.20 ***No Labor Disputes***. No material labor disturbance by or dispute with employees of the Borrower or any of its subsidiaries exists or is contemplated or, to the Borrower's knowledge, threatened; and no labor disturbance by or dispute with the employees or agents of any principal supplier, contractor or customer of the Issuer or any of its subsidiaries is imminent or, to the Borrower's knowledge, contemplated or threatened which could, individually or in the aggregate, have a Material Adverse Effect.

Section 3.21 ***Solvency***. As of the Closing Date, the Borrower and its Restricted Subsidiaries on a consolidated basis (after giving effect to the closing of this Revolving Credit Facility, the borrowing of any Revolving Loans hereunder on the Closing Date, and the application of the proceeds thereof) will be Solvent. The term "***Solvent***" means, with respect to a particular date and entity, that on such date (i) the present fair market value (or present fair saleable value) of the assets of the Borrower and its Restricted Subsidiaries, is not less than the total amount required to pay the liabilities of the Borrower and its Restricted Subsidiaries, on its total existing debts and liabilities (including contingent liabilities) as they become absolute and matured and no Restricted Subsidiary domiciled in Switzerland is over-indebted (*überschuldet*) or half of its share capital and the legal reserves are no longer covered (*hälftiger Kapitalverlust*), in each case within the meaning of article 725a and 725b of the Swiss Code of Obligations, (ii) in light of their current financial circumstances, the Borrower and each of the Restricted Subsidiaries is able to realize upon its assets and pay its debts and other liabilities, contingent obligations and commitments as they mature and become due in the normal course of business, (iii) none of the Borrower or any of its Restricted Subsidiaries is incurring debts or liabilities beyond its ability to pay as such debts and liabilities mature, (iv) none of the Borrower or any of its Restricted Subsidiaries is engaged in any business or transaction, or proposes to engage in any business or transaction, for which its property would constitute unreasonably small capital, and (v) none of the Borrower or any of its Restricted Subsidiaries is a defendant in any civil action that would reasonably be expected to result in a judgment that the Borrower or such subsidiary would become unable to satisfy.

Section 3.22 ***USA PATRIOT Act***. To the extent applicable, each Loan Party is in compliance, in all material respects, with the USA PATRIOT Act.

Section 3.23 ***OFAC***. Neither the Borrower, nor any of its Subsidiaries, nor, any director, officer, or, to the knowledge of the Borrower and its Subsidiaries, any employee, controlled affiliate or representative thereof, is an individual or entity that is a Sanctioned Person. The Borrower will not, directly or knowingly indirectly, use the proceeds of the Loans or Letters of Credit, or lend, contribute or otherwise make available such proceeds to any Subsidiary, joint venture partner or other Person (i) to fund any activities or business of or with any Sanctioned Person or Sanctioned Jurisdiction, or (ii) in any manner that would result in a violation of Sanctions by any Person participating in the Loans or Letters of Credit, whether as Administrative Agent, arranger, Issuing Lender, Lender, underwriter, advisor, investor, or otherwise. The Borrower, its Subsidiaries and their respective directors, officers, and, to the knowledge of the Borrower, employees or controlled affiliates of the Borrower and its Subsidiaries, are in material compliance with all applicable Sanctions.

Section 3.24 ***Anti-Corruption Laws***. For the past five (5) years, the Borrower and its Restricted Subsidiaries, as well as their respective Subsidiaries, directors, officers, employees and, to Borrower's and Restricted Subsidiaries' knowledge, any agent or other Person acting on their behalf, have conducted their businesses in compliance in all material respects with applicable Anti-Corruption Laws. The Borrower and its Restricted Subsidiaries have implemented and maintain policies and procedures reasonably designed to promote compliance with applicable Anti-Corruption Laws.

Section 3.25 ***No Default***. No Default or Event of Default has occurred and is continuing.

Section 3.26 ***Collateral Vessels***. The Swiss Obligors have good and marketable title to the Collateral Vessels, in each case free and clear of all liens, encumbrances, claims, rights of detention, mortgages, security interests and defects and imperfections of title, except for Permitted Collateral Liens that do not materially impair the value of any of the Collateral Vessels.

Section 3.27 ***Owned Vessel's Registration and Good Standing***. Each Vessel that is listed in Schedule 3.27 attached hereto has been duly registered as a vessel under the laws and regulations and flag of the applicable jurisdiction in the sole ownership of the Borrower or any of its Restricted Subsidiaries (each a "***Vessel Owner***"), and no other action is necessary to establish and perfect such Vessel Owner's title to and interest in such Vessel as against any charterer or third party. Each such owned Vessel is in good standing with respect to the payment of past and current taxes, fees and other amounts payable under the laws of the jurisdiction where it is registered as would affect its registry with the ship registry of such jurisdiction except for failures to be in good standing which would not, individually or in the aggregate, result in a Material Adverse Effect.

Section 3.28 ***Registration of Collateral Vessels***. Each of the Collateral Vessels is duly registered in the name of VRC AG under the laws and regulations and flag of Switzerland.

Section 3.29 ***Intercompany Loan Agreement and Promissory Note***. Each of the Intercompany Loan Agreement and the Intercompany Loan Note has been duly authorized by the Borrower and VRC AG and duly executed and delivered by the Borrower and VRC AG, and, when duly executed and delivered in accordance with its terms by each of the parties thereto, will constitute a valid and legally binding agreement of the Borrower and VRC AG, enforceable against the Borrower and VRC AG, in accordance with its terms, except as the enforcement thereof may be limited by public policy, bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights and to general equity principles. Each of the Intercompany Loan Agreement and the Intercompany Loan Note has been entered into on arm's length terms under the laws of Switzerland. The execution, delivery and performance of the Intercompany Loan Agreement and the Intercompany Loan Note, the making of the Intercompany Loan, and the creation, documentation and perfection of the security interests in the Intercompany Loan Collateral as contemplated by the Intercompany Loan Security Documents do not lead to the requalification of the Intercompany Loan Note and/or this Agreement as a Swiss note within the meaning of the Swiss tax legislation.

ARTICLE IV.
CONDITIONS OF LENDING

The obligations of the Lenders to make Loans and of the Issuing Lenders to issue Letters of Credit hereunder are subject to the satisfaction of the following conditions:

Section 4.01 ***All Credit Events***. On the date of each Borrowing (other than a conversion or a continuation of a Borrowing) and on the date of each issuance, amendment, extension or renewal of a Letter of Credit (each such event being called a "***Credit Event***"):

(a) The Administrative Agent shall have received a Borrowing Request as required by Section 2.03 or, in the case of the issuance, amendment, extension or renewal of a Letter of Credit, the applicable Issuing Lender and the Administrative Agent shall have received a notice requesting the issuance, amendment, extension or renewal of such Letter of Credit as required by Section 2.08.

of counsel as shall be reasonably necessary or advisable (as determined in good faith by the Administrative Agent) to vest in the Borrower a perfected security interest in such After-Acquired Property, to have such After-Acquired Property added to the Intercompany Loan Collateral as security for all of the obligations in respect of the Intercompany Loan Documents, and to have such Swiss Obligor be obligated for all of the obligations in respect of the Intercompany Loan Documents (and any such obligations shall not be limited to freely distributable reserves), and thereupon all provisions of the Intercompany Loan Documents relating to the Intercompany Loan Collateral shall be deemed to relate to such After-Acquired Property and to such Swiss Obligor to the same extent and with the same force and effect.

Section 5.14 ***Designation of Restricted and Unrestricted Subsidiaries***.

(a) The Borrower may designate any Restricted Subsidiary (other than any Subsidiary Guarantor) as an Unrestricted Subsidiary or any Unrestricted Subsidiary as a Restricted Subsidiary; *provided* that immediately before and after giving effect to such designation, no Default or Event of Default shall have occurred and be continuing; *provided*, *further*, that immediately after giving *pro forma* effect to such designation, the Total Net Leverage Ratio, calculated as of the last day of the Calculation Period most recently ended prior to such date of designation, shall be no greater than 5.25 to 1.00; *provided*, *further*, that the designation of any Subsidiary as an Unrestricted Subsidiary after the Closing Date shall constitute an Investment by the Borrower and its Restricted Subsidiaries, as applicable, therein at the date of designation in an amount equal to the fair market value (as determined by a Responsible Officer of the Borrower in good faith) of the applicable parties' Investment therein and no such designation shall be effective unless the Borrower and the Restricted Subsidiaries are in compliance with Section 6.03 after giving effect to such Investment. The designation of any Unrestricted Subsidiary as a Restricted Subsidiary shall constitute (i) the incurrence at the time of designation of any Investment, Indebtedness or Liens of such Subsidiary existing at such time and (ii) a return on any Investment by the Borrower or any Restricted Subsidiary in Unrestricted Subsidiaries pursuant to the preceding sentence in an amount equal to the fair market value at the date of such designation of the Borrower's and its Restricted Subsidiaries' (as applicable) Investment in such Subsidiary. Notwithstanding the foregoing and anything to the contrary contained herein, the Borrower may designate any newly-formed special purpose funding vehicle that is not a Subsidiary Guarantor as an Unrestricted Subsidiary at any time.

(b) Any designation of a Subsidiary of the Borrower as an Unrestricted Subsidiary will be evidenced by delivering to the Administrative Agent a copy of a resolution of the Board of Directors of the Borrower giving effect to such designation and an Officer's Certificate certifying that such designation complied with the preceding conditions and was permitted by Section 6.03 hereof. If, at any time, any Unrestricted Subsidiary would fail to meet the preceding requirements as an Unrestricted Subsidiary, it will thereafter cease to be an Unrestricted Subsidiary for purposes of this Agreement and any Indebtedness of such Subsidiary will be deemed to be incurred by a Restricted Subsidiary as of such date and, if such Indebtedness is not permitted to be incurred as of such date under Section 6.01 hereof, the Borrower will be in default of such covenant. The Board of Directors of the Borrower may at any time designate any Unrestricted Subsidiary to be a Restricted Subsidiary; *provided* that such designation will be deemed to be an incurrence of Indebtedness by a Restricted Subsidiary of any outstanding Indebtedness of such Unrestricted Subsidiary, and such designation will only be permitted if (1) such Indebtedness is permitted under Section 6.01 hereof, calculated on a *pro forma* basis as if such designation had occurred at the beginning of the applicable reference period; and (2) no Default or Event of Default would be in existence following such designation.

(c) Notwithstanding the foregoing and anything to the contrary contained herein, (i) the Borrower may not designate any of its Restricted Subsidiaries as an Unrestricted Subsidiary if (x) such Restricted Subsidiary is not an "Unrestricted Subsidiary" under the 2023 Indenture or (y) such Restricted Subsidiary holds any of the Intercompany Loan Collateral, (ii) no Collateral shall be permitted to be disposed to, owned by, assigned to or otherwise transferred to any Unrestricted Subsidiary, whether by designation or other transfer or disposition or arrangement and (iii) no Intellectual Property Rights of the Borrower and its Restricted Subsidiaries, that are material to the business of the Borrower and its Restricted Subsidiaries, taken as a whole, may be sold to, disposed to, owned by or otherwise assigned or exclusively licensed to, or otherwise transferred to any Unrestricted Subsidiary at any time.

Section 5.15 ***Compliance with Anti-Corruption Laws; Beneficial Ownership Regulation; Anti-Money Laundering Laws and Sanctions***. The Borrower and its Restricted Subsidiaries shall (a) maintain in effect and enforce policies and procedures reasonably designed to promote compliance by the Borrower, its Subsidiaries and their respective directors, officers, and employees with all applicable Anti-Corruption Laws, applicable Anti-Money Laundering Laws and applicable Sanctions, (b) notify the Administrative Agent and each Lender that previously received a Beneficial Ownership Certification (or a certification that the Borrower qualifies for an express exclusion to the "legal entity customer" definition under the Beneficial Ownership Regulation) of any change in the information provided in the Beneficial Ownership Certification that would result in a change to the list of beneficial owners identified therein (or, if applicable, the Borrower ceasing to fall within an express exclusion to the definition of "legal entity customer" under the Beneficial Ownership Regulation) and (c) promptly upon the reasonable request of the Administrative Agent or any Lender, provide the Administrative Agent or directly to such Lender, as the case may be, any information or documentation requested by it for purposes of complying with the Beneficial Ownership Regulation.

Section 5.16 ***Collateral Proceeds Account***.

(i) If at any time the Borrower or any of its Restricted Subsidiaries consummates an Asset Sale of a Collateral Vessel, the Borrower shall cause VRC AG to deposit into the Collateral Proceeds Account an amount in cash equal to the Applicable Ship Percentage with respect to such Collateral Vessel multiplied by the Total Revolving Credit Commitment at the time of such Asset Sale; provided that, unless and until VRC AG makes such deposit in accordance with the terms hereof, the Blocked Commitment Amount shall be automatically increased, on the date of the consummation of such Asset Sale, by an amount equal to the Applicable Ship Percentage with respect to such Collateral Vessel multiplied by the Total Revolving Credit Commitment at the time of such Asset Sale.

(ii) If at any time an Event of Loss occurs with respect to any Collateral Vessel, the Borrower shall cause VRC AG to deposit into the Collateral Proceeds Account an amount in cash equal to the Applicable Ship Percentage with respect to such Collateral Vessel multiplied by the Total Revolving Credit Commitment at the time of such Event of Loss; provided that, unless and until VRC AG makes such deposit in accordance with the terms hereof, the Blocked Commitment Amount shall be automatically increased, on the date of such Event of Loss, by an amount equal to the Applicable Ship Percentage with respect to such Collateral Vessel multiplied by the Total Revolving Credit Commitment at the time of such Event of Loss.

(iii) The Borrower shall cause VRC AG, to grant, pursuant to a Collateral Proceeds Account Agreement, a Lien on the Collateral Proceeds Account (and the deposits therein) in favor of the Borrower to secure the Obligations (as defined in the Intercompany Loan Agreement). The Loan Parties cannot withdraw any amounts from the Collateral Proceeds Account, except that (A) in the event any Swiss Obligor acquires one or more additional Collateral Vessels or replaces any Collateral Vessel with a Replacement Vessel in accordance with Section 5.13 following the deposit of amounts in the Collateral Proceeds Account, the Borrower may cause VRC AG to withdraw from the Collateral Proceeds Account, upon the acquisition or replacement of any such additional Collateral Vessel, an amount equal to (I) an amount equal to the lesser of (x) the entire amount deposited in the Collateral Proceeds Account and (y) an amount equal to the Loan to Value Ratio as of such date multiplied by the Fair Market Value of such Collateral Vessel minus (II) the amount by which the Blocked Commitment Amount is reduced in connection with such acquisition pursuant to Section 5.16(iv) and (B) in the event the Loan Parties elect to permanently reduce the Total Revolving Credit Commitment in accordance with Section 2.05(a) following the deposit of amounts in the Collateral Proceeds Account, the Borrower may cause VRC AG to withdraw from the Collateral Proceeds Account, upon the occurrence of such permanent reduction, an amount equal to (I) an amount equal to the lesser of (x) the entire amount deposited in the Collateral Proceeds Account and (y) the amount by which the Total Revolving Credit Commitment has been so permanently reduced minus (II) the amount by which the Blocked Commitment Amount is reduced in connection with such acquisition or replacement pursuant to Section 5.16(iv).

(iv) If VRC AG deposits any cash in the Collateral Proceeds Account following any increase to the Blocked Commitment Amount pursuant to this Section 5.16, the Blocked Commitment Amount shall be automatically reduced, on the date of such cash deposit, by the amount of such cash deposit. In addition, (A) in the event any Swiss Obligor acquires one or more additional Collateral Vessels or replaces any Collateral Vessel with a Replacement Vessel in accordance with Section 5.13 following any increase of the Blocked Commitment Amount pursuant to this Section 5.16, the Borrower may elect, in its sole discretion, to reduce the Blocked Commitment Amount in an amount equal to (I) an amount equal to the lesser of (x) the entire amount of the Blocked Commitment Amount and (y) an amount equal to the Loan to Value Ratio as of such date multiplied by the Fair Market Value of such Collateral Vessel minus (II) the amount that is withdrawn from the Collateral Proceeds Account in connection with such acquisition or replacement pursuant to Section 5.16(iii), and (B) in the event the Loan Parties elect to permanently reduce the Total Revolving Credit Commitment in accordance with Section 2.05(a) following any increase of the Blocked Commitment Amount pursuant to this Section 5.16, the Borrower may elect, in its sole discretion, to reduce the Blocked Commitment Amount in an amount equal to (I) an amount equal to the lesser of (x) the entire amount of the Blocked Commitment Amount and (y) the amount by which the Total Revolving Credit Commitment has been so permanently reduced minus (II) the amount that is withdrawn from the Collateral Proceeds Account in connection with such permanent reduction pursuant to Section 5.16(iii).

(v) Within three (3) Business Days following the occurrence of any increase or decrease to the Blocked Commitment Amount or any withdrawal from or deposit in the Collateral Proceeds Account, the Borrower shall furnish to the Administrative Agent, who will distribute to each Lender, written notice thereof. In addition, promptly following the last day of each calendar month following the Asset Sale of a Collateral Vessel or an Event of Loss with respect to any Collateral Vessel, the Borrower shall furnish to the Administrative Agent, who will distribute to each Lender, written notice of the aggregate Blocked Commitment Amount as of such date and the aggregate amount of cash and cash equivalents in the Collateral Proceeds Account as of such date

Section 5.17 ***Post-Closing Items***. The Borrower shall take all necessary actions to satisfy the items described on Schedule 5.17 within the period or by the date specified therein or within such longer period of time or by such later date as reasonably consented to by the Administrative Agent.

ARTICLE VI.

The Borrower covenants and agrees with each Lender that, at all times prior to the Termination Date:

Section 6.01 ***Indebtedness and Preferred Stock***.

(a) Subject to Section 6.01(b), the Borrower will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, issue, assume, guarantee or otherwise become directly or indirectly liable, contingently or otherwise, with respect to (collectively, "***incur***") any Indebtedness (including Acquired Debt), and the Borrower will not and will not permit any Restricted Subsidiary to issue any Disqualified Stock and will not permit any of its Restricted Subsidiaries to issue any shares of preferred stock; *provided*, *however*, that the Borrower may incur Indebtedness (including Acquired Debt) or issue Disqualified Stock, and the Borrower and its Restricted Subsidiaries may incur Indebtedness (including Acquired Debt) or issue preferred stock, if the Fixed Charge Coverage Ratio for the Borrower's most recently ended Calculation Period immediately preceding the date on which such additional Indebtedness is incurred or such Disqualified Stock or such preferred stock is issued, as the case may be, would have been at least 2.00 to 1.00, calculated on a *pro forma* basis (including a *pro forma* application of the net proceeds therefrom), as if the additional Indebtedness had been incurred or the Disqualified Stock or the preferred stock had been issued, as the case may be, at the beginning of such Calculation Period.

(viii) Indebtedness or Disqualified Stock of the Borrower and Indebtedness or Disqualified Stock or preferred stock of any Restricted Subsidiary in an aggregate principal amount or liquidation preference up to 100% of the net cash proceeds received by the Borrower since the Closing Date from the issue or sale of Equity Interests of the Borrower or cash contributed to the capital of the Borrower (in each case, other than proceeds of Disqualified Stock or preferred stock or sales of Equity Interests to the Borrower or any of its Subsidiaries) as determined in accordance with Section 6.03(a)(iv)(C)(2) to the extent such net cash proceeds or cash have not been applied pursuant to such clauses to make Restricted Payments pursuant to Section 6.03(b) or to make Permitted Investments (other than Permitted Investments specified in clause (c) of the definition thereof);

(xi) the incurrence by the Borrower or any of its Restricted Subsidiary of Hedging Obligations not for speculative purposes;

(xii) the Guarantee by the Borrower or any Guarantor of Indebtedness of the Borrower, any Guarantor or any Jones Act Compliant Entity to the extent that the guaranteed Indebtedness was permitted to be incurred by another provision of this Section 6.01; *provided* that if the Indebtedness being guaranteed is subordinated to or *pari passu* with the Obligations, then the Guarantee must be subordinated or *pari passu*, as applicable, to the same extent as the Indebtedness guaranteed;

(xv) Indebtedness arising from agreements of the Borrower or a Restricted Subsidiary providing for customary indemnification, obligations in respect of earnouts or other adjustments of purchase price or, in each case, similar obligations, in each case, incurred or assumed in connection with the acquisition or disposition of any business or assets or Person or any Equity Interests of a Subsidiary, *provided* that the maximum liability of the Borrower and its Restricted Subsidiaries in respect of all such Indebtedness shall at no time exceed the gross proceeds, including the Fair Market Value of non-cash proceeds (measured at the time received and without giving effect to any subsequent changes in value), actually received by the Borrower and its Restricted Subsidiaries in connection with such disposition;

(xxi) the incurrence of Indebtedness under Credit Facilities (other than Indebtedness incurred under the Loan Documents) by the Borrower or any Restricted Subsidiary up to an aggregate principal amount equal to (A) the greater of (i) of $275,000,000 and (ii) 7.0% of Total Tangible Assets at any time outstanding minus (B) the amount of the Revolving Credit Commitments outstanding at such time; *provided*, *however*, that the maximum amount permitted to be outstanding under this clause (xxi) shall not be deemed to limit additional Indebtedness under the Credit Facilities to the extent the incurrence of such additional Indebtedness is permitted pursuant to any of the other provisions under this Section 6.01.

(c) Neither the Borrower nor any Guarantor will incur any Indebtedness (including Permitted Debt) that is contractually subordinated in right of payment to any other Indebtedness of the Borrower or such Guarantor unless such Indebtedness is also contractually subordinated in right of payment to the Obligations on substantially identical terms; *provided*, *however*, that no Indebtedness will be deemed to be contractually subordinated in right of payment to any other Indebtedness of the Borrower or any Guarantor solely by virtue of being unsecured.

(d) For purposes of determining compliance with this Section 6.01:

(i) in the event that an item of Indebtedness meets the criteria of more than one of the categories of Permitted Debt described in Sections 6.01(b)(i) through (xxi) above, or is entitled to be incurred pursuant to Section 6.01(a), the Borrower, in its sole discretion, will be permitted to classify such item of Indebtedness on the date of its incurrence and only be required to include the amount and type of such Indebtedness in one of such clauses and will be permitted on the date of such incurrence to divide and classify an item of Indebtedness in more than one of the types of Indebtedness described in Sections 6.01(a) and (b) and from time to time to reclassify all or a portion of such item of Indebtedness, in any manner that complies with this Section 6.01;

(ii) [reserved]; and

(iii) the principal amount of Indebtedness outstanding under any clause of this covenant shall be determined after giving effect to the application of proceeds of any such Indebtedness to refinance any such other Indebtedness.

(e) The accrual of interest or preferred stock dividends, the accretion or amortization of original issue discount, the payment of interest on any Indebtedness in the form of additional Indebtedness with the same terms, the reclassification of preferred stock as Indebtedness due to a change in accounting principles, and the payment of dividends on preferred stock or Disqualified Stock in the form of additional shares of the same class of preferred stock or Disqualified Stock will not be deemed to be an incurrence of Indebtedness or an issuance of preferred stock or Disqualified Stock for purposes of this Section 6.01; *provided*, in each such case, that the amount of any such accrual, accretion or payment is included in the Fixed Charges of the Borrower as accrued. For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Indebtedness, the U.S. dollar-equivalent principal amount of Indebtedness denominated in a different currency shall be utilized, calculated based on the relevant currency exchange rate in effect on the date such Indebtedness was incurred.

(f) Notwithstanding any other provision of this Section 6.01, the maximum amount of Indebtedness that the Borrower or any Restricted Subsidiary may incur pursuant to this Section 6.01 shall not be deemed to be exceeded solely as a result of fluctuations in exchange rates or currency values.

(g) The amount of any Indebtedness outstanding as of any date will be:

(i) in the case of any Indebtedness issued with original issue discount, the amount of the liability in respect thereof determined in accordance with IFRS;

(ii) the principal amount of the Indebtedness, in the case of any other Indebtedness; and

(iii) in respect of Indebtedness of another Person secured by a Lien on the assets of the specified Person, the lesser of:

(A) the Fair Market Value of such assets at the date of determination; and

(B) the amount of the Indebtedness of the other Person.

(h) Notwithstanding any other provision of this Section 6.01 to the contrary, in no event shall the Borrower guarantee any Indebtedness of any Unrestricted Subsidiary.

Section 6.02 ***Liens***. The Borrower will not and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, create, incur, assume or otherwise cause or suffer to exist or become effective any Lien of any kind securing Indebtedness upon any of their property or assets, now owned or hereafter acquired, except (a) in the case of any property or assets that do not constitute Collateral, Permitted Liens and (b) in the case of any property or assets that constitute Collateral, Permitted Collateral Liens.

Section 6.03 ***Restricted Payments***.

(a) The Borrower will not, and will not cause or permit any of its Restricted Subsidiaries to, directly or indirectly:

(i) declare or pay any dividend or make any other payment or distribution on account of the Borrower's or any of its Restricted Subsidiaries' Equity Interests (including, without limitation, any payment in connection with any merger or consolidation involving the Borrower or any of its Restricted Subsidiaries) or to the direct or indirect holders of the Borrower's or any of its Restricted Subsidiaries' Equity Interests in their capacity as holders (other than dividends or distributions payable in Equity Interests (other than Disqualified Stock) of the Borrower or any of its Restricted Subsidiaries and other than dividends or distributions payable to the Borrower or a Restricted Subsidiary);

(ii) purchase, redeem or otherwise acquire or retire for value (including, without limitation, in connection with any merger or consolidation involving the Borrower) any Equity Interests of the Borrower or any direct or indirect parent entity of the Borrower;

(iii) make any principal payment on or with respect to, or purchase, redeem, defease or otherwise acquire or retire for value any Indebtedness of the Borrower or any Guarantor that is expressly contractually subordinated in right of payment to the Obligations (excluding, in each case, any intercompany Indebtedness between or among the Borrower and any of its Restricted Subsidiaries), except (i) a payment of principal at the stated maturity thereof or (ii) the purchase, repurchase or other acquisition of Indebtedness purchased in anticipation of satisfying a sinking fund obligation, principal installment or scheduled maturity, in each case due within one year of the date of such purchase, repurchase or other acquisition; or

(iv) make any Restricted Investment (all such payments and other actions set forth in these clauses (a)(i) through (a)(iv) above being collectively referred to as "***Restricted Payments***"), unless, at the time of any such Restricted Payment:

(A) no Default or Event of Default has occurred and is continuing or would occur as a consequence of such Restricted Payment;

(B) at the time of such Restricted Payment and after giving *pro forma* effect thereto as if such Restricted Payment had been made at the beginning of the applicable four-quarter period, the Total Net Leverage Ratio of the Borrower shall be no greater than 5.25 to 1.00; and

(C) such Restricted Payment, together with the aggregate amount of all other Restricted Payments made by the Borrower and its Restricted Subsidiaries since July 1, 2024 (excluding Restricted Payments permitted by Sections 6.03(b)(ii), (iii), (iv), (vii) and (xii) hereof), is less than the sum, without duplication, of:

(1) 50% of the Consolidated Net Income of the Borrower for the period (taken as one accounting period) from July 1, 2024 to the end of the Borrower's most recently ended fiscal quarter for which internal financial statements are available at the time of such Restricted Payment (or, if such Consolidated Net Income for such period is a deficit, less 100% of such deficit); *plus*

(2) 100% of the aggregate net cash proceeds and the Fair Market Value of marketable securities received by the Borrower since July 1, 2024 as a contribution to its common equity capital or from the issue or sale of Equity Interests of the Borrower (other than Disqualified Stock) or from the issue or sale of convertible or exchangeable Disqualified Stock of the Borrower or convertible or exchangeable debt securities of the Borrower, in each case that have been converted into or exchanged for Equity Interests of the Borrower (other than Equity Interests (or Disqualified Stock or debt securities) sold to a Subsidiary of the Borrower); *plus*

(3) to the extent that any Restricted Investment that was made after July 1, 2024 is (a) sold, disposed of or otherwise cancelled, liquidated or repaid, 100% of the aggregate amount received in cash and the Fair Market Value of marketable securities received; or (b) made in an entity that subsequently becomes a Restricted Subsidiary, 100% of the Fair Market Value of the Borrower's Restricted Investment as of the date such entity becomes a Restricted Subsidiary; *plus*

(4) to the extent that any Unrestricted Subsidiary of the Borrower designated as such after July 1, 2024 is redesignated as a Restricted Subsidiary, or is merged or consolidated into the Borrower or a Restricted Subsidiary, or all of the assets of such Unrestricted Subsidiary are transferred to the Borrower or a Restricted Subsidiary, in each case, after July 1, 2024, the Fair Market Value of the Borrower's Restricted Investment in such Subsidiary as of the date of such redesignation, merger, consolidation or transfer of assets to the extent such investments reduced the restricted payments capacity under this clause (c) and were not previously repaid or otherwise reduced; *plus*

(5) 100% of any dividends or distributions received by the Borrower or a Restricted Subsidiary after July 1, 2024 from an Unrestricted Subsidiary to the extent that such dividends or distributions were not otherwise included in the Consolidated Net Income of the Borrower for such period (excluding, for the avoidance of doubt, repayments of, or interest payments in respect of, the Permitted Investments pursuant clause (q) of the definition thereof).

(b) The preceding provisions of Section 6.03(a) hereof will not prohibit the following Restricted Payments:

(i) the payment of any dividend or the consummation of any redemption within 60 days after the date of declaration of the dividend or giving of the redemption notice, as the case may be, if at the date of declaration or notice, the dividend or redemption payment would have complied with the provisions of this Agreement;

(ii) the making of any Restricted Payment in exchange for, or out of or with the net cash proceeds of the substantially concurrent sale (other than to a Subsidiary of the Borrower) of, Equity Interests of the Borrower (other than Disqualified Stock) or from the substantially concurrent contribution of common equity capital to the Borrower; *provided* that the amount of any such net cash proceeds that are utilized for any such Restricted Payment will be excluded from Section 6.03(a)(iv)(C)(2);

(b) The restrictions in Section 6.04(a) will not apply to encumbrances or restrictions existing under or by reason of:

(i) agreements governing Indebtedness (including Existing Indebtedness), charter documents and shareholder agreement as in effect on the Closing Date and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of those agreements; *provided* that the amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings are not materially less favorable to the Lenders, taken as a whole, with respect to such dividend and other payment restrictions than those contained in those agreements on the Closing Date (as determined in good faith by the Borrower);

(ii) the Loan Documents and the Intercompany Loan Documents;

(iii) agreements governing other Indebtedness permitted to be incurred under Section 6.01 and any amendments, restatements, modifications, renewals, supplements, refundings, replacements or refinancings of those agreements; *provided* that the restrictions therein are not materially less favorable to the Lenders than is customary in comparable financings (as determined in good faith by the Borrower) and the Borrower determines at the time of the incurrence of such Indebtedness that such encumbrances or restrictions will not adversely effect, in any material respect, the Borrower's ability to make principal or interest payments on the Loans;

(iv) Applicable Law, rule, regulation or order or the terms of any license, authorization, concession or permit;

(v) any instrument governing Indebtedness or Capital Stock of a Person acquired by the Borrower or any of its Restricted Subsidiaries as in effect at the time of such acquisition (except to the extent such Indebtedness or Capital Stock was incurred in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person, or the property or assets of the Person, so acquired; *provided* that, in the case of Indebtedness, such Indebtedness was permitted by the terms of this Agreement to be incurred;

(vi) customary non-assignment and similar provisions in contracts, leases and licenses entered into in the ordinary course of business;

(vii) purchase money obligations for property acquired in the ordinary course of business and Capital Lease Obligations that impose restrictions on the property purchased or leased of the nature described in Section 6.04(a)(iii);

(viii) any agreement for the sale or other disposition of the Capital Stock or all or substantially all of the property and assets of a Restricted Subsidiary that restricts distributions or granting of Liens by that Restricted Subsidiary pending its sale or other disposition;

(ix) Permitted Refinancing Indebtedness; *provided* that the restrictions contained in the agreements governing such Permitted Refinancing Indebtedness are not materially more restrictive, taken as a whole, than those contained in the agreements governing the Indebtedness being refinanced;

(x) Liens permitted to be incurred under Section 6.02 that limit the right of the debtor to dispose of the assets subject to such Liens;

(xi) provisions limiting the disposition or distribution of assets or property or granting of Liens in joint venture agreements, asset sale agreements, sale-leaseback agreements, stock sale agreements and other similar agreements (including agreements entered into in connection with a Restricted Investment) entered into with the approval of the Borrower's Board of Directors, which limitation is applicable only to the assets that are the subject of such agreements;

(xii) restrictions on cash or other deposits or net worth imposed by customers or suppliers or required by insurance, surety or bonding companies, in each case, under contracts entered into in the ordinary course of business;

(xiv) any Restricted Investment not prohibited by Section 6.03 and any Permitted Investment;

(xv) any encumbrance or restriction existing with respect to any Unrestricted Subsidiary or the property or assets of such Unrestricted Subsidiary that is designated as a Restricted Subsidiary in accordance with the terms of this Agreement at the time of such designation and not incurred in contemplation of such designation, which encumbrances or restrictions are not applicable to any Person other than such Unrestricted Subsidiary or the property or assets of such Unrestricted Subsidiary; *provided* that the encumbrances or restrictions are customary for the business of such Unrestricted Subsidiary and would not, at the time agreed to, be expected (as determined in good faith by the Borrower) to affect the ability of the Borrower and the Guarantors to make payments under this Agreement and the other Loan Documents;

(xvi) customary encumbrances or restrictions contained in agreements in connection with Hedging Obligations permitted under this Agreement; and

(xvii) any encumbrance or restriction existing under any agreement that extends, renews, refinances, replaces, amends, modifies, restates or supplements the agreements containing the encumbrances or restrictions in the foregoing clauses (i) through (xvi), or in this clause (xvii); *provided* that the terms and conditions of any such encumbrances or restrictions are no more restrictive in any material respect than those under or pursuant to the agreement so extended, renewed, refinanced, replaced, amended, modified, restated or supplemented.

Section 6.05 ***Mergers, Consolidations and Sales of Assets***.

(a) The Borrower will not, directly or indirectly: (x) consolidate or merge with or into another Person (whether or not the Borrower is the surviving corporation or company), or (y) sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the properties or assets of the Borrower and its Subsidiaries which are Restricted Subsidiaries taken as a whole, in one or more related transactions, to another Person, unless:

(i) either: (a) the Borrower is the surviving corporation or company; or (b) the Person formed by or surviving any such consolidation or merger (if other than the Borrower) or to which such sale, assignment, transfer, conveyance, lease or other disposition has been made is an entity incorporated, organized or existing under the laws of any member state of the European Union as in effect on December 31, 2003, Bermuda, Switzerland, Canada, any state of the United States or the District of Columbia, *provided* that the Borrower may not consolidate or merge with any Swiss Obligor under any circumstances;

(c) A Guarantor will not, directly or indirectly: (1) consolidate or merge with or into another Person (whether or not such Guarantor is the surviving Person), or (2) sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of the properties or assets of such Guarantor and its Subsidiaries which are Restricted Subsidiaries taken as a whole, in one or more related transactions, to another Person, unless:

(i) immediately after giving effect to that transaction, no Default or Event of Default is continuing;

(ii) the person acquiring the property in any such sale or disposition or the Person formed by or surviving any such consolidation or merger assumes all the obligations of that Guarantor under this Agreement, the other Loan Documents and the Intercompany Loan Documents (if applicable) pursuant to joinders in form and substance reasonably acceptable to the Administrative Agent; *provided* that a Swiss Obligor may not (i) consolidate or merge with or into another Person (other than another Swiss Obligor in compliance with Section 5.13) or (ii) sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets under any circumstances (other than to another Swiss Obligor in compliance with Section 5.13); and

(iii) the Borrower delivers to the Administrative Agent an Officer's Certificate and opinion of counsel (subject to any qualifications customary for this type of opinion of counsel), in each case in form and substance reasonably acceptable to the Administrative Agent and stating that such consolidation, merger or transfer and, in the case in which joinders are entered into, such joinders comply with this Section 6.05(c) and that all conditions precedent provided for in this Agreement and the other Security Documents and Intercompany Loan Security Documents relating to such transaction have been complied with.

(d) The Borrower shall not, and shall not cause or permit any of its Restricted Subsidiaries to, directly or indirectly, consummate an Asset Sale unless:

(i) the Borrower or the Restricted Subsidiary, as the case may be, receives consideration at the time of the Asset Sale at least equal to the Fair Market Value of the assets or Equity Interests issued or sold or otherwise disposed of;

(ii) no Default or Event of Default shall exist immediately prior to or after giving effect to such Asset Sale; and

(iii) at least 75% of the consideration received in the Asset Sale by the Borrower or such Restricted Subsidiary is in the form of cash, Cash Equivalents, Replacement Assets or a combination thereof. For purposes of this clause (ii), each of the following will be deemed to be cash:

(A) any liabilities, as recorded on the balance sheet of the Borrower or any Restricted Subsidiary (other than contingent liabilities), that are assumed by the transferee of any such assets and as a result of which the Borrower and its Restricted Subsidiaries are no longer obligated with respect to such liabilities or are indemnified against further liabilities;

(D) consideration consisting of Indebtedness of the Borrower or any Guarantor received from Persons who are not the Borrower or any Restricted Subsidiary; and

(E) consideration other than cash, Cash Equivalents or Replacement Assets received by the Borrower or any Restricted Subsidiary in such Asset Sale with a Fair Market Value, taken together with all other consideration received pursuant to this clause (E) that is at the time outstanding, not to exceed the greater of (i) $50,000,000 and (ii) 1.0% of Total Tangible Assets at the time of the receipt of such consideration, with the Fair Market Value of each item of such consideration being measured at the time received and without giving effect to subsequent changes in value; and

(iv) in connection with an Asset Sale of any Collateral Vessel, the Loan Parties shall comply with the requirements of Section 5.16(a) in accordance therewith.

provided that, in no event shall the Borrower sell, lease, convey or otherwise dispose of the Pledged Intercompany Loan Rights (including the Intercompany Loan Agreement) or any of its right, title or interest in the Intercompany Loan Collateral.

Section 6.06 ***Transactions with Affiliates***.

(a) The Borrower will not, and will not cause or permit any of its Restricted Subsidiaries to, make any payment to or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate of the Borrower (each, an "***Affiliate Transaction***") involving aggregate payments or consideration in excess of $10,000,000, unless:

(i) the Affiliate Transaction is on terms that are, taken as a whole, no less favorable to the Borrower or the relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Borrower or such Restricted Subsidiary with an unrelated Person; and

(ii) the Borrower delivers to the Administrative Agent with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate consideration in excess of $20,000,000, a resolution of the Board of Directors of the Borrower set forth in an Officer's Certificate certifying that such Affiliate Transaction complies with this Section 6.06 and that such Affiliate Transaction has been approved by a majority of the disinterested members of the Board of Directors of the Borrower (or, in the event there is only one disinterested director, by such disinterested director, or, in the event there are no disinterested directors, by unanimous approval of the members of the Board of Directors of the Borrower).

(b) The following items will not be deemed to be Affiliate Transactions and, therefore, will not be subject to the provisions of Section 6.06(a):

(iv) payment of reasonable and customary fees, salaries, bonuses, compensation, other employee benefits and reimbursements of expenses (pursuant to indemnity arrangements or otherwise) of officers, directors, employees or consultants of the Borrower or any of its Restricted Subsidiaries;

(v) any issuance of Equity Interests (other than Disqualified Stock) of the Borrower to Affiliates of the Borrower;

(vi) Restricted Payments that do not violate Section 6.03;

(vii) transactions pursuant to, or contemplated by any agreement in effect on Closing Date and transactions pursuant to any amendment, modification or extension to such agreement, so long as such amendment, modification or extension, taken as a whole, is not-materially more disadvantageous to the Lenders than the original agreement as in effect on the Closing Date;

(viii) Permitted Investments (other than the Permitted Investments referenced in clauses (c), (d), (e), (l), (o) and (q) of the definition thereof);

(ix) Management Advances;

(x) transactions with customers, clients, suppliers, or purchasers or sellers of goods or services, in each case in the ordinary course of business and otherwise in compliance with the terms of this Agreement that are fair to the Borrower or the Restricted Subsidiaries, as applicable, in the reasonable determination of the members of the Board of Directors of the Borrower or the senior management thereof, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated Person;

(xi) the granting and performance of any registration rights for the Borrower's Capital Stock;

(xii) any contribution to the capital of the Borrower;

(xiii) pledges of Equity Interests of Unrestricted Subsidiaries; and

(xiv) transactions undertaken in good faith (as certified by a responsible financial or accounting officer of the Borrower in an Officer's Certificate) between the Borrower and any other Person or a Restricted Subsidiary of the Borrower and any other Person with which the Borrower or any of its Restricted Subsidiaries files a consolidated tax return or which the Borrower or any of its Restricted Subsidiaries is part of a group for tax purposes that are effected for the purpose of improving the consolidated or group tax efficiency of the Borrower and/or its Subsidiaries and not for the purpose of circumventing any provision of this Agreement; *provided* that any such tax sharing arrangement does not permit or require payments in excess of the amount of tax that would be payable by the Borrower and its Restricted Subsidiaries on a stand-alone basis.

Section 6.07 ***Limitation on Issuance of Guarantees of Indebtedness***.

(a) Subject to Section 6.07(b), the Borrower will not permit any of its Restricted Subsidiaries that are not Guarantors, directly or indirectly, to Guarantee the payment of any other Indebtedness of the Borrower or its Restricted Subsidiaries unless such Restricted Subsidiary simultaneously executes and delivers a joinder to the Guarantee Agreement in form and substance reasonably acceptable to the Administrative Agent, which Guarantee Agreement will be senior to or *pari passu* with such Restricted Subsidiary's guarantee of such other Indebtedness and with respect to any guarantee of Indebtedness that is expressly contractually subordinated in right of payment to the Obligations, any such guarantee will be subordinated to such Restricted Subsidiary's Guarantee of the Obligations at least to the same extent as such subordinated Indebtedness is subordinated to the Obligations.

(b) As soon as practicable following termination of the Viking Catering Swiss Loan, Viking Catering shall execute and deliver joinders to the Loan Documents in form and substance reasonably acceptable to the Administrative Agent, such that Viking Catering shall become a Subsidiary Guarantor hereunder. Section 6.07(a) above will not be applicable to Viking Catering until after the termination of the Viking Catering Swiss Loan.

(c) Section 6.07(a) will not be applicable to any guarantees of any Restricted Subsidiary:

(i) existing on the Closing Date;

(ii) that existed at the time such Person became a Restricted Subsidiary if the guarantee was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary; or

(iii) arising solely due to granting of a Permitted Lien that would not otherwise constitute a guarantee of Indebtedness of the Borrower or any Restricted Subsidiary.

(d) Each such joinder to the Guarantee Agreement will be limited as necessary (and in a manner reasonable acceptable to the Administrative Agent) to recognize certain defenses generally available to guarantors or sureties (including those that relate to fraudulent conveyance or transfer, voidable preference, financial assistance, corporate purpose, capital maintenance or similar laws, regulations or defenses affecting the rights of creditors generally) or other considerations under Applicable Law.

(e) Notwithstanding the foregoing, the Borrower shall not be obligated to cause such Restricted Subsidiary to guarantee the Obligations to the extent that such guarantee by such Restricted Subsidiary would reasonably be expected to give rise to or result in (x) any liability for the officers, directors or shareholders of such Restricted Subsidiary, (y) any violation of Applicable Law that cannot be prevented or otherwise avoided through measures reasonably available to the Borrower or the Restricted Subsidiary or (z) any significant cost, expense, liability or obligation (including with respect to any Taxes) other than reasonable out-of-pocket expenses and other than reasonable expenses incurred in connection with any governmental or regulatory filings required as a result of, or any measures pursuant to clause (y) undertaken in connection with such joinder to the Guarantee Agreement which cannot be avoided through measures reasonably available to the Borrower or the Restricted Subsidiary.

Section 6.08 ***Limitations on Amendments of the Intercompany Loan Documents***. The Borrower will not (1) change the Stated Maturity of the principal of, or any installment of interest on, the Intercompany Loan; (2) reduce the rate of interest on the Intercompany Loan; (3) change the currency for payment of any amount under the Intercompany Loan; (4) prepay or otherwise reduce or permit the prepayment or reduction of the Intercompany Loan (save to facilitate a corresponding payment or repurchase of principal on the Notes); (5) assign or novate the Intercompany Loan or any rights or obligations under the Intercompany Loan (other than to secure the Obligations or other Permitted Collateral Lien or in connection with a transaction that is subject to Section 6.05 and is completed in compliance therewith); (6) amend, modify or alter the Intercompany Loan and/or Intercompany Loan Agreement in any manner adverse to the interests of the Secured Parties (*provided*, the joinder or release of a guarantor to the Intercompany Loan Agreement shall not be deemed adverse to the extent it is conducted in accordance with the terms of the Intercompany Loan Documents and this Agreement) or (7) amend, modify or alter the Intercompany Loan Security Documents other than as provided in Section 6.11. Notwithstanding the foregoing, the Intercompany Loan may be prepaid or reduced to facilitate or otherwise accommodate or reflect a repayment, redemption or repurchase of outstanding Obligations.

Section 6.09 ***Financial Covenants***.

(a) ***Secured Net Leverage Ratio***. On the last day of any Calculation Period on which the Revolving Facility Test Condition is then satisfied, the Borrower shall not permit the Secured Net Leverage Ratio to be greater than 3.50 to 1.00.

(b) ***Interest Coverage Ratio***. On the last day of any Calculation Period on which the Revolving Facility Test Condition is then satisfied, the Borrower shall not permit the Interest Coverage Ratio to be less than the corresponding ratio set forth below for such Calculation Period:

Section 6.10 ***[Reserved]***.

Section 6.11 ***Impairment of Security Interest***.

(a) The Borrower shall not, and shall not permit any Guarantor to, take or omit to take any action, which action or omission would have the result of materially impairing the security interest with respect to (1) the Loan Collateral for the benefit of the Secured Parties or (2) the Intercompany Loan Collateral for the benefit of the Borrower (including, without limitation, any actions or omissions that would have the result of materially impairing the security interest in the Intercompany Loan Collateral under Swiss Law) (*provided*, that the re-starting of any fraudulent conveyance, fraudulent transfer, preference or hardening period shall not, in itself, constitute material impairment). The Borrower shall not, and shall not permit any Guarantor to, suffer to exist or grant to any Person other than the Administrative Agent, for the benefit of the Secured Parties, any Lien over any of the Loan Collateral or Intercompany Loan Collateral that is prohibited by Section 6.02, but may suffer to exist or grant, and permit any Guarantor to grant or

suffer to exist, Permitted Collateral Liens as permitted by Section 6.02, and may release or discharge, and permit any Guarantor to release discharge, the Loan Collateral or Intercompany Loan Collateral in accordance with this Agreement and the applicable Security Documents or the Intercompany Loan Documents, respectively, in accordance with Section 9.16(b) and (c), respectively.

ARTICLE VIII.
THE ADMINISTRATIVE AGENT

Section 8.01 ***Appointment and Authority Etc.***

Each of the Lenders and each Issuing Lender hereby irrevocably appoints, designates and authorizes Wells Fargo to act on its behalf as the Administrative Agent hereunder and under the other Loan Documents and appoints the Administrative Agent to hold any security interest created by the Security Documents for and on behalf of, or in trust for, such Lender, and authorizes the Administrative Agent to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto.

Without limiting the generality of the foregoing, the Administrative Agent is hereby expressly authorized to execute any and all documents (including releases and any loss sharing agreements) with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of this Agreement and the Security Documents. In the event that any Collateral is hereafter pledged, charged, mortgaged or granted a security interest over by any Person as collateral security for the Obligations, the Administrative Agent is hereby authorized, and hereby granted a power of attorney, to execute and deliver on behalf of the Secured Parties any Loan Documents necessary or appropriate to grant and perfect a Lien on such Collateral in favor of the Administrative Agent on behalf of the Secured Parties. Each Lender agrees that no Secured Party (other than the Administrative Agent in accordance with the Security Agreement) shall have the right individually to seek to realize upon the security granted by any Security Document, it being understood and agreed that such rights and remedies may be exercised solely by the Administrative Agent for the benefit of the Secured Parties upon the terms of the Security Documents. The Lenders hereby authorize the Administrative Agent to execute and deliver, for and on behalf of each such Lender, on or about the date of this Agreement and at any time following the date of this Agreement, the Ship Mortgages and the other Security Documents to which it is a party, including any Ship Mortgages and any other Security Documents with respect to After-Acquired Property, and hereby further authorize the Administrative Agent to release any Lien granted to or held by the Administrative Agent upon any Collateral as described in Section 9.16 and the Borrower shall provide confirmation of such authorization if requested by the Administrative Agent.

The institution serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Administrative Agent and such bank and its Affiliates may accept deposits from, lend money to and generally engage in any kind of business with the Borrower or any Restricted Subsidiary or other Affiliate thereof as if it were not an Administrative Agent hereunder.

The Administrative Agent shall not have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, (a) the Administrative Agent shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) the Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby that the Administrative Agent is instructed in writing to exercise by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.08), and (c) except as expressly set forth in the Loan Documents, the Administrative Agent shall not have any duty to disclose, nor shall it be liable for the failure to disclose, any information relating to the Borrower or any

of the Restricted Subsidiaries that is communicated to or obtained by the institution serving as Administrative Agent or any of its Affiliates in any capacity. The Administrative Agent shall not be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.08) or in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall not be deemed to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by the Borrower or a Lender, and the Administrative Agent shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent.

The Administrative Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed or sent by the proper person. The Administrative Agent may also rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper person, and shall not incur any liability for relying thereon. The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent may perform any and all its duties and exercise its rights and powers by or through any one or more sub-agents appointed by it. The Administrative Agent and any such subagent may perform any and all its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of the preceding paragraphs shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Agent.

Subject to the appointment and acceptance of a successor Administrative Agent as provided below, the Administrative Agent may resign upon 30 days' notice by notifying the Lenders, the Issuing Lenders and the Borrower. Upon any such resignation, the Required Lenders shall have the right, upon the consent of the Borrower (except that the consent of the Borrower shall not be required after the occurrence and during the continuance of any Event of Default under clauses (b), (c), (g) or (h) of Article VII), to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, on behalf of the Lenders and the Issuing Lenders, appoint a successor Administrative Agent which shall be a Lender in consultation with the Borrower. If no successor Administrative Agent has been appointed pursuant to the immediately preceding sentence by the 30th day after the date such notice of resignation was given by such Administrative Agent, such Administrative Agent's resignation shall become effective and the Required Lenders shall thereafter perform all the duties of such Administrative Agent hereunder and/or under any other Loan Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent. Any such resignation by such Administrative Agent hereunder shall also constitute, to the extent applicable, its resignation as an Issuing Lender, in which case such resigning Administrative Agent (a) shall not be required to issue any further Letters of Credit and (b) shall maintain all of its rights and obligations as an Issuing Lender, as the case may be, with respect to any Letters of Credit issued by it prior to the date of such resignation.

Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After an Administrative Agent's resignation hereunder, the provisions of this Article and Section 9.05 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while acting as Administrative Agent.

Each Lender acknowledges that it has, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Administrative Agent or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement or any other Loan Document, any related agreement or any document furnished hereunder or thereunder.

None of the Lenders or other persons identified on the facing page of this Agreement as a "bookrunner", "lead arranger", "syndication agent" or "documentation agent" shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders. Without limiting the foregoing, none of the Lenders or other persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

Section 8.02 ***Erroneous Payments***.

(a) Each Lender, each Issuing Lender, each other Secured Party and any other party hereto hereby severally agrees that if (i) the Administrative Agent notifies (which such notice shall be conclusive absent manifest error) such Lender or Issuing Lender or any other Secured Party (or the Lender Affiliate of a Secured Party) or any other Person that has received funds from the Administrative Agent or any of its Affiliates, either for its own account or on behalf of a Lender, Issuing Lender or other Secured Party (each such recipient, a "***Payment Recipient***") that the Administrative Agent has determined in its sole discretion that any funds received by such Payment Recipient were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Payment Recipient) or (ii) any Payment Recipient receives any payment from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, as applicable, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, as applicable, or (z) that such Payment Recipient otherwise becomes aware was transmitted or received in error or by mistake (in whole or in part) then, in each case, an error in payment shall be presumed to have been made (any such amounts specified in

clauses (i) or (ii) of this Section 8.02(a), whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise; individually and collectively, an "***Erroneous Payment***"), then, in each case, such Payment Recipient is deemed to have knowledge of such error at the time of its receipt of such Erroneous Payment; *provided* that nothing in this Section shall require the Administrative Agent to provide any of the notices specified in clauses (i) or (ii) above. Each Payment Recipient agrees that it shall not assert any right or claim to any Erroneous Payment, and hereby waives any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payments, including without limitation waiver of any defense based on "discharge for value" or any similar doctrine.

(b) Without limiting the immediately preceding clause (a), each Payment Recipient agrees that, in the case of clause (a)(ii) above, it shall promptly notify the Administrative Agent in writing of such occurrence.

(c) In the case of either clause (a)(i) or (a)(ii) above, such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and upon demand from the Administrative Agent such Payment Recipient shall (or, shall cause any Person who received any portion of an Erroneous Payment on its behalf to), promptly, but in all events no later than one Business Day thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made in same day funds and in the currency so received, together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent at the Overnight Rate.

(d) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor by the Administrative Agent in accordance with immediately preceding clause (c), from any Lender that is a Payment Recipient or an Affiliate of a Payment Recipient (such unrecovered amount as to such Lender, an "***Erroneous Payment Return Deficiency***"), then at the sole discretion of the Administrative Agent and upon the Administrative Agent's written notice to such Lender (i) such Lender shall be deemed to have made a cashless assignment of the full face amount of the portion of its Loans (but not its Commitments) of the relevant Class with respect to which such Erroneous Payment was made (the "***Erroneous Payment Impacted Class***") to the Administrative Agent or, at the option of the Administrative Agent, the Administrative Agent's applicable lending affiliate in an amount that is equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the "***Erroneous Payment Deficiency Assignment***") plus any accrued and unpaid interest on such assigned amount, without further consent or approval of any party hereto and without any payment by the Administrative Agent or its applicable lending affiliate as the assignee of such Erroneous Payment Deficiency Assignment. The parties hereto acknowledge and agree that (1) any assignment contemplated in this clause (d) shall be made without any requirement for any payment or other consideration paid by the applicable assignee or received by the assignor, (2) the provisions of this clause (d) shall govern in the event of any conflict with the terms and conditions of Section 9.04 and (3) the Administrative Agent may reflect such assignments in the Register without further consent or action by any other Person.

(e) Each party hereto hereby agrees that (x) in the event an Erroneous Payment (or portion thereof) is not recovered from any Payment Recipient that has received such Erroneous Payment (or portion thereof) for any reason, the Administrative Agent (1) shall be subrogated to all the rights of such Payment Recipient with respect to such amount and (2) is authorized to set off, net and apply any and all amounts at any time owing to such Payment Recipient under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Payment Recipient from any source, against any amount due to the Administrative Agent under this Section 8.02 or under the indemnification provisions of this Agreement, (y) the receipt of an Erroneous Payment by a Payment Recipient shall not for the purpose of this Agreement be treated as a payment, prepayment, repayment, discharge or other satisfaction of any Obligations owed by the Borrower or any other Loan Party, except, in each case, to the extent such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower or any other Loan Party for the purpose of making a payment on the Obligations and (z) to the extent that an Erroneous Payment was in any way or at any time credited as payment or satisfaction of any of the Obligations, the Obligations or any part thereof that were so credited, and all rights of the Payment Recipient, as the case may be, shall be reinstated and continue in full force and effect as if such payment or satisfaction had never been received.

(f) Each party's obligations under this Section 8.02 shall survive the resignation or replacement of the Administrative Agent or any transfer of right or obligations by, or the replacement of, a Lender, the termination of the Commitments or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

(g) Notwithstanding anything to the contrary in this Section 8.02, this Section 8.02 shall not create any obligations, liabilities or responsibilities or alter or change any obligations, liabilities or responsibilities of the Borrower and the Loan Parties under any of the other provisions of this Agreement or any other Loan Document, other than with respect to acknowledging and consenting to any assignment and/or subrogation rights referenced in this Section 8.02, subject to any consent rights set forth in Section 9.04 and other than the Borrower's agreement to this Section 8.02 (it being understood that this clause (g) shall not limit any rights the Administrative Agent may have against any Loan Party under any provision of this Agreement or any other Loan Document other than this Section 8.02).

(h) Nothing in this Section 8.02 will constitute a waiver or release of any claim of the Administrative Agent hereunder arising from any Payment Recipient's receipt of an Erroneous Payment.

If to any Lender:

To the address of such Lender set forth on the Register with respect to deliveries of notices and other documentation that may contain material non-public information.

Notices sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received. Notices delivered through electronic communications to the extent provided in paragraph (b) below, shall be effective as provided in said paragraph (b).

(b) ***Electronic Communications***. Notices and other communications to the Lenders and the Issuing Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, *provided* that approval of such procedures may be limited to particular notices or communications. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor; *provided* that, for both clauses (i) and (ii) above, if such notice, email or other communication is not sent during the normal business hours of the recipient, such notice, email or other communication shall be deemed to have been sent at the opening of business on the next Business Day for the recipient.

(c) ***Administrative Agent's Office***. The Administrative Agent hereby designates its office located at the address set forth above, or any subsequent office which shall have been specified for such purpose by written notice to the Borrower and Lenders, as the Administrative Agent's office referred to herein, to which payments due are to be made and at which Loans will be disbursed and Letters of Credit requested.

(d) ***Change of Address, Etc.*** Each of the Borrower, the Administrative Agent, any Issuing Lender or the Swingline Lender may change its address or other contact information for notices and other communications hereunder by notice to the other parties hereto. Any Lender may change its address, email or facsimile number for notices and other communications hereunder by notice to the Borrower, the Administrative Agent, each Issuing Lender and the Swingline Lender.

(e) ***Platform***.

(i) Each Loan Party, each Lender and each Issuing Lender agrees that the Administrative Agent may, but shall not be obligated to, make the Borrower Materials available to the Issuing Lenders and the other Lenders by posting the Borrower Materials on the Platform.

(ii) The Platform is provided "as is" and "as available." The Agent Parties do not warrant the accuracy or completeness of the Borrower Materials or the adequacy of the Platform, and expressly disclaim liability for errors or omissions in the Borrower Materials. No warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a

particular purpose, non-infringement of third-party rights or freedom from viruses or other code defects, is made by any Agent Party in connection with the Borrower Materials or the Platform. Although the Platform is secured pursuant to generally-applicable security procedures and policies implemented or modified by the Administrative Agent and its Related Parties, each of the Lenders, the Issuing Lenders and the Borrower acknowledges and agrees that distribution of information through an electronic means is not necessarily secure in all respects, the Administrative Agent, the Lead Arranger and their respective Related Parties (collectively, the "***Agent Parties***") are not responsible for approving or vetting the representatives, designees or contacts of any Lender or Issuing Lender that are provided access to the Platform and that there may be confidentiality and other risks associated with such form of distribution. Each of the Borrower, each Lender and each Issuing Lender party hereto understands and accepts such risks. In no event shall the Agent Parties have any liability to any Loan Party, any Lender or any other Person or entity for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of any Loan Party's or the Administrative Agent's transmission of communications through the Internet (including the Platform), except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; *provided* that in no event shall any Agent Party have any liability to any Loan Party, any Lender, any Issuing Lender or any other Person for indirect, special, incidental, consequential or punitive damages, losses or expenses (as opposed to actual damages, losses or expenses).

(f) ***Private Side Designation***. Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and Applicable Law, including United States federal and state securities Applicable Laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States federal or state securities Applicable Laws.

Section 9.02 ***Survival***.

(a) All representations and warranties set forth in Article III and all representations and warranties contained in any certificate, or any of the Loan Documents (including, but not limited to, any such representation or warranty made in or in connection with any amendment thereto) shall constitute representations and warranties made under this Agreement. All representations and warranties made under this Agreement shall be made or deemed to be made at and as of the Closing Date (except those that are expressly made as of a specific date), shall survive the Closing Date and shall not be waived by the execution and delivery of this Agreement, any investigation made by or on behalf of the Lenders or any borrowing hereunder.

(b) Notwithstanding any termination of this Agreement, the indemnities to which the Administrative Agent and the Lenders are entitled under the provisions of this Article IX and any other provision of this Agreement and the other Loan Documents shall continue in full force and effect and shall protect the Administrative Agent and the Lenders against events arising after such termination as well as before.

Section 9.03 ***Counterparts; Integration; Effectiveness***. This Agreement may be executed in counterparts (and by different parties hereto in different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement and the other Loan Documents, and any separate letter agreements with respect to fees payable to the Administrative Agent, any Issuing Lender, the Swingline Lender and/or the Lead Arranger, constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.02, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or in electronic (i.e., "pdf" or "tif") format shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 9.04 ***Successors and Assigns; Participations***.

(a) ***Successors and Assigns Generally***. The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that neither the Borrower nor any other Loan Party may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an assignee in accordance with the provisions of paragraph (b) of this Section, (ii) by way of participation in accordance with the provisions of paragraph (d) of this Section or (iii) by way of pledge or assignment of a security interest subject to the restrictions of paragraph (e) of this Section (and any other attempted assignment or transfer by any party hereto shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in paragraph (d) of this Section and, to the extent expressly contemplated hereby, the Lead Arranger, the Related Parties of each of the Administrative Agent, the Lead Arranger and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) ***Assignments by Lenders***. Any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Revolving Credit Commitment and the Loans at the time owing to it); *provided* that any such assignment shall be subject to the following conditions:

(i) ***Minimum Amounts***.

(A) in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and/or the Loans at the time owing to it or contemporaneous assignments to related Approved Funds (determined after giving effect to such assignments) that equal at least the amount specified in paragraph (b)(i)(B) of this Section in the aggregate or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund, no minimum amount need be assigned; and

(B) in any case not described in paragraph (b)(i)(A) of this Section, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) or, if the applicable Commitment is not then in effect, the principal outstanding balance of the Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent or, if "Trade Date" is specified in the Assignment and Assumption, as of the Trade Date) shall not be less than $5,000,000, unless each of the Administrative Agent and, so long as no Event of Default under clauses (b), (c), (g) or (h) of Article VII has occurred and is continuing, the Borrower otherwise consents (each such consent not to be unreasonably withheld or delayed); provided that the Borrower shall be deemed to have given its consent ten (10) Business Days after the date written notice thereof has been delivered by the assigning Lender (through the Administrative Agent) unless such consent is expressly refused by the Borrower prior to such tenth (10th) Business Day;

(ii) ***Proportionate Amounts***. Each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with respect to the Loan or the Commitment assigned;

(iii) ***Required Consents***. No consent shall be required for any assignment except to the extent required by paragraph (b)(i)(B) of this Section and, in addition:

(A) the consent of the Borrower (such consent not to be unreasonably withheld or delayed) shall be required unless (x) an Event of Default under clauses (b), (c), (g) or (h) of Article VII has occurred and is continuing at the time of such assignment or (y) such assignment is to a Lender, an Affiliate of a Lender or an Approved Fund; *provided*, that the Borrower shall be deemed to have consented to any such assignment unless it shall object thereto by written notice to the Administrative Agent within ten (10) Business Days after having received notice thereof;

(B) the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed) shall be required for assignments if such assignment is to a Person that is not a Lender with a Revolving Credit Commitment, an Affiliate of such Lender or an Approved Fund with respect to such Lender; and

(C) the consents of the Issuing Lenders and the Swingline Lender (such consents not to be unreasonably withheld or delayed) shall be required for any assignment.

(iv) ***Assignment and Assumption***. The parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption, together with a processing and recordation fee of $3,500 for each assignment; *provided* that (A) only one such fee will be payable in connection with simultaneous assignments to two or more related Approved Funds by a Lender and (B) the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment.

(v) ***No Assignment to Certain Persons***. No such assignment shall be made to (A) the Borrower or any of its Subsidiaries or Affiliates, (B) a natural Person (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural Person) or (C) any Defaulting Lender or any of its Subsidiaries, or any Person who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (v).

(vi) ***Certain Additional Payments***. In connection with any assignment of rights and obligations of any Defaulting Lender hereunder, no such assignment shall be effective unless and until, in addition to the other conditions thereto set forth herein, the parties to the assignment shall make such additional payments to the Administrative Agent in an aggregate amount sufficient, upon distribution thereof as appropriate (which may be outright payment, purchases by the assignee of participations or subparticipations, or other compensating actions, including funding, with the consent of the Borrower and the Administrative Agent, the applicable *pro rata* share of Loans previously requested, but not funded by, the Defaulting Lender, to each of which the applicable assignee and assignor hereby irrevocably consent), to (A) pay and satisfy in full all payment liabilities then owed by such Defaulting Lender to the Administrative Agent, the Issuing Lenders, the Swingline Lender and each other Lender hereunder (and interest accrued thereon), and (B) acquire (and fund as appropriate) its full *pro rata* share of all Loans and participations in Letters of Credit and Swingline Loans in accordance with its Pro Rata Percentage. Notwithstanding the foregoing, in the event that any assignment of rights and obligations of any Defaulting Lender hereunder shall become effective under Applicable Law without compliance with the provisions of this paragraph, then the assignee of such interest shall be deemed to be a Defaulting Lender for all purposes of this Agreement until such compliance occurs.

Subject to acceptance and recording thereof by the Administrative Agent pursuant to paragraph (c) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto) but shall continue to be entitled to the benefits of Sections 2.26, 2.27, 2.28, 2.29 and 9.05 with respect to facts and circumstances occurring prior to the effective date of such assignment; *provided*, that except to the extent otherwise expressly agreed by the affected parties, no assignment by a Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (d) of this Section.

(c) ***Register***. The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at one of its offices in Charlotte, North Carolina, a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of (and stated interest on) the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "***Register***"). The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender (but only to the extent of entries in the Register that are applicable to such Lender), at any reasonable time and from time to time upon reasonable prior notice.

(d) ***Participations***. Any Lender may at any time, without the consent of, or notice to, the Borrower, the Administrative Agent, any Issuing Lender or the Swingline Lender, sell participations to any Person other than a natural Person, (or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural Person, or the Borrower or any of the Borrower's Subsidiaries or Affiliates) (each, a "***Participant***") in all or a portion of such Lender's rights and/or obligations under this

Agreement (including all or a portion of its Commitment and/or the Loans owing to it); *provided* that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Administrative Agent, each Issuing Lender, the Swingline Lender and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, each Lender shall be responsible for the indemnity under Section 9.05(c) with respect to any payments made by such Lender to its Participant(s).

(e) Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; *provided* that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in Section 9.08(b), (c), (d) or (e) that directly and adversely affects such Participant. The Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.27, 2.28 and 2.29 (subject to the requirements and limitations therein, including the requirements under Section 2.29(g) (it being understood that the documentation required under Section 2.29(g) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section; *provided* that such Participant (A) agrees to be subject to the provisions of Section 2.30 as if it were an assignee under paragraph (b) of this Section; and (B) shall not be entitled to receive any greater payment under Sections 2.28 or 2.29, with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a Change in Law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 2.30(b) with respect to any Participant. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.06 as though it were a Lender; *provided* that such Participant agrees to be subject to Section 2.24 and Section 9.06 as though it were a Lender.

(f) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts of (and stated interest on) each Participant's interest in the Loans or other obligations under the Loan Documents (the "***Participant Register***"); *provided* that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) or Proposed Section 1.163-5(b) of the United States Treasury Regulations (or, in each case, any amended or successor version). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(g) ***Certain Pledges***. Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank; *provided* that no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

Section 9.05 ***Expenses; Indemnity***.

(a) ***Costs and Expenses***. The Borrower and any other Loan Party, jointly and severally, shall pay on demand (i) all reasonable and documented out of pocket expenses incurred by the Administrative Agent and its Affiliates (including the reasonable and documented fees and expenses of outside counsel for the Administrative Agent (limited to one primary counsel for the Administrative Agent, the Lenders and the Issuing Lender, taken as a whole, and, if necessary, one local counsel and one maritime counsel for the Administrative Agent in each relevant jurisdiction)), in connection with the syndication of the Revolving Credit Facility, the preparation, negotiation, execution, delivery and administration of this Agreement and the other Loan Documents or any amendments, modifications or waivers of the provisions hereof or thereof (whether or not the transactions contemplated hereby or thereby shall be consummated), (ii) all reasonable and documented out of pocket expenses incurred by any Issuing Lender in connection with the issuance, amendment, renewal or extension of any Letter of Credit or any demand for payment thereunder and (iii) all reasonable out of pocket expenses incurred by the Administrative Agent, any Lender or any Issuing Lender (including the reasonable and documented fees, charges and disbursements of outside counsel for the Administrative Agent, any Lender or any Issuing Lender (limited to one primary counsel for the Administrative Agent, the Lenders and the Issuing Lenders, taken as a whole, and, if necessary, one local counsel and one maritime counsel for the Administrative Agent, the Lenders and the Issuing Lenders, taken as a whole, in each relevant jurisdiction)) in connection with the enforcement or protection of its rights (A) in connection with this Agreement and the other Loan Documents, including its rights under this Section, or (B) in connection with the Loans made or Letters of Credit issued hereunder, including all such out of pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) ***Indemnification by the Borrower***. The Borrower shall indemnify and hold harmless the Administrative Agent, the Lead Arranger, each Lender and each Issuing Lender, and each Related Party of any of the foregoing Persons (each such Person being called an "***Indemnitee***") against, and hold each Indemnitee harmless from, and shall pay or reimburse any such Indemnitee for, any and all actions, suits, losses, claims (including any Environmental Claims), damages, penalties, liabilities and expenses of any kind or nature (including the reasonable and documented out of pocket fees and expenses of outside counsel for any Indemnitee (limited to one primary counsel for the Indemnitees, the Lenders and the Issuing Lenders, taken as a whole, and, if necessary, one local counsel and one maritime counsel for the Indemnitees, taken as a whole, in each relevant jurisdiction) (and, in the case of a conflict of interest, one additional conflicts counsel for the affected Indemnitee and one local counsel and one maritime counsel for the affected Indemnitee in each relevant jurisdiction)), incurred by any Indemnitee or asserted against any Indemnitee by any Person (including the Borrower or any other Loan Party), arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement, matter or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by any Issuing Lender to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by any Loan Party or any Subsidiary thereof, or any Environmental Claim related in any way to any Loan Party or any Subsidiary and arising out of this Agreement or any Loan Document, (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by any Loan Party or any Subsidiary thereof, and regardless of whether any Indemnitee is a party thereto, or (v) any claim (including

any Environmental Claims), investigation, litigation or other proceeding (whether or not the Administrative Agent or any Lender is a party thereto) and the prosecution and defense thereof, arising out of or in any way connected with the Loans, this Agreement, any other Loan Document, or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby, including reasonable attorneys and consultant's fees, *provided* that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (A) are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of such Indemnitee, (B) a material breach of any obligations under this Agreement or the other Loan Documents, or with respect to the transactions contemplated herein, by any Indemnitee, as determined by a final non-appealable judgment of a court of competent jurisdiction or (z) any dispute solely among Indemnitees (as determined in a final and non-appealable judgment of a court of competent jurisdiction). This Section 9.05(b) shall not apply with respect to Taxes other than any Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim. In the case of an investigation, litigation or proceeding to which the indemnity in this paragraph applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by the Borrower, Holdings, or any Indemnitee, whether or not an Indemnitee is otherwise a party thereto. The Borrower shall not, without the prior written consent of each Indemnitee affected thereby, settle any threatened or pending claim or action that would give rise to the right of any Indemnitee to claim indemnification hereunder unless such settlement (x) includes a full and unconditional release of all liabilities arising out of such claim or action against such Indemnitee, (y) does not include any statement as to or an admission of fault, culpability or failure to act by or on behalf of such Indemnitee and (z) requires no action on the part of the Indemnitee other than its consent. Each Indemnitee agrees (by accepting the benefits hereof), severally and not jointly, to refund and return any and all amounts paid by you (or on your behalf) under this paragraph to such Indemnitee to the extent it is found by a final, non-appealable judgment of a court of competent jurisdiction that such Indemnitee is not entitled to payment of such amounts in accordance with the terms hereof.

(c) ***Reimbursement by Lenders***. To the extent that the Borrower for any reason fails to indefeasibly pay any amount required under clause (a) or (b) of this Section to be paid by it to the Administrative Agent (or any sub-agent thereof), the Lead Arranger, any Issuing Lender, the Swingline Lender or any Related Party of any of the foregoing, each Lender severally agrees to pay to the Administrative Agent (or any such sub-agent), the Lead Arranger, such Issuing Lender, the Swingline Lender or such Related Party, as the case may be, such Lender's *pro rata* share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought based on each Lender's share of the Revolving Credit Exposure at such time, or if the Revolving Credit Exposure has been reduced to zero, then based on such Lender's share of the Revolving Credit Exposure immediately prior to such reduction) of such unpaid amount (including any such unpaid amount in respect of a claim asserted by such Lender); *provided* that with respect to such unpaid amounts owed to any Issuing Lender or the Swingline Lender solely in its capacity as such, only the Revolving Credit Lenders shall be required to pay such unpaid amounts, such payment to be made severally among them based on such Revolving Credit Lenders' Pro Rata Percentage (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought or, if the Revolving Credit Commitment has been reduced to zero as of such time, determined immediately prior to such reduction); *provided*, *further*, that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent (or any such sub-agent), the Lead Arranger, such Issuing Lender or the Swingline Lender in its capacity as such, or against any Related Party of any of the foregoing acting for the Administrative Agent (or any such sub-agent), the Lead Arranger, such Issuing Lender or the Swingline Lender in connection with such capacity. The obligations of the Lenders under this clause (c) are subject to the provisions of Section 2.25.

(d) ***Waiver of Consequential Damages, Etc.*** To the fullest extent permitted by Applicable Law, none of the parties hereto shall be liable to any other party or any of such party's Related Parties or any other person for any special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan or Letter of Credit or the use of the proceeds thereof, except that, in the case of such damages arising out of an action, suit or proceeding brought against an Indemnitee by a third party, the Loan Parties shall be liable for any such damages. No Indemnitee referred to in clause (b) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby (provided that, in the case of the Secured Parties, such distribution is made in accordance with the provisions of Section 9.15 hereof) other than for direct or actual damages determined in a final, non-appealable judgment by a court of competent jurisdiction to have resulted primarily from the gross negligence or willful misconduct of such Indemnitee.

(e) ***Payments***. All amounts due under this Section shall be payable not later than ten (10) Business Days after written demand therefor.

(f) ***Survival***. Each party's obligations under this Section shall survive the termination of the Loan Documents and payment of the obligations hereunder.

Section 9.06 ***Right of Setoff***. provided further, that (i) no amendment, waiver or consent shall, unless in writing and signed by each affected Issuing Lender in addition to the Lenders required above, affect the rights or duties of such Issuing Lender under this Agreement or any Letter of Credit Documents relating to any Letter of Credit issued or to be issued by it; (ii) no amendment, waiver or consent shall, unless in writing and signed by the Swingline Lender in addition to the Lenders required above, affect the rights or duties of the Swingline Lender under this Agreement; (iii) no amendment, waiver or consent shall, unless in writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of the Administrative Agent under this Agreement or any other Loan Document or modify Section 9.01(e), Section 9.27 or Article VIII hereof; (iv) each fee letter may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto, (v) each Letter of Credit Document and each cash collateral agreement or other document entered into in connection with an Extended Letter of Credit may be amended, or rights or privileges thereunder waived, in a writing executed only by the parties thereto; *provided* that a copy of such amended Letter of Credit Document, cash collateral agreement or other document, as the case may be, shall be promptly delivered to the Administrative Agent upon such amendment or waiver, (vi) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into by the Borrower and the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time, (vii) the Administrative Agent and the Borrower shall be permitted to amend any provision of the Loan Documents (and such amendment shall

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except that (A) the Commitment of such Lender may not be increased or extended without the consent of such Lender, and (B) any amendment, waiver, or consent hereunder which requires the consent of all Lenders or each affected Lender that by its terms disproportionately and adversely affects any such Defaulting Lender relative to other affected Lenders shall require the consent of such Defaulting Lender.

Notwithstanding anything in this Agreement to the contrary, each Lender hereby irrevocably authorizes the Administrative Agent on its behalf, and without further consent of any Lender (but with the consent of the Borrower and the Administrative Agent), to (x) amend and restate this Agreement and the other Loan Documents if, upon giving effect to such amendment and restatement, such Lender shall no longer be a party to this Agreement (as so amended and restated), the Commitments of such Lender shall have terminated, such Lender shall have no other commitment or other obligation hereunder and shall have been paid in full all principal, interest and other amounts owing to it or accrued for its account under this Agreement and the other Loan Documents and (y) enter into amendments or modifications to this Agreement (including amendments to this Section 9.08) or any of the other Loan Documents or to enter into additional Loan Documents as the Administrative Agent reasonably deems appropriate in order to effectuate the terms of Section 2.31 (including as applicable, (1) to permit the Incremental Increases to share ratably in the benefits of this Agreement and the other Loan Documents and (2) to include an Incremental Increase, as applicable, in any determination of (i) Required Lenders or (ii) similar required lender terms applicable thereto); *provided* that no amendment or modification shall result in any increase in the amount of any Lender's Commitment or any increase in any Lender's Revolving Credit Commitment Percentage, in each case, without the written consent of such affected Lender.

Section 9.09 ***Interest Rate Limitation***. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan or participation in any L/C Disbursement, together with all fees, charges and other amounts which are treated as interest on such Loan or participation in such L/C Disbursement under Applicable Law (collectively the "***Charges***"), shall exceed the maximum lawful rate (the "***Maximum Rate***") which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan or participation in accordance with Applicable Law, the rate of interest payable in respect of such Loan or participation hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan or participation but were not payable as a result of the operation of this Section 9.09 shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or participations or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

Section 9.10 ***Entire Agreement***. This Agreement and the other Loan Documents constitute the entire contract between the parties relative to the subject matter hereof. Any other previous agreement among the parties with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any person (other than the parties hereto and thereto, their respective successors and assigns permitted hereunder (including any Affiliate of any Issuing Lender that issues any Letter of Credit) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Lead Arranger, the Issuing Lenders and the Lenders) any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

EACH PARTY HERETO HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY).

Section 9.12 ***Severability of Provisions***. Any provision of this Agreement or any other Loan Document which is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective only to the extent of such prohibition or unenforceability without invalidating the remainder of such provision or the remaining provisions hereof or thereof or affecting the validity or enforceability of such provision in any other jurisdiction. In the event that any provision is held to be so prohibited or unenforceable in any jurisdiction, the Administrative Agent, the Lenders and the Borrower shall negotiate in good faith to amend such provision to preserve the original intent thereof in such jurisdiction (subject to the approval of the Required Lenders).

Section 9.13 ***Titles and Captions***. Titles and captions of Articles, Sections and subsections in, and the table of contents of, this Agreement are for convenience only, and neither limit nor amplify the provisions of this Agreement.

Section 9.14 ***Jurisdiction; Waiver of Venue; Consent to Service of Process***.

(a) ***Submission to Jurisdiction***. The Borrower and each other Loan Party irrevocably and unconditionally agrees that it will not commence any action, litigation or proceeding of any kind or description, whether in law or equity, whether in contract or in tort or otherwise, against the Administrative Agent, the Lead Arranger, any Lender, any Issuing Lender, the Swingline Lender, or any Related Party of the foregoing in any way relating to this Agreement or any other Loan Document or the transactions relating hereto or thereto, in any forum other than the courts of the State of New York sitting in New York County, and of the United States District Court of the Southern District of New York, and any appellate court from any thereof, and each of the parties hereto irrevocably and unconditionally submits to the exclusive jurisdiction of such courts and agrees that all claims in respect of any such action, litigation or proceeding may be heard and determined in such New York State court or, to the fullest extent permitted by Applicable Law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action, litigation or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or in any other Loan Document shall affect any right that the Administrative Agent, any Lender, any Issuing Lender or the Swingline Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against the Borrower or any other Loan Party or its properties in the courts of any jurisdiction.

Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by Applicable Law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(a) ***Guarantee Release***.

(i) The Guarantee of a Guarantor will automatically be released:

(A) in connection with any sale or other disposition of all or substantially all of the assets of that Guarantor (including by way of merger, consolidation, amalgamation or combination) to a Person that is not (either before or after giving effect to such transaction) the Borrower or a Restricted Subsidiary, if the sale or other disposition does not violate Section 6.05 or Section 6.15 of this Agreement;

(B) in connection with any sale or other disposition of Equity Interests of that Guarantor to a Person that is not (either before or after giving effect to such transaction) the Borrower or a Restricted Subsidiary, if the sale or other disposition does not violate Section 6.05 or Section 6.15 of this Agreement and the Guarantor ceases to be a Restricted Subsidiary as a result of the sale or other disposition;

(C) if the Borrower designates such Guarantor to be an Unrestricted Subsidiary in accordance with the applicable provisions of this Agreement; or

provided that, in each case, the Borrower has delivered to the Administrative Agent an Officer's Certificate (which may be combined with any other Officer's Certificate required to be delivered pursuant to other provisions referenced in the foregoing clauses) stating that all conditions precedent provided for in this Agreement and the Security Documents relating to such release have been complied with.

(b) ***Release of Loan Collateral***.

(i) Notwithstanding anything in this Agreement or any Security Document to the contrary, to the extent a release is required by a Security Document, the Administrative Agent shall release, without the need for consent of the Required Lenders, Liens on the Loan Collateral securing the Obligations upon irrevocable repayment in full in cash of the Loans in accordance with the terms hereof.

(C) as may be permitted by the provisions of this Agreement described under Section 9.08;

(D) in order to effectuate a merger, consolidation, conveyance, transfer or other business combination conducted in compliance with Section 6.05 or 9.04; and

(E) as provided in Section 6.02;

(ii) Each of the foregoing releases shall be effected by the Borrower, without the consent of the Administrative Agent or the Lenders or any action on the part of the Administrative Agent upon receipt (other than for clauses (A) and (E), in which case such release shall be automatic) by the Borrower and the Administrative Agent of an Officer's Certificate of VRC AG (and/or any guarantor of the Intercompany Loan party thereto from time to time, as the case may be) dated the date of the application of such release (which Officer's Certificate may be combined with any other Officer's Certificate required to be delivered pursuant to other provisions referenced in the foregoing clauses), certifying that under the Intercompany Loan Documents no default or event of default has occurred and is continuing or would occur as a result of such release, and that all conditions precedent in the Intercompany Loan Agreement and Intercompany Loan Security Documents relating to the release of the Lien on the applicable Intercompany Loan Collateral have been complied with.

The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or any Lender hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "***Judgment Currency***") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "***Agreement Currency***"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent or such Lender, as the case may be, of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent or such Lender, as the case may be, may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent or any Lender from the Borrower in the Agreement Currency, the Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or such Lender, as the case may be, against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent or any Lender in such currency, the Administrative Agent or such Lender, as the case may be, agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under Applicable Law).

The provisions of this Section 9.19 are for the sole benefit of the Lenders and shall not afford any right to, or constitute a defense available to, any Loan Party.

Section 9.20 ***[Reserved].***

This Agreement shall remain in effect from the Closing Date through and including the date upon which all Obligations (other than contingent indemnification obligations not then due) arising hereunder or under any other Loan Document shall have been paid and satisfied in full in cash, all Letters of Credit have been terminated or expired (or been Cash Collateralized) or otherwise satisfied in a manner acceptable to the applicable Issuing Lender and the Commitments have been terminated. No termination of this Agreement shall affect the rights and obligations of the parties hereto arising prior to such termination or in respect of any provision of this Agreement which is expressly stated to survive such termination.

Section 9.22 ***Acknowledgement and Consent to Bail-In of Affected Financial Institutions***. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of the applicable Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

Section 9.24 ***Electronic Execution of Loan Documents***. The words "execute," "execution," "signed," "signature," "delivery" and words of like import in or related to this Agreement, any other Loan Document or any document, amendment, approval, consent, waiver, modification, information, notice, certificate, report, statement, disclosure, or authorization to be signed or delivered in connection with this Agreement or any other Loan Document or the transactions contemplated hereby shall be deemed to include Electronic Signatures or execution in the form of an electronic record, and contract formations on electronic platforms approved by the Administrative Agent, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any Applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act. Each party hereto agrees that any Electronic Signature or execution in the form of an electronic record shall be valid and binding on itself and each of the other parties hereto to the same extent as a manual, original signature. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance by the parties of a manually signed paper which has been converted into electronic form (such as scanned into PDF format), or an electronically signed paper converted into another format, for transmission, delivery and/or retention. Notwithstanding anything contained herein to the contrary, the Administrative Agent is under no obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it; *provided* that without limiting the foregoing, (i) to the extent the Administrative Agent has agreed to accept such Electronic Signature from any party hereto, the Administrative Agent and the other parties hereto shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of the executing party without further verification and (ii) upon the request of the Administrative Agent or any Lender, any Electronic Signature shall be promptly followed by an original manually executed counterpart thereof. Without limiting the generality of the foregoing, each party hereto hereby (A) agrees that, for all purposes, including without limitation, in connection with any workout, restructuring, enforcement of remedies, bankruptcy proceedings or litigation among the Administrative Agent, the Lenders and any of the Loan Parties, electronic images of this Agreement or any

other Loan Document (in each case, including with respect to any signature pages thereto) properly authenticated in accordance with Applicable Law shall have the same legal effect, validity and enforceability as any paper original, and (B) waives any argument, defense or right to contest the validity or enforceability of the Loan Documents based solely on the lack of paper original copies of any Loan Documents, including with respect to any signature pages thereto.

Section 9.25 ***Acknowledgement Regarding Any Supported QFCs***. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Hedging Agreements or any other agreement or instrument that is a QFC (such support, "***QFC Credit Support***" and, each such QFC, a "***Supported QFC***"), the parties acknowledge and agree as follows with respect to the resolution power of the FDIC under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "***U.S. Special Resolution Regimes***") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "***Covered Party***") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 9.25, the following terms have the following meanings:

"***BHC Act Affiliate***" of a party means an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

"***Covered Entity***" means any of the following:

(a) a "covered entity" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);

(b) a "covered bank" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or

(c) a "covered FSI" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

"***Default Right***" has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

"***QFC***" has the meaning assigned to the term "qualified financial contract" in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

Section 9.26 ***[Reserved]***.

Section 9.27 ***No Advisory or Fiduciary Responsibility***.

(a) In connection with all aspects of each transaction contemplated hereby, each Loan Party acknowledges and agrees, and acknowledges its Affiliates' understanding, that (i) the facilities provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document) are an arm's-length commercial transaction between the Borrower and its Affiliates, on the one hand, and the Administrative Agent, the Lead Arranger and the Lenders, on the other hand, and the Borrower is capable of evaluating and understanding and understands and accepts the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents (including any amendment, waiver or other modification hereof or thereof), (ii) in connection with the process leading to such transaction, each of the Administrative Agent, the Lead Arranger and the Lenders is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary, for the Borrower or any of its Affiliates, stockholders, creditors or employees or any other Person, (iii) none of the Administrative Agent, the Lead Arranger or the Lenders has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Borrower with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Loan Document (irrespective of whether the Lead Arranger or Lender has advised or is currently advising the Borrower or any of its Affiliates on other matters) and none of the Administrative Agent, the Lead Arranger or the Lenders has any obligation to the Borrower or any of its Affiliates with respect to the financing transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents, (iv) the Lead Arranger and the Lenders and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from, and may conflict with, those of the Borrower and its Affiliates, and none of the Administrative Agent, the Lead Arranger or the Lenders has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship and (v) the Administrative Agent, the Lead Arranger and the Lenders have not provided and will not provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Loan Document) and the Loan Parties have consulted their own legal, accounting, regulatory and tax advisors to the extent they have deemed appropriate.

(b) Each Loan Party acknowledges and agrees that each Lender, the Lead Arranger and any Affiliate thereof may lend money to, invest in, and generally engage in any kind of business with, any of the Borrower, any Affiliate thereof or any other person or entity that may do business with or own securities of any of the foregoing, all as if such Lender, the Lead Arranger or such Affiliate thereof were not a Lender or the Lead Arranger or an Affiliate thereof (or an agent or any other person with any similar role under the Revolving Credit Facility) and without any duty to account therefor to any other Lender, the Lead Arranger, the Borrower or any Affiliate of the foregoing. Each Lender, the Lead Arranger and any Affiliate thereof may accept fees and other consideration from the Borrower or any Affiliate thereof for services in connection with this Agreement, the Revolving Credit Facility or otherwise without having to account for the same to any other Lender, the Lead Arranger, the Borrower or any Affiliate of the foregoing.
